

Election Inspectors Wanted!

Be involved in the process!

Election Inspectors are needed in the Town of Brunswick for the FOUR (really!) 2016 elections listed below. Our town has 10 voting districts that need to be staffed. Inspectors are reimbursed by Rensselaer County for training classes and Election Day work. We try to maintain a list of more people than necessary since not everyone may be available for one reason or another. Even if you have worked previous years, we would like to hear from you to confirm your availability and contact information. The sooner we hear from you the better. Be involved in the process! Please call our office at 279-3461 ext. 103 or 104 to be put on the list or for more information.
