January 6, 2005

RESOLUTION INCREASING WATER RATES

WHEREAS, the Town of Brunswick currently provides water to those households and businesses which are part of its municipal water system by way of a forty (40) year contract with the City of Troy which expires in the year 2007; and

WHEREAS, under the terms of the said contract, the Town is billed by the City of Troy for water provided to the Town's municipal water distribution system at the same rate per gallon paid by individual private consumers of water within the City; and

WHEREAS, the Town must, accordingly, charge its consumers of municipal water an additional amount per gallon in order to pay for the cost of operating and maintaining the Town's water distribution system by the Town Water Department; and

WHEREAS, this Town Board had been committed to keeping water rates stable, such commitment, of course, being contingent upon the rate charged by the City of Troy to the Town remaining stable as well; and

WHEREAS, effective January 1, 2005, the City of Troy, raised the water rate charged to its own consumers within the City, which said increase, pursuant to the terms of the above-mentioned contract, extends as well to the water supplied to the Town of Brunswick; and

WHEREAS, accordingly, the Town Board has no choice but to raise the water rate it charges to Town residents who receive municipal water by a similar percentage, taking into account, as well, the Town's continuing need to maintain, repair and update its aging water distribution system; now, therefore

BE IT RESOLVED, that, effective immediately, the Town of Brunswick does hereby increase the water rate for all customers served by the Town of Brunswick municipal water distribution system to \$4.18 per 1,000 gallons, such increase to be applied to all water usage reflected on customer's August, 2005, water usage bill.

The foregoing resolution, offered by Councilman Poletto, and seconded by Supervisor Herrington, was duly put to a roll call vote as follows:

Dated: January 6, 2005

TOWN OF BRUNSWICK
Fixed Asset Policy 2004

PURPOSE

It is the policy of the Town of Brunswick to recognize the need to implement the required accounting and financial reporting standards promulgated by the Governmental Accounting Standards Board (GASB): GASB Statement 34 was issued to provide new and additional information to the diverse users of the town's financial statements. In addition to the information contained in previous financial reporting, GASB 34 will now provide information in a highly aggregated manner looking at the long-term financial condition of the town. This new information will require local governments to account for capital assets in a manner different than previously recorded. The intent is to provide an additional set of entity-wide financial statements more similar to the private sector.

The primary objectives of GASB 34 include:

- New entity-wide financial statements reflect the overall financial position of the town.
- Long-term focus for local government activities
- Narrative overview and analysis
- Expanded budgetary reporting

It is important to note that the methods, calculations and procedures for determining the budgetary process of the local government will not be affected by the implications of the new standards. The information contained in the previous financial statements will largely be in the same format.

AUTHORITY

Governmental Accounting Standards Board 34

DELEGATION OF AUTHORITY

The Board delegates to the Supervisor the responsibility to coordinate the compilation and preparation of all information necessary to implement this policy in accordance with the Town of Brunswick's administrative procedures.

REQUIREMENTS

Capitalized Asset-a capitalized asset shall be any asset acquired by donation or purchase that has a useful life of longer than one year or extends the life of another capitalized asset or increases its value and meets a specific dollar threshold. At management's discretion capital assets purchased with long-term debt may be capitalized regardless of the specific dollar threshold for the type of class of asset acquired.

Value of Assets-all capitalized assets shall be recorded at historical cost at acquisition date or estimated cost if acquired prior to the date of the initial inventory. Any donated capital asset shall be recorded at the date of donation using the fair market value of the item at that date.

Depreciation-depreciation shall be based on the straight-line method of depreciation over the estimated useful life of each depreciable asset or group of assets. Periodically, management shall evaluate the estimated useful life of each depreciable asset to determine if revision of such estimate is required.

Dollar Threshold-a dollar threshold for each asset shall be set at an appropriate level. Management should periodically review these levels and make any modifications necessary.

CAPITALIZATION PROCEDURES

<u>Class of Asset</u>	<u>Useful Life</u>	<u>Dollar Threshold for Each Asset</u>	<u>Dollar Threshold by Group</u>
Office Equipment	10 years	\$5,000	\$10,000

**TOWN OF BRUNSWICK
REGULAR TOWN BOARD MEETING
JANUARY 13, 2005, 7:00 P.M.
TOWN HALL**

Board Members Present: Supervisor Herrington, Councilman Poletto, Councilman Salvi, and Councilman Clemente (arriving at 7:16).

Board Members Absent: Councilwoman Abrams.

Also Present: Town Attorney, Thomas Cioffi, and Town Clerk, Susan Quest-Sherman.

The Supervisor called the meeting to order at 7:05 p.m.

All joined in a salute to the flag.

Supervisor Herrington mentioned that Councilwoman Abrams was not at the meeting tonight as she and her husband were back at Walter Reed Hospital for another operation.

VISITORS WHO WISH TO SPEAK:

None.

BUSINESS MEETING:

MINUTES OF THE PREVIOUS MEETING:

A motion was made by Councilman Poletto to approve the minutes of the previous meetings, seconded by Councilman Salvi. Approved.

REPORTS:

Town Clerk: Susan Quest-Sherman, Town Clerk

The Town Clerk gave the report for the month of December and also an annual report. Amount to be remitted to the Supervisor for the month is \$4,845.92. A motion to accept the reports was made by Councilman Salvi and seconded by Councilman Poletto. Approved. Copies of the reports are on file in the Town Clerk's Office.

Highway Superintendent: Doug Eddy

The Highway Superintendent gave his report for the month of December. Motion to accept the report was made by Councilman Poletto, seconded by Councilman Salvi. Approved. A copy of the report is on file in the Town Clerk's Office.

Superintendent of Utilities & Inspections: John Kreiger

Mr. Kreiger gave his report for the month of December; amount remitted to the Supervisor was \$6,623.50. Mr. Kreiger also submitted an annual report. Councilman Poletto made a motion to accept the reports seconded by Supervisor Herrington. Approved. Copies of the reports are on file in the Town Clerk's Office.

Superintendent of Water: Myron VanDyke

Mr. VanDyke gave his report for the month of December. A motion to accept the report was made by Councilman Poletto which was seconded by Councilman Salvi. Approved. A copy of the report is on file in the Town Clerk's Office.

Town Attorney: Thomas Cioffi

Mr. Cioffi gave his report for the month of December. Mr. Cioffi stated he had prepared the Resolutions for the Organizational Meeting and he has been working on a settlement of a Union Grievance. A motion was made by Supervisor Herrington to approve Mr. Cioffi's report, seconded by Councilman Salvi. Approved.

Town Historian: Sharon Zankel

Mrs. Zankel read her report for the month of December. Councilman Salvi made a motion to accept the report which was seconded by Councilman Poletto. Approved. A copy of the report is on file in the Town Clerk's Office.

Recycling Coordinator: Thomas Engster

The Recycling Coordinator presented his report for the month of December. Motion to accept Mr. Engster's report was made by Councilman Salvi and seconded by Councilman Poletto. Approved. A copy of the report is on file in the Town Clerk's Office.

Family Community Center: William DeFilippis

Mr. DeFilippis was absent from the meeting but had submitted a written report. Motion to accept the report as written was made by Supervisor Herrington seconded by Councilman Poletto. Approved. A copy of the report is on file in the Town Clerk's Office.

Brunswick Community Library: Julie Zelman

Mrs. Zelman submitted a written report for the month of November and read the Library's December Report. A motion was made by Councilman Salvi to accept the reports seconded by Councilman Poletto. Approved. Copies of the reports are on file in the Office of the Town Clerk.

RESOLUTIONS:

Resolution No. 24 Resolution Authorizing Supervisor to Purchase Two (2) 2005 F350 4 X 4 Pickup Trucks Under State Contract. The foregoing Resolution, offered by Councilman Poletto, seconded by Councilman Salvi, was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Absent; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Resolution No. 25 Resolution Accepting Bid Trailer Mounted Asphalt Reclaimer. The foregoing Resolution, offered by Supervisor Herrington and seconded by Councilman Poletto was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Absent; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Resolution No. 26 Resolution Appointing Consulting Engineer and SEQRA Review Attorney – Application for Planned Development District Filed by Wal-Mart Real Estate Business Trust – Wal-Mart Supercenter. The foregoing Resolution, offered by Supervisor Herrington and seconded by Councilman Poletto was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Absent; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Mr. Andrew Gilchrist explained the scoping procedure.

Mr. Bill Hoblock from Capital District Properties explained the additions which were made to the scoping document to take into consideration public comments. Wildlife and water displacement, traffic issues including, bicycle and pedestrian on North Lake Ave. were added to the scope. Effects the project would have on community services, and how lighting,

structure heights and noise would have on current residents would be examined. Cumulative impacts would also be addressed in the EIS.

Mr. Gilchrist stated that all comments made by the public were addressed by the applicant. Councilman Clemente asked how many letters had been received. Mr. Gilchrist stated that is was between 10-15 letters in total. Public Hearings will be held after the EIS is accepted by the Town Board as complete.

Resolution No. 27 Resolution Adopting Final Written Scope for the Preparation of an Environmental Impact Statement on The Hudson Hills Apartments Application. The foregoing Resolution offered by Councilman Poletto and seconded by Supervisor Herrington was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Absent; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

CORRESPONDENCE:

Two Letters were received.

Mrs. Sally Calhoun complemented and thanked Bill Lewis, Deputy Town Clerk for the service he provided.

Bill DeFilippis received a letter from Lisa Devito Casale of the Health Department thanking him for his help with the Flu Clinic

OLD BUSINESS:

None.

NEW BUSINESS:

Mr. Joseph Zapone, JPJ Partnership, appeared before the board to introduce a PDD entitled Brunswick Meadows to be located on a 16 acre parcel on Grange Rd which would be a 136 unit condominium community. The City of Troy has agreed to supply water and sewer. There would be a homeowner's association.

Mr. Thomas Murley Design Engineer next spoke about the project. He is also an adjacent property owner. The project would tie into Water District 13 and Sewer District No. 7 petitions for which have been submitted. A storm water prevention plan is included in the package with a detention pond. Mr. Murley would like to start construction in the Spring.

Supervisor Herrington explained that the Town Of Brunswick is only interested in quality projects. Once the process is started it is on the Town's schedule.

Mr. Cioffi, Town Attorney explained the Town's position and procedures for PDD's. First the PDD is presented to the board in an informal way, the Board then reviews the project and at the next meeting can appoint consultants and further review process can begin.

Warrants: Warrants No. 010401, No. 11401 through 11411, No. 050001 through No. 050076 was presented. A motion to approve the warrants was made by Councilman Poletto, and seconded by Councilman Salvi. Approved.

FURTHER PUBLIC COMMENTS:

Mike Ryan, Wilrose Lane asked how many PDD's have been proposed for the Town. It was

stated that a total of 4 are now before the Board this figure includes the Brunswick Meadows project just presented. One project at Rt. 278 & Rt. 2 has been revised to be one family homes so it is no longer considered a PDD.

A resident from McChesney Ave. Ext. asked what fees the Town was absorbing from the PDD's. It was stated that all fees are paid by the applicant through an escrow account.

Sandi Bejian, Wilrose Ln., stated that she was upset that she hadn't received a letter about the two PDD applications on Betts Rd.

Attorney Gilchrist stated that adjoining property owners and owners within 500 feet were notified. Notification is not required but he will put her on the notification list.

Ms. Bejian is very concerned about further traffic problems.

Dr. William Nemi is concerned with the farmers in town.

Supervisor Herrington spoke of the problems with farming. Local Farmers are getting older and their children aren't interested in farming. Farmers are starting to sell off their land.

Dr. Nemi would like the Town to require Developers to preserve some farmland.

Rebecca Kaiser, Moonlawn Rd, would like to know the process and time frame of the Wal-Mart project and all PDD's.

Supervisor Herrington asked if Mr. Gilchrist could put something together and put it on the Web Site.

ADJOURNMENT:

Councilwoman Poletto made a motion to adjourn the meeting, seconded by Councilman Salvi. Approved. The meeting adjourned at 8:25 p.m.

Respectfully submitted,

Susan Quest-Sherman
Town Clerk

Note: An audiotape of this meeting is available in the Town Clerk's Office.

TOWN HISTORIAN'S MONTHLY REPORT TO THE BRUNSWICK TOWN BOARD
JANUARY 13, 2005

The following summarizes my activities over the past month;

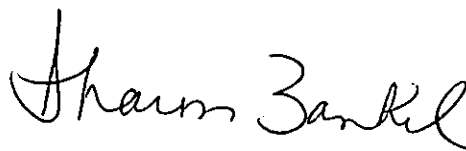

On December 15, 2004 I hosted a meeting of the New York State Archives Regional Advisory Council at the Brunswick Community Center. Much of the discussion at the meeting focused on the grants available to local governments under the Local Government Records Management and Improvement Fund. Now that the grant program has been made permanent, the State Archives intends to place greater emphasis on expanding the types of records and record-keeping methods that may be funded, especially those types of records that may be created electronically. It was mentioned the Town of Thompson received funding to monitor waste treatment. It was also announced the award of grants over \$15,000 will entail a written contract between the State Education Department, subject to review by the Office of the State Comptroller and the Attorney General. The deadline for grant applications this year is December 1, 2005.

For the past several weeks, I have been assisting the Association of Public Historians of New York State with a survey of historians to identify the ways historians participate in their local governments' planning process. The results of survey will be eventually used to develop training for historians in the area of planning and preservation at the local level.

I answered several inquiries for local history information. One request related to historical information to be used in the celebration of the 105th birthday of Mrs. Leona Hotaling. Sadly, Mrs. Hotaling passed away on January 8, so, for the record, I will mention Mrs. Hotaling was born on her family's farm on the Brunswick Road, then known as the Troy-Pittstown Turnpike, on January 23, 1900. Leona was the daughter of William DeSilva who operated a slaughterhouse, and her first husband was descended from Cropseyville's Davis family that manufactured Prussian blue dye at a factory on the Grafton/Brunswick town line.

The Brunswick Bicentennial Committee canceled its monthly meeting last night due to the weather.

The NYS Archives has announced guidelines for its annual Student Research Awards Contest, a competition that encourages students in grades 4 -12 to create a project on the basis of research using original historic records. Eligible projects include papers, posters, exhibits, computer and audiovisual presentations, or works of fiction. Deadline for entries is June 1, 2005, and information is available on the State Archives web site (www.archives.nysed.gov) or by contacting me. My files as well as those of the Brunswick Historical Society contain much material which a student could use to develop a contest project.

TOWN OF BRUNSWICK
RECYCLING REPORT
DECEMBER 2005

REFUSE BAGS PURCHASED AND REDEEMED AT THE CENTER: 780 @ \$3.00-----	\$2,340.00

From: Julie Zelman, Director
Date: Dec. 9, 2004
Re: Library Report

Julie Zelman started as the new director of the library on November 15th.

Circulation Statistics:

- November 2004: 3158 items circulated vs. November 2003: 3319 – a 4% decrease.

Web Page Usage

- November 2004: 2609 hits vs. November 2003: 2108 hits to the Library's web site – a 24% increase.

Town's Website

- Joe Makowiec spent 6 hours on the Town's website. He performed routine maintenance.

Library Programs for November 2004

- Senior Outreach Bookmobile to ROUSE - 22 items charged
- Brunswick Center Bookmobile – 9 items were circulated
- Story Hour - Held 4 times with an average of 2 people in attendance
- Book Group – 2 people participated
- Book and Movie Group – did not meet in November
- Take Home Craft – 40 turkey wall hanging kits given out
- Learn to Knit – 20 people, children & adults

Upcoming Programs

- December Craft to Go – a snowflake ornament
- Dec. 12th Hands on History, with Cheryl Gorn: learn about life in revolutionary times
- Dec. 3rd and 10th - Book and Movie Group – will discuss *The Great Gatsby* by F. Scott Fitzgerald
- Dec. 14th – Book Group – will discuss *How the Garcia Girls Lost Their Accent* by Julia Alvarez
- The Friends of the Library will hold their annual luncheon on Dec. 14th at 12:30 at the Two Brothers restaurant.
- Reception for the incoming director at the Brunswick Family Community Center on December 2nd.

Meetings attended in November

- Joseph Makowiec attended the Automation Services Committee meeting on November 16th at Upper Hudson Library System.

Re: Library Report

Circulation Statistics:

- December 2004: 2805 items circulated vs. December 2003: 2,949 – a 5% decrease. (Overall circulation for the year – 15% increase)

Web Page Usage

- December 2004: 2841 hits vs. December 2003: 2,055 hits to the Library's web site — a 38.2% increase.

Town's Website

- Joe Makowiec spent 4 hours on the Town's website. He performed routine maintenance.

Library Programs for December 2004

- Senior Outreach Bookmobile to ROUSE — 21 items charged
- Brunswick Center Bookmobile — 17 items were circulated
- Story Hour — held 2 times with a total of 3 people in attendance
- Book Group — 3 people participated
- Book and Movie Group — 2 people attended
- Take Home Craft — 45 snowflake ornament kits given out
- Dec. 12th Hands on History, with Cheryl Gorn — 6 people attended
- Reception for the incoming director at the Brunswick Family Community Center on December 2nd — 35 people attended

Upcoming Programs

- January Craft to Go — a coloring calendar
- Jan. 21st and 28th — Book/Movie Group will discuss *Mystic River* by Dennis Lehane,
- Jan. 11th — Book Group will discuss *Madam Secretary* by Madeleine Albright.
- Jan. 9th — Game Day at the Brunswick Hist. Soc. from 2–4
- Jan. 15th — Defensive Driving class will be held at the Brunswick Family Community Center from 9–4, snow date Jan. 22nd.
- Jan. 18th — Library's annual meeting, 6:00 p.m.

Meetings attended in December

- Julie Zelman attended the Library Directors meeting on Dec. 3rd at Upper Hudson Library System.
- Jane Chirgwin attended the Youth Services Committee meeting on Dec. 17th.

RESOLUTION NO. 24, 2005

**TOWN OF BRUNSWICK
REGULAR MEETING**

January 13, 2005

**RESOLUTION AUTHORIZING SUPERVISOR
TO PURCHASE TWO (2) 2005 F350 4 x 4 PICKUP
TRUCKS UNDER STATE CONTRACT**

WHEREAS, the Highway Superintendent having advised the Town Board that the Highway Department is in need of a two (2) new four wheel drive pickup trucks; and

WHEREAS, the Highway Superintendent having determined that 2005 four wheel drive pickup trucks meeting the Town's specifications and his requirements, to wit: the 2005 Ford F350 XL Pickup 4 x 4, equipped as described on the annexed Schedule, are available under State contract (Group No. 40560 - Item 20A) for the sum of \$31,990.00 each, for a total of \$62,980.00; now, therefore

BE IT RESOLVED, that the Supervisor be and he hereby is authorized and empowered to purchase the said pickup trucks under State contract, and to execute all contracts and other documents necessary to give effect to this Resolution.

The foregoing Resolution, offered by Councilman Poleto and seconded by Councilman Salvi, was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING <u>Aye</u>
COUNCILWOMAN ABRAMS	VOTING <u>Absent</u>
COUNCILMAN CLEMENTE	VOTING <u>Aye</u>
COUNCILMAN POLETO	VOTING <u>Aye</u>
SUPERVISOR HERRINGTON	VOTING <u>Aye</u>

The foregoing Resolution was thereupon declared duly adopted.

Dated: January 13, 2005

RESOLUTION NO. 25, 2005

**TOWN OF BRUNSWICK
REGULAR MEETING**

January 13, 2005

**RESOLUTION ACCEPTING BID -
TRAILER MOUNTED ASPHALT RECLAIMER**

WHEREAS, the Highway Superintendent having advised the Town Board that the Highway Department is in need of trailer mounted asphalt reclaimer for use in its road paving projects; and

WHEREAS, the Highway Superintendent having prepared the necessary specifications and the Town having thereupon duly solicited for bids to supply a new 2005 Four (4) Ton Trailer Mounted Asphalt Reclaimer in accordance therewith; and

WHEREAS, it appearing that the bid submitted by ARTCO EQUIPMENT SALES, INC., to supply a 2005 Model RC 8000 Four (4) Ton Asphalt Reclaimer manufactured by Ray Tech Infrared Corporation for the sum of \$22,173.00, delivered, is the lowest responsible bid meeting the specifications; now, therefore,

BE IT RESOLVED, that the above-mentioned bid be and hereby is accepted; and be it further

RESOLVED, that the Supervisor be and he hereby is authorized and empowered to execute all contracts and other documents necessary to give effect to this Resolution.

The foregoing Resolution, offered by Supervisor Herrington and seconded by Councilman Poletto, was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING <u>Aye</u>
COUNCILMAN ABRAMS	VOTING <u>Absent</u>
COUNCILMAN CLEMENTE	VOTING <u>Aye</u>
COUNCILMAN POLETO	VOTING <u>Aye</u>
SUPERVISOR HERRINGTON	VOTING <u>Aye</u>

The foregoing Resolution was thereupon declared duly adopted.

Dated: January 13, 2005

RESOLUTION NO. 26, 2005

**TOWN OF BRUNSWICK
REGULAR MEETING**

January 13, 2005

**RESOLUTION APPOINTING CONSULTING ENGINEER AND
SEQRA REVIEW ATTORNEY -- APPLICATION FOR PLANNED
DEVELOPMENT DISTRICT FILED BY WAL-MART REAL
ESTATE BUSINESS TRUST - WAL-MART SUPERCENTER**

WHEREAS, an application for the rezoning and the establishment of a Planned Development District on an approximately 32.18 acre parcel of land located at the corner of NYS Route 7 and Betts Road, having been filed by WAL-MART REAL ESTATE BUSINESS TRUST, for the purpose of locating and constructing a Wal-Mart Supercenter and retail gasoline sales facility on the site; and

WHEREAS, pursuant to Local Law No. 2 for the Year 2002, the Town Board is empowered to engage, at the expense of the applicant, the services of a consulting engineer and special (SEQRA) counsel to provide engineering and legal project review to the Town independent of the applicant; and

WHEREAS, accordingly, the Town Board having determined that it would be in the best interests of the Town and the applicant to engage the services of TUCZINSKI, CAVALIER, BURSTEIN & COLLURA, P.C. and KESTNER ENGINEERS, P.C., as, respectively, special (SEQRA) counsel and consulting engineer for this project; now, therefore

BE IT RESOLVED, that with regard to the said application of WAL-MART REAL ESTATE BUSINESS TRUST, , for the rezoning and establishment of a Planned Development District, as aforesaid, the Town Board does hereby appoint special (SEQRA) counsel and consulting engineer follows:

CONSULTING ENGINEER : KESTNER ENGINEERS, P.C.

**SPECIAL (SEQRA) COUNSEL: TUCZINSKI, CAVALIER, BURSTEIN &
COLLURA, P.C.**

;and be it further

RESOLVED, that the Supervisor be and hereby is authorized and empowered to execute any necessary contracts or retainer agreements with said firms, subject to the approval thereof by the Town Attorney; and be it further

RESOLVED, that in accordance with the provisions of Local Law No. 2 For the Year 2002, the applicant shall deposit funds to be held in escrow by the Town for the purpose of compensating the said consultants engaged by the Town on an ongoing basis, in such amounts and at such times as required by the said Local Law No. 2 For the Year 2002, compliance in all respects with the terms and provisions of said Local Law being a condition precedent to continued consideration of this application by the Town Board.

The foregoing Resolution, offered by Supervisor Herrington and seconded by Councilman Poleto, was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING <u>Aye</u>
COUNCILMAN ABRAMS	VOTING <u>Absent</u>
COUNCILMAN CLEMENTE	VOTING <u>Aye</u>
COUNCILMAN POLETO	VOTING <u>Aye</u>
SUPERVISOR HERRINGTON	VOTING <u>Aye</u>

The foregoing Resolution was thereupon declared duly adopted.

Dated: January 13, 2005

RESOLUTION NO. 27, 2005

**TOWN OF BRUNSWICK
REGULAR MEETING**

January 13, 2005

**RESOLUTION ADOPTING FINAL WRITTEN SCOPE FOR THE
PREPARATION OF AN ENVIRONMENTAL IMPACT STATEMENT ON
THE HUDSON HILLS APARTMENTS APPLICATION**

WHEREAS, an application for a Planned Development District ("PDD") has been filed with the Town of Brunswick by Capital District Properties ("Applicant") for Hudson Hills Apartments, a proposed apartment complex located on 216 acres consisting of 1,116 apartment units located in 77 buildings. The property is bounded by Route 7 to the South, North Lake Avenue to the North and Lord Avenue to the West, and is currently zoned Agricultural; and

WHEREAS, in connection with the Hudson Hills Apartments application for PDD, Applicant filed a Full Environmental Assessment Form pursuant to the State Environmental Quality Review Act ("SEQRA") and its implementing regulations at 6 NYCRR Part 617; and

WHEREAS, the Town Board of the Town of Brunswick ("Town Board") undertook coordination of Lead Agency designation pursuant to 6 NYCRR §617.6(b)(3) and declared itself Lead Agency for the Hudson Hills Apartments application; and

WHEREAS, following review of the PDD Application and Full Environmental Assessment Form, the Town Board adopted a positive declaration pursuant to SEQRA for this action, requiring the preparation of an Environmental Impact Statement; and

WHEREAS, the Town Board determined that Scoping would be conducted pursuant to 6 NYCRR §617.8 on this action; and

WHEREAS, the Applicant submitted a Draft Scope to the Town Board;

WHEREAS, the Town Board served a copy of the Draft Scope upon all involved and interested agencies, and provided public notice of the receipt of the Draft Scope and opportunity for the submission of written comment on the Draft Scope through and

including January 5, 2005; and

WHEREAS, a copy of the Draft Scope was placed at the Brunswick Town Hall and Brunswick Community Library and made available for public review and inspection during the written comment period; and

WHEREAS, written comments were received by the Town Board, which were reviewed and considered by the Town Board and provided to Applicant; and

WHEREAS, Applicant has submitted a revised Draft Scope to address the written comments received; and

WHEREAS, the Town Board has reviewed the revised Draft Scope submitted by Applicant and finds that it is complete, and further finds that the revised Draft Scope has adequately addressed all written comments received, and further finds that the revised Draft Scope identifies all potentially adverse environmental impacts of this action which will be analyzed in the Environmental Impact Statement prepared for this action;

NOW, THEREFORE, BE IT RESOLVED by the Town Board of the Town of Brunswick in regular session duly convened as follows:

1. The Town Board of the Town of Brunswick, as Lead Agency under SEQRA on the Hudson Hills Apartments application, hereby adopts the revised Scope submitted by Applicant, a copy of which is attached hereto, as the final written Scope pursuant to 6 NYCRR §617.8 for the Environmental Impact Statement to be prepared for the Hudson Hills action.

The foregoing Resolution, offered by Councilman Poleto and seconded by Supervisor Herrington was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING <u>Aye</u>
COUNCILWOMAN ABRAMS	VOTING <u>Absent</u>
COUNCILMAN CLEMENTE	VOTING <u>Aye</u>
COUNCILMAN POLETO	VOTING <u>Aye</u>
SUPERVISOR HERRINGTON	VOTING <u>Aye</u>

The foregoing Resolution was thereupon declared duly adopted.

January 13, 2005

**STATE ENVIRONMENTAL QUALITY REVIEW ACT (SEQRA)
FINAL SCOPING OUTLINE**

NAME OF ACTION: Hudson Hills Apartments – Luxury Apartment Homes

APPLICANT: Capital District Properties, LLC (CDP)

DESCRIPTION OF ACTION:

CDP is proposing a 1,116± unit residential development on 215± acres in the Town of Brunswick, NY. The project will be developed in four phases (see Section 2.3), with full build-out consisting of:

- 77± multi-family apartment buildings
- access roads and utilities
- appurtenances (*i.e.*, cherry orchard, fire tower, gazebo, hiking trails, meeting room, media center, fitness center, swimming pool and clubhouse).

Primary access to the site is proposed as an extension to Betts Road (off of NYS Route 7). Secondary access to the site is proposed to be a new intersection with North Lake Avenue (County Route 144), in the vicinity of the Troy Reservoir west of Lakeridge Road. An emergency access route is proposed to connect with Belair Lane at the north end of Lord Avenue off of NYS Route 7. An application to rezone the project site from Agricultural to Planned Development District (PDD) has been submitted to the Town (see Attachment 1).

LOCATION OF ACTION: The site is bound by NYS Route 7 to the south, North Lake Avenue to the north, and Lord Avenue to the west; and is located in the Town of Brunswick, Rensselaer County, New York (see Figure 1).

Selection of the site was based in part on:

- proximity to Capital District employment opportunities (see Section 2.1)
- location within the NYS Route 7 Corridor (see Section 2.2)
- consistency with the Town of Brunswick's Comprehensive Plan (see Section 3.6)
- proximity to existing utilities (see Section 3.7)
- access to community amenities (Town Park/Beach, Community Center, vistas) (see Section 3.7).

SEQRA STATUS:

Type I	<input checked="" type="checkbox"/>
Type II	<input type="checkbox"/>
Unlisted	<input type="checkbox"/>

LEAD AGENCY: Town of Brunswick Town Board
Mr. Philip Herrington, Town Supervisor
308 Town Office Road
Troy, New York 12180

POSITIVE DECLARATION: Issued November 11, 2004

POTENTIALLY SIGNIFICANT ADVERSE ENVIRONMENTAL IMPACTS:

Based on the Town Planning Board's review of application materials submitted by CDP on September 9, 2004, the Board has determined that the proposed action may have a significant impact on the environment including impacts on traffic, drainage, wetlands, current visual appearance, and utilities.

PURPOSE OF SCOPING:

This Draft Scoping Outline has been prepared pursuant to Part 617 of the implementing regulations pertaining to Article 8 of the New York State Environmental Conservation Law (SEQRA). Scoping is a process that develops a written document ("scope") which outlines the topics and analyses of potential environmental impacts of an action that will be addressed in a Draft Environmental Impact Statement (DEIS).¹ The process for scoping is established in 6 NYCRR § 617.8.

The scoping process is intended to:

- facilitate public participation in the EIS process;
- permit inclusion of relevant, substantive public issues in the final written scoping outline;
- provide an opportunity for involved (permitting) agencies to identify information needs and analyses necessary to support their findings (decisions);
- focus on potentially significant adverse impacts and eliminate consideration of irrelevant or non-significant impacts

SCOPING OUTLINE CONTENT:

In accordance with 6 NYCRR § 617.8(f), the Scoping Outline contains:

1. a brief description of the proposed action;
2. the potentially significant adverse impacts identified in the positive declaration and as a result of consultation with other involved agencies and the public, including an identification of those particular aspects of the environmental setting that may be impacted;
3. the extent and quality of information needed for the preparer (Applicant) to adequately address each impact, including an identification of relevant existing information, and required new information, including the required methodology(ies) for obtaining new information;
4. an initial identification of mitigation measures;
5. the reasonable alternatives to be considered;
6. an identification of the information/data that should be included in an appendix rather than the body of the DEIS; and
7. those prominent issues that were raised during scoping and determined to be not relevant or not environmentally significant or that have been adequately addressed in a prior environmental review.

The preliminary Scoping Outline was filed on or about December 3, 2004. Comments were solicited from the public, including neighboring property owners. The comment period ran through January 5, 2005. Approximately nine written comments were received. Most of the commenters were nearby landowners or owners of property along North Lake Avenue. The substantive comments raised fall into the following general categories of impacts: traffic, visual, wildlife, community character, consistency with the Comprehensive Plan, and municipal resources (including schools).

¹ SEQRA Handbook (<http://www.dec.state.ny.us/website/dcs/seqr/handbook/index.html>)

The Final Scoping Outline has been updated to the extent appropriate to add any such issues not already included in the Preliminary Scoping Outline. Such issues will be addressed in the DEIS.

ENVIRONMENTAL IMPACT STATEMENT CONTENT (GENERAL):

In accordance with 6 NYCRR § 617.9(b), the extent and quality of information necessary to address procedural and substantive content requirements of the DEIS are summarized below:

1. The DEIS must assemble relevant and material facts upon which agencies decisions are to be made. It must analyze the significant adverse impacts and evaluate reasonable alternatives.
2. The DEIS must be clearly and concisely written in plain language that can be read and understood by the public. Within the framework presented in paragraph 617.9(b)(5) of this subdivision, The DEIS should address potential significant adverse environmental impacts that can be reasonably anticipated and/or have been identified in the scoping process. Highly technical material should be summarized and, if it must be included in its entirety, should be referenced in the statement and included in an appendix.
3. The DEIS and Final EIS (FEIS) must be preceded by a cover sheet stating:
 - whether it is a DEIS or FEIS;
 - the name or descriptive title of the action;
 - the location (county and town) and street address, if applicable, of the action;
 - the name and address of the lead agency (**Brunswick Town Board**) and the name and telephone number of a person at the agency who can provide further information;
 - the names of individuals or organizations that prepared any portion of the statement;
 - the date of its acceptance by the lead agency; and
 - in the case of a DEIS, the date by which comments must be submitted.
4. The DEIS (and FEIS) must have a table of contents following the cover sheet and a precise summary which adequately and accurately summarizes the statement.
5. The DEIS must include the following elements:
 - a concise description of the proposed action, its purpose, public need and benefits, including social and economic considerations;
 - a concise description of the environmental setting of the areas to be affected, sufficient to understand the impacts of the proposed action and alternatives;
 - a statement and evaluation of the potential significant adverse environmental impacts at a level of detail that reflects the severity of the impacts and the reasonable likelihood of their occurrence, including whenever applicable and significant:
 - reasonably related short-term and long-term impacts, cumulative impacts and other associated environmental impacts;
 - those adverse environmental impacts that cannot be avoided or adequately mitigated if the proposed action is implemented;
 - any irreversible and irretrievable commitments of environmental resources that would be associated with the proposed action should it be implemented;
 - any growth-inducing aspects of the proposed action;
 - impacts of the proposed action on the use and conservation of energy; and
 - impacts of the proposed action on solid waste management and its consistency with the state or locally adopted solid waste management plan.
 - a description of the mitigation measures;
 - a description and evaluation of the range of reasonable alternatives to the action that are feasible, considering the objectives and capabilities of the project sponsor. The description and evaluation of each alternative should be at a level of detail sufficient to permit a comparative assessment of

the alternatives discussed. The range of alternatives must include the no action alternative. The no action alternative discussion should evaluate the adverse or beneficial site changes that are likely to occur in the reasonably foreseeable future, in the absence of the proposed action. The range of alternatives might consider alternative:

- sites (site alternatives may be limited to parcels owned by, or under option to, a private project sponsor);
 - technology (*i.e.*, mitigation alternatives);
 - scale or magnitude;
 - design;
 - timing;
 - use; and
 - types of action (*i.e.*, any alternative for which no discretionary approvals are needed).
6. The DEIS (and FEIS) may incorporate by reference all or portions of other documents, including EISs that contain information relevant to the statement. The referenced documents must be made available for inspection by the public within the time period for public comment in the same places where the Lead Agency makes available copies of the EIS. When an EIS incorporates by reference, the referenced document must be briefly described, its applicable findings summarized, and the date of its preparation provided.
 7. The FEIS must consist of: the DEIS, including any revisions or supplements to it; copies or a summary of the substantive comments received and their source (whether or not the comments were received in the context of a hearing); and the lead agency's responses to substantive comments. The DEIS may be directly incorporated into the FEIS or may be incorporated by reference. Revisions and supplements to the DEIS must be specifically indicated and identified as such in the FEIS.

ENVIRONMENTAL IMPACT STATEMENT CONTENT (DETAILED):

1. Summary

The DEIS will include a precise summary which adequately and accurately summarizes the content of the DEIS. The summary will include narrative on the following:

- 1.1 Description of Action
- 1.2 Significant Impacts
- 1.3 Mitigation Measures
- 1.4 Alternatives Considered
- 1.5 Matters to be Decided

The summary section of the DEIS will provide the reader with a general understanding of the Hudson Hills project; potential impacts, mitigation and alternatives considered to minimize impacts; and permits and approvals necessary to construct and operate the project. A more detailed narrative and assessment of these issues will be provided in the remaining portions of the DEIS.

2. Description of Proposed Action

2.1 Project Purpose and Need (including benefits)

Hudson Hills Apartments are intended to be the premier luxury multi-family garden apartment complex in the Capital District. The project is intended to fulfill a housing need resulting from the growing influx of technology and research oriented job growth identified by the applicant's 30-mile

radius market research. The project's design, layout and sizing, as well as the proposed amenity package (see Attachment 1) are tailored to the following demographics:

- Empty Nesters (35%) – This would cover and afford high-level dwelling units for those in the 50+ age level who may no longer have children at home and which seek to offload what they may consider to be the burdens of home ownership.
- Young Professionals (35%) – The continuing influx into the Capital Region of young professionals has created what is called the upwardly mobile, dual-earning family structure.
- Young Emerging Families (30%) – The residential community is tailored for the prior two demographic groups. However, it is believed that a strong market exists for young marrieds in the professional fields who may have one or two young children and are en route to private home ownership.

Based on information compiled by the Capital District Regional Planning Commission, the populations of the Town of Brunswick and Rensselaer County have grown since 1980, with the trend expected to continue through 2040. The DEIS will rely upon industry and applicant generated residential market materials to document the need for this type of project at this location.

In addition to providing for a housing need, the DEIS will also identify project-related socio-economic benefits including:

- Increased property tax revenue to the Town
- Increased school district revenue (Brittonkill, Lansingburgh)
- Increased recreational fee revenue to support Town amenities such as the Town Beach, Town Park, Community Center and athletic fields
- Increase in new residents who will patronize local businesses and aid economy.

The project will also provide for community benefit areas consisting of:

- Cherry Orchard – The entrance off of Betts Road consists of an approximately 7 to 10 acre parcel. The parcel will be planted with approximately 1,200 flowering cherry trees in what will be a Memorial Garden for those who gave their lives in the service of our country. The Memorial Garden will include a 50 to 60-foot illuminated flagpole, a gazebo, and numerous benches. The Memorial Park will be available to all Brunswick residents for July 4th, Memorial Day, Veteran's Day, and Flag Day ceremonies, as well as other occasions, which help to draw the community together. It is anticipated that the Memorial Garden would be planted during Phase I.
- Fire Tower – An observation tower (*i.e.*, Adirondack Mountain style fire tower) will be constructed at approximately the highest promontory point on the site. The tower will afford both residents and local school children views of the surrounding vistas. The tower will be provided with elevator access for the handicapped, as well as a learning center at the base to include dioramas of the surrounding terrain, habitats and wildlife.

2.2 Location

The 215± acre project site is located in the Town of Brunswick, New York and is bound by NYS Route 7 to the south, North Lake Avenue (County Route 144) to the north, and Lord Avenue to the west. The location is intended to take advantage of the long view corridors to the east, south and north; without significantly impacting existing viewsheds by making use of the property's gentle undulating topography.

Consistent with the Town's Comprehensive Plan (February 2001), the project is located within the NYS Route 7 Corridor, an area preferred for growth supported by existing utilities. In addition, the site is located adjacent to (east of) an existing multi-family apartment complex.

2.3 Preliminary Design and Layout

The DEIS will include concept plans that illustrate the configuration of the project being evaluated in the SEQRA process. The concept plans represent the maximum build-out of the phased project. Facilities and amenities proposed for each phase will also be identified. As currently proposed, the project consists of the following components:

Phase I

Phase I consists of 324 apartment units within 24 multi-unit apartment structures (nine 16-plex units and fifteen 12-plex units) constructed on approximately 59-acres. Phase I is centrally located in the proposed Hudson Hills development area. The proposed primary access road under Phase I will be Betts Road accessing NYS Route 7 North. Additional Phase I construction includes the installation of utility service mains (for total development [Phases I to IV] capacity requirements) and utility service laterals to Phase I apartments, Phase I apartment access roadways and landscaping, and the cherry orchard. The orchard is proposed to occupy the landscape/hillside facing the goose pond/overlook. It will be located at the primary entrance off of Betts Road, at the southern portion of the development. The limits of work under Phase I will include utility and roadway terminations for future phase utility connections and roadway extensions.

Phase II

Phase II consists of approximately 71-acres of additional development including 344 apartment units within 23 multi-unit apartment structures (seventeen 16-plex units and six 12-plex units). Phase II is located at the northeastern portion of the proposed development area. Phase II construction also includes Phase II apartment access roadways, utilities, and landscaping for the Phase II development area. North Lake Avenue access will be explored to determine need during this phase.

Phase III

Phase III will be constructed on approximately 60-acres and will consist of 320 apartment units within 22 multi-unit apartment structures (fourteen 16-plex units and eight 12-plex units). Phase III is located at the northwestern portion of the proposed Hudson Hills development area. Phase III construction also includes Phase III apartment access roadways, utilities, and landscaping for the developed Phase III development area.

Phase IV

The final phase (Phase IV) will be constructed on approximately 25-acres and will consist of 128 apartment units within eight 16-plex apartment buildings. Phase IV is located at the southeastern portion of the proposed Hudson Hills development area, to the east of the Phase I area and the cherry orchard. Phase IV construction includes Phase IV apartment access roadways, utilities, and landscaping within the Phase IV development area. The fire tower will also be constructed during Phase IV.

Potential impacts resulting from the proposed build-out will be evaluated in the DEIS by "overlaying" the project on baseline (existing) environmental and socio-economic conditions and identifying resources that may be impacted, the magnitude and timing of the impact (Project Phase, Construction vs. Operation). Mitigation to reduce or eliminate impacts will also be identified for each resource. As with the timing of the impact, proposed mitigation may also be linked to a particular development phase. In addition, incorporating an identified alternative (see Section 4) may further mitigate some impacts. The DEIS section describing the "Preliminary Design and Layout" will be divided into the following topics:

- Site Area (building layouts)
- Structures (including uses, square footages, building heights, and descriptions of architectural elements, styles and materials)
- Open/Green Space
- Parking (location, layout and number of spaces)
- Access/Egress
- Utilities and Storm Water Management
- Erosion and Sedimentation Control (E&SC)
- Signage, Landscaping and Lighting

2.4 Construction Activities

The DEIS will address potential impacts on the environment from construction. Consequently, this section of the DEIS will identify the anticipated types of construction activities (*i.e.*, grading, excavation, building/infrastructure, need for blasting, etc.), phasing of construction, and construction duration. Construction of Phase I is anticipated to begin in 2005, with subsequent phases initiated based on housing market demands. The anticipated construction lengths will be identified in the DEIS.

2.5 Approvals Needed (including listing of required permits and jurisdictional agencies)

In addition to the Town of Brunswick, information and assessments in the DEIS will also be utilized by other permitting and approving agencies in their decision making processes. This Section of the DEIS identifies those other jurisdictional agencies and the permits/approvals that will be required to implement the project. Anticipated approvals are summarized in Table 1.

Table 1. Potential permits, approvals, and consistency reviews.

Permit	Activity	Agency
<u>Federal</u>		
1. Section 404 of the Clean Water Act	Placement of dredged or fill material in waters of the United States (including federal wetlands)	USACOE
<u>State</u>		
2. State Pollutant Discharge Elimination System (GP-02-01)	Storm water discharges from construction phase activities that exceed 1 acre	NYSDEC
3. Freshwater Wetlands (6 NYCRR Part 663-664)	Construction activities potentially affecting State-regulated wetlands and 100-buffer zone (State Wetland No. TN-106 & Goose Overlook)	NYSDEC
4. 401 Water Quality Certification	Activities that impact New York State waters.	NYSDEC
5. Federal & State Preservation Laws (36 CFR Part 800) (9 NYCRR Part 428)	Activities affecting historic, architectural, archaeological, or cultural resources	NYSOPRHP
6. Highway Permit	Work within State Highway ROWs (NYS Route 7)	NYSDOT
<u>Local</u>		
7. State Environmental Quality Review	Environmental Review	Town of Brunswick (Lead Agency)
8. Highway Permit	Work within County and Town Road ROWs (North Lake Avenue, Betts Road, Lord Avenue)	RCHD, Town of Brunswick Highway Department
9. Water Improvements	Extension of and tie-in to public water supply	Town of Brunswick, NYSDOH, RCDOH
10. Sewer Improvements	Extension of and tie-in to public sanitary sewer	Town of Brunswick, NYSDEC, RCDOH
11. Zone Change	Zone change from Agricultural to PDD	Town of Brunswick Zoning Board of Appeals, Planning Board, and Town Board
12. GML § 239 Review	Review of zone change application by County Planning Board	County Planning Board

Acronyms:

3. Environmental Impacts

3.1 Geology

The DEIS will identify and evaluate potential impacts to existing geologic conditions including impacts to:

- Subsurface (bedrock)
- Surface (soils)
- Topography (slopes).

Information from the Soil Survey of Rensselaer County, New York published by the United States Department of Agriculture (USDA) Natural Resources Conservation Services (formerly Soil Conservation Service) will be relied upon to describe surface (soil) and subsurface (bedrock) conditions. Preliminary information on soil types located on the project site was presented in the Environmental Assessment Form (EAF) (see Attachment 2).

A topographic survey has been prepared and will be relied upon to describe existing grades. The site is comprised of undulating topography including several areas of slopes that exceed 15%.

The information will be utilized to assess the following site-specific conditions:

- erosion potential (stability) of the soils during construction (earthwork) activities and long-term occupancy of the site
- use of on-site materials in construction (foundations, berms, landscaping, etc.)
- constructability issues (including need for blasting)
- extent of cuts and fills; soils to be imported and exported
- permeability of soils and impact on storm water management
- presence of steep slopes and impact on erosion potential and storm water runoff.

The applicant will also evaluate the potential for localized impacts to:

- adjacent landowners
- down-gradient land uses (including New York State Department of Environmental Conservation [NYSDEC] wetland/goose overlook, Town Beach, etc.).

The DEIS will identify mitigation to address potential impacts. Mitigation will include:

- Preparation of a Storm Water Pollution Prevention Plan including an E&SC Plan prepared in accordance with Town and NYSDEC standards to mitigate construction phase impacts.
- Long-term storm water management controls such as detention basins, stone check dams to control the rate and quality of runoff prior to leaving the site. Additional information is provided below in Section 4.2.
- Use of landscaping to minimize erosion potential

3.2 Water Resources

The DEIS will identify and evaluate potential impacts to existing water resources including impacts to:

- Ground Water (including depth, quality/quantity and direction based on readily available published sources, uses)
- Surface Water
 - On-site and Adjacent Waterbodies (classifications and uses)
 - Stormwater Runoff (existing pre-construction conditions – quantity and quality).

Ground water. Existing information published in the Soil Survey will be relied upon to evaluate potential impacts during construction created by proximity of the seasonal ground water table to the surface. Preliminary information was included in the EAF (Attachment 2). Potential impacts to be assessed in the DEIS include:

- potential to encounter ground water during excavations
- impact of ground water depth on slope stability.

Surface water. Based on information compiled in the EAF, two streams extend across the site: an unnamed tributary to Sweet Mill Creek (Tributary No. H-236-7-P410a) and an unnamed tributary to the Hudson River (Tributary No. H-238-P462). Both tributaries have been given a class "C" designation by New York State (6 NYCRR § 863.6). Under existing conditions, storm water either infiltrates to the subsurface, is conveyed to these on-site streams or runs off the site by overland flow.

In addition, a NYSDEC-regulated freshwater wetland (TN-106) is located down-gradient of the site along NYS Route 7. Wetland TN-106 is a 19± acre open water wetland that receives drainage from upland areas (including the project site). The NYSDEC installed a goose overlook at this location. Mapping published by the United States Fish and Wildlife Service (National Wetland Inventory) indicate the presence of several federally-regulated wetlands on the project site. A federal wetland delineation performed in accordance with United States Army Corps of Engineers guidelines will be conducted to identify federal wetland boundaries. A copy of the delineation (including boundaries) will be appended to the DEIS.

The former Troy reservoir is located on the north side of North Lake Avenue north of the project site. While not currently utilized as a water supply source, the former reservoir is the site of the Town's park and beach.

Potential impacts to be assessed in the DEIS include:

- impacts to storm water quality and quantity during construction and operation phases
- water quality and quantity impacts on down-gradient uses (including the NYSDEC wetland and former Troy reservoir).

A storm water management plan will be developed to assess pre- and post-construction storm water drainage areas and discharge points. Storm water quantities and rates of flow will be identified. Guidelines presented in the USDA's Natural Resource Conservation Service Technical Release No. 55 (TR-55) will be utilized to develop these assessments. Findings will be presented in an Appendix to the DEIS.

The DEIS will identify mitigation to address potential impacts. Mitigation will include:

- Installation of storm water management controls to manage storm water such that flows discharged off-site (under specific storm events) do not exceed pre-development rates. Existing discharge points will be utilized to the extent practicable.
- Tie-ins to existing storm water conveyance systems. Coordination with jurisdictional agencies (NYSDEC, New York State Department of Transportation [NYSDOT], etc.) will be summarized in the DEIS.
- Implementation of E&SC features (see above) to mitigate potential impacts to storm water quality.

3.3 Air Quality

Based on the type of development (residential), significant project-related impacts to air quality are not anticipated. Apartment complexes will be provided with roof-top vents for comfort heating/cooling and bathrooms. These types of emissions are considered trivial and exempt from New York State air permitting requirements.

The DEIS will rely upon existing published New York State Ambient Air Monitoring System data to establish existing pollutant levels. Potential project-related impacts to existing air quality to be evaluated in the DEIS consist of:

- construction-related (*i.e.*, generation of dust and Carbon Monoxide) from construction vehicles
- vehicle emissions from residents (due to project-related changes in post-development highway operating conditions, see Section 3.5).

As identified in Section 3.1, the DEIS will assess the potential for erosion (and dust generation) during construction phase activities. In addition, the DEIS will include a traffic impact study (see Section 3.5) to assess potential changes in highway levels-of-service (and potential delays and vehicle idling) related to increased vehicle trips generated by the project.

The DEIS will identify mitigation measures to reduce or eliminate dust and vehicle emission impacts including:

- dust control (*i.e.*, vehicle washing, track-out control, watering)
- vehicle emission controls
- phased highway improvements necessary to provide safe and adequate access and egress from the site.

3.4 Terrestrial and Aquatic Ecology

The DEIS will assess the potential for project-related activities to significantly impact terrestrial and aquatic ecology including direct impacts created by habitat loss and wildlife displacement from site clearing and facility construction activities, and indirect impacts from sedimentation in storm water run-off to off-site aquatic resources (*i.e.*, streams, NYSDEC and federal wetlands, Troy Reservoir). Topics to be evaluated in the DEIS consist of:

- Vegetative Cover
- Habitat Types and Rankings
- Wildlife
- Wetlands (including type, size and functions)
- Endangered and Threatened Species
- Critical Habitats
- Critical Environmental Areas.

The evaluation will be based on a combination of site reconnaissance and a review of existing published data ("Ecological Communities of New York State", 1990). Based on information included in the EAF (Attachment 2), the existing site consists of a combination of agricultural fields, brushland and wooded areas. The "elemental rank" value assigned to these habitats by the NYSDEC's New York Natural Heritage Program, indicates that the observed habitats are common and are considered "apparently" or "demonstrably" secure throughout their range including New York State. The DEIS will include discussion of impacts on wildlife and their habitat.

The initial site reconnaissance did not indicate the presence of endangered/threatened species or critical habitats. In addition, the project site is not listed on the NYSDEC's list of established Critical Environmental Areas. Findings will be confirmed with the NYSDEC Natural Heritage Program and United States Fish & Wildlife Service and information included in the DEIS.

The site is located adjacent to areas known to be important to the community including the NYSDEC freshwater wetland (TN-106) with its goose overlook, Troy Reservoir and Town Beach. Potential indirect impacts to these resources (storm water runoff, visual, etc.) will be evaluated in the DEIS. Impacts to on-site federal wetlands will also be assessed. Federal wetland boundaries will be field delineated in accordance with United States Army Corps of Engineers (USACOE) guidelines. A copy of the delineation including identification of potential encroachment areas will be included in the DEIS.

The DEIS will identify mitigation measures to reduce or eliminate significant adverse impacts to aquatic and terrestrial habitats. These measures will include:

- Limiting construction disturbance areas to the minimum area required.
- Implementation of an E&SC plan to eliminate off-site impacts.
- Implementation of a Storm Water Pollution Prevention Plan (SWPPP) and storm water management controls to manage storm water flows on and off the site.
- Identification of a wetland mitigation plan in response to unavoidable encroachments on federal wetlands.
- Use of architectural elements, styles and materials, as well as the site's undulating topography to reduce potential visual impacts.

3.5 Transportation

The project will result in the generation of traffic accessing and egressing the site from proposed site entrances. Project impacts from the use of North Lake Avenue as a secondary access point is a primary concern of area residents. Impacts on the existing road network from this additional traffic will be assessed in a traffic impact study prepared for the project. The study, appended to the DEIS, will evaluate impacts to:

- the existing road network in the vicinity of the site (including existing road capacity/traffic conditions/geometry [access/egress issues, curves, road widths], site distances, assessment of safe speeds, accident data)
- traffic patterns and volumes (including existing peak hour levels-of-service [operating conditions])
- pedestrian and bike traffic
- North Lake Avenue resulting from establishment of the new access point as part of Phase II, including evaluation of such new access point as a connector road between Route 7 and North Lake Avenue
- neighboring property owners from vehicle exhaust.

Evaluation of the following roads and intersections are proposed:

- Betts Road and Wilrose Lane
- NYS Route 7 (in the vicinity of and including the intersection with Betts Road)
- North Lake Avenue (County Route 144) (segment between NYS Route 142 to NYS Route 7)
- Lord Avenue
- other intersections located within a reasonable distance of the project and which the traffic engineer projects as experiencing an increase of 100 vehicles per hour on any single approach during peak hour as a result of project-generated traffic. Such analysis, to the extent triggered, will be completed for the phase of the project which hits the threshold.

In response to several scoping comments received, new traffic count data will be used in the evaluation. New planned developments in the area (*i.e.*, applications submitted to Town) will be considered in the evaluation as explained more fully in Section 7.4 below. Existing publications will also be relied upon including: Highway Capacity Manual, ITE Trip Generation Manual, American Association of State Highway and Transportation Officials (AASHTO) guidelines.

Based on the results of the traffic impact evaluation, mitigation may consist of the implementation of highway improvements (*i.e.*, turning lanes, sidewalks, signals, etc.) as appropriate. Necessary improvements by project phase will be identified in the DEIS. In addition, the Contractor will be responsible for maintaining safe and adequate traffic flow during construction phases. Components of a "Maintenance and Protection of Traffic Plan" will be identified in the DEIS. Plan components will be based on the New York State Manual of Uniform Traffic Control Devices (MUTCD).

3.6 Land Use and Zoning

The project site is located within an area currently zoned as "Agricultural". The DEIS will evaluate the impact of modifying the zoning from "Agricultural" to "Planned Development District" taking into account the Town's Comprehensive Plan (2001), the site's location within the NYS Route 7 Corridor, PDD as a preferred development tool, existing surrounding land uses including single and multi-family residential, and proximity to existing community amenities (*i.e.*, Town Beach, NYSDEC wetland/goose overlook, etc.). Based on comments received, this evaluation will include an assessment of the project's consistency with the Comprehensive Plan, including establishment of multi-family residences in this area and "practices to conserve wetlands and natural vegetation, and maintain natural habitats for the proper management of natural wildlife." The DEIS will rely on existing, readily available information including the Town's existing zoning code and Comprehensive Plan, as well as project-specific field studies (storm water evaluation [see Section

3.2], viewshed analysis [see Section 3.9]) to assess the project's impacts on and consistency with existing land uses. The DEIS section on Land Use and Zoning will be broken down into the following subsections:

- Existing Land Uses in Project Area (including Agricultural District)
- Recognized Environmental Conditions (from past or existing land use on project site)
- Existing Zoning (including the need [if any] for area or use variances)
- Existing Land Use Plans
 - Town Comprehensive Plan

Mitigation will be identified to minimize or eliminate project-generated impacts. Mitigation to be assessed in the DEIS may include:

- use of the undulating topography, landscaping, greenspace/buffers, and proposed community amenities (*i.e.*, cherry orchard) to minimize adverse impacts to existing surrounding land uses;
- use of architectural elements, styles and materials to mute potential visual impacts;
- identification, design and implementation of storm water management facilities such that off-site flows do not adversely impact existing surrounding downstream uses (residents, NYSDEC wetland/goose overlook, Town Beach, existing highway drainage systems).

3.7 Community Services

The DEIS will address potential project-related impacts to community services including utilities; fire, police and ambulance service; solid waste management; school districts; and recreational facilities.

Utilities. The project will utilize existing utilities located at or proximal to the project site. Existing services include:

- Water (potable and fire protection) – Water service in the vicinity of the proposed Hudson Hills development includes two different operating pressure systems. The Tibbetts Road water storage tank (4 to 6 million gallon storage capacity) located in the City of Troy services the lower operating pressure system. This low-pressure system includes a 12-inch diameter water main along New York State Route 7 that extends up to a pressure reducing valve pit on New York State Route near McChesney Avenue located east of Betts Road. The low-pressure system connects to a higher operating pressure water system (high-pressure system) at this pressure reducing valve pit. The low-pressure system is understood to be operating at approximately 40 psi at the pressure reducing valve pit. The low-pressure system also includes a water main along North Lake Avenue that feeds the Town of Brunswick water storage tank (see below) located east of NYS Route 142. The North Lake Avenue water main feeds a booster pump near the Troy Reservoir that lifts the water to the Town of Brunswick storage tank, via a 16-inch diameter water main.

The Town of Brunswick water storage tank (2 million gallon storage capacity) services the high-pressure system. The Town has indicated that the high-pressure system operates at approximately 90 psi at the pressure reducing valve pit on NYS Route 7 near McChesney Avenue. The high-pressure system distributes water to the Town of Brunswick via a large (18-inch to 24-inch diameter) water main running south along NYS Route 142. The high-

pressure system also services areas along NYS Route 7 via an existing water main that extends to the pressure reducing valve pit near McChesney Avenue.

The Town of Brunswick has suggested the pressure reducing valve pit on NYS Route 7 be relocated to a point west of Betts Road, to allow the high-pressure water system to be tapped for servicing the proposed Hudson Hills development. The Town recently suggested the high-pressure system may operate at 135 psi, but flow test data would be necessary to verify the operating pressure. The high-pressure system operating pressure would need to be confirmed prior to performing an assessment for servicing the proposed development. The initial assessment for servicing the site, based on the 90-psi operating pressure, suggests supplemental pumping and potential water storage may be necessary to service the proposed apartments to be located at higher elevations. A connection to the North Lake Avenue water main (high-pressure side of booster pump) would also help service the site by reducing friction losses (through shorter pipe service lengths) to the proposed northern apartment areas, under Phases II and III.

Sewer – Sanitary wastes generated from business and residences along New York State Route 7 are conveyed to an existing municipal wastewater treatment plant (WWTP) located in the City of Troy. Based on information provided by the Town Water and Sewer Superintendent and Town Engineer, an existing 12-inch diameter gravity line extends westerly along New York State Route 7 from McChesney Avenue to the City of Troy. An 8-inch diameter sanitary sewer gravity line extends west along the northern right-of-way of New York State Route 7, (crossing Route 7 approximately 330 feet west of Betts Road) conveying sanitary wastes to a sanitary pump station located south of the existing Wal-Mart. This pump station also receives sanitary flows from residential development on Brunswick Drive located west of the pump station. Sanitary wastes are pumped via a force main to a sanitary manhole at the eastern McChesney Avenue/NYS Route 7 intersection. Sanitary flows are subsequently conveyed via the 12-inch diameter gravity line from this manhole to the WWTP.

The Town has indicated that the sanitary pump station does not have a flow metering device, but that it is likely that the capacity of the sanitary pump station would not be sufficient for Phases II and IV of the Hudson Hills development without improvements. Additional information is necessary to confirm if the pump station has available capacity for Phase I development.

- Electric/Natural Gas – Existing services owned and maintained by Niagara Mohawk – A National Grid Company (Niagara Mohawk) will be extended onto the site to provide service to residents. Existing services are located along NYS Route 7 and North Lake Avenue. Service extensions will be coordinated with Niagara Mohawk and secondary impacts and mitigation to minimize or eliminate impacts discussed in the DEIS. The DEIS will also address the existence of a Niagara Mohawk high pressure gas main that extends across the project site.
- Telephone/Cable – Existing telephone and cable services will be extended on to the site from existing locations along NYS Route 7 and North Lake Avenue. Significant impacts to existing capacities or to the environment from secondary construction-related impacts are not anticipated.

Existing utility locations (including piping, pump stations, rights-of-way) will be verified in the DEIS. Project-related utility needs will be identified and compared to existing capacities and limiting factors (*i.e.*, pumping, treatment, pipe size, pressure, etc.). Infrastructure improvements (including extensions) will be identified and their secondary impacts evaluated. Long-term ownership and maintenance of on-site infrastructure (*i.e.*, roads, utilities, storm water management facilities) will be coordinated with the Town, Town Engineer and other jurisdictional authorities, with findings incorporated into the DEIS.

Police, fire and ambulance services. Community protective services will be relied upon by project residents. Brunswick Fire Company No. 1 is a volunteer company that is responsible for first response fire protection and suppression, rescue and emergency medical services in the Town of Brunswick. The Mountain View Volunteer Fire Company also serves the region. Police services are provided by the Rensselaer County Sheriff's Department and New York State Police. Local fire and police services are supplemented and supported by the County's Mutual Aid program.

Potential project-related impacts to these services will be discussed in the DEIS and will rely upon discussions with local fire and police officials. Discussions with local officials will include the adequacy of Lord Avenue for use as an emergency access route.

Waste management. Construction and operation phase activities will generate solid waste. Waste generation is not anticipated to result in a significant adverse environmental impact. Waste materials will be managed in accordance with applicable handling, transport and disposal regulations. Existing solid waste management facilities will be utilized. Impacts on the Town's recycling center will also be assessed.

The DEIS will identify mitigation measures to reduce or eliminate potential project-related impacts to community services. Utility extensions and service connections will be coordinated with applicable jurisdictions and appropriate mitigation employed during construction activities (*i.e.*, E&SC, traffic control measures, etc.). Potential impacts to the capacities of existing community services will be offset by an increase in revenues (property and school taxes, recreational fees).

Public schools/school districts. The project site is located within two school districts: Brittonkill and Lansingburgh. Although the demographic objective of the project is to attract primarily "Empty Nesters" and "Young Professionals" (see Section 2.1), a portion of the apartments will be occupied by families with children, thus increasing the local student population. The DEIS will assess the impacts of the project on existing school districts, including existing facilities.

Recreational facilities. The Town provides recreational facilities to its residents. These include the Town Park and Beach located along the Troy Reservoir, as well as the Community Center and athletic fields. Town residents pay an annual recreational fee to facilitate the maintenance and operation of these facilities and associated services. The project's impact on these facilities and services will be evaluated in the DEIS.

Municipal revenues. The DEIS will include an analysis of the overall and net effect of the project on Town and County revenues. Increased revenues will be compared to increased costs, if any, for services and utilities such as schools, water, sewer, police and fire protection.

3.8 Demography

The DEIS will include a narrative discussion on existing population and housing trends for the Capital District (including the Town of Brunswick and Rensselaer County). Existing information published by New York State and the United States Census will be relied upon. The DEIS will include an evaluation of the potential project-related impacts created by the increase in housing and population including:

- socio-economic impacts (taxes, etc.) (Section 2.1)
- impact on transportation (Section 3.5)
- impact on community services (Section 3.7)
- growth-inducing aspects (Section 7).

3.9 Cultural Resources (proximal to site)

The project site is not located on or adjacent to any site listed on the State or National Registers of Historic Places or Register of National Natural Landmarks (see Attachment 2). The site is not located adjacent to sensitive receptors (churches/synagogues, senior housing, etc.), but is located proximal to other residential uses (single and multi-family). In addition, the site is located near resources that are important to the community (NYSDEC wetland [TN-106] and goose overlook, Troy Reservoir and Town Beach, vistas). The project's potential to impact these cultural resources will be evaluated in the DEIS under the following categories:

- visual impacts (aesthetics/viewshed/lighting)
- historic & archaeological (including State and National Register of Historic Places)
- noise
- community character.

Visual impacts. The proposed heights of project-related facilities will be evaluated for consistency with Town Code building height requirements. In addition, a viewshed analysis will be conducted to evaluate potential impacts created by the construction of multi-family residential structures on the project site. Visual impacts associated with the proposed observation tower, flagpole and gazebo will also be assessed. The assessment will be conducted in accordance with NYSDEC guidelines (Assessing and Mitigating Visual Impacts, DEP-00-2). Impacts will be evaluated from the following locations:

- Wilrose Lane
- New York State Route 7 (in vicinity of Betts Road)
- North Lake Avenue frontage
- Town Beach.

Findings including recommendations will be incorporated into and appended to the DEIS. It is anticipated that the existing undulating topography and incorporation of the cherry orchard (as a buffer) will minimize potential impacts from adjacent land uses and NYS Route 7. These features as potential mitigation will be evaluated in the DEIS. The DEIS will also include elevation profiles of proposed facilities to illustrate architectural elements, styles and materials. These profiles were included in the PDD application (Attachment 1). Project-related exterior lighting fixtures (*i.e.*, street lighting, building entrance/security lighting) will be described and their impacts on surrounding existing land uses will also be evaluated.

Archaeological sensitivity. Existing information will be relied upon in the DEIS to evaluate potential impacts to archaeological and historical resources including:

- information compiled by the New York State Office of Parks, Recreation and Historic Preservation – Field Services Bureau (SPHINX System)
- coordination with the Town Historian (Ms. Sharon Zankel).

In accordance with State and federal preservation laws, the applicant will work with involved State agencies to identify the level of additional consultation and/or investigations that may be necessary with the Field Services Bureau. A cultural resource investigation is not proposed at this time.

Noise. Significant noise impacts are not anticipated. Noise will be generated during construction phase activities, but impacts are considered short-term. The DEIS will include a narrative discussion of potential construction phase noise sources including construction vehicles, equipment and activities; as well as operation phase noise sources such as vehicle traffic. Even though the magnitude and duration of noise impacts is not considered significant for this type of use, potential construction and operation phase noise impacts will be evaluated in accordance with "Assessing and Mitigating Noise Impacts" (DEP-00-1) Standard mitigation including the proper muffling and upkeep of vehicles and equipment, and limiting construction activities within daylight hours will be discussed in the DEIS. An anticipated construction schedule will be included in the DEIS, including typical hours of construction.

Community character. The DEIS will include a narrative discussion of potential project-related impacts to the existing community character. The evaluation will take into account the changing character of the Town in the vicinity of Route 7, and will be based on the project's consistency with the Town's Comprehensive Plan, as well as the project's potential to impact previously identified community resources. The impact of project-caused traffic increases on community character will also be discussed. Impacts resulting from development of the project on the character of neighboring properties (including any impacts resulting from possible changes in property values) and an increase in population will also be evaluated. Mitigation will be identified as necessary and will include previously identified measures (*i.e.*, E&SC, storm water management, traffic controls/highway improvements, architectural features, etc.).

4. Adverse Environmental Effects That Cannot Be Avoided (including magnitude and timing)

The DEIS will identify adverse environmental impacts that cannot be avoided or adequately mitigated if the proposed action is implemented. The extent of these impacts is not known at this time, but will be identified as impacts and mitigation are assessed in the DEIS process. Such impacts will be identified for each DEIS environmental baseline issue:

- 4.1 Geology
- 4.2 Water Resources
- 4.3 Air Resources
- 4.4 Terrestrial and Aquatic Ecology
- 4.5 Transportation
- 4.6 Land Use and Zoning
- 4.7 Community Services
- 4.8 Demographics
- 4.9 Cultural Resources
- 4.10 Alternatives

For unavoidable adverse environmental impacts that cannot be adequately mitigated, the DEIS will identify potential alternatives that would eliminate or further reduce such impacts. The alternatives discussion will address:

- locations (limited to parcels owned by or under option to CDP)
- site configurations (layouts)
- scale or magnitude (including smaller size, less units)
- architectural design, styling and building material selection.
-

5. Alternatives

- 5.1. Alternative Configurations (including phasing and layout)**
- 5.2. Alternative Land Uses (commercial and single family)**
- 5.3. Alternative Scales (smaller and larger)**
- 5.4. No Action.**

6. Irreversible & Irretrievable Commitment of Resources

The DEIS will include a narrative discussion of any irreversible and irretrievable commitments of environmental resources that would be associated with the proposed action should it be implemented including resources associated with:

- 6.1 Geology**
- 6.2 Water Resources**
- 6.3 Air Resources**
- 6.4 Terrestrial and Aquatic Ecology**
- 6.5 Transportation**
- 6.6 Land Use and Zoning**
- 6.7 Community Services**
- 6.8 Cultural Resources**

7. Growth Inducing Aspects

7.1 Population

All other considerations equal, occupancy of the proposed full build-out of the project will result in an increase in the Town's population. The DEIS will rely upon housing industry and Capital District planning data, as well as existing New York State and United States Census data to evaluate impacts related to anticipated job growth, need for housing, and associated population increases.

7.2 Support Facilities

An increase in population will result in an increased demand on support facilities including utilities; highways; fire, police and ambulance services; school districts; and community recreational amenities (Town Beach, Community Center, etc.). The DEIS will evaluate potential impacts to these

support facilities including potential beneficial economic impacts (*i.e.*, sales tax revenue, property and school tax revenue, recreational fees).

7.3 Development Potential

Site and utility improvements have the potential to facilitate future development in the vicinity of the project, thus increasing density and demand for additional public services and commercial development. The DEIS will examine the potential growth inducing aspect of the project.

7.4 Cumulative Impacts

The project is proposed to occur in an area of the Town of Brunswick which has seen substantial growth in the past five to ten years. It is located close to a major interstate thoroughfare. Accordingly, it can reasonably be expected that, whether or not induced by the project, additional development will be proposed in the vicinity of the project, resulting in additional impacts to the existing environment. In fact, it is applicant's understanding that Wal-Mart has proposed, or is about to propose, a $\pm 200,000$ square foot super center at the northwesterly corner of Route 7 and Betts Road, immediately south of the project. Such project is proposed to access, in part, Betts Road, which will result in traffic being added from both the project and Wal-Mart. In addition, there may be other appropriate areas of environmental concern, such as water usage, sewer usage, visual impacts, various traffic-related concerns, vegetation and wildlife, area character and demand for utilities and other community services.

In order to address these issues, the applicant has proposed to include in the DEIS a section entitled "Cumulative Impacts." Such section will generally and qualitatively identify and assess, to the extent reasonable, the above-referenced impacts taking into account both projects. To the extent the Wal-Mart application proceeds and the Town Board acts as lead agency, the contemplated environmental impact statement for that project should be required to assume this project has been fully built out. Therefore, in preparing the Wal-Mart EIS, the projected impacts of the project will be incorporated into the no-build/existing condition. This is a reasonable approach for the Town Board to use to identify and examine the total impacts resulting from both projects while at the same time recognizing that they are two separate and independent projects.

8. Effects on Use and Conservation of Energy

The project will utilize electric and gas supplies provided by Niagara Mohawk (see Section 3.7). CDP will coordinate with Niagara Mohawk to identify adequate supply. The DEIS will address the following energy-related topics:

8.1 Proposed Energy Sources and Alternatives

8.2 Anticipated Short-Term/Long-Term Levels of Energy Consumption

8.3 Indirect Effects on Energy Consumption

8.4 Energy Conservation Measures (including consistency with NYS Energy Code)

9. References

The DEIS will include a list of underlying studies, reports and other information obtained and relied upon in preparing the document.

10. Appendices

Project specific studies and agency correspondence relied upon in preparing the DEIS will be appended. Information will include:

- Final Scoping Outline
- Agency Correspondence
- Wetland Delineation
- Traffic Impact Evaluation
- Pre- and Post-Stormwater Analysis
- Storm Water Quality Analysis
- Viewshed Analysis
- Technical Studies/Exhibits Relied Upon To Prepare DEIS.

Respectfully submitted,

Susan Quest-Sherman
Town Clerk

Note: An audiotape of this meeting is available in the Town Clerk's Office.

RESOLUTION NO. 28, 2005

**TOWN OF BRUNSWICK
SPECIAL MEETING**

January 27, 2005

**RESOLUTION ACCEPTING BID
NEW TOWN HALL - CONTRACT #4-04**

WHEREAS, this Town Board is committed to the construction of a new Town Hall on real property owned by the Town, located at the intersection of New York State Route 7 and Town Office Road, adjacent to the current Town Hall and Highway Garage; and

WHEREAS, accordingly, the Town having duly solicited for bids for Contract #4 - 04 Mechanical, in accordance with plans and specifications prepared by the Town's consultants; and

WHEREAS, several bids having been received, and upon the review and consideration thereof, and upon consultation with the Town's Architect and Construction Manager, the Town Board having identified the lowest responsible bidder meeting the required specifications as follows:

CONTRACT	NAME OF FIRM	BID
#4-04 Mechanical	Coordination Plus Enterprises	\$221,500.00.

;now, therefore

BE IT RESOLVED, that the above-mentioned bid be and hereby is accepted, and the Supervisor be and he hereby is authorized and empowered to execute such contract or other documents as may be necessary to give effect to this Resolution, such contracts to be in a form acceptable to the Town Attorney.

The foregoing Resolution, offered by Councilman Poletto and seconded by Councilman Salvi, was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING <u>Aye</u>
COUNCILMAN ABRAMS	VOTING <u>Absent</u>
COUNCILMAN CLEMENTE	VOTING <u>Aye</u>
COUNCILMAN POLETO	VOTING <u>Aye</u>
SUPERVISOR HERRINGTON	VOTING <u>Aye</u>

The foregoing Resolution was thereupon declared duly adopted.

Dated: January 27, 2005

**TOWN OF BRUNSWICK
REGULAR TOWN BOARD MEETING
FEBRUARY 10, 2005, 7:00 P.M.
TOWN HALL**

Board Members Present: Supervisor Herrington, Councilman Poletto, Councilwoman Abrams, Councilman Salvi, and Councilman Clemente.

Board Members Absent: None.

Also Present: Town Attorney, Thomas Cioffi, and Town Clerk, Susan Quest-Sherman.

The Supervisor called the meeting to order at 7:10 p.m.

All joined in a salute to the flag.

VISITORS WHO WISH TO SPEAK:

Rebecca Kaiser, Moonlawn Road, spoke of her opposition to the Wal-Mart Super Center stating various reasons but stating her main opposition was the fact that the Super Center does not belong in the Town, as it doesn't fit with the Comprehensive Plan.

Bernice Kuhl, Mc Chesney Ave, wanted to add that Wal-Mart has a history of sexual discrimination and is anti-union.

Norman Fivel, Wilrose Ln, also voiced his opposition to the Wal-Mart project. There was discussion on the present and proposed size of the building. He asked why Wal-Mart couldn't just expand the present location.

Mr. Mark Kestner stated that there were limitations on the present site that would make it difficult for expansion.

BUSINESS MEETING:

MINUTES OF THE PREVIOUS MEETING:

A motion was made by Councilman Salvi to approve the minutes of the previous meetings, seconded by Councilman Poletto. Approved.

REPORTS:

Town Clerk: Susan Quest-Sherman, Town Clerk

The Town Clerk gave the report for the month of January. Amount to be remitted to the Supervisor for the month is \$5,273.42. Councilman Salvi stated that he, Pat Hyde and the Town Clerk had been working on the telephone project. A motion to accept the report was made by Councilman Poletto and seconded by Supervisor Herrington. Approved. A copy of the report is on file in the Town Clerk's Office.

Highway Superintendent: Doug Eddy

The Highway Superintendent gave his report for the month of January. Motion to accept the report was made by Councilman Salvi, seconded by Councilman Clemente. Approved. A copy of the report is on file in the Town Clerk's Office.

Superintendent of Utilities & Inspections: John Kreiger

Mr. Kreiger gave his report for the month of January; amount remitted to the Supervisor was \$7,465.00. Mr. Jon Kemp from Knox-Box came to discuss the Knox-Box System. The Fire Departments would like to see the Knox-Boxes used in Town. In

Emergencies Fire Companies could enter businesses without causing additional damage. Cost for the system would be \$150.00 for businesses, \$1,200.00 for Fire Companies and between \$3,000.00 - \$4,000.00 for the Town. Councilman Salvi made a motion to accept the report seconded by Councilwoman Abrams. Approved. A copy of the report is on file in the Town Clerk's Office.

Town Attorney: Thomas Cioffi

Mr. Cioffi gave his report for the month of January. Mr. Cioffi stated that the disciplinary action and other grievances had been settled. A motion was made by Councilman Clemente to approve Mr. Cioffi's report, seconded by Councilman Poletto. Approved.

Superintendent of Water: Myron VanDyke

Mr. VanDyke gave his report for the month of January. A motion to accept the report was made by Councilman Poletto which was seconded by Councilwoman Abrams. Approved. A copy of the report is on file in the Town Clerk's Office.

Town Historian: Sharon Zankel

Mrs. Zankel mentioned that the Historical Society would most likely be very interested in a Knox-Box, as damage to a Historical Building is quite costly to repair. Mrs. Zankel read her report for the month of January. Councilwoman Abrams made a motion to accept the report which was seconded by Councilman Poletto. Approved. A copy of the report is on file in the Town Clerk's Office.

Recycling Coordinator: Thomas Engster

The Recycling Coordinator presented his report for the month of January. Motion to accept Mr. Engster's report was made by Supervisor Herrington which was seconded by Councilman Poletto. Approved. A copy of the report is on file in the Town Clerk's Office.

Brunswick Community Library: Julie Zelman

Mrs. Zelman gave the Library's report for the month of January. Councilman Clemente made a motion to approve the report, seconded by Councilwoman Abrams. Approved. A copy of the report is on file in the Town Clerk's Office.

Family Community Center: William DeFilippis

Mr. DeFilippis read his report for the month of January. Motion to accept the report was made by Councilwoman Abrams seconded by Councilman Salvi. Approved. A copy of the report is on file in the Town Clerk's Office.

Dog Control Officer: Frank O'Brien

Mr. O'Brien was absent but submitted a written report. A motion to accept the report was made by Councilman Poletto, seconded by Councilman Slavi. Approved. A copy of the report is on file in the Town Clerk's Office.

RESOLUTIONS:

Resolution No. 29 Resolution Authorizing Supervisor to Purchase 2005 F350 4 X 4 Pickup Truck Under State Contract. The foregoing Resolution, offered by Councilman Poletto, seconded by Councilman Salvi, was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Resolution No. 30 Resolution Declaring Items to be Surplus Property. The foregoing Resolution, offered by Councilman Salvi and seconded by Councilman Poletto was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Resolution No. 31 Resolution Authorizing Town Clerk to Attend the 2005 Annual Conference of the New York State Towns Clerk's Association. The foregoing Resolution, offered by Councilman Clemente and seconded by Councilman Salvi was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Resolution No. 32 Resolution Appointing Consulting Engineer and SEQRA Review Attorney – Application for Planned Development District Filed by J.J. Partnership – Brunswick Meadows. The foregoing Resolution offered by Supervisor Herrington and seconded by Councilman Poletto was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

CORRESPONDENCE:

Three letters were received.

Marge Degnan wrote to thank Bill DeFilippis for his help at the Community Center.

Craig Gilbert wrote to the Supervisor to thank the Board for their support of the Tamarac Girl's Soccer Team.

Pastor Harry Heintz wrote to Mr. Clickner thanking him for bringing The Supervisor to the church's session.

OLD BUSINESS:

None.

Warrants: Warrants No. 012001 & 012002, No. 12801 through 12811 No. 21101 through 021110, No. 050078 through No. 050090, and No. 050091 through No. 050218 were presented. A motion to approve the warrants was made by Councilman Poletto, and seconded by Councilman Salvi. Approved.

NEW BUSINESS:

Supervisor Herrington explained that a new PDD was being proposed tonight on land that he and his brother owns so he turned the meeting over to Councilman Poletto and excused himself from the meeting at 7:53 p.m.

Councilman Poletto explained to the audience the PDD process.

Mr. Lee Rosen, Bob Marini and Ivan Zdrahal came to present the Highland Creek Development District. A brief overview of the project was given by Mr. Rosen. The Location is on McChesney Ave Ext. The project would include single family, manor and carriage homes. The site consist on 216 acres.

Mr. Marini gave a review of the projects that Marini Builders have been involved with and floor plans for the homes. A homeowner's association would be established with three sub association. There would be a total of 206 homes built.

Councilman Poleto gave an over view the PDD process and the next steps to taken.

FURTHER PUBLIC COMMENTS:

Mike Ryan, asked about the Master Plan weather it was ever adopted and how all the projects go along with Plan.

Councilman Poleto explained that the Master Plan was adopted in 2001. The Town Zoning is now being examined.

Janet Kuhl, McChesney Ave., asked who Brunswick Associate's was and it was stated that Brunswick Associate's is the Sugar Hill Apartment Complex.

Michele Centanni, South Road, wanted to know how the proposed development would serve the existing community.

Councilman Clemente commented that houses don't stay on the market long in the Town of Brunswick. There is a lack of housing in Brunswick and quality projects should be looked at.

Councilman Poleto explained that the cost to review these projects are borne by the developer's through an escrow account.

A resident asked how the consultants are chosen.

Councilman Poleto stated that because of the volume of the projects being considered that the Town is using the same consultants on all the projects.

ADJOURNMENT:

Councilwoman Salvi made a motion to adjourn the meeting, seconded by Councilwoman Abrams. Approved. The meeting adjourned at 8:28 p.m.

Respectfully submitted,

Susan Quest-Sherman
Town Clerk

Note: An audiotape of this meeting is available in the Town Clerk's Office.

TOWN HISTORIAN'S MONTHLY REPORT TO THE BRUNSWICK TOWN BOARD
FEBRUARY 10, 2005

The following summarizes my activities over the past month:

- On January 19 I attended a meeting of the Brittonkill Key Communicators, and suggested several projects students and teachers could undertake in the study of local history or for commemorating the Brunswick Bicentennial.

- **Bicentennial Update:**

The Brunswick Bicentennial Committee met last night, and, continued with plans for several fundraising events including the 2005 5K race on October 1 and a dinner/dance at the Brunswick Lodge of Elks on Saturday, April 9. The Committee is now accepting reservations for the dinner/dance which offers a choice of a chicken or fish dinner at cost of \$25. Big band music for dancing will be provided by the Norm Stoddard Trio until 10:30 p.m. All proceeds from the dinner/dance will be used for Bicentennial activities.

It has been suggested the community groups in town work together to have a town-wide open house, coupled with a driving tour, during the spring of 2007, and I am preparing a mailing to invite community based groups to two informational sessions to discuss this project.

Two members of the Bicentennial Committee have worked closely with Supervisor Herrington and Councilman Poletto and a project engineer from the Department of Transportation to discuss the relocation of the World War I Memorial at the Eagle Mills .. Bridge to the Veterans Memorial Park west of the Poesten Kill. It seems, at this time, plans for the relocation of the Memorial and the expansion of the park have been finalized, and preliminary sketches of the proposed changes to the Veterans Park indicate we will have a much improved landmark to honor Brunswick's veterans.

The Bicentennial Committee welcomes new volunteers.

- I mentioned last month the NYS Archives has announced its annual Student Research Awards Contest, a competition that encourages students in grades 4 -12 to create a project on the basis of research using original historic records. To date, I have been contacted by one student who is interested in this project. Eligible projects include papers, posters, exhibits, computer and audiovisual presentations, or works of fiction. Deadline for entries is June 1, 2005, and information is available on the State Archives web site (www.archives.nysed.gov) or by contacting me. My files as well as those of the Brunswick Historical Society contain much material which a student could use to develop a contest project.
- The Dutch Barn Preservation Society is undertaking a survey of Dutch Barns throughout the Hudson Valley, and I have been asked to help recruit volunteers to assist with the identification and recording of information on this architecturally significant barn style here in Rensselaer County. Brunswick had at least four Dutch barns several years ago, and two of these have been removed in the last decade.
- I dedicated 20 hours to researching information to respond to family history requests received during January, and one individual has made a cash donation to the Brunswick Historical Society in appreciation of the information received.

Shawn Bankel

TOWN OF BRUNSWICK

RESOLUTION NO. 32, 2005

**TOWN OF BRUNSWICK
REGULAR MEETING**

February 10, 2005

**RESOLUTION APPOINTING CONSULTING ENGINEER AND
SEQRA REVIEW ATTORNEY -- APPLICATION FOR PLANNED
DEVELOPMENT DISTRICT FILED BY J.J PARTNERSHIP -
BRUNSWICK MEADOWS**

WHEREAS, an application for the re-zoning and the establishment of a Planned Development District on an approximately 16.6 acre parcel of land located to the south of NYS Route 142 (Grange Road), approximately 130 feet east of the boundary line between the City of Troy and the Town of Brunswick, having been filed by J.P.J. PARTNERSHIP, for the purpose of locating and constructing a residential condominium community consisting of 136 condominium units in 34 buildings; and

WHEREAS, pursuant to Local Law No. 2 for the Year 2002, the Town Board is empowered to engage, at the expense of the applicant, the services of a consulting engineer and special (SEQRA) counsel to provide engineering and legal project review to the Town independent of the applicant; and

WHEREAS, accordingly, the Town Board having determined that it would be in the best interests of the Town and the applicant to engage the services of TUCZINSKI, CAVALIER, BURSTEIN & COLLURA, P.C. and KESTNER ENGINEERS, P.C., as, respectively, special (SEQRA) counsel and consulting engineer for this project; now, therefore

BE IT RESOLVED, that with regard to the said application of J.P.J. PARTNERSHIP, for the rezoning and establishment of a Planned Development District, as aforesaid, the Town Board does hereby appoint special (SEQRA) counsel and consulting engineer follows:

CONSULTING ENGINEER : KESTNER ENGINEERS, P.C.

**SPECIAL (SEQRA) COUNSEL: TUCZINSKI, CAVALIER, BURSTEIN &
COLLURA, P.C.**

;and be it further

RESOLVED, that the Supervisor be and hereby is authorized and empowered to execute any necessary contracts or retainer agreements with said firms, subject to the approval thereof by the Town Attorney; and be it further

RESOLVED, that in accordance with the provisions of Local Law No. 2 For the Year 2002, the applicant shall deposit funds to be held in escrow by the Town for the purpose of compensating the said consultants engaged by the Town on an ongoing basis, in such amounts and at such times as required by the said Local Law No. 2 For the Year 2002, compliance in all respects with the terms and provisions of said Local Law being a condition precedent to continued consideration of this application by the Town Board.

The foregoing Resolution, offered by Supervisor Herrington and seconded by Councilman Poleto, was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING <u>Aye</u>
COUNCILMAN ABRAMS	VOTING <u>Aye</u>
COUNCILMAN CLEMENTE	VOTING <u>Aye</u>
COUNCILMAN POLETO	VOTING <u>Aye</u>
SUPERVISOR HERRINGTON	VOTING <u>Aye</u>

The foregoing Resolution was thereupon declared duly adopted.

Town of Brunswick
Bid Opening for Sale of Property
1997 F 350 Pick Up with Plow
February 24, 2005

Present: Douglas Eddy, Highway Superintendent, Calvin Clickner, Purchasing Director,
Susan Quest-Sherman, Town Clerk.

The meeting was called to order at 10:01 a.m.

The Notice was placed in the Troy Record once daily on February 15, 2005.

Two Bids were received and opened by Susan Quest-Sherman, Town Clerk. The bids
were as follows:

Michael Bloomer	\$9,025.00
Richard Hudson	\$7,351.00

The Meeting closed at 10:03 a.m.

Respectfully submitted,

Susan Quest-Sherman
Town Clerk

AFFIDAVIT OF PUBLICATION

STATE OF NEW YORK,

Rensselaer County,

City of Troy.

ss:

PLEASE TAKE NOTICE
that the Town of Brunswick is accepting sealed
bids for one (1) 1997 F-
350 Ford Pick-Up with a
8' Fisher Snow Plow.
There is a minimum bid
with this Pick-Up. Please
call 279-3461 Ext. 117 for
details. Bids will be ac-
cepted until 10:00 a.m.
February 24th at which
time all bids will be
opened and publicly read
aloud. The Town Board
reserves the right to re-
ject any and/or all bids.
417843 2/15

R. Willett of the City of Troy, in the county of Rensselaer and State of New York, being duly sworn, deposes and says that she is the Principal Clerk of the Troy Publishing Company, a Corporation duly organized under the laws of the State of New York; that said Corporation is the publisher of The RECORD, a daily newspaper printed and published in the City of Troy and County of Rensselaer, and that the notice of which the annexed is a printed copy, has been regularly published in The RECORD.

ONCE DAILY for ONE DAY

to wit: on the 15th day of February, 2005

Sworn before me, this

16th day of February, 2005

Ruth Willett

**TOWN OF BRUNSWICK
REGULAR TOWN BOARD MEETING
MARCH 10, 2005, 7:00 P.M.
BRUNSWICK FAMILY COMMUNITY CENTER**

Board Members Present: Supervisor Herrington, Councilman Poletto, Councilwoman Abrams, Councilman Salvi, and Councilman Clemente.

Board Members Absent: None.

Also Present: Town Attorney, Thomas Cioffi, and Town Clerk, Susan Quest-Sherman.

The Supervisor called the meeting to order at 7:03 p.m.

All joined in a salute to the flag.

Supervisor Herrington started the meeting by explaining why the meeting was moved to the Community Center. It was moved for the comfort of the expected crowd.

VISITORS WHO WISH TO SPEAK:

Chuck Haynes, Westlane Rd, had some questions about the proposed Super Wal-Mart, what would happen to the current Wal-Mart, and what impact the new store would have.

Supervisor Herrington stated that it was very early in the process, the application has to be looked into. The Board must look at proposals brought before them.

Andy Gilchrist, Attorney for the Town on PDD applications, explained the process of PDD application. He stated that the Super Wal-Mart application had been accepted by the Town Board and the Environmental Review would begin. The Lead Agency status would be addressed tonight. Potential Environmental Impacts could now be identified in the Scoping document, these items will then be addressed in the SEQRA. This is the same process for all the Planned Development Districts.

William Joyce, Wyman Ln, asked who would be lead agent over the Federal Wetlands.

Mr. Gilchrist explained that the Army Corps. of Engineers would retain permit jurisdiction over the Wetlands.

Rebecca Kaiser, Moonlawn Road, thanked the Town Board for expanding the web site. Mrs. Kaiser stated that it was never too soon to speak of her opposition to the Wal-Mart Super Center. She stated that the Super Wal-Mart is not needed and it doesn't fit with the Comprehensive Plan.

Supervisor Herrington thanked Mrs. Kaiser and Mr. Meskoskey for the comments they made on the radio program and the way the Smart Growth group has been conducting themselves.

Gail Christian, Wyman Ln, was formally from a Wolf Road area and stated that Brunswick is a treasure and should be kept as small town. There will be increased traffic and she would like to see Wal-Mart clean up their present location.

Susan Haynes, Westlane Rd, is concerned about traffic and that this could increase traffic further on North Lake Ave.

Dylan Keenan, Moonlawn Rd, stated that traffic was bad on Moonlawn also.

Ray Schmidt, Liberty Rd, traffic has increased on Liberty Rd. also and the State Troopers don't have the resources to police the area. With the Wal-Mart plan traffic will only increase.

Lori Scanlon, Euclid Ave, doesn't want Brunswick to turn into another Clifton Park. She doesn't understand why Wal-Mart just doesn't expand at there present location.

Jake Shaver, Mc Chesney Ave, Wal-Mart had wanted to put a Super Store originally but was denied.

Peter Meskoskey, Town Office Rd, feels the combination of all the projects as defining the future of Brunswick. The intention of the authors of the Master Plan must be considered.

Sara McCaffery, South Rd, because of the expense, ask if there could be a vote put to the community.

Thomas Cioffi, Town Attorney, stated that all the expense was borne by the project developers. The consultants answer only to the Town Board.

Supervisor Herrington stated that the developers pay \$1,750.00 for the application fee then are required to put \$5,000.00 into escrow to pay the Town's Consultants. More money is put into Escrow as needed. As to a vote by the community. Supervisor Herrington ask Mr. Gilchrist to address the question.

Mr. Gilchrist stated that there is nothing in the Town Code to allow a vote, balancing private property rights, the Town Board is duty bound to examine applications which are submitted to them. There will be a Public Hearing.

Councilman Poleto stated that residents have been submitting written comments which have been forwarded to the Developers for them to address.

Nate Simms, 14 Bulton Ave, Troy, wanted to know what effect comments will make at the Public Hearing.

Supervisor Herrington asked if Mr. Simms lived in Troy or Bennington. Mr. Simms stated that he was currently living in Bennington. Supervisor Herrington stated that the Board will listen throughout the process.

Councilman Clemente also said that the Public Comments are very important to the board.

Mr. Gilchrist stated that the Board has to have all the information in front of them before they can make a decision or it could be a challengeable action. The application must be processed before a decision can be made.

Councilman Salvi brought up the past cell tower question. The Board listened to the residents and ended up in court against the cell tower companies and won. Mr. Cioffi had written a great Cell Tower Law.

Paul Engelke, Garfield Rd, asked if the present Wal-Mart could be expanded by the Board offering to ease set back requirements and getting rid of the swamp.

Mr. Kestner explained that the swamp is a Federal Wetland, the Town cannot authorize the filling in of any wetland. It will be looked at in the Scoping Document but it is still under Federal jurisdiction.

Ginnet Chambers, Farrell Rd, is concerned with the number of developments and the combined effects of them all. In the SEQRA is there room for public involvement.

Mr. Gilchrist stated that siting boards are only involved with power plants. As to the amount of projects, two are adjacent, but are separately owned. They are separate applications so they must be examined under their own merits. In the EIS for Wal-Mart and for Hudson Hills, cumulative traffic studies have been required.

Councilman Poleto stated that for the next 30 days residents can write to the Town voicing their concerns which can be included in Scope.

Supervisor Herrington explained that people want to move to the Town of Brunswick and are looking for housing. The School Districts are looking for Tax dollars without a drain on the schools.

A resident asked if they could request notification about pending matters.

Mr. Gilchrist stated that there is a list and residents can request to be added to it.

Jenny Connally, Keyes Ln, stated that she doesn't believe that a Super Wal-Mart is needed.

BUSINESS MEETING:

MINUTES OF THE PREVIOUS MEETING:

A motion was made by Councilman Salvi to approve the minutes of the previous meetings, seconded by Councilman Poleto. Approved.

REPORTS:

Town Clerk: Susan Quest-Sherman, Town Clerk

The Town Clerk handed in a written report for the month of February. Amount to be remitted to the Supervisor for the month is \$3,838.36. New Beach Passes have been ordered. They will be rear view mirror stickers and the Town Clerk, Pat Hyde and Councilman Salvi have finished the telephone project. A motion to accept the report was made by Councilwoman Abrams and seconded by Councilman Salvi. Approved. A copy of the report is on file in the Town Clerk's Office.

Highway Superintendent: Doug Eddy

The Highway Superintendent gave his report for the month of February. Mr. Eddy took time to thank John Kreiger for his help in manning the snow plows. Motion to accept the report was made by Councilman Salvi, seconded by Councilman Poleto. Approved. A copy of the report is on file in the Town Clerk's Office.

Superintendent of Utilities & Inspections: John Kreiger

Mr. Kreiger gave his report for the month of February; amount remitted to the Supervisor was \$5,037.00. Councilman Clemente made a motion to accept the report seconded by Councilwoman Abrams. Approved. A copy of the report is on file in the Town Clerk's Office.

Superintendent of Water: Myron VanDyke

Mr. VanDyke gave his report for the month of February. A motion to accept the report was made by Councilman Poleto which was seconded by Councilwoman Abrams. Approved. A copy of the report is on file in the Town Clerk's Office.

Town Attorney: Thomas Cioffi

Mr. Cioffi gave his report for the month of February. Mr. Cioffi stated that a settlement tax agreement had been made with the owner of the former Grand Union property. A motion was made by Councilman Salvi to approve Mr. Cioffi's report, seconded by Councilman Clemente. Approved.

Town Historian: Sharon Zankel

Mrs. Zankel submitted a written report for the month of February. Mrs. Zankel read an excerpt from Jane Adams Lawless's 1887 Diary who lived on a farm on Hoosick Rd. Mrs. Zankel turned the floor over to Warren Rymiller of the Bicentennial Committee. Mr. Rymiller spoke of the up-coming fundraising Dance. The flyers will be in The Advertiser and in direct mailings to Elks. Brunswick Veterans Memorial Park is expected to be dedicated in the fall of 2007. Councilman Salvi made a motion to accept the report which was seconded by Councilwoman Abrams. Approved. A copy of the report is on file in the Town Clerk's Office.

Recycling Coordinator: Thomas Engster

The Recycling Coordinator presented his report for the month of February. Motion to accept Mr. Engster's report was made by Councilman Poleto which was seconded by Councilman Salvi. Approved. A copy of the report is on file in the Town Clerk's Office.

Youth Commissioner: Sam Salvi

Councilman Salvi began by thanking Pat Hyde and Sue Sherman for their assistance in viewing Telephone proposals. The director for the Day Camp has been selected and is a PE teacher from Shaker. Mr. Salvi is also interviewing another PE teacher for the Head Life Guard position. To deal with the goose problem at the beach the Town has purchased a system that will emit goose distress signals. This item was found on the internet and

hopefully will be hooked up soon. Sport teams are gearing up. Councilman Salvi thanked the Board for their continuing support of the Youth Programs. A motion was made by Councilwoman Abrams to accept Councilman Salvi's report, seconded by Councilman Poletto. Approved.

Brunswick Community Library: Julie Zelman

Mrs. Zelman gave the Library's report for the month of February. Councilman Salvi made a motion to approve the report, seconded by Councilwoman Abrams. Approved. A copy of the report is on file in the Town Clerk's Office.

Family Community Center: William DeFilippis

Mr. DeFilippis read his report for the month of February. Motion to accept the report was made by Councilman Poletto seconded by Councilwoman Abrams. Approved. A copy of the report is on file in the Town Clerk's Office

Dog Control Officer: Frank O'Brien

Mr. O'Brien was absent but submitted a written report. A motion to accept the report was made by Councilman Poletto, seconded by Councilwoman Abrams. Approved. A copy of the report is on file in the Town Clerk's Office.

RESOLUTIONS:

Resolution No. 33 Resolution Honoring William "Bill" DeFilippis on the Occasion of his Eightieth Birthday. The foregoing Resolution, offered by Supervisor Herrington, seconded by Councilman Poletto, was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Supervisor Herrington spoke at length of the many contributions Mr. DeFilippis has made to the Town and how much Mr. DeFilippis means to him.

Resolution No. 34 Resolution Honoring Raymond R. Mason for his Fifty-Seven Years of Service to the Mountain View Fire Company. The foregoing Resolution, offered by Supervisor Herrington and seconded by Councilwoman Abrams was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Resolution No. 35 Resolution Appointing Consulting Engineer and SEQRA Attorney - Application for Planned Development District Filed by Landmark Development Group, LLC - Highland Creek. The foregoing Resolution, offered by Councilman Poletto and seconded by Councilwoman Abrams was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Abstaining. The foregoing Resolution was thereupon declared duly adopted.

Resolution No. 36 Resolution Accepting Proposal for the Purchase and Installation of a Telephone System for the New Town Hall Building. The foregoing Resolution offered by Councilman Poletto and seconded by Councilwoman Abrams was duly put to a roll call vote as follows: Councilman Salvi, Abstaining; Councilwoman Abrams, Voting Aye;

Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Resolution No. 37 Resolution to Accept the Water Rent and Sewer Maintenance Roll as Prepared by Rensselaer County for the Period of June 1, 2004 Through December 1, 2004. The foregoing Resolution offered by Councilman Poletto and seconded by Councilman Salvi was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Resolution No. 38 Resolution Changing Name of Town Road. The foregoing Resolution offered by Councilman Poletto seconded by Councilwoman Abrams was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Resolution No. 39 Resolution Approving Designation of Town Board of the Town of Brunswick as Lead Agency for Wal-Mart Supercenter Planned Development District Application. The foregoing Resolution offered by Supervisor Herrington seconded by Councilman Poletto was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Resolution No. 40 Resolution Approving Positive Declaration and Receipt of Draft Scope Submitted by Wal-Mart Stores Inc. Pursuant to State Environmental Quality Review Act for Wal-Mart Supercenter Planned Development District Application. The foregoing Resolution offered by Councilwoman Abrams seconded by Councilman Poletto was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Mr. Gilchrist explained that the Draft Scope has been submitted by Wal-Mart and now there is a 30 written comment period for resident input.

Resolution No. 41 Resolution Directing Coordinated Environmental Review Pursuant to State Environmental Quality Review Act on Brunswick Meadows Planned Development District Application. The foregoing Resolution offered by Supervisor Herrington seconded by Councilman Salvi was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

CORRESPONDENCE:

None.

OLD BUSINESS:

Councilman Poletto stated that work on Rt. 7 should start up again. Concerts in the Park will continue on Tuesdays in July and August. A public hearing needs to be set up for the Brunswick No. 1 Fire Company's Contract.

A public hearing was set up for Thursday April 14th at 6:00 p.m. at the Brunswick No.1 Fire House.

Councilwoman Abrams announced that the newsletter will resume in May.

NEW BUSINESS:

Councilman Clemente asked when the new traffic lights will go up.

Warrants: Warrants No. 02140001, No. 0218001, No.22501 through 22512, No. 050217 through 050235, and No. 050236 through 050334 were presented. A motion to approve the warrants was made by Councilman Poletto, and seconded by Supervisor Herrington. Approved.

FURTHER PUBLIC COMMENTS:

John Guzzo, Town Office Rd, asked about the New Telephone System and why he hadn't had an opportunity to submit a proposal.

Councilman Salvi apologized.

Gail Christensen, stated that she works in Clifton Park and wanted Wal-Mart to know that many people like the smaller Wal-Mart stores.

ADJOURNMENT:

Councilwoman Abrams made a motion to adjourn the meeting, seconded by Councilman Salvi. Approved. The meeting adjourned at 8:45 p.m.

Respectfully submitted,

Susan Quest-Sherman
Town Clerk

Note: An audiotape of this meeting is available in the Town Clerk's Office.

TOWN HISTORIAN'S MONTHLY REPORT TO THE BRUNSWICK TOWN BOARD
MARCH 10, 2005

The following summarizes my activities over the past month:

- During the February school recess (February 24) I worked with several children to create an exhibit of the artifacts discovered during the Brunswick Historical Society's Youth Archeology Program last summer.
- I assisted one resident with researching the history of a home, and responded to several inquiries for assistance in researching family history. I received and answered one request from a developer regarding the historic use of a property on Grange Road.
- I am working with the Director of the Old Fort House Museum in Ft. Edward, NY, to develop a spring training conference for the regional chapter of the Association of Public Historians of New York State.
- I have mentioned previously the NYS Archives annually sponsors a Student Research Awards Contest, a competition that encourages students in grades 4 -12 to create a project on the basis of research using original historic records. Eligible projects include papers, posters, exhibits, computer and audiovisual presentations, or works of fiction. Deadline for entries is June 1, 2005, and information is available on the State Archives web site (www.archives.nysed.gov) or by contacting me. My files as well as those of the Town and the Brunswick Historical Society contain much material which a student could use to develop a project. To date, I have been contacted by one youngster interested in this program.
- The Rensselaer County Historical Society has announced it will present an exhibit, from April 1 through August 27, entitled "Root for the Home Team: Baseball in Rensselaer County." Our local baseball history includes the 19th-century Haymakers to the present-day Valley Cats, and a few players who made it to the Baseball Hall of Fame.
- The Rensselaer-Taconic Land Conservancy has announced its 2005 outings schedule which includes a hike to Dustin Swamp in the town of Grafton on May 7 and a program on the Mohican Indians in Rensselaer County at the Schodack State Park where the Mohicans had a village on June 11. The Land Conservancy's web site is www.rtlc.org.
- I have continued to work with the Brunswick Bicentennial Committee. Mary Ann Willetts and I will be conducting several workshops with Brunswick community based groups to explore ideas for programming on March 31 and April 5.

Town Meeting
March 10, 2008

March 1, 1887 Tuesday

Cloudy and snowing in the morn. Then cleared beautiful. Flora and I went up to Mrs. Reids this forenoon. I went over to Carrie Haselhurst. Flora sleighriding with Mr. Reid taking Mrs. Stonehouse and the children to Green Island this afternoon. Pa to Troy and Warren.

March 2 Wed.

Cool and high wind but quite pleasant. We washed. Pa went to Troy. Willie drove to Troy with Mother and Katie. Pa and he came home to dinner. Went back Ida Hill way. Took me to the girls. Flora went up to Mrs. Reids. Warren came for Pa and I to night.

March 3 Thurs.

Cold but pleasant. Pa went to Troy and to Pattens Auction. We finished the collars. I done some other sewing. Flora went to Mrs. Horrells and Tiffs. Mrs. Reid was here. We went to Prayer Meeting. The Church was full. Bright moonlight. Roads good. Some sleighing.

March 4 Fri.

Cloudy this morning but cleared off beautiful. Thoughing some. The sleighing is most gone in the roads but there is drifts 2 or 3 feet deep on the sides. Pa and I went up to Uncle Elansons. Warren took in the collars. We went to meeting.

March 5 Sat.

Clear in the forenoon then clouded up. Cold. Pa and I went to Troy. I stopt to the girls. Bought paper for the middle room. I baked bread and pie. Flora buttonhold. Henry went over to Mrs. Dukes. Uncle Elanson and was to Troy. Good wheeling. The sewer on the stone road is most to the watering tub. Warren home. Marshall went up to the shop. Mr. Reid was here. Flora received her first letter from Bessie to day. Very cloudy.

March 6 Sun.

Began snowing before we went to bed last night and this morning the snow was a foot deep and has been snowing and raining all day. There has been but 5 sleighs been by here to day. None of us went out to day to S. S. or meeting. The heaviest snow storm this winter.

March 7 Mon.

Cloudy, not very cold. Sleighing good. The road is getting broke. We took up the middle room and bedroom carpet. Commenced painting and papering. Mrs. Reid was here. We went to Prayer meeting. Moonlight.

March 8 Tues.

Beautiful day. Thoughing fast. Finished papering and painting the two rooms. Put one carpet down. The other one most. Mrs. Duke, Addie and Katie was here. Flora, Warren and Marshall went to Prayer Meeting. Moonlight.

Jane Adams Lawless
1846-1900

The Town Historian read
from this Journal of Jane Adams
Lawless, who lived at a farm
on Hoosick Road.

March 9 Wed.

Plesent. Frozen this morning but was very wet before night. We washed. Finished straitning up. Pa took Mrs. Reid and I over to Mrs. Dukes to the sewing society. Took tea. Tha brought a load to Meeting. Warren went to Coonradts. Pa to Ida Hill. Flora buttonhold. Moonlight.

March 10 Thurs.

Cloudy, raining and snowing some. Pa home. Flora and I buttonhold. Boys to school. Warren came home from Coonradts. The roads are very wet. Flora, Warren and Marshall has gone to Prayer Meeting. Freezing to night.

March 11 Fri.

Looked very stormy this morning but cleared off lovely. Cooler to day. We done 7 doz. and two collars. Pa and Warren home. Boys to school. Flora and I called on Mrs. Reid. Some are using sleighs, some wagons. I baked cake and puding.

March 12 Sat.

Cloudy this morning. Plesent the rest of the day. Cleare and quite cool to night. Freezing. I baked pie and beens. Done some mending. Pa went to Troy. Flora ironed, buttonhold. Went down to Mrs. Horells. Warren took in the collars. Went to Charles Coonradts. Marshall has gone up to Uncle Elansons. Henry riding down hill. Ida King was here. Flora got her second letter from Bessie to day.

March 13 Sun.

A splendid day. Bright sun. Frozen this morning but soon thoud. Flora went to Ida Hill to Church. Willie came. Tha all went to S.S. Mother and Katie came down to Leddies. All but Pa went to Church to night. The roads are getting very wet.

March 14 Mon.

Cloudy, west wind. Growing cold since about 10 oclock. Freezing quite fast. We washed. Flora ironed. Pa and I went to Troy. Warren to Uncle Elansons to help Willie. Mrs. Horrell and Reid was here. We buttonhold.

March 15 Tues.

Cold, high wind but quite cleare part of the day. Frozen hard. Not thoughing much. Pa went to Troy. Warren not home yet. Boys to School. Flora and I buttonhold. I done some other sewing. Mr. and Mrs. Reid, Leddie was here. Flora and Marshall has gone to Prayer Meeting.

March 16 Wed.

Quite plesent. Thoughing fast. Warren came home this noon. Pa and he went to Troy. I road with them as far as Steven Dusenburys to the Aid society. Flora came in the evening. Snowing when we came home. Roads quite good.

**TOWN OF BRUNSWICK
REGULAR MEETING**

March 10, 2005

**RESOLUTION HONORING WILLIAM "BILL" DEFILIPPIS
ON THE OCCASION OF HIS EIGHTIETH BIRTHDAY**

WHEREAS, it is from time to time the happy duty of this Legislative Body to recognize significant milestones in the lives of those who have served our community so well; and

WHEREAS, consistent with that duty, joyous notice is hereby taken of the 80th Birthday of our own **WILLIAM "BILL" DEFILIPPIS**, on March 26, 2005; and ;

WHEREAS, **WILLIAM "BILL" DEFILIPPIS**, has ably served the people of the Town of Brunswick as Director of the Brunswick Family Community Center on Keyes Lane since its dedication, by meticulously and diligently maintaining the facility and judiciously supervising its use by the community; and

WHEREAS, while his service to the Town of Brunswick in his "official" capacity is reason enough to celebrate this milestone in his life, **WILLIAM "BILL" DEFILIPPIS** is most valued and respected for his personality, infectious enthusiasm and willingness to volunteer his own time and effort for seemingly any duty which might be required to serve the people of the Town, whether it be stuffing envelopes, transporting deposits to banks, delivering documents and correspondence and, most importantly, serving as unofficial "Town Photographer", which through the expert photographs he takes, makes it possible to relive and memorialize many joyous occasions; and

WHEREAS, the dedication and devotion to duty of individuals such as **WILLIAM "BILL" DEFILIPPIS** exemplify the spirit of community, good will and service to others, which is the touchstone of our society and, truly, serves as an inspiration to us all; now, therefore

BE IT RESOLVED, that this Legislative Body pause in its deliberations and recognize and congratulate **WILLIAM "BILL" DEFILIPPIS** on the occasion of his 80th Birthday, and wish him many Happy Returns; and be it further

RESOLVED, that the Town Clerk be and hereby is directed to forward a copy of this Resolution, suitably engrossed, to **WILLIAM "BILL" DEFILIPPIS**.

The foregoing Resolution, offered by **Supervisor Herrington** and seconded by **Councilman Poleto**, was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING Aye

March 10, 2005

**RESOLUTION HONORING RAYMOND R. MASON FOR
HIS FIFTY-SEVEN YEARS OF SERVICE TO THE
MOUNTAIN VIEW FIRE COMPANY**

WHEREAS, it is from time to time the happy duty of this Legislative Body to recognize significant milestones in the lives of those who have served our community so well; and

WHEREAS, consistent with that duty, joyous notice is hereby taken that the month of March, 2005, marks the 57th year of active and dedicated service to the Mountain View Fire Company and Mountain View Fire Protection District by **RAYMOND R. MASON**; and ;

WHEREAS, since March, 1948, **RAYMOND R. MASON** has been an active firefighter for the Mountain View Fire Company; he served as Fire Chief for 12 years and served on the Board of Directors for 35 years; he has been a Line Officer of over 35 years; and to this day, he serves as a driver and pump operator on all apparatus; and

WHEREAS, volunteer firefighters are truly the "unsung heroes" of our society, taking on , as they do, a dangerous and time-consuming duty without thought to their own safety or financial reward, and the dedication and devotion to duty of able and experienced firefighters such as **RAYMOND R. MASON** exemplify the spirit of community, good will and service to others, which is the touchstone of our society and, truly, serves as an inspiration to us all; now, therefore

BE IT RESOLVED, that this Legislative Body pause in its deliberations and recognize, commend and congratulate **RAYMOND R. MASON** for his 57 years of active service to the Mountain View Fire Company and Mountain View Fire Protection District; and be it further

RESOLVED, that the Town Clerk be and hereby is directed to forward a copy of this Resolution, suitably engrossed, to **RAYMOND R. MASON**.

The foregoing Resolution, offered by **Supervisor Herrington** and seconded by **Councilwoman Abrams**, was duly put to a roll call vote as follows:

**RESOLUTION APPOINTING CONSULTING ENGINEER AND
SEQRA ATTORNEY - APPLICATION FOR PLANNED
DEVELOPMENT DISTRICT FILED BY LANDMARK
DEVELOPMENT GROUP, LLC - HIGHLAND CREEK**

WHEREAS, an application for the re-zoning and the establishment of a Planned Development District on an approximately 205 acre parcel of land located on the northeast side of McChesney Avenue Extension, south of its intersection with McChesney Avenue, having been filed by LANDMARK DEVELOPMENT GROUP LLC, for the purpose of locating and constructing a residential community consisting of traditional homes, manor homes and carriage homes; and

WHEREAS, pursuant to Local Law No. 2 for the Year 2002, the Town Board is empowered to engage, at the expense of the applicant, the services of a consulting engineer and special (SEQRA) counsel to provide engineering and legal project review to the Town independent of the applicant; and

WHEREAS, accordingly, the Town Board having determined that it would be in the best interests of the Town and the applicant to engage the services of TUCZINSKI, CAVALIER, BURSTEIN & COLLURA, P.C. and KESTNER ENGINEERS, P.C., as, respectively, special (SEQRA) counsel and consulting engineer for this project; now, therefore

BE IT RESOLVED, that with regard to the said application of LANDMARK DEVELOPMENT GROUP LLC, for the re-zoning and establishment of a Planned Development District, as aforesaid, the Town Board does hereby appoint special (SEQRA) counsel and consulting engineer follows:

CONSULTING ENGINEER : KESTNER ENGINEERS, P.C.

**SPECIAL (SEQRA) COUNSEL: TUCZINSKI, CAVALIER, BURSTEIN &
COLLURA, P.C.**

;and be it further

RESOLVED, that the Supervisor be and hereby is authorized and empowered to execute any necessary contracts or retainer agreements with said firms, subject to the approval thereof by the Town Attorney; and be it further

RESOLVED, that in accordance with the provisions of Local Law No. 2 For the Year 2002, the applicant shall deposit funds to be held in escrow by the Town for the purpose of compensating the said consultants engaged by the Town on an ongoing basis, in such amounts and at such times as required by the said Local Law No. 2 For the Year 2002, compliance in all respects with the terms and provisions of said Local Law being a condition precedent to continued consideration of this application by the Town Board.

The foregoing Resolution, offered by **Councilman Poletto** and seconded by **Councilwoman Abrams**, was duly put to a roll call vote as follows:

MEMORANDUM

TO: Sylvia Rooney, Brunswick Assessor
FROM: Lisa Sanders, E-911 Database Coordinator *fs*
DATE: January 13, 2005
RE: Lumax Run street name change request

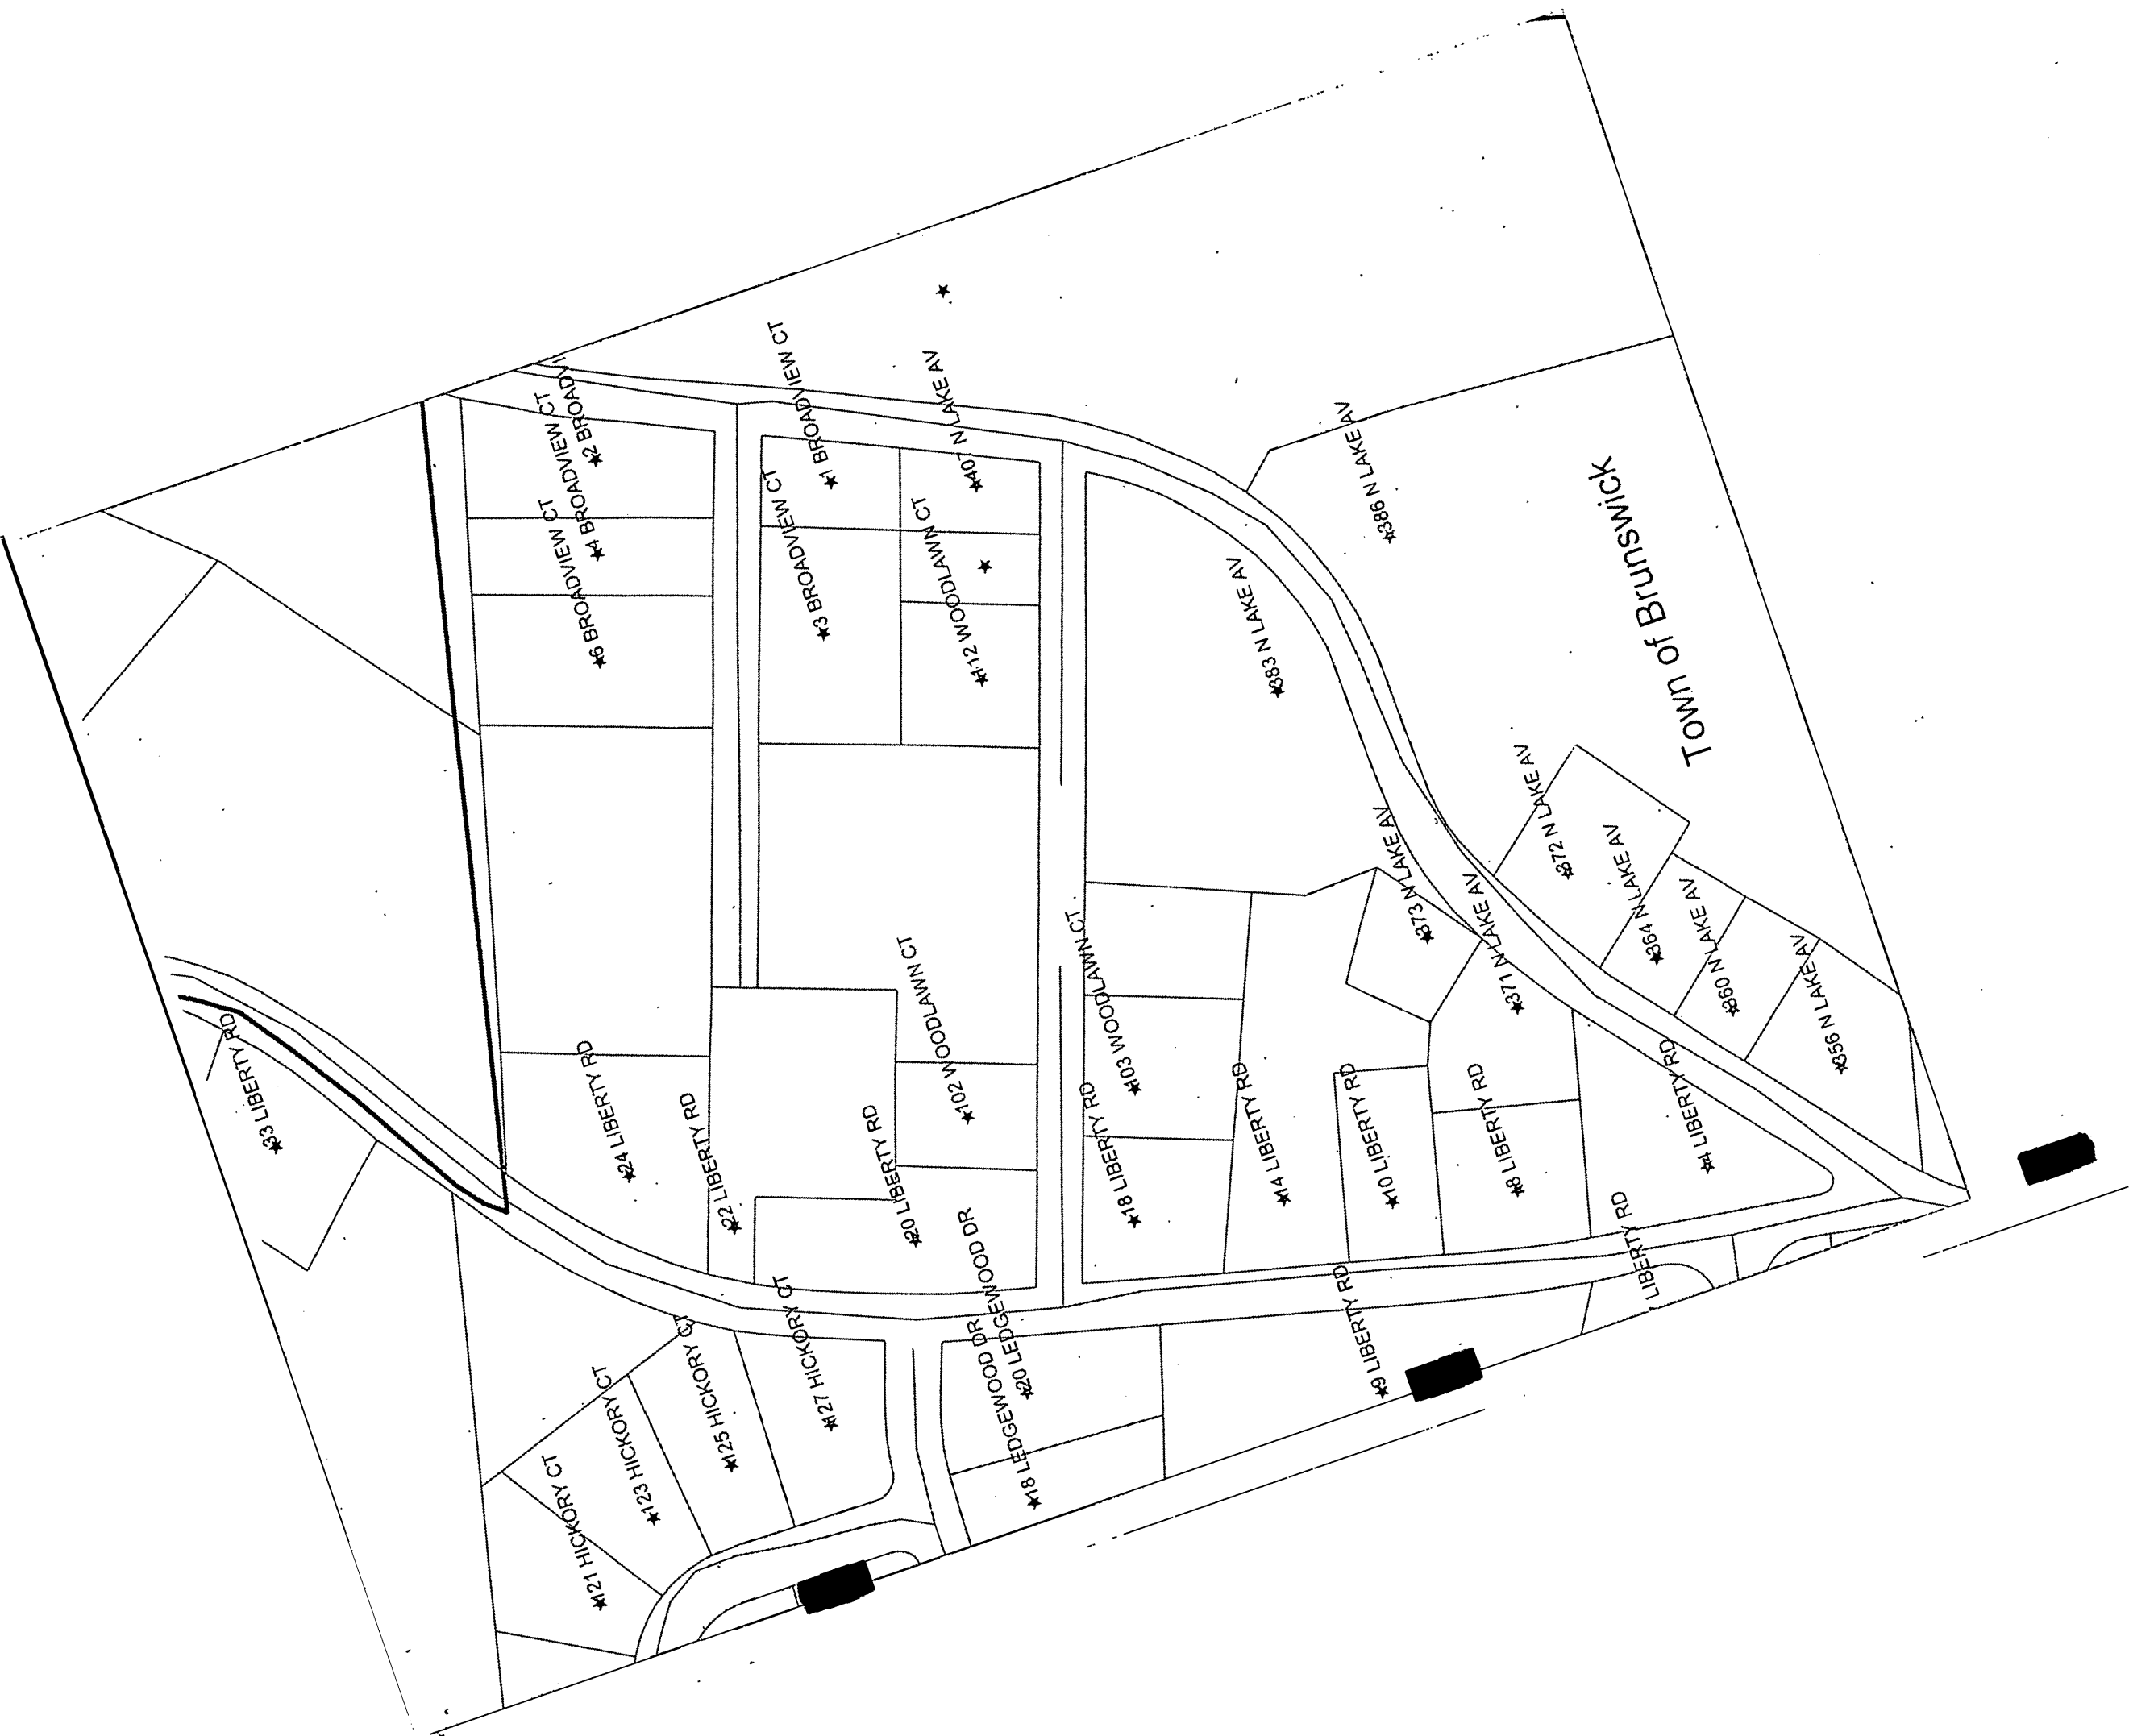

Please be advised that I have received correspondence from Glenn Cadman regarding a street name change on the western segment of Woodlawn Court in the town of Brunswick. The new requested street name is Lumax Run. Due to the fact that a stream intersects Woodlawn Court, only two addresses are affected by this street name change. The Cadman residence is 103 Woodlawn Court and will change to 103 Lumax Run. The Haight residence will become 102 Lumax Run. Mrs. Haight was called to confirm that she is also in agreement with the Cadman's request to change the street name.

I am enclosing Mr. Cadman's letter of request as well as a map of this area. I am requesting that the town pass a resolution approving this name change. As soon as a copy of the resolution is forwarded to me, I will officially notify both residents of their new addresses.

Thank you for your assistance with this matter. Please call me at 270-4160 ext. 325 if you have any questions or concerns regarding this correspondence. Please also let me know if you need any additional information.

CC: Mr. & Mrs. Cadman
Mr. & Mrs. Haight

RESOLUTION NO. 39, 2005

**TOWN OF BRUNSWICK
REGULAR MEETING**

March 10, 2005

**RESOLUTION APPROVING DESIGNATION OF TOWN BOARD
OF THE TOWN OF BRUNSWICK AS LEAD AGENCY
FOR WAL-MART SUPERCENTER
PLANNED DEVELOPMENT DISTRICT APPLICATION**

WHEREAS, an application for a Planned Development District ("PDD") has been filed with the Town of Brunswick by Wal-Mart Stores Inc. ("Applicant") for a proposed 203,826 ± square foot Wal-Mart Supercenter and a six dispenser (12 fueling position) gas station on 32 ± acres. The property is located off Betts Road, and is currently zoned Commercial (B-15) and Agricultural (A-40); and

WHEREAS, in connection with the Wal-Mart application for PDD, Applicant filed a Full Environmental Assessment Form pursuant to the State Environmental Quality Review Act ("SEQRA") and its implementing regulations at 6 NYCRR Part 617; and

WHEREAS, the Full Environmental Assessment Form for the proposed Wal-Mart project identified a number of involved agencies from which Applicant requires permits and/or approvals for this project; and

WHEREAS, the Town Board of the Town of Brunswick ("Town Board") sought to conduct a coordinated environmental impact review under SEQRA for this project; and

WHEREAS, the Town Board served a Notice of Intent to Establish Lead Agency on all involved agencies on January 14, 2005; and

WHEREAS, in such Notice of Intent to Establish Lead Agency, the Town Board stated that it sought to be designated as SEQRA Lead Agency on this project as the anticipated impacts are primarily of local significance; and

WHEREAS, the Town Board received no objections to assuming Lead Agency status for this action from any involved agency in response to the Notice of Intent to establish Lead Agency under SEQRA;

NOW, THEREFORE, BE IT RESOLVED by the Town Board of the Town of Brunswick in regular session duly convened as follows:

1. The Town Board of the Town of Brunswick, hereby designates itself as Lead Agency pursuant to SEQRA with respect to the Wal-Mart Supercenter PDD application.

The foregoing Resolution, offered by **Supervisor Herrington** and seconded by **Councilman Poletto** was duly put to a roll call vote as follows:

March 10, 2005

**RESOLUTION APPROVING POSITIVE DECLARATION AND
RECEIPT OF DRAFT SCOPE SUBMITTED BY WAL-MART STORES INC.
PURSUANT TO STATE ENVIRONMENTAL QUALITY REVIEW ACT FOR
WAL-MART SUPERCENTER PLANNED DEVELOPMENT DISTRICT
APPLICATION**

WHEREAS, an application for a Planned Development District ("PDD") has been filed with the Town of Brunswick by Wal-Mart Stores Inc. ("Applicant") for a proposed 203,826 ± square foot Wal-Mart Supercenter and a six dispenser (12 fueling position) gas station on 32 ± acres. The property is located off Betts Road, and is currently zoned Commercial (B-15) and Agricultural (A-40); and

WHEREAS, in connection with the Wal-Mart application for PDD, Applicant filed a Full Environmental Assessment Form pursuant to the State Environmental Quality Review Act ("SEQRA") and its implementing regulations at 6 NYCRR Part 617; and

WHEREAS, the Wal-Mart Supercenter application is a Type 1 action pursuant to SEQRA; and

WHEREAS, a coordinated environmental impact review is being undertaken on the Wal-Mart Supercenter Application; and

WHEREAS, the Town Board of the Town of Brunswick ("Town Board") following service of a Notice of Intent to Establish Lead Agency upon all identified involved agencies on this action, has designated itself SEQRA Lead Agency for this action; and

WHEREAS, the Town Board, as SEQRA Lead Agency, has reviewed the Wal-Mart Supercenter application materials, including the Full Environmental Assessment Form; and

WHEREAS, the Town Board, as SEQRA Lead Agency, has identified potential significant adverse environmental impacts resulting from the Wal-Mart Supercenter project; and

WHEREAS, Applicant has concurred that a positive declaration should be adopted by the Town Board as SEQRA Lead Agency on this application; and

WHEREAS, Applicant has prepared a draft Scope to be submitted to the Town Board as SEQRA Lead Agency to commence the scoping process pursuant to 6 NYCRR §617.8;

NOW, THEREFORE, BE IT RESOLVED by the Town Board of the Town of Brunswick in regular session duly convened as follows:

1. Pursuant to SEQRA and its implementing regulations at 6 NYCRR Part 617, the Town Board does hereby adopt a positive declaration on the Wal-Mart Supercenter PDD application.

2. The Town Board hereby receives the draft Scope prepared and submitted by Applicant pursuant to 6 NYCRR §617.8, and further that the Town Board will commence the public scoping process pursuant to 6 NYCRR §617.8.

The foregoing Resolution, offered by **Councilwoman Abrams** and seconded by **Councilman Poleto** was duly put to a roll call vote as follows:

**RESOLUTION DIRECTING COORDINATED ENVIRONMENTAL
REVIEW PURSUANT TO STATE ENVIRONMENTAL QUALITY
REVIEW ACT ON BRUNSWICK MEADOWS
PLANNED DEVELOPMENT DISTRICT APPLICATION**

WHEREAS, an application for a Planned Development District ("PDD") has been filed with the Town of Brunswick by J.P.J. Partnership ("Applicant") seeking approval for the construction of 136 condominium units to be located in 34 buildings on 16.6 acres of land located off NYS Route 142 approximately 130' east of the Town of Brunswick and City of Troy municipal boundary line; and

WHEREAS, in connection with the Brunswick Meadows application for PDD, Applicant has filed a Full Environmental Assessment Form pursuant to the State Environmental Quality Review Act ("SEQRA") and its implementing regulations at 6 NYCRR Part 617; and

WHEREAS, the Town Board of the Town of Brunswick ("Town Board") has determined to undertake a coordinated environmental impact review pursuant to 6 NYCRR §617.6(b)(3); and

WHEREAS, the Town Board seeks to coordinate Lead Agency designation pursuant to 6 NYCRR §617.6(b)(3); and

WHEREAS, the Town Board seeks to be designated as Lead Agency on the Brunswick Meadows PDD application as the potential environmental impacts are primarily of local concern;

NOW, THEREFORE, BE IT RESOLVED by the Town Board of the Town of Brunswick in regular session duly convened as follows:

1. Pursuant to SEQRA and its implementing regulations at 6 NYCRR Part 617, the Town Board does hereby direct the coordination of Lead Agency designation with all involved agencies on the Brunswick Meadows PDD action, through the service of a Notice of Intent to Establish Lead Agency.

2. In compliance with Brunswick Town Code and Policy, the Town Board hereby directs the referral of the Brunswick Meadows PDD application to the Brunswick Planning Board and Brunswick Zoning Board of Appeals for review and recommendation.

The foregoing Resolution, offered by **Supervisor Herrington** and seconded by **Councilman Salvi** was duly put to a roll call vote as follows:

**TOWN OF BRUNSWICK
PUBLIC HEARING
APRIL 14, 2005, 6:00 P.M.
BRUNSWICK NO. 1 FIRE HOUSE**

Board Members Present: Supervisor Herrington, Councilman Poletto, and Councilman Clemente.

Board Members Absent: Councilman Salvi and Councilwoman Abrams

Also Present: Town Attorney, Thomas Cioffi, and Town Clerk, Susan Quest-Sherman.

The Supervisor called the meeting to order at 6:02 p.m.

All joined in a salute to the flag.

The Town Clerk read the Notice of Public Hearing which was placed in The Record once daily March 31, 2005.

Mr. John Mainello gave an overview of the budget. The budget would be a 6% increase over the three years.

VISITORS WHO WISH TO SPEAK:

None.

Supervisor Herrington thanked the firefighters for there service to the community.

ADJOURNMENT:

Councilman Poletto made a motion to close the Public Hearing, seconded by Councilman Clemente. Approved. The meeting adjourned at 6:07 p.m.

Respectfully submitted,

Susan Quest-Sherman
Town Clerk

Note: An audiotape of this meeting is available in the Town Clerk's Office.

Brunswick Fire Company No. 1

566 Hoosick Road
Troy, New York 12180
(518) 272-9393 Fax 273-0364

2005-2007 FINANCIAL PROJECTION NOTES

Income

The overall total of our income comes from several different sources. Primarily, our contractual agreement with the Town of Brunswick is our largest source of income. Interest from bank accounts, dues from members, donations from residents, represents the remainder of the total income for the fire company.

Total income for the company will decrease sharply, as income for 2003 and 2004 showed to be artificially higher than normal due to the sale of several pieces of apparatus. In the course of the last two years, we have sold a 1986 Suburban which was used as a chief's vehicle, a 1989 Utility used as a mobile air and command post, and most recently a 1992 Beck pumper.

Interest income is our second largest source of income, and with interest rates at near all time lows, we have lost a considerable amount of income in this area, more than fifty percent (50%) since 2001.

Occupancy expenses

Occupancy expenses are related to the building and the property. In general, the building mortgage, capital improvements, maintenance and repair represent the largest portion of occupancy expenses. By the end of the contract our building will be more than fifteen (15) years old. Maintenance and repair costs for the building have slowly increased over the years. In 2006, the last major warranty, for the roof, is set to expire.

Capital Improvements are classified as enhancements to real property and the building. During the last two years, several enhancements were made as we remodeled our kitchen and recreation rooms in part with generous donations from the Saint Gobain Corporation and the Gallagher family. In the kitchen, commercial appliances replaced household grade appliances making the space more efficient and user friendly. Future plans call for the partial conversion of a closet to a pantry and adding new wall cabinetry. Our training room was also remodeled to make better use of the space, but we still need to outfit the area with cabinetry for storage, replace floor coverings and repaint several offices to complete the remodel. Expansion of the keyless entry system for all locked areas in the station increases the security of the station and ensures an easy transition when members change offices or positions.

We perform professional routine maintenance on all of the equipment in the station such as air compressors, generators, overhead doors, the diesel exhaust system, etc. This maintenance ensures each item performs properly and efficiently when needed and extends the life of the equipment. Other items such as the building sprinkler system, and the fire retardant system for the stove in the kitchen require professional inspection and maintenance and are conducted annually as required by the New York State Building and Fire Code's.

The last major expense related to occupancy of the building is utility costs. Utility costs comprise of natural gas, electricity, sewer, water etc. These costs have stayed consistent over the last few years, and we anticipate the usual increase for these costs as we have seen over the last few years. This year we took advantage of Niagara Mohawks' offering independent suppliers for electricity supply. While there was a small savings, this savings will eventually be offset by the usual rise in utility costs.

Management expenses

Management expenses or "administrative" expenses are those costs that are directly related with the "everyday" operations of the company. These costs cover everything from office supplies to new computer equipment. When we purchase office supplies, we deal with discount office suppliers to keep costs low. The costs in this area remain somewhat stable with a slight increase for inflation.

In 2001, the company started to make full use of the computers in the firehouse. All company information is documented on the companies' computers, including the minutes of meetings and the finances. This year we purchased a new computer to be shared in an office of six people. Recently we networked our three computers and have subscribed to an online service. While the finances of the company have been computerized for nearly ten years, we have utilized the internet capabilities for paying bills, and in the near future we will be able to electronically send in our fire reports to New York State via the internet. Having the internet has also allowed us to retrieve technical and financial information on equipment and apparatus including the specifying of our new pumper, and we can now shop for equipment from more vendors of fire fighting equipment than the very few located in the capital district. It has proved to be invaluable and cost effective in that we have recently tried to sell some equipment older equipment with great success.

Every year we have the well-known accounting firm of Bollam, Sheedy, and Torani conduct an audit and review of the finances of the company. In addition, they prepare the annual tax returns for the company. This service has provided valuable for having a certified financial review on hand when creditors require such information.

Throughout the years, the Brunswick Fire Co. No. 1 has proudly sponsored youth athletic programs within the town. Last year, our fire company sponsored Brunswick Little League team won first place in their program.

Program Expenses

Program expenses cover all of the firematic expenses for the company. Sixty percent of all company costs from fuel to fire prevention comprise this category. The major portion of this category comprises the Truck and Equipment Replacement Fund. To maintain fiscal responsibility we must continue to add to this account, primarily used for the replacement of apparatus. Repairs and maintenance, new equipment and insurance are some of the other large expenditures in this category.

As far as fire apparatus is concerned, the fire company has decided to downsize our fleet and eliminate one "class A" pumper following delivery of a recently ordered "class A" pumper. The apparatus projections page outlines the costs associated with a twenty five-year plan for apparatus for the fire company. The pumper we have just ordered will change the way we fight fires and is the future of fire fighting. Built by the Sutphen Corporation, who has built two pieces for us in the past, it features a compressed air foam system (CAFS), a uniquely designed side mounted top mount fully electronic pump panel and an elevating light tower. The main purpose and design of this piece of equipment will be for structural and vehicle fires. We intend to keep this truck in that position until the end of its life expectancy, rather than replace it with another pumper that may be ordered in the near future. Our second pumper is a 1986 Seagrave currently used for water relay, hydrant operations and serves as a backup for our front line fire pumper. It is nearly twenty years old, and is quickly closing in on the need for replacement. When this pumper is replaced, it too will be specified for that purpose. Replacing apparatus specifically designed for a purpose will save the fire company a great deal of money over time. In this case for example, hydrant pumper costs considerably less than a front line pumper. In the past, every fire truck we ordered was designed as a front line pumper and the truck it replaced went on to hydrant operations. Since these trucks were not designed for that purpose, they sometimes had to be modified to complete that task, or were purchased with valuable equipment that would no longer be needed when its assignment had changed.

Program Expenses (cont'd)

Our EMS program has been a great success since its inception in 2001. Our company has been credited with multiple cardiac arrest reversals, proving the program is an asset to not only the company, but also to the residents our fire district and beyond. The residents' response has been very supportive. Letters of thanks often follow our response to their home or place of business. An additional part of the program involves a blood pressure clinic program at the Brunswick Senior Housing complex. We have been running this program since 2001 and the residents enjoy it very much. They keep this information in a book we provide them, and give to their doctor for review when they go for check ups and appointments.

The increase in emergency calls has taken a toll on our budget. The increased call volume means additional costs of maintaining and purchasing new equipment. Costs for fuel and maintenance for the apparatus have increased since the inception of the EMS program. Recognizing the value of AED (Automatic External Defibrillator), we have decided to purchase a second unit that can be used should we receive two EMS calls at once.

As previously mentioned, our "Truck Fund" is maintained as required in our Constitution and By-laws. With the rising costs for new new fire pumpers, it is important that we set aside money over time so that we are not burdened with a lump sum or possibly having the amount financed. With the number of apparatus we have, and with the added cost of the ladder truck, we must at minimum place almost \$70,000 in this fund in order to make new purchases without obtaining a loan.

Currently the average age of our fleet is 12.2 years old and as equipment gets older, its need for maintenance and repair increases. We keep our apparatus maintained to "like new" condition. This ensures they will perform for us in an emergency situation. Truck 4, a very specialized piece of equipment requires an annual ladder test and inspection and additional maintenance than a normal pumper would require. Every year members of the fire company work hard looking for new equipment to help us do our jobs safely and more efficiently. As with all of our purchases, we keep in mind the expense of new items, so we have a variety of vendors to purchase from to ensure prices are fair.

For the past several years we have invested several thousand dollars in new air packs, turnout gear and equipment for our firefighters. NFPA mandates require us to keep the gear clean and dry. We have our own washing machine and a special dryer made for turnout gear to satisfy these requirements.

Another increase that has hurt us fiscally is fuel. Diesel fuel and gasoline are at the highest prices we have ever seen. We have our own diesel tank on the premises to supply our apparatus with diesel fuel and it allows us to buy it in bulk at a lower rate.

Insurance costs cover the building, property, equipment, and our members. The Board of Directors reviews the policy every year with the insurance agent to keep costs down and ensure proper coverage. Having more than 5 vehicles in the company makes us eligible for a discounted fleet rate insurance program. Last year we were able to save slightly for this expense, since we had one less pumper in the fleet. When we take delivery of the pumper in August of 2005, the costs will go back to normal.

Firefighter safety and health is very important to the company. Physicals are mandatory for ALL members, regardless of their age or ability. In addition, each fire fighter has to have his/her own SCBA mask, and they are tested to ensure they can wear the mask. At an average cost of \$125 plus a yearly fit test, our medical costs continue to rise as expected.

**TOWN OF BRUNSWICK
REGULAR TOWN BOARD MEETING
APRIL 14, 2005, 7:00 P.M.
TOWN HALL**

Board Members Present: Supervisor Herrington, Councilman Poletto, Councilwoman Abrams, and Councilman Clemente.

Board Members Absent: Councilman Salvi.

Also Present: Town Attorney, Thomas Cioffi, and Town Clerk, Susan Quest-Sherman.

The Supervisor called the meeting to order at 7:07 p.m.

All joined in a salute to the flag.

Supervisor Herrington started the meeting by opening the meeting to public comment.

VISITORS WHO WISH TO SPEAK:

Ed O'Neal, 229 White Church Rd, asked about the possibility of drafting a Storm water Management Ordinance. Mr. O'Neal spoke about a problem in his neighborhood where water has been diverted from one property to another.

Mr. Kestner stated that the Town is a MS4 Community the state has jurisdiction now but the Town will be taking over from the State in 2008.

Mr. O'Neal stated that he had contacted the State and was told it was a local matter.

Mr. Kestner stated that the State has jurisdiction. Basically it states that you can not put more water onto your neighbor's property than would ordinarily occur.

Mr. Kreiger stated that Mr. O'Neal's neighbor has built a berm on his property to prevent his basement from being flooded.

Mr. Cioffi will look at other Municipalities laws.

Rebecca Kaiser, Moonlawn Road, handed copies of the Brunswick Smart Growth's response to the Scoping Document on the Super Wal-Mart project.

Louis Hutter asked if White Church had permission to close White Church Lane during construction.

Mr. Eddy stated that White Church had called and were trenching the Road for Electrical Work.

BUSINESS MEETING:

MINUTES OF THE PREVIOUS MEETING:

A motion was made by Councilman Poletto to approve the minutes of the previous meetings, seconded by Councilman Clemente. Approved.

REPORTS:

Town Clerk: Susan Quest-Sherman, Town Clerk

The Town Clerk handed in a written report for the month of March. Amount to be remitted to the Supervisor for the month is \$4,504.39. The new Beach Passes have arrived. A scholarship for \$250.00 had been applied for and granted to attend the New York State's Town Clerk's Association meeting in Buffalo. A motion to accept the report was made by Councilwoman Abrams and seconded by Councilman Poletto. Approved. A copy of the report is on file in the Town Clerk's Office.

Highway Superintendent: Doug Eddy

The Highway Superintendent gave his report for the month of March. Motion to accept the report was made by Councilman Poletto, seconded by Councilwoman Abrams. Approved. A copy of the report is on file in the Town Clerk's Office.

Superintendent of Utilities & Inspections: John Kreiger

Mr. Kreiger gave his report for the month of March; amount remitted to the Supervisor was \$7,305.00. The paper work for the Knox Box system was submitted. Councilman Poletto made a motion to accept the report seconded by Supervisor Herrington. Approved. A copy of the report is on file in the Town Clerk's Office.

Superintendent of Water: Myron VanDyke

Mr. VanDyke gave his report for the month of March. The water Software is up and running so now we will be able to bill in house. A motion to accept the report was made by Councilman Poletto which was seconded by Councilman Clemente. Approved. A copy of the report is on file in the Town Clerk's Office.

Town Attorney: Thomas Cioffi

Mr. Cioffi gave his report for the month of March. Other than routine matters Mr. Cioffi stated that there was a resolution prepared to settle a tax dispute. Another case involving Mr. Russo has been dismissed. Mr. Cioffi attributed this to the co-operation of the Town Employees in fighting the case. A motion was made by Councilwoman Abrams to approve Mr. Cioffi's report, seconded by Councilman Clemente. Approved.

Town Historian: Sharon Zankel

Mrs. Zankel submitted a written report for the month of March. The Bicentennial Committee had a fund raiser at the Brunswick Elks. Councilwoman Abrams made a motion to accept the report which was seconded by Councilman Poletto. Approved. A copy of the report is on file in the Town Clerk's Office.

Recycling Coordinator: Thomas Engster

The Recycling Coordinator presented his report for the month of March. The Town is on board for the Earth Day Electronic's Recycling Sponsored by News Channel 13 and Taft Furniture. Motion to accept Mr. Engster's report was made by Supervisor Herrington which was seconded by Councilman Clemente. Approved. A copy of the report is on file in the Town Clerk's Office.

Brunswick Community Library: Julie Zelman

Mrs. Zelman gave the Library's report for the month of March. Councilwoman Abrams made a motion to approve the report, seconded by Councilman Clemente. Approved. A copy of the report is on file in the Town Clerk's Office.

Family Community Center: William DeFilippis

Mr. DeFilippis read his report for the month of March. Motion to accept the report was made by Councilwoman Abrams seconded by Councilman Clemente. Approved. A copy of the report is on file in the Town Clerk's Office. Supervisor Herrington presented Mr. DeFilippis with a Picture and frame for his eightieth birthday.

RESOLUTIONS:

Resolution No. 42 Resolution For Maintenance of Water Main & Appurtenances; Bridge, Highway, & Park Lighting; Town & County Street Signs; Concrete Sidewalks; Concrete Steps and Steel Handrail; Retaining Walls; Benches/Pads; Precast Concrete Pavers; Monuments; Ornamental Metal Fence; Veterans Memorial Park (All Features); and Landscaping. The foregoing Resolution, offered by Councilman Poletto, seconded by Supervisor Herrington, was duly put to a roll call vote as follows: Councilman Salvi, Voting Absent; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Resolution No. 43 Resolution Authorizing The State of New York to Incorporate the Construction of; Veterans Memorial Park Improvements for the Town of Brunswick in the Contract for the Reconstruction of: P.I.N. 1001.28 - Route 2 Over the Poestenkill Bridge Replacement S.H. 227 & 631, Rensselaer County. The foregoing Resolution, offered by Councilman Clemente and seconded by Councilman Poletto was duly put to a roll call vote as follows: Councilman Salvi, Voting Absent; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Don Farrell explained the park and its features. Most of the construction would be completed by the Fall of 2007 in time for the Town's Bicentennial Celebration.

Councilman Poletto said that the estimate for the construction would be around \$90,000, fund raisers will be held and money was being sought from the State.

Resolution No. 44 Resolution Increasing Fee for Participation in the Town of Brunswick Summer Day Camp Program. The foregoing Resolution, offered by Supervisor Herrington and seconded by Councilman Poletto was duly put to a roll call vote as follows: Councilman Salvi, Voting Absent; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Supervisor Herrington stated that because of the increase in the minimum wage and other costs the fee for attendance had to be increased.

Resolution No. 45 Resolution Declaring Items to be Surplus Property. The foregoing Resolution offered by Councilman Clemente and seconded by Councilwoman Abrams was duly put to a roll call vote as follows: Councilman Salvi, Voting Absent; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye;

Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Resolution No. 46 Resolution Approving and Authorizing Execution of Stipulation of Settlement in Connection with Tax Assessment Review Proceeding. The foregoing Resolution offered by Councilman Clemente and seconded by Councilman Poletto was duly put to a roll call vote as follows: Councilman Salvi, Voting Absent; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Resolution No. 47 Resolution Approving Designation of Town Board of the Town of Brunswick As Lead Agency for Brunswick Meadows Planned Development District Application. The foregoing Resolution offered by Supervisor Herrington seconded by Councilwoman Abrams was duly put to a roll call vote as follows: Councilman Salvi, Voting Absent; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Resolution No. 48 Resolution Approving Adoption of Positive Declaration Pursuant to State Environmental Quality Review Act for Brunswick Meadows Planned Development District Application. The foregoing Resolution offered by Supervisor Herrington seconded by Councilwoman Abrams was duly put to a roll call vote as follows: Councilman Salvi, Voting Absent; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

CORRESPONDENCE:

None.

OLD BUSINESS:

Councilman Poletto stated that the majority of construction on Rt. 7 should be completed at the end of July. Sewage lines are being moved by Brunswick Drive.

Supervisor Herrington spoke about a proposed project on Rt. 278 which was withdrawn.

NEW BUSINESS:

Councilman Poletto spoke of the upcoming concert series.

The Town's Bond rating from Moody's was raised to A-2 from BAA. This reflects the responsible fiscal handling of town funds. This rating saved the Town \$130,000.00 initially and will save additional money.

Warrants: Warrants No. 31101 through 31111, No. 031701, No. 32501 through 32513, No. 050335 through 050356, and No. 033001, No. 40801 through 40812 and No. 050357 through 050492 were presented. A motion to approve the warrants was made by Councilman Poletto, and seconded by Supervisor Herrington. Approved.

FURTHER PUBLIC COMMENTS:

Councilman Poletto has spoken to the Fire Companies about their retirement accounts. These accounts help to keep Firemen active. The maximum allowable deposit has gone from \$480 to \$700 per year. The increase will need to be voted on.

Supervisor Herrington excused himself from the meeting and turned the meeting over to Councilman Poletto. The Supervisor and his brother are owners of land which has a proposed Planned Development District and he stated that he felt it inappropriate for him to be involved in any way in the consideration of the project.

Councilman Poletto stated that there was one last resolution for the evening.

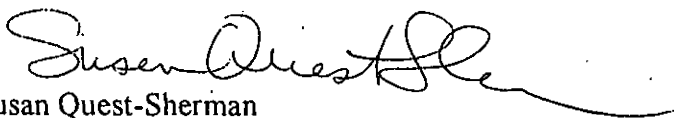

Mr. Gilchrist explained that the Resolution was to start the SEQRA process on the proposed PDD asking for Lead Agent Status.

Resolution No. 49 Resolution Directing Coordinated Environmental Review Pursuant to State Environmental Quality Review Act on Highland Creek Planned Development District Application. The foregoing Resolution offered by Councilwoman Abrams seconded by Councilman Clemente was duly put to a roll call vote as follows: Councilman Salvi, Voting Absent; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Absent. The foregoing Resolution was thereupon declared duly adopted.

ADJOURNMENT:

Councilwoman Abrams made a motion to adjourn the meeting, seconded by Councilman Clemente. Approved. The meeting adjourned at 8:45 p.m.

Respectfully submitted,

Susan Quest-Sherman
Town Clerk

Note: An audiotape of this meeting is available in the Town Clerk's Office.

Water Superintendent
Dated: il 14, 2005

TOWN HISTORIAN'S MONTHLY REPORT TO THE BRUNSWICK TOWN BOARD
APRIL 14, 2005

The following summarizes my activities over the past month:

- I assisted four young people with school projects, including two students from LaSalle, one from Catholic Central, and one from Brittonkill. The two LaSalle students will receive credit for a community service project as they created an alphabetical index of Forest Park Cemetery burials. Total time: 9 hours
- I responded to several requests for family history information, and performed seven hours of research to respond to inquiries from developers on the question of historic land use. I also received one request from a group that studies the paranormal suggesting the Town post its policy regarding visits to Forest Park Cemetery to its web site, and this was referred to the Supervisor. Total time: 16 hours
- I have filed an application for my public historian's certification. A program for certification of historians was introduced a year ago by the Association of Public Historians of New York State, and examines one's educational background, participation in historians training programs and certain courses offered by the State Archives and Documentary Heritage Program, and contributions to the field of history in research and writing, public presentations, historic advocacy, and organization. Total time: 16 hours
- On behalf of the Brunswick Bicentennial Committee, I mailed informational notices and a meeting announcement to community based organizations and churches. Mary Ann Willetts and I then conducted three meetings involving representatives of 18 community based organizations and churches on March 31 and April 5. We discussed several ways in which we can come together as a community to celebrate Brunswick's Bicentennial including a historic driving tour, organizational open houses and special events, and a parade. Total time: 25 hours

Sharon Zankel

TOWN OF BRUNSWICK

03/26/2005 11:30 AM TALKED TO JOHN MURPHY (518) 233-1714 AND EXPLAINED ABOUT PAPER WORK SAID NEXT COUPLE OF WEEKS WOULD BE OK

03/27/2005 7:30 AM JOHN GALVIN CALLED STATED HE FOUND A GERMAN SHEPHERD AND WANTED TO KNOW IF ANYONE HAD REPORTED ONE MISSING. SAID HE WOULD LOOK AROUND NEIGHBORHOOD TO SEE IF ANYONE HAD LOST A DOG. SAID HE WOULD CALL BACK IF NO ONE CLAIMED THE DOG. MR. GALVIN DID NOT CALL BACK.

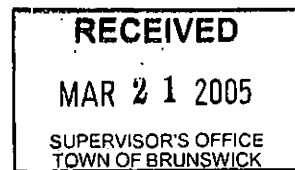

03/28/2005 12:30 PM SAM PATTAI NEW JERSEY (201) 512-7707 BOUGHT A HOUSE AT 70 COONS RD. FROM COLDWELL BANKER. A MATT KROONIN (518) 587-3400 AND THERE WERE CATS ON THE PROPERTY TRIED TO CONTACT HER NEGATIVE RESULTS ALSO CALLED COLDWELL BANKER AND LEFT MESSAGE FOR MATT KROONIN BUT DID NOT RECEIVE A CALL BACK

03/31/2005 10:30 AM WENT UP AND DOWN EVERY STREET IN MOUNTAIN VIEW CALLED JOANN STONE WHILE I WAS INFRONT OF HER HOUSE AND SHE STATED THAT FOR THE LAST 2 YEARS 24 -7 DOGS ARE LOOSE IN THE STREET. I EXPLAINED THAT I WAS INFRONT OF HER HOUSE AND DROVE EVERY STREET AND THERE WERE NO DOGS ANYWHERE EXCEPT IN FENCED IN YARD AND 1 TIED TO A TREE SHE SAID THAT IS NOT POSSIBLE THEY ARE ALL LOOSE ALL THE TIME I ADVISED HER TO GET PICTURES OF THE DOGS WHEN THEY ARE LOOSE SO THAT THE JUDGE HAS PROOF AND I WOULD TAKE REPORT AND ISSUE TICKETS TO OWNERS

MARCH 31, 2005

Frank J. O'Brien

MARCH 2005

Dear Brunswick Town Supervisor and Dog Warden,

We recently moved to Chester Ct., Brunswick. There is a dog at 8 Chester Ct. that barks loudly and continuously for hours on end. (Day and night.) We have been listening to this for months now. The dog also wanders free and confronts people and other dogs in a very hostile manner. Our new neighbors tell us they asked the Deans to be more considerate and were cursed at by the Deans and told "What can the town do anyway?". When they asked the town for help, none was forthcoming and when they were forced to take the Deans to court, not only was nothing done but the Deans retaliated against the families that called the dog warden. (Which is why we are not signing this.) Can you help us before summer comes and open windows at night make this situation unbearable- it is unpleasant now but summer will be rough. Thank you.

RESOLUTION NO. 42, 2005

**TOWN OF BRUNSWICK
REGULAR MEETING**

April 14, 2005

**RESOLUTION FOR MAINTENANCE OF WATER MAIN &
APPURTENANCES; BRIDGE, HIGHWAY, & PARK LIGHTING; TOWN
& COUNTY STREET SIGNS; CONCRETE SIDEWALKS; CONCRETE
STEPS AND STEEL HANDRAIL; RETAINING WALLS; BENCHES /
PADS; PRECAST CONCRETE PAVERS; MONUMENTS; ORNAMENTAL
METAL FENCE; VETERANS MEMORIAL PARK (ALL FEATURES);
AND LANDSCAPING**

WHEREAS, the New York State Department of Transportation proposes to reconstruct Route 2 (Brunswick Road), State Highways (SH) 227 and 631, and replace the bridge that carries Route 2 over the Poestenkill (BIN 1-00020-0), in the hamlet of Eagle Mills, Town of Brunswick, Rensselaer County per Project Identification Number (PIN) 1001.28 and

WHEREAS, the State will include as part of the construction, reconstruction, or improvement of the above mentioned project the construction of : Bridge and Park Lighting; Concrete Sidewalks; Concrete Steps and Steel Handrail; Retaining Walls' Benches / Bench Pads; Precast Concrete Pavers; Monuments; Ornamental Metal Fence; and Landscaping pursuant to Section 10, Section 46, or Section 349-c, including all subdivisions, of the Highway Law of New York State, and will provide for the removal, relocation, replacement and/or reconstruction fo existing Water Main and Appurtenances; Highway Lighting,, Town & County Street Signs; Monuments,, Veterans Memorial Park (all features); and Landscaping, pursuant to Section 10, including all subdivisions, of the Highway Law and as shown on the contract plans and revisions relating to the project and

WHEREAS, the service life of the relocated and/or replaced Town utilities have been extended, and

WHEREAS, the State will include the above mentioned work as shown on the contract plans relating to the project, and

WHEREAS, the Town of Brunswick approves such project and desires to include the

above mentioned work as part of the project.

THEREFORE, BE IT RESOLVED, that THE Town of Brunswick approves the removal, relocation, replacement, reconstruction and/or improvement to the Town water main and appurtenances; fridge, highway & park lighting system (including the lighting poles/luminaries, foundations, wiring, and associated energizing costs); town and county street signs; concrete steps and steel handrail; retaining walls' benches / bench pads; precast concrete pavers; monuments; ornamental metal fencing; Veterans Memorial Park (all features); and landscaping; performed on the project and shown on the contract plans relating to the project and that the Town of Brunswick will maintain the above mentioned work and/or features as stated, including the control of snow and ice.

BE IT RESOLVED, that the Town Board of Brunswick hereby authorizes its Supervisor and Clerk of the Town of Brunswick to enter into and execute a Resolution with the State of New York and through the Commissioner of Transportation to commit the Town of Brunswick to maintain at its own expense, the above mentioned features including the control of snow and ice as stated.

BE IT FURTHER RESOLVED: that the clerk of the Board is hereby directed to transmit five (5) certified copies of this resolution to the New York State Department of Transportation.

The foregoing Resolution, offered by **Councilman Poleto** and seconded by **Supervisor Herrington**, was duly put to a roll call vote as follows:

The foregoing Resolution was thereupon declared duly adopted.

Dated: April 14, 2005

RESOLUTION NO. 43, 2005

**TOWN OF BRUNSWICK
REGULAR MEETING**

April 14, 2005

**RESOLUTION AUTHORIZING THE STATE OF NEW YORK TO
INCORPORATE THE CONSTRUCTION OF: VETERANS MEMORIAL
PARK IMPROVEMENTS FOR THE TOWN OF BRUNSWICK IN THE
CONTRACT FOR THE RECONSTRUCTION OF: P.I.N. 1001.28 - ROUTE
2 OVER THE POESTENKILL BRIDGE REPLACEMENT S.H. 227 & 631,
RENSSELAER COUNTY**

WHEREAS, Section to, Subdivision 27 of the New York Highway Law provides, in part, that the Commissioner of Transportation shall have power upon the request of the municipality, to perform work for and at the expense of such municipality, any work of construction or reconstruction, including the removal and relocation of facilities, provided the Commissioner of Transportation deems it practicable to perform such work in connection with the performance of any work of construction, reconstruction, or improvements; and

WHEREAS, the State of New York is presently preparing contract plans for the construction, reconstruction, or improvement of Route 2 over the Poestenkill, which involves construction within the route which Town of Brunswick contemplated using for the improvements to the Veterans Memorial Park, and

WHEREAS, said construction, reconstruction, or improvement can be undertaken in conjunction with the construction of the aforesaid Veteran's Memorial Park improvements at a substantial ultimate savings to the Town of Brunswick, now therefore be it

RESOLVED, that Brunswick Town Board in regular meeting convened, petitions the New York State Department of Transportation as follows:

Petition 1. The Town Board has been provided with a Betterment Estimate for the municipal share to the NYSDOT construction contract, understands that at the Town of Brunswick will be responsible for; the actual construction cost based on bid prices, the cost of field changes during construction, and a prorated share of the construction inspection costs. The Town Board will actively seek funding in the amount of \$90,875.00 dollars to fund the Town of Brunswick Share. The Town Board understands that these funds, which represent the initial deposit for the requested work, must

be deposited in escrow with the State Comptroller at least 90 days in advance of the scheduled contract Letting date in order for the project to proceed. The Town Board also understands that these funds will be appropriated via a future resolution.

In consideration of these facts, the State of New York is hereby authorized to proceed with the necessary arrangements to incorporate the proposed improvements to the Veteran's Memorial Park in the contract for the construction, reconstruction, or improvement of Route 2 over the Poestenkill with the cost of said construction and necessary work in connection therewith to be borne by the Town of Brunswick.

Petition 2. The Town of Brunswick will maintain said Veteran's Memorial Park subsequent to the construction thereof.

Petition 3. The resolution shall take effect immediately.

BE IT FURTHER RESOLVED: that the clerk of this Town Board is hereby directed to transmit five (5) certified copies of this resolution to the State Department of Transportation.

The foregoing Resolution, offered by **Councilman Clemente** and seconded by **Councilman Poletto**, was duly put to a roll call vote as follows:

SUPREME COURT OF THE STATE OF NEW YORK
COUNTY OF RENSSELAER

----- X
In the Matter of

HOOSICK DEVELOPMENT CORP.,

Petitioner,

-against-

THE BOARD OF ASSESSORS AND THE
BOARD OF ASSESSMENT REVIEW OF
TOWN OF BRUNSWICK,

Respondents.

STIPULATION OF SETTLEMENT

Index No. Tax Year
211748/04 2004/05

Item:
Section: 91
Block: 7
Lot: 8.1

----- X
IT IS HEREBY STIPULATED AND AGREED by and between the attorneys for the respective parties hereto that a proposed order, a copy of which is attached hereto, shall be made and entered, discontinuing the above-entitled tax certiorari proceedings to review the assessment for the tax year 2004/05 provided that the assessed valuation of the petitioner's property, designated as Section 91, Block 7, Lot 8.1 for the said tax years be reduced as follows:

Tax Year	Original A.V.	Reduction	Final A.V.
2004/05	\$775,000	\$175,000	\$600,000

IT IS FURTHER STIPULATED AND AGREED that all the real property taxes (including Town, County, State, School District and all special districts) paid by the petitioner to the Town of Brunswick or such other jurisdictions or taxing districts for the tax year 2004/05 insofar as such tax may exceed the tax payments due on the reduced assessments as aforesaid, shall be refunded to Petitioner by the said Town of Brunswick, County of Rensselaer, Brunswick Central School District and all other special districts, which refund or refunds shall be made payable to SIEGEL FENCHEL & PEDDY, P.C., as attorneys for the petitioner, and such refund shall be without interest provided payment is made within sixty (60) days from service of

a copy of this Order with Notice of Entry, and in the event payment is not so made, with interest in accordance with statute, together with the amounts of interest, if any, paid on such excess by reason of any delinquent payment;

IT IS FURTHER STIPULATED AND AGREED that in the event that taxes are unpaid and have already been billed for the County of Rensselaer, Town of Brunswick, Brunswick Central School District and all special districts in accordance with the original assessed valuation, the officer or officers having custody of the assessment rolls shall forward to the petitioner a new bill or bills, taxing said petitioner on the basis of the final total assessed valuation stipulated herein;

IT IS FURTHER STIPULATED AND AGREED that the terms of R.P.T.L. §727 shall apply to this settlement; and

IT IS FURTHER STIPULATED AND AGREED that the said tax review proceedings shall be discontinued forthwith without costs to any party and that an order to said effect may be entered without notice.

Thomas Cioffi, Esq.
Town Attorney
3 Diane Place
Troy, NY 12180

Re: Hoosick Development Corp. v. Town of Brunswick
Section 91, Block 7, Lot 8.1
Our File No. 13025

Dear Mr. Cioffi:

My client has accepted the Town's settlement proposal as follows:

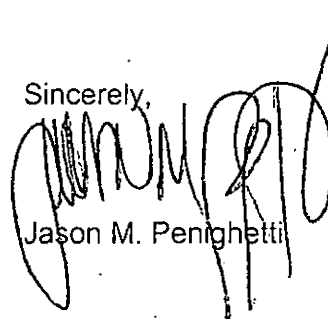

Tax Year	Original A.V.	Reduction	Final A.V.
2004/05	\$775,000	\$175,000	\$600,000

I enclose herewith an original and two (2) copies of a proposed stipulation and order of settlement in the above matter, consistent with our settlement agreement of the 2004/05 tax year. The stipulation embodies the terms of the entire settlement.

Please execute the original and one copy of each and return them to us. We will submit the stipulation and order to the Court and send you a copy of the conformed order.

Thank you for your courtesy and cooperation.

Sincerely,

Jason M. Penighetti

Enclosure

RESOLUTION NO. 47, 2005.

**TOWN OF BRUNSWICK
REGULAR MEETING**

April 14, 2005.

**RESOLUTION APPROVING DESIGNATION OF TOWN BOARD
OF THE TOWN OF BRUNSWICK AS LEAD AGENCY
FOR BRUNSWICK MEADOWS
PLANNED DEVELOPMENT DISTRICT APPLICATION**

WHEREAS, an application for a Planned Development District ("PDD") has been filed with the Town of Brunswick by J.P.J. Partnership ("Applicant") seeking approval for the construction of 136 condominium units to be located in 34 buildings on 16.6 acres of land located on NYS Route 142 approximately 130' east of the Town of Brunswick and City of Troy municipal boundary line; and

WHEREAS, in connection with the Brunswick Meadows application for PDD, Applicant filed a Full Environmental Assessment Form pursuant to the State Environmental Quality Review Act ("SEQRA") and its implementing regulations at 6 NYCRR Part 617; and

WHEREAS, the Full Environmental Assessment Form for the proposed Brunswick Meadows project identified a number of involved agencies from which Applicant requires permits and/or approvals for this project; and

WHEREAS, the Town Board of the Town of Brunswick ("Town Board") sought to conduct a coordinated environmental impact review under SEQRA for this project; and

WHEREAS, the Town Board served a Notice of Intent to Establish Lead Agency on all involved agencies on March 15, 2005; and

WHEREAS, in such Notice of Intent to Establish Lead Agency, the Town Board stated that it sought to be designated as SEQRA Lead Agency on this project as the anticipated impacts are primarily of local significance; and

WHEREAS, the Town Board received written responses from all identified involved agencies, and that no involved agency objected to the Town Board assuming Lead Agency status for this action;

NOW, THEREFORE, BE IT RESOLVED by the Town Board of the Town of Brunswick in regular session duly convened as follows:

1. The Town Board of the Town of Brunswick hereby designates itself as Lead Agency pursuant to SEQRA with respect to the Brunswick Meadows PDD application.

The foregoing Resolution, offered by **Supervisor Herrington** and seconded by **Councilwoman Abrams**, was duly put to a roll call vote as follows:

April 14, 2005

**RESOLUTION APPROVING ADOPTION OF POSITIVE
DECLARATION PURSUANT TO STATE ENVIRONMENTAL QUALITY
REVIEW ACT FOR BRUNSWICK MEADOWS PLANNED
DEVELOPMENT DISTRICT APPLICATION**

WHEREAS, an application for a Planned Development District ("PDD") has been filed with the Town of Brunswick by J.P.J. Partnership ("Applicant") seeking approval for the construction of 136 condominium units to be located in 34 buildings on 16.6 acres of land located on NYS Route 142 approximately 130' east of the Town of Brunswick and City of Troy municipal boundary line; and

WHEREAS, in connection with the Brunswick Meadows application for PDD, Applicant filed a Full Environmental Assessment Form pursuant to the State Environmental Quality Review Act ("SEQRA") and its implementing regulations at 6 NYCRR Part 617; and

WHEREAS, the Brunswick Meadows PDD application is a Type 1 action pursuant to SEQRA; and

WHEREAS, a coordinated environmental impact review is being undertaken on the Brunswick Meadows PDD Application; and

WHEREAS, the Town Board of the Town of Brunswick ("Town Board") following service of a Notice of Intent to Establish Lead Agency upon all identified involved agencies on this action, has designated itself SEQRA Lead Agency for this action; and

WHEREAS, the Town Board, as SEQRA Lead Agency, has reviewed the Brunswick Meadows PDD application materials, including the Full Environmental Assessment Form; and

WHEREAS, the Town Board, as SEQRA Lead Agency, has identified potential significant adverse environmental impacts resulting from the Brunswick Meadows PDD project;

NOW, THEREFORE, BE IT RESOLVED by the Town Board of the Town of Brunswick in regular session duly convened as follows:

1. Pursuant to SEQRA and its implementing regulations at 6 NYCRR Part 617, the Town Board of the Town of Brunswick does hereby adopt a positive declaration on the Brunswick Meadows PDD application in the form attached hereto.

State Environmental Quality Review
POSITIVE DECLARATION
Notice of Intent to Prepare a Draft EIS
Determination of Significance

Project Number**Date** 4-14-05

This notice is issued pursuant to Part 617 of the implementing regulations pertaining to Article 8 (State Environmental Quality Review Act) of the Environmental Conservation Law.

The Town Board of the Town of Brunswick as lead agency, has determined that the proposed action described below may have a significant impact on the environment and that a Draft Environmental Impact Statement will be prepared.

Name of Action:

Brunswick Meadows Planned Development District

SEQR Status: Type 1 ☒
Unlisted ☐

Scoping: No ☐ Yes ☒ If yes, indicate how scoping will be conducted:
Written comment period.

Description of Action:

136 condominium units to be located in 34 buildings on 16.6 acres of land located on NYS Route 142 approximately 130' east of the Town of Brunswick and City of Troy municipal boundary line.

Location: (Include street address and the name of the municipality/county. A location map of appropriate scale is also recommended.)

See above.

Reasons Supporting This Determination:

1. potable water supply
2. public sanitary sewer capacity

Scoping will be conducted to determine full scope of issues to be addressed in EIS.

RESOLUTION NO. 49, 2005

**TOWN OF BRUNSWICK
REGULAR MEETING**

April 14, 2005

**RESOLUTION DIRECTING COORDINATED ENVIRONMENTAL
REVIEW PURSUANT TO STATE ENVIRONMENTAL QUALITY
REVIEW ACT ON HIGHLAND CREEK
PLANNED DEVELOPMENT DISTRICT APPLICATION**

WHEREAS, an application for a Planned Development District ("PDD") has been filed with the Town of Brunswick by Landmark Development Group LLC ("Applicant") seeking approval for a 206 lot residential subdivision, consisting of 74 traditional single family homes, 20 manor homes, and 112 carriage homes, located on 210.13 acres of land, located on the northeast side of McChesney Avenue Extension, south of its intersection with McChesney Avenue, including common open space which will be owned by a homeowners association; and

WHEREAS, in connection with the Highland Creek application for PDD, Applicant has filed a Full Environmental Assessment Form pursuant to the State Environmental Quality Review Act ("SEQRA") and its implementing regulations at 6 NYCRR Part 617; and

WHEREAS, the Town Board of the Town of Brunswick ("Town Board") has determined to undertake a coordinated environmental impact review pursuant to 6 NYCRR §617.6(b)(3); and

WHEREAS, the Town Board seeks to coordinate Lead Agency designation pursuant to 6 NYCRR §617.6(b)(3); and

WHEREAS, the Town Board seeks to be designated as Lead Agency on the Highland Creek PDD application as the potential environmental impacts are primarily of local concern;

NOW, THEREFORE, BE IT RESOLVED by the Town Board of the Town of Brunswick in regular session duly convened as follows:

1. Pursuant to SEQRA and its implementing regulations at 6 NYCRR Part 617, the Town Board does hereby direct the coordination of Lead Agency designation with all involved agencies on the Highland Creek PDD action, through the service of a Notice of Intent to Establish Lead Agency.

2. In compliance with Brunswick Town Code and Policy, the Town Board hereby directs the referral of the Highland Creek PDD application to the Brunswick Planning Board and Brunswick Zoning Board of Appeals for review and recommendation.

The foregoing Resolution, offered by **Councilwoman Abrams** and seconded by **Councilman Clemente** was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING <u>Absent</u>
COUNCILWOMAN ABRAMS	VOTING <u>Aye</u>
COUNCILMAN CLEMENTE	VOTING <u>Aye</u>
COUNCILMAN POLETO	VOTING <u>Aye</u>
SUPERVISOR HERRINGTON	VOTING <u>Absent</u>

The foregoing Resolution was thereupon declared duly adopted.

**TOWN OF BRUNSWICK
REGULAR TOWN BOARD MEETING
MAY 12, 2005, 7:00 P.M.
TOWN HALL**

Board Members Present: Supervisor Herrington, Councilman Poletto, Councilman Salvi, Councilwoman Abrams, and Councilman Clemente.

Board Members Absent: None.

Also Present: Town Attorney, Thomas Cioffi, and Town Clerk, Susan Quest-Sherman.

The Supervisor called the meeting to order at 7:03 p.m.

All joined in a salute to the flag.

Supervisor Herrington started by opening the meeting to public comment.

VISITORS WHO WISH TO SPEAK:

None.

BUSINESS MEETING:

MINUTES OF THE PREVIOUS MEETING:

A motion was made by Councilman Poletto to approve the minutes of the previous meetings, seconded by Councilwoman Abrams. Approved.

REPORTS:

Town Clerk: Susan Quest-Sherman

The Town Clerk handed in a written report for the month of April. Amount to be remitted to the Supervisor for the month is \$7,582.38. There was a problem with the newsletter mailing, Sugar Hill Apartment addresses did not print in their entirety. This problem will be addressed and the post office will return the newsletters with incomplete addresses. There have been requests for the minutes to be placed on the website before they are approved. A motion to accept the report was made by Councilwoman Abrams and seconded by Councilman Salvi. Approved. A copy of the report is on file in the Town Clerk's Office.

Highway Superintendent: Doug Eddy

The Highway Superintendent gave his report for the month of April. Motion to accept the report was made by Councilman Clemente, seconded by Councilman Salvi. Approved. A copy of the report is on file in the Town Clerk's Office.

Superintendent of Utilities & Inspections: John Kreiger

Mr. Kreiger gave his report for the month of April; amount remitted to the Supervisor was \$8,291.00. Councilman Salvi made a motion to accept the report seconded by Councilman Poletto. Approved. A copy of the report is on file in the Town Clerk's Office.

Superintendent of Water: Myron VanDyke

Mr. VanDyke gave his report for the month of April. Councilman Poletto asked how the progress on the water billing was going. Mr. VanDyke stated that we will be doing the next billing in house. A motion to accept the report was made by Supervisor Herrington which was seconded by Councilwoman Abrams. Approved. A copy of the report is on file in the Town Clerk's Office.

Town Attorney: Thomas Cioffi

Mr. Cioffi gave his report for the month of April. Mr. Cioffi asked the board about the Knox Box project. Mr. Cioffi is drafting a law requiring Knox Boxes for Commercial Establishments and Apartment Complexes (multiple dwellings with four or more units will be included). Councilman Salvi asked about updating the Peddler Permit application process. He was hoping to see a seasonal rate applied. A motion was made by Councilman Poletto to approve Mr. Cioffi's report, seconded by Councilwoman Abrams. Approved.

Town Historian: Sharon Zankel

Mrs. Zankel submitted a written report for the month of April. Mrs. Zankel has achieved her Public Historians Certification. Councilwoman Abrams made a motion to accept the report which was seconded by Councilman Salvi. Approved. A copy of the report is on file in the Town Clerk's Office.

Recycling Coordinator: Thomas Engster

The Recycling Coordinator presented his report for the month of April. Motion to accept Mr. Engster's report was made by Councilman Poletto which was seconded by Councilwoman Abrams. Approved. A copy of the report is on file in the Town Clerk's Office.

Youth Commissioner: Councilman Sam Salvi

Councilman Salvi thanked the highway department for getting the ball fields ready for opening day. Mr. Salvi also thanked the Clemente family for their donation of 10 yards of concrete. Motion to accept Councilman Salvi's report was made by Councilwoman Abrams, seconded by Councilman Poletto. Approved.

Brunswick Community Library: Julie Zelman

Mrs. Zelman gave the Library's report for the month of April. Councilwoman Abrams made a motion to approve the report, seconded by Councilman Salvi. Approved. A copy of the report is on file in the Town Clerk's Office.

Family Community Center: William DeFilippis

Mr. DeFilippis read his report for the month of April. Mr. DeFilippis would like the fee for the community center use to be increased. There has been vandalism at the center. Councilwoman Abrams asked if the Troopers had been informed. Councilman Salvi mentioned that more light may help curb the problem. Motion to accept the report was made by Councilman Clemente seconded by Councilwoman Abrams. Approved. A copy of the report is on file in the Town Clerk's Office.

Dog Control Report:

Supervisor Herrington presented a report from Frank O'Brien the Dog Control Officer. Motion to accept the written report was made by Councilman Poletto, seconded by Councilman Salvi. Approved

RESOLUTIONS:

Resolution No. 50 Resolution Authorizing the State of New York to Utilize Town Roads as a Detour Route During Construction of P.I.N. 1001.28 - Route 2 Over the Poesten Kill Bridge Replacement Project (S.H. 227 & 631), Rensselaer County. The foregoing Resolution, offered by Councilman Poletto, seconded by Supervisor Herrington, was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye;

Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Resolution No. 51 Resolution Accepting Bid – Highway Department – Double Drum Compactor. The foregoing Resolution, offered by Supervisor Herrington and seconded by Councilman Salvi was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Resolution No. 52 Resolution Approving Agreement with Brunswick Volunteer Fire Company No. 1. The foregoing Resolution, offered by Councilman Clemente and seconded by Councilman Poletto was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Resolution No. 53 Resolution Adopting 2005 Highway Plan. The foregoing Resolution offered by Councilman Poletto and seconded by Supervisor Herrington was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

OLD BUSINESS:

Councilman Poletto asked about the McChesney Ave Bridge. They are waiting for steel.

Supervisor Herrington was asked about the status of the New Town Office Building. He stated that the project should be completed by August 1st.

NEW BUSINESS:

None.

CORRESPONDENCE:

A letter was received from Marie Himes thanking the Highway Department for their prompt help.

Warrants: Warrants No. 100807A through D, No. 42201 through 42213, No. 050493 through No. 050510, No. 050601 through 050612, and No. 050511 through 050635 were presented. A motion to approve the warrants was made by Councilman Poletto, and seconded by Councilwoman Abrams. Approved.

FURTHER PUBLIC COMMENTS:

Mr. Gary Morris, Flower Rd. asked about people posting signs on properties. Signs have been placed in front of his property and the signs have been targeted by passing motorists causing litter in his yard. Councilman Poletto asked what kind of signs were placed on his property. They are the Preserve Brunswick Signs.

Mr. Cioffi asked if the signs were in the State Right of Way. Mr. Cioffi told Mr. Morris to call the State as it would be under their jurisdiction.

Councilwoman Abrams asked if Mr. Morris had contacted the people who placed the signs. Mr. Morris doesn't know the organizers but he was directed to get the telephone number off the sign. Mrs. Kaiser of Brunswick Smart Growth was in the audience and would speak to Mr. Morris after the meeting.

There being no further comments Supervisor Herrington excused himself at 7:30 and turned the meeting over to Councilman Poleto.

Councilman Poleto directed that the remaining Resolutions be read.

Mr. Gilchrist explained the Resolutions which were before the board.

Councilman Poleto explained that on all projects so far a positive declarations have been made:

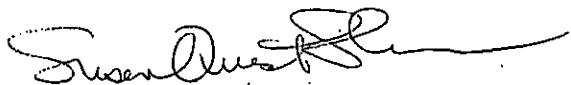

Resolution No. 54 Resolution Approving Designation of Town Board of the Town of Brunswick as Lead Agency for Highland Creek Planned Development District Application. The foregoing Resolution offered by Councilman Clemente and seconded by Councilman Salvi was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poleto, Voting Aye; Supervisor Herrington Recused. The foregoing Resolution was thereupon declared duly adopted.

Resolution No. 55 Resolution Approving Adoption of Positive Declaration Pursuant to State Environmental Quality Review Act for Highland Creek Planned Development District Application. The foregoing Resolution offered by Councilman Salvi and seconded by Councilwoman Abrams was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poleto, Voting Aye; Supervisor Herrington, Recused. The foregoing Resolution was thereupon declared duly adopted.

ADJOURNMENT:

Councilman Salvi made a motion to adjourn the meeting, seconded by Councilwoman Abrams. Approved. The meeting adjourned at 7:42 p.m.

Respectfully submitted,

Susan Quest-Sherman
Town Clerk

Note: An audiotape of this meeting is available in the Town Clerk's Office.

TOWN HISTORIAN'S MONTHLY REPORT TO THE BRUNSWICK TOWN BOARD
MAY 12, 2005

The following summarizes my activities over the past month:

- I've been working with two young people, one doing an Eagle Scout project and the other a student who is preparing a submittal for the NYS Archives Student Research Awards competition. I also assisted a Hudson Valley Community College student with a class project, and provided the town building department with information about a private property.
- On behalf of the Association of Public Historians, I arranged regional conference for May 14 in Ft. Edward.
- I prepared material for the upcoming town newsletter.
- On behalf of the Brunswick Bicentennial Committee I have set up a second meeting with community-based organizations and that is set for Thursday, May 19 at the Eagle Mills Christian Church. We will be discussing ways various groups can contribute to the celebration of the Bicentennial. Interested members of the public are invited to attend. I am preparing an informational brochure about the Bicentennial and want to include several quotations from town residents about the significance of the Bicentennial in their view and invite any present to contribute their thoughts.
- I indicated last month that I had filed an application for my public historian's certification with the Association of Public Historians of New York State, and am pleased to report that I was awarded the certification last week. Because the certification relied heavily on demonstrating service to the community and contributions to preservation and publication of local history, I want to thank the Town Supervisor as well as the people of Brunswick for supporting my work.
- The Brunswick Historical Society's 2005 Bicentennial commemorative ornament has been designed and ordered, and will feature this year the District No. 5 School in Center Brunswick. The ornaments will go on sale early this summer. I also want to mention the Brunswick Historical Society's premises at the Garfield School are being redecorated, and it is suggested residents planning to visit the Society call ahead to ensure it is open.

Sham Zankel

**RESOLUTION AUTHORIZING THE STATE OF NEW YORK TO UTILIZE
TOWN ROADS AS A DETOUR ROUTE DURING CONSTRUCTION OF P.I.N.
1001.28 – ROUTE 2 OVER THE POESTEN KILL BRIDGE REPLACEMENT
PROJECT (S.H. 227 & 631), RENSSELAER COUNTY**

WHEREAS, the New York State Department of Transportation proposes to replace the bridge that carries Route 2 over the Poesten Kill and reconstruct the highway approaches, PIN 1001.28, BIN 1-00020-0, in the Town of Brunswick, County of Rensselaer.

WHEREAS, in conformance with Section 42 of the New York State Highway Law, the New York State Department of Transportation proposes to utilize the following streets as a detour during the period of construction:

Menemsha Road and Cranston Road located in the Town of Brunswick

WHEREAS, the New York State Department of Transportation will provide traffic control devices and make improvements or repairs when necessary during construction to the above mentioned street to make it adequate to handle additional detour traffic.

THEREFORE, BE IT RESOLVED, that The Town Board of Brunswick does hereby authorize the New York State Department of Transportation to utilize the above mentioned street as a detour during the period of construction.

BE IT RESOLVED, that the Town of Brunswick will continue to provide routine maintenance on the above mentioned street, including snow and ice control.

BE IT FURTHER RESOLVED, that the clerk of the Board is hereby directed to transmit five (5) certified copies of this resolution to the New York State Department of Transportation.

REGULAR MEETING**

May 12, 2005

**RESOLUTION ACCEPTING BID - HIGHWAY
DEPARTMENT - DOUBLE DRUM COMPACTOR**

WHEREAS, the Highway Superintendent having advised the Town Board that the Highway Department is in need of double drum compactor; and

WHEREAS, the Highway Superintendent having prepared the necessary specifications for a 2004 or newer double drum compactor and the Town having thereupon duly solicited for bids to supply the said compactor in accordance therewith; and

WHEREAS, only one bid having been submitted, and it therefore appearing that the bid submitted by ANDERSON EQUIPMENT COMPANY, in the net amount of \$39,955.00, to supply a used 2004 Ingersol Rand Vibratory Compactor, Model DD-33HF, with 125 hours on its hour meter, is the lowest responsible bid meeting the specifications; now, therefore,

BE IT RESOLVED, that the above-mentioned bid be and hereby is accepted; and be it further

RESOLVED, that the Supervisor be and he hereby is authorized and empowered to execute all contracts and other documents necessary to give effect to this Resolution.

AGREEMENT

THIS AGREEMENT, made this 12th day of May, 2005, between the **TOWN OF BRUNSWICK**, County of Rensselaer, State of New York, a domestic municipal corporation organized under the laws of the State of New York (hereinafter referred to as "party of the first part") and the **BRUNSWICK VOLUNTEER FIRE COMPANY NO. 1**, a fire corporation organized pursuant to the provisions of the Not-for-Profit Corporation Law of the State of New York (hereinafter referred to as "party of the second part");

WITNESSETH:

WHEREAS, there has been heretofore duly established in the said Town of Brunswick, a fire protection district known as the **BRUNSWICK VOLUNTEER FIRE COMPANY NO. 1 (SYCAWAY) FIRE PROTECTION DISTRICT**, embracing territory more particularly described in the Resolution establishing the said fire protection district; and

WHEREAS, following a public hearing duly called in accordance with the provisions of Section 184 of the Town Law, held at the Brunswick No. 1 Firehouse at 6:00 P.M. on April 14, 2005, said party of the first part, by a majority vote of the Members of the Town Board of the Town of Brunswick, authorized the execution of an Agreement with the party of the second part for fire protection in said fire protection district upon the terms and conditions hereinafter set forth;

NOW, THEREFORE, the party of the first part does engage the party of the second part to furnish fire protection to said fire protection district and the party of the second part agrees to furnish such fire protection in the manner following, to wit:

1. The party of the second part shall, at all times, during the period of this Agreement, be subject to call for attendance upon any and all fires occurring in said fire protection district and, when notified by alarm, telephone call or otherwise, of a fire within said fire protection district, and said party of the second part shall respond and attend upon the fire without delay with suitable ladders, pumpers, hose and other apparatus of the party of the second part and, upon arriving at the scene of the fire, said party of the second part shall proceed to extinguish the same and shall use its utmost endeavors to prevent loss of life or property in connection therewith.

2. It is further mutually understood and agreed between the parties hereto that the party of the second part will procure general liability insurance coverage, including professional liability, with respect to all of its buildings and operations, as well insurance for its fire protection apparatus to be used in the rendition of fire protection service of said fire protection district for personal injury, property damage and collision, with such limits as may hereafter be agreed by the parties, and will keep the same in force and effect during the effective period of this Agreement, and, within ten (10) days of a written demand therefore, shall provide the party of the first part with a certificate of insurance evidencing said coverage.

3. It is further mutually understood and agreed between the parties hereto that the party of the second part will, at all times, keep the apparatus and equipment to be used in the rendition of fire protection service to the fire protection district in first-class repair and order, and will supply the service of a sufficient number of volunteer firemen to perform the services necessary hereunder.

4. The party of the second part shall be responsible for all damage caused to its equipment in attending upon or returning from a call in the said fire protection district, irrespective of the cause of said damage or the amount thereof.

5. The party of the first part agrees to pay any and all claims authorized by law for medical expenses, the loss of wages, compensation benefits or other claims arising by reason of the injury to or death of a fireman or of a member of a Fire Department Emergency Relief Squad, answering, attending upon or returning from any such call, and the parties of the first part agree to carry the necessary insurance coverage for the protection of the firemen of the party of the second part as imposed by any law of the State of New York imposing upon municipalities the liability to pay for injuries to or for the death of firemen.

6. All moneys to be paid under any provision of this Agreement shall be a charge upon the said Fire Protection District to be assessed and levied upon the taxable property in said District and collected with the Town taxes.

7. This Agreement shall be for the calendar years 2005, 2006, and 2007.

8. The territory to be served pursuant to this Agreement is the entire area of the Brunswick No. 1 (Sycaway) Fire Protection District of the Town of Brunswick.

9. In consideration of the covenants herein contained, the party of the first part will pay to the party of the second part the sum of **FOUR HUNDRED TWELVE THOUSAND TWO HUNDRED FIFTY-FOUR (\$412,254.00) DOLLARS** for the fiscal year commencing January 1, 2005, such sum to be paid on or before the 1st day of February, 2005; the sum of **FOUR HUNDRED SIXTEEN THOUSAND SIX HUNDRED NINETY-TWO (\$416,692.00) DOLLARS** for the fiscal year commencing January 1, 2006, such sum to be paid on or before the 1st day of February, 2006; and the sum of **FOUR HUNDRED TWENTY-FIVE**

THOUSAND FORTY-FOUR (\$425,044.00) DOLLARS for the fiscal year commencing January 1, 2007, such sum to be paid on or before the 1st day of February, 2007.

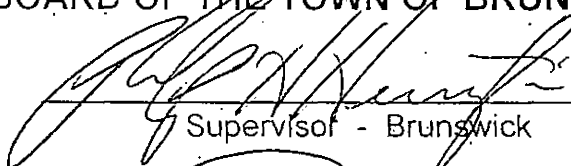

10. The party of the second part agrees to make available to the party of the first part, at reasonable times and upon reasonable notice, its fiscal and budgetary books and records for review.

IN WITNESS WHEREOF, the parties hereto have duly executed and delivered this Agreement the day and year first above written.

May 12, 2005

RESOLUTION ADOPTING 2005 TOWN HIGHWAY PLAN

WHEREAS, there are funds allocated in the Adopted 2005 Annual Budget of the Town of Brunswick for highway repair, reconstruction, and maintenance; and

WHEREAS, the Town Highway Superintendent, in conjunction with the Supervisor, having prepared a proposed 2005 Highway Plan of the Town of Brunswick setting forth, in detail, the specific roads to be substantially reconstructed, repaired and/or resurfaced, and other highway work to be accomplished this year, as set forth in the annexed Schedule, which is made a part of this Resolution; now, therefore

BE IT RESOLVED, that, except as subsequently modified, at the discretion of the Supervisor and the Highway Superintendent, to add additional roads or portions thereof as a result of a fund balance at the completion of the Plan, or the receipt of additional funding, the Town Board does hereby adopt the above-described 2005 Highway Plan of the Town of Brunswick; and be it further

RESOLVED, that the Supervisor and the Highway Superintendent be, and they hereby are, authorized and empowered to make arrangements for the performance of the work specified in the said Plan, such arrangements to be in full compliance with all applicable laws as well as the Town's Purchasing Policy.

RESOLUTION NO. 54, 2005

**TOWN OF BRUNSWICK
REGULAR MEETING**

May 12, 2005

**RESOLUTION APPROVING DESIGNATION OF TOWN BOARD
OF THE TOWN OF BRUNSWICK AS LEAD AGENCY
FOR HIGHLAND CREEK
PLANNED DEVELOPMENT DISTRICT APPLICATION**

WHEREAS, an application for a Planned Development District ("PDD") has been filed with the Town of Brunswick by Landmark Development Group LLC ("Applicant") seeking approval for a 206 lot residential subdivision, consisting of 74 traditional single family homes, 20 manor homes, and 112 carriage homes, located on 210.13 acres of land, located on the northeast side of McChesney Avenue Extension, south of its intersection with McChesney Avenue, including common open space which will be owned by a homeowners association; and

WHEREAS, in connection with the Highland Creek application for PDD, Applicant filed a Full Environmental Assessment Form pursuant to the State Environmental Quality Review Act ("SEQRA") and its implementing regulations at 6 NYCRR Part 617; and

WHEREAS, the Full Environmental Assessment Form for the proposed Highland Creek project identified a number of involved agencies from which Applicant requires permits and/or approvals for this project; and

WHEREAS, the Town Board of the Town of Brunswick ("Town Board") sought to conduct a coordinated environmental impact review under SEQRA for this project; and

WHEREAS, the Town Board served a Notice of Intent to Establish Lead Agency on all involved agencies on April 15, 2005; and

WHEREAS, in such Notice of Intent to Establish Lead Agency, the Town Board stated that it sought to be designated as SEQRA Lead Agency on this project as the

anticipated impacts are primarily of local significance; and

WHEREAS, the Town Board received written responses from all identified involved agencies, and that no involved agency objected to the Town Board assuming Lead Agency status for this action;

NOW, THEREFORE, BE IT RESOLVED by the Town Board of the Town of Brunswick in regular session duly convened as follows:

1. The Town Board of the Town of Brunswick hereby designates itself as Lead Agency pursuant to SEQRA with respect to the Highland Creek PDD application.

The foregoing Resolution, offered by **Councilman Clemente** and seconded by **Councilman Salvi**, was duly put to a roll call vote as follows:

REVIEW ACT FOR HIGHLAND CREEK PLANNED DEVELOPMENT
DISTRICT APPLICATION**

WHEREAS, an application for a Planned Development District ("PDD") has been filed with the Town of Brunswick by Landmark Development Group LLC ("Applicant") seeking approval for a 206 lot residential subdivision, consisting of 74 traditional single family homes, 20 manor homes, and 112 carriage homes, located on 210.13 acres of land, located on the northeast side of McChesney Avenue Extension, south of its intersection with McChesney Avenue, including common open space which will be owned by a homeowners association; and

WHEREAS, in connection with the Highland Creek application for PDD, Applicant filed a Full Environmental Assessment Form pursuant to the State Environmental Quality Review Act ("SEQRA") and its implementing regulations at 6 NYCRR Part 617; and

WHEREAS, the Highland Creek PDD application is a Type 1 action pursuant to SEQRA; and

WHEREAS, a coordinated environmental impact review is being undertaken on the Highland Creek PDD Application; and

WHEREAS, the Town Board of the Town of Brunswick ("Town Board") following service of a Notice of Intent to Establish Lead Agency upon all identified involved agencies on this action, has designated itself SEQRA Lead Agency for this action; and

WHEREAS, the Town Board, as SEQRA Lead Agency, has reviewed the Highland Creek PDD application materials, including the Full Environmental Assessment Form; and

WHEREAS, the Town Board, as SEQRA Lead Agency, has identified potential significant adverse environmental impacts resulting from the Highland Creek PDD project;

NOW, THEREFORE, BE IT RESOLVED by the Town Board of the Town of Brunswick in regular session duly convened as follows:

1. Pursuant to SEQRA and its implementing regulations at 6 NYCRR Part 617, the Town Board of the Town of Brunswick does hereby adopt a positive declaration on the Highland Creek PDD application in the form attached hereto.

The foregoing Resolution, offered by **Councilman Salvi** and seconded by **Councilwoman Abrams** was duly put to a roll call vote as follows:

State Environmental Quality Review
POSITIVE DECLARATION
Notice of Intent to Prepare a Draft EIS
Determination of Significance

Project Number**Date** 5-12-05

This notice is issued pursuant to Part 617 of the implementing regulations pertaining to Article 8 (State Environmental Quality Review Act) of the Environmental Conservation Law.

The Town Board of the Town of Brunswick as lead agency, has determined that the proposed action described below may have a significant impact on the environment and that a Draft Environmental Impact Statement will be prepared.

Name of Action:

Highland Creek Planned Development District

SEQR Status: Type 1 ☒
Unlisted ☐

Scoping: No ☐ Yes ☒ If yes, indicate how scoping will be conducted:
Public review and written comment period on draft scoping document.

Description of Action:

206 lot residential subdivision, consisting of 74 traditional single family homes, 20 manor homes, and 112 carriage homes, located on 210.13 acres of land, including common open space which will be owned by a homeowners association.

Location: (Include street address and the name of the municipality/county. A location map of appropriate scale is also recommended.)

Northeast side of McChesney Avenue Extension, south of its intersection with McChesney Avenue.

Reasons Supporting This Determination:

1. Potential traffic impacts.

Full scope of issues to be addressed in EIS will be identified in public scoping process.

**TOWN OF BRUNSWICK
REGULAR TOWN BOARD MEETING
JUNE 9, 2005, 7:00 P.M.
TOWN HALL**

Board Members Present: Supervisor Herrington, Councilman Poletto, Councilman Salvi, and Councilwoman Abrams.

Board Members Absent: Councilman Clemente.

Also Present: Town Attorney, Thomas Cioffi, and Town Clerk, Susan Quest-Sherman.

The Supervisor called the meeting to order at 7:03 p.m.

All joined in a salute to the flag.

Supervisor Herrington started by opening the meeting to public comment.

VISITORS WHO WISH TO SPEAK:

Michael Ouimet, Bellview Rd., introduced his family and showed pictures of a problem he has with a culvert. The problem has been getting worse after construction above his property. Other houses in the area have had pipes put in by the Town. He would like piping put in at his property. Mr. Ouimet stated that he just wants to be treated like all the other residents. Mr. Ouimet complained that Mr. Eddy has not returned telephone calls or kept appointments.

Supervisor Herrington asked Mr. Kestner to address the issue. Mr. Kestner has been to the property. There had been a question of whether piping would affect a neighbor's well. There is also the problem of a remedy if the pipe were to get blocked. Mr. Kestner mentioned that it had been a policy of the Town to have the homeowner purchase pipe and then the Town put it in.

Mr. Ouimet stated that other neighbors had not been billed for their pipes and he wanted the same consideration. Mr. Ouimet also mentioned that the shoulder of the road is eroded which is becoming a safety issue as a bus had gotten stuck in the ditch.

Supervisor Herrington stated that rip rap has been added to the upper ditches to stabilize the roads.

Mrs. Ouimet stated that adding rocks will not help the sides of the ditches and the road erosion.

Mr. Cioffi stated that the Highway Superintendent has the responsibility of determining what work needs to be done. The Town Board appoints the Highway Superintendent. Mr. Cioffi was unsure if the Board could order the Highway Superintendent to put a pipe in. Those decisions were left to the Highway Superintendent. Mr. Cioffi mentioned an Article 78 proceeding which Mr. Ouimet could investigate if he felt that Mr. Eddy's decision on the culvert was unreasonable.

Councilwoman Abrams took exception that with the idea that the board is perceived as not treating residents fairly and equitably. Councilwoman Abrams also went to the property and asked what remedies could be taken from Mr. Dougherty. Councilwoman Abrams asked Mr. Eddy to explain the reasoning behind the decision to put pipe in the other locations.

Mr. Eddy stated that the other properties had icing problems in road for years. A catch basin was put in and has solved the problem. Two new driveways were put in too closely. The catch basins are getting plugged. Mr. McKnight's metal pipe was put in because a tractor trailer was using the Easy Street. The Metal pipe was given to Mr. Eddy by the county highway department. A plastic pipe would not hold up with tractor trailer traffic. Mr. Eddy stated that his department is constantly putting in pipe.

Councilman Salvi stated that he sees Mr. Ouimet's problem and also sees Mr. Eddy's problem. Everyone in Town would want their ditches piped and filled in and the Highway Department will constantly be doing ditches.

Mr. Kestner mentioned that another solution would be to from drainage district which would be paid for by the property owners in the district. Maintenance of the district would require a hydro vac which alone could cost over \$150,000.

Supervisor Herrington stated that the board is concerned with the safety issues and will go from there.

Mr. Ouimet asked when he can expect a answer.

Mr. Cioffi said that Mr. Eddy should be getting back to Mr. Ouimet.

Mr. Jim Sullivan, Pinewoods Ave., came to speak of a proposal in Columbia County to help farmers. They have a program that allows for a Tax Exemption for farms for special districts. This would help with the open spaces issues. Smart Growth would probably support this proposition.

Councilman Poletto asked what the program would cost.

Mr. Sullivan stated that the exemption would shift the tax burden from farmers to homeowners but at the moment he didn't have exact numbers.

Councilman Poletto would like to examine the numbers to see what impact the shift would have.

Rebecca Kaiser of Smart Growth expressed an interest in the proposition and would like to know more about it.

Bernie Fleishman, Colehamer Ave, asked if the Town could put something on the Web site about the Planned Development Districts and the phases of the projects.

Attorney Gilchrist was asked by the Supervisor to address that request. Mr. Gilchrist thought it was a good idea but the Town Board should review anything before it is placed on the site.

BUSINESS MEETING:

MINUTES OF THE PREVIOUS MEETING:

A motion was made by Councilman Salvi to approve the minutes of the previous meetings, seconded by Councilman Poletto. Approved.

REPORTS:

Town Clerk: Susan Quest-Sherman

The Town Clerk handed in a written report for the month of May. Amount to be remitted to the Supervisor for the month is \$6,978.33. A motion to accept the report was made by Councilman Poletto and seconded by Councilwoman Abrams. Approved. A copy of the report is on file in the Town Clerk's Office.

Highway Superintendent: Doug Eddy

The Highway Superintendent gave his report for the month of May. Motion to accept the report was made by Supervisor Herrington, seconded by Councilman Salvi. Approved. A copy of the report is on file in the Town Clerk's Office.

Superintendent of Utilities & Inspections: John Kreiger

Mr. Kreiger gave his report for the month of May; amount remitted to the Supervisor was \$10,406.50. Councilman Salvi made a motion to accept the report seconded by Councilman Poletto. Approved. A copy of the report is on file in the Town Clerk's Office.

Superintendent of Water: Myron VanDyke

Mr. VanDyke gave his report for the month of May. A motion to accept the report was made by Councilman Poletto which was seconded by Councilman Salvi. Approved. A copy of the report is on file in the Town Clerk's Office.

Town Attorney: Thomas Cioffi

Mr. Cioffi gave his report for the month of May. A proposal for a Local Law was included in the board members packets and a Draft of an RFP was also prepared for work on the zoning update. If the board has any suggestions on the RFP they should contact him. The zoning code was adopted in 1957. A motion was made by Councilman Poletto to approve Mr. Cioffi's report, seconded by Councilwoman Abrams. Approved.

Town Historian: Sharon Zankel

Mrs. Zankel gave her report for the month of May. The Town is planning an Old Home Weekend for May 19th & 20th, 2007. Councilman Salvi made a motion to accept the report which was seconded by Supervisor Herrington. Approved. A copy of the report is on file in the Town Clerk's Office.

Recycling Coordinator: Thomas Engster

The Recycling Coordinator presented his report for the month of May. Motion to accept Mr. Engster's report was made by Councilman Salvi which was seconded by Councilwoman Abrams. Approved. A copy of the report is on file in the Town Clerk's Office.

Youth Commissioner: Councilman Sam Salvi

The Directors for the day camp and life guards have been hired. The beach is being cleaned up. Interviews for summer help have been done and about 86 people will be hired. Motion to accept Councilman Salvi's report was made by Councilwoman Abrams, seconded by Councilman Poletto. Approved.

Brunswick Community Library: Julie Zelman

Mrs. Zelman gave the Library's report for the month of May. Councilwoman Abrams made a motion to approve the report, seconded by Councilman Poletto. Approved. Supervisor Herrington stated that a new flag pole might be needed at the Library. A copy of the report is on file in the Town Clerk's Office.

Family Community Center: William DeFilippis

Mr. DeFilippis read his report for the month of May. Motion to accept the report was made by Councilman Poletto seconded by Councilwoman Abrams. Approved. A copy of the report is on file in the Town Clerk's Office.

RESOLUTIONS:

Mr. Gilchrist explained the steps of the PDD process. A final scope must be accepted within a specific time frame.

Mr. Kestner noted that all comments from agencies and the public were looked at and included in the scope and that now a draft environmental impact statement can be drawn-up.

Mr. Gilchrist stated that traffic will be an important issue that will be looked at.

Resolution No. 56 Resolution Adopting Final Written Scope for the Preparation of an Environmental Impact Statement on the Wal-Mart Supercenter Planned Development District Application. The foregoing Resolution, offered by Councilwoman Abrams, seconded by Councilman Poletto, was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Absent; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Mr. Gilchrist and Mr. Kestner have examined the document and have determined that the document is adequate for Public Review. This doesn't mean it is in approvable form, it just means it is ready for Public Review. There are time frames in place now a Hearing must be held within 15 to 60 days. The applicant is agreeable to keeping the Hearing open for as long as necessary, when the hearing is closed, written comments are still accepted for 10 days. This will not be a joint Hearing, a second Hearing will need to be held in front of the Planning Board.

Resolution No. 57 Resolution Accepting Draft Environmental Impact Statement on the Hudson Hills Apartments Application. The foregoing Resolution, offered by Supervisor Herrington and seconded by Councilman Salvi was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente,

Voting Absent; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

A Public Hearing was scheduled for August 3, 2005 at 6:30 at the Community Center.

Resolution No. 58 Resolution to Effect Changes in the February 2005 Water and Sewer Roll. The foregoing Resolution, offered by Councilman Salvi and seconded by Supervisor Herrington was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Absent; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Councilman Poletto asked what could be done to add a penalty to the water bills.

Mr. Cioffi will look into the issue.

Councilman Poletto introduced Local Law No. 1 for the Year 2005 – A Local Law Providing for an Emergency Services Rapid Access System in the Town of Brunswick.

A public Hearing was set for July 14, at 6:30.

CORRESPONDENCE:

A letter was received from John Barna thanking the Town for its support of the Brunswick Babe Ruth League.

OLD BUSINESS:

Councilman Poletto spoke about the GIS system which will be made accessible to the public on the Web.

Concerts will start July 5th with Scotty Mac & the Gold Tops.

Councilman Salvi mentioned that a roof should be put on the stage.

NEW BUSINESS:

Supervisor Herrington mentioned that the Dog Control Officer submitted a written report. Councilwoman Abrams made a motion to accept the report seconded by Councilman Salvi. Approved.

Warrants: Warrants No. 520001 through 520012, No. 050601 through 050653, No. 60301 through No. 60312, and No. 050511 through 050636 were presented. A motion to approve the warrants was made by Councilman Poletto, and seconded by Councilman Salvi. Approved.

FURTHER PUBLIC COMMENTS:

Joseph Durkin, Maple Ave, asked if the Board members reviewed the Scope for Walmart and the DEIS for Hudson Hills.

The Board has examined the documents and all the changes.

ADJOURNMENT:

Councilman Poletto made a motion to adjourn the meeting, seconded by Councilwoman Abrams. Approved. The meeting adjourned at 9:03 p.m.

Respectfully submitted,

Susan Quest-Sherman
Town Clerk

Note: An audiotape of this meeting is available in the Town Clerk's Office.

TOWN HISTORIAN'S MONTHLY REPORT TO THE BRUNSWICK TOWN BOARD
JUNE 9, 2005

The following summarizes my activities over the past month:

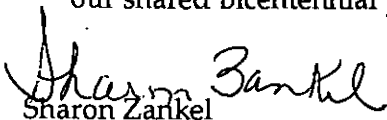

- On May 14, I chaired a regional meeting of the state historians' association (APHNYS) at the Old Fort House Museum in Ft. Edward.
- I assisted one of our young residents in completing her project for the NYS Archives Student Research Awards competition, and provided historical data about our town to a Harvard grad student. I also responded to several inquiries for family or local history information, and assisted a town resident in conveying several items having historical significance to appropriate repositories.
- I wrote and submitted to *The Record* an article about the World War I Memorial in Eagle Mills, and this was published, without a byline, in the June 1 issue of the newspaper.
- The Brunswick Bicentennial Committee met on May 19 at the Eagle Mills Christian Church, and this meeting was attended by representatives of several community-based organizations and churches. Several groups indicated they have started to plan events with a Bicentennial theme, and others indicated they are considering ways to raise funds for the celebration. We have set the dates May 19 & 20, 2007, as "Old Home Weekend" and this will be an occasion for all civic groups, churches, schools, and businesses to participate in a townwide celebration by opening their doors to the public for refreshments, entertainment, giveaways, etc. The event will also feature a self-guided tour of Brunswick's historic sites.

The Bicentennial Committee is also considering hosting a parade in mid-October, 2007.

We have a number of tee-shirts from last year's 5K race remaining and these may be purchased at the Town Clerk's office. The cost is \$6 each.

The Bicentennial Committee also plans to have publicity about the Bicentennial available at the Town's summer concerts, and will be issuing a flyer announcing a contest for the creation of a Bicentennial logo.

Last night, representatives of the Grafton Bicentennial Committee with our committee, and we expect to be working with our Grafton neighbors on at least one shared activity in recognition of our shared Bicentennial years.

Sharon Zankel

TOWN OF BRUNSWICK
REGULAR MEETING

June 9, 2005

RESOLUTION ADOPTING FINAL WRITTEN SCOPE FOR THE
PREPARATION OF AN ENVIRONMENTAL IMPACT STATEMENT ON
THE WAL-MART SUPERCENTER PLANNED DEVELOPMENT DISTRICT
APPLICATION

WHEREAS, an application for a Planned Development District ("PDD") has been filed with the Town of Brunswick by Wal-Mart Stores Inc. ("Applicant") for a proposed 203,826 ± square foot Wal-Mart Supercenter and a six dispenser (12 fueling position) gas station on 32 ± acres. The property is located off Betts Road, and is currently zoned Commercial (B-15) and Agricultural (A-40); and

WHEREAS, in connection with the Wal-Mart application for PDD, Applicant filed a Full Environmental Assessment Form pursuant to the State Environmental Quality Review Act ("SEQRA") and its implementing regulations at 6 NYCRR Part 617; and

WHEREAS, the Town Board of the Town of Brunswick ("Town Board") undertook coordination of Lead Agency designation pursuant to 6 NYCRR §617.6(b)(3), and declared itself Lead Agency for the Wal-Mart Supercenter action; and

WHEREAS, following review of the PDD Application and Full Environmental Assessment Form, the Town Board adopted a positive declaration pursuant to SEQRA for this action, requiring the preparation of an Environmental Impact Statement; and

WHEREAS, the Town Board determined that Scoping would be conducted pursuant to 6 NYCRR §617.8 on this action; and

WHEREAS, the Applicant submitted a Draft Scope to the Town Board; and

WHEREAS, the Town Board served a copy of the Draft Scope on all involved and

interested agencies, and provided public notice of the receipt of the Draft Scope and opportunity for the submission of written comment on the Draft Scope through and including April 14, 2005; and

WHEREAS, a copy of the Draft Scope was placed at the Brunswick Town Hall and Brunswick Community Library and made available for public review and inspection during the written comment period; and

WHEREAS, written comments were received by the Town Board, which were reviewed and considered by the Town Board and provided to Applicant; and

WHEREAS, Applicant has submitted a revised Draft Scope to address the written comments received; and

WHEREAS, the Town Board and its technical consultants have reviewed the revised Draft Scope submitted by Applicant and finds that it is complete, and further finds that the revised Draft Scope has adequately addressed all written comments received, and further finds that the revised Draft Scope identifies all potentially adverse impacts of this action which will be analyzed in the Environmental Impact Statement for this action;

NOW, THEREFORE, BE IT RESOLVED by the Town Board of the Town of Brunswick in regular session duly convened as follows:

1. The Town Board of the Town of Brunswick, as Lead Agency under SEQRA, hereby issues a Final Scope for this action in the form attached hereto pursuant to 6 NYCRR Part 617.8 for the Environmental Impact Statement to be prepared for the Wal-Mart Supercenter action.

The foregoing Resolution, offered by Councilwoman Abrams and seconded by Councilman Poleto was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING <u>Aye</u>
COUNCILWOMAN ABRAMS	VOTING <u>Aye</u>
COUNCILMAN CLEMENTE	VOTING <u>Absent</u>
COUNCILMAN POLETO	VOTING <u>Aye</u>
SUPERVISOR HERRINGTON	VOTING <u>Aye</u>

The foregoing Resolution was thereupon declared duly adopted.

June 9, 2005.

**TOWN OF BRUNSWICK
REGULAR MEETING**

June 9, 2005

**RESOLUTION ACCEPTING DRAFT ENVIRONMENTAL IMPACT
STATEMENT ON THE HUDSON HILLS APARTMENTS APPLICATION**

WHEREAS, an application for a Planned Development District ("PDD") has been filed with the Town of Brunswick by Capital District Properties ("Applicant") for Hudson Hills Apartments, a proposed apartment complex located on 216 acres consisting of 1,116 apartment units located in 77 buildings. The property is bounded by Route 7 to the South, North Lake Avenue to the North and Lord Avenue to the West, and is currently zoned Agricultural; and

WHEREAS, in connection with the Hudson Hills Apartments application for PDD, Applicant filed a Full Environmental Assessment Form pursuant to the State Environmental Quality Review Act ("SEQRA") and its implementing regulations at 6 NYCRR Part 617; and

WHEREAS, the Town Board of the Town of Brunswick ("Town Board") undertook coordination of Lead Agency designation pursuant to 6 NYCRR §617.6(b)(3) and declared itself Lead Agency for the Hudson Hills Apartments application; and

WHEREAS, following review of the PDD Application and Full Environmental Assessment Form, the Town Board adopted a positive declaration pursuant to SEQRA for this action, requiring the preparation of an Environmental Impact Statement; and

WHEREAS, the Town Board conducted Scoping for this action pursuant to 6 NYCRR §617.8; and

WHEREAS, a final Scope was issued by the Town Board on January 13, 2005; and

WHEREAS, Applicant submitted a preliminary Draft Environmental Impact

Statement ("DEIS") to the Town Board on March 25, 2005; and

WHEREAS, the Town Board undertook a review of the preliminary DEIS, and determined the same to be incomplete; and

WHEREAS, Applicant thereafter submitted a revised preliminary DEIS for review by the Town Board; and

WHEREAS, the Town Board has reviewed the revised preliminary DEIS submitted by Applicant, and has determined that the revised preliminary DEIS adequately addresses the issues identified in the final written Scope for purposes of continuing the review of this application through the transmission of the DEIS to all involved and interested agencies as well as opening the public hearing on the DEIS and PDD application to allow members of the public to participate in the application review;

NOW, THEREFORE, BE IT RESOLVED by the Town Board of the Town of Brunswick in regular session duly convened as follows:

1. The Town Board of the Town of Brunswick, as Lead Agency under SEQRA on the Hudson Hills Apartments application, hereby determines that the DEIS submitted by Applicant is complete and adequate for public review.

2. The Town Board hereby directs that a complete copy of the DEIS be distributed to all involved and interested agencies in compliance with the SEQRA regulations.

3. The Town Board hereby directs that a complete copy of the DEIS be filed with the Town Clerk of the Town of Brunswick and with the Brunswick Community Library.

4. The Town Board hereby adopts the SEQRA Notice of Completion of DEIS and Notice of SEQRA hearing in the form attached hereto, and directs that all filing, publication and distribution requirements pursuant to 6 NYCRR §617.12 be completed.

The foregoing Resolution, offered by Supervisor Herrington and seconded by Councilman Salvi was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING <u>Aye</u>
COUNCILWOMAN ABRAMS	VOTING <u>Aye</u>
COUNCILMAN CLEMENTE	VOTING <u>Absent</u>
COUNCILMAN POLETO	VOTING <u>Aye</u>
SUPERVISOR HERRINGTON	VOTING <u>Aye</u>

The foregoing Resolution was thereupon declared duly adopted.

State Environmental Quality Review
Notice of Completion of Draft
and
Notice of SEQR Hearing

Lead Agency: Town of Brunswick Town Board

Project Number

Address: 308 Town Office Road
Troy, New York 12180

Date 6-9-05

This notice is issued pursuant to Part 617 of the implementing regulations pertaining to Article 8 (State Environmental Quality Review Act) of the Environmental Conservation Law. (and local law # if any)

A Draft Environmental Impact Statement has been completed and accepted for the proposed action described below. Comments are requested and will be accepted by the contact person until ten (10) days following close of public hearing. A public hearing on the Draft EIS will be held on 8/3/05 6:30 p.m. (date and time) at Brunswick Community Center (place).
Keyes Lane, Troy, New York

Name of Action:

Hudson Hills Apartments Planned Development District Application

Description of Action:

Proposed residential use on 216 acres consisting of 1,116 apartment units located in 77 buildings.

Location: (Include street address and the name of the municipality/county. A location map of appropriate scale is also recommended.)

The property is bounded by Route 7 to the South, North Lake Avenue to the North and Lord Avenue to the West, and is currently zoned Agricultural.

Potential Environmental Impacts:

See attached Scope.

A copy of the Draft / Final EIS may be obtained from:

Contact Person: Hon. Philip H. Herrington, Supervisor

Address: Town of Brunswick
308 Town Office Road, Troy, New York 12180

Telephone Number: (518)279-3461

A copy of this notice must be sent to:

Department of Environmental Conservation, 50 Wolf Road, Albany, New York 12233-1750

Chief Executive Officer, Town/City/Village of

Any person who has requested a copy of the Draft / Final EIS

Any other involved agencies

Environmental Notice Bulletin, Room 538, 50 Wolf Road, Albany, NY 12233-1750

Copies of the Draft EIS must be distributed according to 6NYCRR 617.12(b).

**STATE ENVIRONMENTAL QUALITY REVIEW ACT (SEQRA)
FINAL SCOPING OUTLINE**

NAME OF ACTION: Hudson Hills Apartments – Luxury Apartment Homes

APPLICANT: Capital District Properties, LLC (CDP)

DESCRIPTION OF ACTION:

CDP is proposing a 1,116± unit residential development on 215± acres in the Town of Brunswick, NY. The project will be developed in four phases (see Section 2.3), with full build-out consisting of:

- 77± multi-family apartment buildings
- access roads and utilities
- appurtenances (i.e., cherry orchard, fire tower, gazebo, hiking trails, meeting room, media center, fitness center, swimming pool and clubhouse).

Primary access to the site is proposed as an extension to Betts Road (off of NYS Route 7). Secondary access to the site is proposed to be a new intersection with North Lake Avenue (County Route 144), in the vicinity of the Troy Reservoir west of Lakeridge Road. An emergency access route is proposed to connect with Belair Lane at the north end of Lord Avenue off of NYS Route 7. An application to rezone the project site from Agricultural to Planned Development District (PDD) has been submitted to the Town (see Attachment 1).

LOCATION OF ACTION: The site is bound by NYS Route 7 to the south, North Lake Avenue to the north, and Lord Avenue to the west; and is located in the Town of Brunswick, Rensselaer County, New York (see Figure 1).

Selection of the site was based in part on:

- proximity to Capital District employment opportunities (see Section 2.1)
- location within the NYS Route 7 Corridor (see Section 2.2)
- consistency with the Town of Brunswick's Comprehensive Plan (see Section 3.6)
- proximity to existing utilities (see Section 3.7)
- access to community amenities (Town Park/Beach, Community Center, vistas) (see Section 3.7).

SEQRA STATUS:

Type I	<input checked="" type="checkbox"/>
Type II	<input type="checkbox"/>
Unlisted	<input type="checkbox"/>

LEAD AGENCY: Town of Brunswick Town Board
Mr. Philip Herrington, Town Supervisor
308 Town Office Road
Troy, New York 12180

POSITIVE DECLARATION: Issued November 11, 2004

POTENTIALLY SIGNIFICANT ADVERSE ENVIRONMENTAL IMPACTS:

Based on the Town Planning Board's review of application materials submitted by CDP on September 9, 2004, the Board has determined that the proposed action may have a significant impact on the environment including impacts on traffic, drainage, wetlands, current visual appearance, and utilities.

PURPOSE OF SCOPING:

This Draft Scoping Outline has been prepared pursuant to Part 617 of the implementing regulations pertaining to Article 8 of the New York State Environmental Conservation Law (SEQRA). Scoping is a process that develops a written document ("scope") which outlines the topics and analyses of potential environmental impacts of an action that will be addressed in a Draft Environmental Impact Statement (DEIS).¹ The process for scoping is established in 6 NYCRR § 617.8.

The scoping process is intended to:

- facilitate public participation in the EIS process;
- permit inclusion of relevant, substantive public issues in the final written scoping outline;
- provide an opportunity for involved (permitting) agencies to identify information needs and analyses necessary to support their findings (decisions);
- focus on potentially significant adverse impacts and eliminate consideration of irrelevant or non-significant impacts

SCOPING OUTLINE CONTENT:

In accordance with 6 NYCRR § 617.8(f), the Scoping Outline contains:

1. a brief description of the proposed action;
2. the potentially significant adverse impacts identified in the positive declaration and as a result of consultation with other involved agencies and the public, including an identification of those particular aspects of the environmental setting that may be impacted;
3. the extent and quality of information needed for the preparer (Applicant) to adequately address each impact, including an identification of relevant existing information, and required new information, including the required methodology(ies) for obtaining new information;
4. an initial identification of mitigation measures;
5. the reasonable alternatives to be considered;
6. an identification of the information/data that should be included in an appendix rather than the body of the DEIS; and
7. those prominent issues that were raised during scoping and determined to be not relevant or not environmentally significant or that have been adequately addressed in a prior environmental review.

The preliminary Scoping Outline was filed on or about December 3, 2004. Comments were solicited from the public, including neighboring property owners. The comment period ran through January 5, 2005. Approximately nine written comments were received. Most of the commenters were nearby landowners or owners of property along North Lake Avenue. The substantive comments raised fall into the following general categories of impacts: traffic, visual, wildlife, community character, consistency with the Comprehensive Plan, and municipal resources (including schools).

¹ SEQRA Handbook (<http://www.dec.state.ny.us/website/dcs/seqr/handbook/index.html>)

The Final Scoping Outline has been updated to the extent appropriate to add any such issues not already included in the Preliminary Scoping Outline. Such issues will be addressed in the DEIS.

ENVIRONMENTAL IMPACT STATEMENT CONTENT (GENERAL):

In accordance with 6 NYCRR § 617.9(b), the extent and quality of information necessary to address procedural and substantive content requirements of the DEIS are summarized below:

1. The DEIS must assemble relevant and material facts upon which agencies decisions are to be made. It must analyze the significant adverse impacts and evaluate reasonable alternatives.
2. The DEIS must be clearly and concisely written in plain language that can be read and understood by the public. Within the framework presented in paragraph 617.9(b)(5) of this subdivision, The DEIS should address potential significant adverse environmental impacts that can be reasonably anticipated and/or have been identified in the scoping process. Highly technical material should be summarized and, if it must be included in its entirety, should be referenced in the statement and included in an appendix.
3. The DEIS and Final EIS (FEIS) must be preceded by a cover sheet stating:
 - whether it is a DEIS or FEIS;
 - the name or descriptive title of the action;
 - the location (county and town) and street address, if applicable, of the action;
 - the name and address of the lead agency (**Brunswick Town Board**) and the name and telephone number of a person at the agency who can provide further information;
 - the names of individuals or organizations that prepared any portion of the statement;
 - the date of its acceptance by the lead agency; and
 - in the case of a DEIS, the date by which comments must be submitted.
4. The DEIS (and FEIS) must have a table of contents following the cover sheet and a precise summary which adequately and accurately summarizes the statement.
5. The DEIS must include the following elements:
 - a concise description of the proposed action, its purpose, public need and benefits, including social and economic considerations;
 - a concise description of the environmental setting of the areas to be affected, sufficient to understand the impacts of the proposed action and alternatives;
 - a statement and evaluation of the potential significant adverse environmental impacts at a level of detail that reflects the severity of the impacts and the reasonable likelihood of their occurrence, including whenever applicable and significant:
 - reasonably related short-term and long-term impacts, cumulative impacts and other associated environmental impacts;
 - those adverse environmental impacts that cannot be avoided or adequately mitigated if the proposed action is implemented;
 - any irreversible and irretrievable commitments of environmental resources that would be associated with the proposed action should it be implemented;
 - any growth-inducing aspects of the proposed action;
 - impacts of the proposed action on the use and conservation of energy; and
 - impacts of the proposed action on solid waste management and its consistency with the state or locally adopted solid waste management plan.
 - a description of the mitigation measures;
 - a description and evaluation of the range of reasonable alternatives to the action that are feasible, considering the objectives and capabilities of the project sponsor. The description and evaluation of each alternative should be at a level of detail sufficient to permit a comparative assessment of

the alternatives discussed. The range of alternatives must include the no action alternative. The no action alternative discussion should evaluate the adverse or beneficial site changes that are likely to occur in the reasonably foreseeable future, in the absence of the proposed action. The range of alternatives might consider alternative:

- sites (site alternatives may be limited to parcels owned by, or under option to, a private project sponsor);
 - technology (*i.e.*, mitigation alternatives);
 - scale or magnitude;
 - design;
 - timing;
 - use; and
 - types of action (*i.e.*, any alternative for which no discretionary approvals are needed).
6. The DEIS (and FEIS) may incorporate by reference all or portions of other documents, including EISs that contain information relevant to the statement. The referenced documents must be made available for inspection by the public within the time period for public comment in the same places where the Lead Agency makes available copies of the EIS. When an EIS incorporates by reference, the referenced document must be briefly described, its applicable findings summarized, and the date of its preparation provided.
 7. The FEIS must consist of: the DEIS, including any revisions or supplements to it; copies or a summary of the substantive comments received and their source (whether or not the comments were received in the context of a hearing); and the lead agency's responses to substantive comments. The DEIS may be directly incorporated into the FEIS or may be incorporated by reference. Revisions and supplements to the DEIS must be specifically indicated and identified as such in the FEIS.

ENVIRONMENTAL IMPACT STATEMENT CONTENT (DETAILED):

1. Summary

The DEIS will include a precise summary which adequately and accurately summarizes the content of the DEIS. The summary will include narrative on the following:

- 1.1 Description of Action
- 1.2 Significant Impacts
- 1.3 Mitigation Measures
- 1.4 Alternatives Considered
- 1.5 Matters to be Decided

The summary section of the DEIS will provide the reader with a general understanding of the Hudson Hills project; potential impacts, mitigation and alternatives considered to minimize impacts; and permits and approvals necessary to construct and operate the project. A more detailed narrative and assessment of these issues will be provided in the remaining portions of the DEIS.

2. Description of Proposed Action

2.1 Project Purpose and Need (including benefits)

Hudson Hills Apartments are intended to be the premier luxury multi-family garden apartment complex in the Capital District. The project is intended to fulfill a housing need resulting from the growing influx of technology and research oriented job growth identified by the applicant's 30-mile

radius market research. The project's design, layout and sizing, as well as the proposed amenity package (see Attachment 1) are tailored to the following demographics:

- Empty Nesters (35%) – This would cover and afford high-level dwelling units for those in the 50+ age level who may no longer have children at home and which seek to offload what they may consider to be the burdens of home ownership.
- Young Professionals (35%) – The continuing influx into the Capital Region of young professionals has created what is called the upwardly mobile, dual-earning family structure.
- Young Emerging Families (30%) – The residential community is tailored for the prior two demographic groups. However, it is believed that a strong market exists for young marrieds in the professional fields who may have one or two young children and are en route to private home ownership.

Based on information compiled by the Capital District Regional Planning Commission, the populations of the Town of Brunswick and Rensselaer County have grown since 1980, with the trend expected to continue through 2040. The DEIS will rely upon industry and applicant generated residential market materials to document the need for this type of project at this location.

In addition to providing for a housing need, the DEIS will also identify project-related socio-economic benefits including:

- Increased property tax revenue to the Town
- Increased school district revenue (Brittonkill, Lansingburgh)
- Increased recreational fee revenue to support Town amenities such as the Town Beach, Town Park, Community Center and athletic fields
- Increase in new residents who will patronize local businesses and aid economy.

The project will also provide for community benefit areas consisting of:

- Cherry Orchard – The entrance off of Betts Road consists of an approximately 7 to 10 acre parcel. The parcel will be planted with approximately 1,200 flowering cherry trees in what will be a Memorial Garden for those who gave their lives in the service of our country. The Memorial Garden will include a 50 to 60-foot illuminated flagpole, a gazebo, and numerous benches. The Memorial Park will be available to all Brunswick residents for July 4th, Memorial Day, Veteran's Day, and Flag Day ceremonies, as well as other occasions, which help to draw the community together. It is anticipated that the Memorial Garden would be planted during Phase I.
- Fire Tower – An observation tower (*i.e.*, Adirondack Mountain style fire tower) will be constructed at approximately the highest promontory point on the site. The tower will afford both residents and local school children views of the surrounding vistas. The tower will be provided with elevator access for the handicapped, as well as a learning center at the base to include dioramas of the surrounding terrain, habitats and wildlife.

2.2 Location

The 215± acre project site is located in the Town of Brunswick, New York and is bound by NYS Route 7 to the south, North Lake Avenue (County Route 144) to the north, and Lord Avenue to the west. The location is intended to take advantage of the long view corridors to the east, south and north; without significantly impacting existing viewsheds by making use of the property's gentle undulating topography.

Consistent with the Town's Comprehensive Plan (February 2001), the project is located within the NYS Route 7 Corridor, an area preferred for growth supported by existing utilities. In addition, the site is located adjacent to (east of) an existing multi-family apartment complex.

2.3 Preliminary Design and Layout

The DEIS will include concept plans that illustrate the configuration of the project being evaluated in the SEQRA process. The concept plans represent the maximum build-out of the phased project. Facilities and amenities proposed for each phase will also be identified. As currently proposed, the project consists of the following components:

Phase I

Phase I consists of 324 apartment units within 24 multi-unit apartment structures (nine 16-plex units and fifteen 12-plex units) constructed on approximately 59-acres. Phase I is centrally located in the proposed Hudson Hills development area. The proposed primary access road under Phase I will be Betts Road accessing NYS Route 7 North. Additional Phase I construction includes the installation of utility service mains (for total development [Phases I to IV] capacity requirements) and utility service laterals to Phase I apartments, Phase I apartment access roadways and landscaping, and the cherry orchard. The orchard is proposed to occupy the landscape/hillside facing the goose pond/overlook. It will be located at the primary entrance off of Betts Road, at the southern portion of the development. The limits of work under Phase I will include utility and roadway terminations for future phase utility connections and roadway extensions.

Phase II

Phase II consists of approximately 71-acres of additional development including 344 apartment units within 23 multi-unit apartment structures (seventeen 16-plex units and six 12-plex units). Phase II is located at the northeastern portion of the proposed development area. Phase II construction also includes Phase II apartment access roadways, utilities, and landscaping for the Phase II development area. North Lake Avenue access will be explored to determine need during this phase.

Phase III

Phase III will be constructed on approximately 60-acres and will consist of 320 apartment units within 22 multi-unit apartment structures (fourteen 16-plex units and eight 12-plex units). Phase III is located at the northwestern portion of the proposed Hudson Hills development area. Phase III construction also includes Phase III apartment access roadways, utilities, and landscaping for the developed Phase III development area.

Phase IV

The final phase (Phase IV) will be constructed on approximately 25-acres and will consist of 128 apartment units within eight 16-plex apartment buildings. Phase IV is located at the southeastern portion of the proposed Hudson Hills development area, to the east of the Phase I area and the cherry orchard. Phase IV construction includes Phase IV apartment access roadways, utilities, and landscaping within the Phase IV development area. The fire tower will also be constructed during Phase IV.

Potential impacts resulting from the proposed build-out will be evaluated in the DEIS by "overlying" the project on baseline (existing) environmental and socio-economic conditions and identifying resources that may be impacted, the magnitude and timing of the impact (Project Phase, Construction vs. Operation). Mitigation to reduce or eliminate impacts will also be identified for each resource. As with the timing of the impact, proposed mitigation may also be linked to a particular development phase. In addition, incorporating an identified alternative (see Section 4) may further mitigate some impacts. The DEIS section describing the "Preliminary Design and Layout" will be divided into the following topics:

- Site Area (building layouts)
- Structures (including uses, square footages, building heights, and descriptions of architectural elements, styles and materials)
- Open/Green Space
- Parking (location, layout and number of spaces)
- Access/Egress
- Utilities and Storm Water Management
- Erosion and Sedimentation Control (E&SC)
- Signage, Landscaping and Lighting

2.4 Construction Activities

The DEIS will address potential impacts on the environment from construction. Consequently, this section of the DEIS will identify the anticipated types of construction activities (*i.e.*, grading, excavation, building/infrastructure, need for blasting, etc.), phasing of construction, and construction duration. Construction of Phase I is anticipated to begin in 2005, with subsequent phases initiated based on housing market demands. The anticipated construction lengths will be identified in the DEIS.

2.5 Approvals Needed (including listing of required permits and jurisdictional agencies)

In addition to the Town of Brunswick, information and assessments in the DEIS will also be utilized by other permitting and approving agencies in their decision making processes. This Section of the DEIS identifies those other jurisdictional agencies and the permits/approvals that will be required to implement the project. Anticipated approvals are summarized in Table 1.

Table 1. Potential permits, approvals, and consistency reviews.

Permit	Activity	Agency
<u>Federal</u>		
1. Section 404 of the Clean Water Act	Placement of dredged or fill material in waters of the United States (including federal wetlands)	USACOE
<u>State</u>		
2. State Pollutant Discharge Elimination System (GP-02-01)	Storm water discharges from construction phase activities that exceed 1 acre	NYSDEC
3. Freshwater Wetlands (6 NYCRR Part 663-664)	Construction activities potentially affecting State-regulated wetlands and 100-buffer zone (State Wetland No. TN-106 & Goose Overlook)	NYSDEC
4. 401 Water Quality Certification	Activities that impact New York State waters.	NYSDEC
5. Federal & State Preservation Laws (36 CFR Part 800) (9 NYCRR Part 428)	Activities affecting historic, architectural, archaeological, or cultural resources	NYSOPRHP
6. Highway Permit	Work within State Highway ROWs (NYS Route 7)	NYSDOT
<u>Local</u>		
7. State Environmental Quality Review	Environmental Review	Town of Brunswick (Lead Agency)
8. Highway Permit	Work within County and Town Road ROWs (North Lake Avenue, Betts Road, Lord Avenue)	RCHD, Town of Brunswick Highway Department
9. Water Improvements	Extension of and tie-in to public water supply	Town of Brunswick, NYSDOH, RCDOH
10. Sewer Improvements	Extension of and tie-in to public sanitary sewer	Town of Brunswick, NYSDOH, RCDOH
11. Zone Change	Zone change from Agricultural to PDD	Town of Brunswick Zoning Board of Appeals, Planning Board, and Town Board
12. GML § 239 Review	Review of zone change application by County Planning Board	County Planning Board

Acronyms:

CFR – Code of Federal Regulations

GP – General Permit

3. Environmental Impacts

3.1 Geology

The DEIS will identify and evaluate potential impacts to existing geologic conditions including impacts to:

- Subsurface (bedrock)
- Surface (soils)
- Topography (slopes).

Information from the Soil Survey of Rensselaer County, New York published by the United States Department of Agriculture (USDA) Natural Resources Conservation Services (formerly Soil Conservation Service) will be relied upon to describe surface (soil) and subsurface (bedrock) conditions. Preliminary information on soil types located on the project site was presented in the Environmental Assessment Form (EAF) (see Attachment 2).

A topographic survey has been prepared and will be relied upon to describe existing grades. The site is comprised of undulating topography including several areas of slopes that exceed 15%.

The information will be utilized to assess the following site-specific conditions:

- erosion potential (stability) of the soils during construction (earthwork) activities and long-term occupancy of the site
- use of on-site materials in construction (foundations, berms, landscaping, etc.)
- constructability issues (including need for blasting)
- extent of cuts and fills; soils to be imported and exported
- permeability of soils and impact on storm water management
- presence of steep slopes and impact on erosion potential and storm water runoff.

The applicant will also evaluate the potential for localized impacts to:

- adjacent landowners
- down-gradient land uses (including New York State Department of Environmental Conservation [NYSDEC] wetland/goose overlook, Town Beach, etc.).

The DEIS will identify mitigation to address potential impacts. Mitigation will include:

- Preparation of a Storm Water Pollution Prevention Plan including an E&SC Plan prepared in accordance with Town and NYSDEC standards to mitigate construction phase impacts.
- Long-term storm water management controls such as detention basins, stone check dams to control the rate and quality of runoff prior to leaving the site. Additional information is provided below in Section 4.2.
- Use of landscaping to minimize erosion potential

3.2 Water Resources

The DEIS will identify and evaluate potential impacts to existing water resources including impacts to:

- Ground Water (including depth, quality/quantity and direction based on readily available published sources, uses)
- Surface Water
 - On-site and Adjacent Waterbodies (classifications and uses)
 - Stormwater Runoff (existing pre-construction conditions – quantity and quality).

Ground water. Existing information published in the Soil Survey will be relied upon to evaluate potential impacts during construction created by proximity of the seasonal ground water table to the surface. Preliminary information was included in the EAF (Attachment 2). Potential impacts to be assessed in the DEIS include:

- potential to encounter ground water during excavations
- impact of ground water depth on slope stability.

Surface water. Based on information compiled in the EAF, two streams extend across the site: an unnamed tributary to Sweet Mill Creek (Tributary No. H-236-7-P410a) and an unnamed tributary to the Hudson River (Tributary No. H-238-P462). Both tributaries have been given a class "C" designation by New York State (6 NYCRR § 863.6). Under existing conditions, storm water either infiltrates to the subsurface, is conveyed to these on-site streams or runs off the site by overland flow.

In addition, a NYSDEC-regulated freshwater wetland (TN-106) is located down-gradient of the site along NYS Route 7. Wetland TN-106 is a 19± acre open water wetland that receives drainage from upland areas (including the project site). The NYSDEC installed a goose overlook at this location. Mapping published by the United States Fish and Wildlife Service (National Wetland Inventory) indicate the presence of several federally-regulated wetlands on the project site. A federal wetland delineation performed in accordance with United States Army Corps of Engineers guidelines will be conducted to identify federal wetland boundaries. A copy of the delineation (including boundaries) will be appended to the DEIS.

The former Troy reservoir is located on the north side of North Lake Avenue north of the project site. While not currently utilized as a water supply source, the former reservoir is the site of the Town's park and beach.

Potential impacts to be assessed in the DEIS include:

- impacts to storm water quality and quantity during construction and operation phases
- water quality and quantity impacts on down-gradient uses (including the NYSDEC wetland and former Troy reservoir).

A storm water management plan will be developed to assess pre- and post-construction storm water drainage areas and discharge points. Storm water quantities and rates of flow will be identified. Guidelines presented in the USDA's Natural Resource Conservation Service Technical Release No. 55 (TR-55) will be utilized to develop these assessments. Findings will be presented in an Appendix to the DEIS.

The DEIS will identify mitigation to address potential impacts. Mitigation will include:

- Installation of storm water management controls to manage storm water such that flows discharged off-site (under specific storm events) do not exceed pre-development rates. Existing discharge points will be utilized to the extent practicable.
- Tie-ins to existing storm water conveyance systems. Coordination with jurisdictional agencies (NYSDEC, New York State Department of Transportation [NYSDOT], etc.) will be summarized in the DEIS.
- Implementation of E&SC features (see above) to mitigate potential impacts to storm water quality.

3.3 Air Quality

Based on the type of development (residential), significant project-related impacts to air quality are not anticipated. Apartment complexes will be provided with roof-top vents for comfort heating/cooling and bathrooms. These types of emissions are considered trivial and exempt from New York State air permitting requirements.

The DEIS will rely upon existing published New York State Ambient Air Monitoring System data to establish existing pollutant levels. Potential project-related impacts to existing air quality to be evaluated in the DEIS consist of:

- construction-related (*i.e.*, generation of dust and Carbon Monoxide) from construction vehicles
- vehicle emissions from residents (due to project-related changes in post-development highway operating conditions, see Section 3.5).

As identified in Section 3.1, the DEIS will assess the potential for erosion (and dust generation) during construction phase activities. In addition, the DEIS will included a traffic impact study (see Section 3.5) to assess potential changes in highway levels-of-service (and potential delays and vehicle idling) related to increased vehicle trips generated by the project.

The DEIS will identify mitigation measures to reduce or eliminate dust and vehicle emission impacts including:

- dust control (*i.e.*, vehicle washing, track-out control, watering)
- vehicle emission controls
- phased highway improvements necessary to provide safe and adequate access and egress from the site.

3.4 Terrestrial and Aquatic Ecology

The DEIS will assess the potential for project-related activities to significantly impact terrestrial and aquatic ecology including direct impacts created by habitat loss and wildlife displacement from site clearing and facility construction activities, and indirect impacts from sedimentation in storm water run-off to off-site aquatic resources (*i.e.*, streams, NYSDEC and federal wetlands, Troy Reservoir). Topics to be evaluated in the DEIS consist of:

- Vegetative Cover
- Habitat Types and Rankings
- Wildlife
- Wetlands (including type, size and functions)
- Endangered and Threatened Species
- Critical Habitats
- Critical Environmental Areas.

The evaluation will be based on a combination of site reconnaissance and a review of existing published data ("Ecological Communities of New York State", 1990). Based on information included in the EAF (Attachment 2), the existing site consists of a combination of agricultural fields, brushland and wooded areas. The "elemental rank" value assigned to these habitats by the NYSDEC's New York Natural Heritage Program, indicates that the observed habitats are common and are considered "apparently" or "demonstrably" secure throughout their range including New York State. The DEIS will include discussion of impacts on wildlife and their habitat.

The initial site reconnaissance did not indicate the presence of endangered/threatened species or critical habitats. In addition, the project site is not listed on the NYSDEC's list of established Critical Environmental Areas. Findings will be confirmed with the NYSDEC Natural Heritage Program and United States Fish & Wildlife Service and information included in the DEIS.

The site is located adjacent to areas known to be important to the community including the NYSDEC freshwater wetland (TN-106) with its goose overlook, Troy Reservoir and Town Beach. Potential indirect impacts to these resources (storm water runoff, visual, etc.) will be evaluated in the DEIS. Impacts to on-site federal wetlands will also be assessed. Federal wetland boundaries will be field delineated in accordance with United States Army Corps of Engineers (USACOE) guidelines. A copy of the delineation including identification of potential encroachment areas will be included in the DEIS.

The DEIS will identify mitigation measures to reduce or eliminate significant adverse impacts to aquatic and terrestrial habitats. These measures will include:

- Limiting construction disturbance areas to the minimum area required.
- Implementation of an E&SC plan to eliminate off-site impacts.
- Implementation of a Storm Water Pollution Prevention Plan (SWPPP) and storm water management controls to manage storm water flows on and off the site.
- Identification of a wetland mitigation plan in response to unavoidable encroachments on federal wetlands.
- Use of architectural elements, styles and materials, as well as the site's undulating topography to reduce potential visual impacts.

3.5 Transportation

The project will result in the generation of traffic accessing and egressing the site from proposed site entrances. Project impacts from the use of North Lake Avenue as a secondary access point is a primary concern of area residents. Impacts on the existing road network from this additional traffic will be assessed in a traffic impact study prepared for the project. The study, appended to the DEIS, will evaluate impacts to:

- the existing road network in the vicinity of the site (including existing road capacity/traffic conditions/geometry [access/egress issues, curves, road widths], site distances, assessment of safe speeds, accident data)
- traffic patterns and volumes (including existing peak hour levels-of-service [operating conditions])
- pedestrian and bike traffic
- North Lake Avenue resulting from establishment of the new access point as part of Phase II, including evaluation of such new access point as a connector road between Route 7 and North Lake Avenue
- neighboring property owners from vehicle exhaust.

Evaluation of the following roads and intersections are proposed:

- Betts Road and Wilrose Lane
- NYS Route 7 (in the vicinity of and including the intersection with Betts Road)
- North Lake Avenue (County Route 144) (segment between NYS Route 142 to NYS Route 7)
- Lord Avenue
- other intersections located within a reasonable distance of the project and which the traffic engineer projects as experiencing an increase of 100 vehicles per hour on any single approach during peak hour as a result of project-generated traffic. Such analysis, to the extent triggered, will be completed for the phase of the project which hits the threshold.

In response to several scoping comments received, new traffic count data will be used in the evaluation. New planned developments in the area (*i.e.*, applications submitted to Town) will be considered in the evaluation as explained more fully in Section 7.4 below. Existing publications will also be relied upon including: Highway Capacity Manual, ITE Trip Generation Manual, American Association of State Highway and Transportation Officials (AASHTO) guidelines.

Based on the results of the traffic impact evaluation, mitigation may consist of the implementation of highway improvements (*i.e.*, turning lanes, sidewalks, signals, etc.) as appropriate. Necessary improvements by project phase will be identified in the DEIS. In addition, the Contractor will be responsible for maintaining safe and adequate traffic flow during construction phases. Components of a "Maintenance and Protection of Traffic Plan" will be identified in the DEIS. Plan components will be based on the New York State Manual of Uniform Traffic Control Devices (MUTCD).

3.6 Land Use and Zoning

The project site is located within an area currently zoned as "Agricultural". The DEIS will evaluate the impact of modifying the zoning from "Agricultural" to "Planned Development District" taking into account the Town's Comprehensive Plan (2001), the site's location within the NYS Route 7 Corridor, PDD as a preferred development tool, existing surrounding land uses including single and multi-family residential, and proximity to existing community amenities (*i.e.*, Town Beach, NYSDEC wetland/goose overlook, etc.). Based on comments received, this evaluation will include an assessment of the project's consistency with the Comprehensive Plan, including establishment of multi-family residences in this area and "practices to conserve wetlands and natural vegetation, and maintain natural habitats for the proper management of natural wildlife." The DEIS will rely on existing, readily available information including the Town's existing zoning code and Comprehensive Plan, as well as project-specific field studies (storm water evaluation [see Section

3.2], watershed analysis [see Section 3.9]) to assess the project's impacts on and consistency with existing land uses. The DEIS section on Land Use and Zoning will be broken down into the following subsections:

- Existing Land Uses in Project Area (including Agricultural District)
- Recognized Environmental Conditions (from past or existing land use on project site)
- Existing Zoning (including the need [if any] for area or use variances)
- Existing Land Use Plans
 - Town Comprehensive Plan

Mitigation will be identified to minimize or eliminate project-generated impacts. Mitigation to be assessed in the DEIS may include:

- use of the undulating topography, landscaping, greenspace/buffers, and proposed community amenities (*i.e.*, cherry orchard) to minimize adverse impacts to existing surrounding land uses;
- use of architectural elements, styles and materials to mute potential visual impacts;
- identification, design and implementation of storm water management facilities such that off-site flows do not adversely impact existing surrounding downstream uses (residents, NYSDEC wetland/goose overlook, Town Beach, existing highway drainage systems).

3.7 Community Services

The DEIS will address potential project-related impacts to community services including utilities; fire, police and ambulance service; solid waste management; school districts; and recreational facilities.

Utilities. The project will utilize existing utilities located at or proximal to the project site. Existing services include:

- Water (potable and fire protection) – Water service in the vicinity of the proposed Hudson Hills development includes two different operating pressure systems. The Tibbetts Road water storage tank (4 to 6 million gallon storage capacity) located in the City of Troy services the lower operating pressure system. This low-pressure system includes a 12-inch diameter water main along New York State Route 7 that extends up to a pressure reducing valve pit on New York State Route near McChesney Avenue located east of Betts Road. The low-pressure system connects to a higher operating pressure water system (high-pressure system) at this pressure reducing valve pit. The low-pressure system is understood to be operating at approximately 40 psi at the pressure reducing valve pit. The low-pressure system also includes a water main along North Lake Avenue that feeds the Town of Brunswick water storage tank (see below) located east of NYS Route 142. The North Lake Avenue water main feeds a booster pump near the Troy Reservoir that lifts the water to the Town of Brunswick storage tank, via a 16-inch diameter water main.

The Town of Brunswick water storage tank (2 million gallon storage capacity) services the high-pressure system. The Town has indicated that the high-pressure system operates at approximately 90 psi at the pressure reducing valve pit on NYS Route 7 near McChesney Avenue. The high-pressure system distributes water to the Town of Brunswick via a large (18-inch to 24-inch diameter) water main running south along NYS Route 142. The high-

pressure system also services areas along NYS Route 7 via an existing water main that extends to the pressure reducing valve pit near McChesney Avenue.

The Town of Brunswick has suggested the pressure reducing valve pit on NYS Route 7 be relocated to a point west of Betts Road, to allow the high-pressure water system to be tapped for servicing the proposed Hudson Hills development. The Town recently suggested the high-pressure system may operate at 135 psi, but flow test data would be necessary to verify the operating pressure. The high-pressure system operating pressure would need to be confirmed prior to performing an assessment for servicing the proposed development. The initial assessment for servicing the site, based on the 90-psi operating pressure, suggests supplemental pumping and potential water storage may be necessary to service the proposed apartments to be located at higher elevations. A connection to the North Lake Avenue water main (high-pressure side of booster pump) would also help service the site by reducing friction losses (through shorter pipe service lengths) to the proposed northern apartment areas, under Phases II and III.

Sewer – Sanitary wastes generated from business and residences along New York State Route 7 are conveyed to an existing municipal wastewater treatment plant (WWTP) located in the City of Troy. Based on information provided by the Town Water and Sewer Superintendent and Town Engineer, an existing 12-inch diameter gravity line extends westerly along New York State Route 7 from McChesney Avenue to the City of Troy. An 8-inch diameter sanitary sewer gravity line extends west along the northern right-of-way of New York State Route 7, (crossing Route 7 approximately 330 feet west of Betts Road) conveying sanitary wastes to a sanitary pump station located south of the existing Wal-Mart. This pump station also receives sanitary flows from residential development on Brunswick Drive located west of the pump station. Sanitary wastes are pumped via a force main to a sanitary manhole at the eastern McChesney Avenue/NYS Route 7 intersection. Sanitary flows are subsequently conveyed via the 12-inch diameter gravity line from this manhole to the WWTP.

The Town has indicated that the sanitary pump station does not have a flow metering device, but that it is likely that the capacity of the sanitary pump station would not be sufficient for Phases II and IV of the Hudson Hills development without improvements. Additional information is necessary to confirm if the pump station has available capacity for Phase I development.

- Electric/Natural Gas – Existing services owned and maintained by Niagara Mohawk – A National Grid Company (Niagara Mohawk) will be extended onto the site to provide service to residents. Existing services are located along NYS Route 7 and North Lake Avenue. Service extensions will be coordinated with Niagara Mohawk and secondary impacts and mitigation to minimize or eliminate impacts discussed in the DEIS. The DEIS will also address the existence of a Niagara Mohawk high pressure gas main that extends across the project site.
- Telephone/Cable – Existing telephone and cable services will be extended on to the site from existing locations along NYS Route 7 and North Lake Avenue. Significant impacts to existing capacities or to the environment from secondary construction-related impacts are not anticipated.

Existing utility locations (including piping, pump stations, rights-of-way) will be verified in the DEIS. Project-related utility needs will be identified and compared to existing capacities and limiting factors (i.e., pumping, treatment, pipe size, pressure, etc.). Infrastructure improvements (including extensions) will be identified and their secondary impacts evaluated. Long-term ownership and maintenance of on-site infrastructure (i.e., roads, utilities, storm water management facilities) will be coordinated with the Town, Town Engineer and other jurisdictional authorities, with findings incorporated into the DEIS.

Police, fire and ambulance services. Community protective services will be relied upon by project residents. Brunswick Fire Company No. 1 is a volunteer company that is responsible for first response fire protection and suppression, rescue and emergency medical services in the Town of Brunswick. The Mountain View Volunteer Fire Company also serves the region. Police services are provided by the Rensselaer County Sheriff's Department and New York State Police. Local fire and police services are supplemented and supported by the County's Mutual Aid program.

Potential project-related impacts to these services will be discussed in the DEIS and will rely upon discussions with local fire and police officials. Discussions with local officials will include the adequacy of Lord Avenue for use as an emergency access route.

Waste management. Construction and operation phase activities will generate solid waste. Waste generation is not anticipated to result in a significant adverse environmental impact. Waste materials will be managed in accordance with applicable handling, transport and disposal regulations. Existing solid waste management facilities will be utilized. Impacts on the Town's recycling center will also be assessed.

The DEIS will identify mitigation measures to reduce or eliminate potential project-related impacts to community services. Utility extensions and service connections will be coordinated with applicable jurisdictions and appropriate mitigation employed during construction activities (i.e., E&SC, traffic control measures, etc.). Potential impacts to the capacities of existing community services will be offset by an increase in revenues (property and school taxes, recreational fees).

Public schools/school districts. The project site is located within two school districts: Brittonkill and Lansingburgh. Although the demographic objective of the project is to attract primarily "Empty Nesters" and "Young Professionals" (see Section 2.1), a portion of the apartments will be occupied by families with children, thus increasing the local student population. The DEIS will assess the impacts of the project on existing school districts, including existing facilities.

Recreational facilities. The Town provides recreational facilities to its residents. These include the Town Park and Beach located along the Troy Reservoir, as well as the Community Center and athletic fields. Town residents pay an annual recreational fee to facilitate the maintenance and operation of these facilities and associated services. The project's impact on these facilities and services will be evaluated in the DEIS.

Municipal revenues. The DEIS will include an analysis of the overall and net effect of the project on Town and County revenues. Increased revenues will be compared to increased costs, if any, for services and utilities such as schools, water, sewer, police and fire protection.

3.8 Demography

The DEIS will include a narrative discussion on existing population and housing trends for the Capital District (including the Town of Brunswick and Rensselaer County). Existing information published by New York State and the United States Census will be relied upon. The DEIS will include an evaluation of the potential project-related impacts created by the increase in housing and population including:

- socio-economic impacts (taxes, etc.) (Section 2.1)
- impact on transportation (Section 3.5)
- impact on community services (Section 3.7)
- growth-inducing aspects (Section 7).

3.9 Cultural Resources (proximal to site)

The project site is not located on or adjacent to any site listed on the State or National Registers of Historic Places or Register of National Natural Landmarks (see Attachment 2). The site is not located adjacent to sensitive receptors (churches/synagogues, senior housing, etc.), but is located proximal to other residential uses (single and multi-family). In addition, the site is located near resources that are important to the community (NYSDEC wetland [TN-106] and goose overlook, Troy Reservoir and Town Beach, vistas). The project's potential to impact these cultural resources will be evaluated in the DEIS under the following categories:

- visual impacts (aesthetics/viewshed/lighting)
- historic & archaeological (including State and National Register of Historic Places)
- noise
- community character.

Visual impacts. The proposed heights of project-related facilities will be evaluated for consistency with Town Code building height requirements. In addition, a viewshed analysis will be conducted to evaluate potential impacts created by the construction of multi-family residential structures on the project site. Visual impacts associated with the proposed observation tower, flagpole and gazebo will also be assessed. The assessment will be conducted in accordance with NYSDEC guidelines (Assessing and Mitigating Visual Impacts, DEP-00-2). Impacts will be evaluated from the following locations:

- Wilrose Lane
- New York State Route 7 (in vicinity of Betts Road)
- North Lake Avenue frontage
- Town Beach.

Findings including recommendations will be incorporated into and appended to the DEIS. It is anticipated that the existing undulating topography and incorporation of the cherry orchard (as a buffer) will minimize potential impacts from adjacent land uses and NYS Route 7. These features as potential mitigation will be evaluated in the DEIS. The DEIS will also include elevation profiles of proposed facilities to illustrate architectural elements, styles and materials. These profiles were included in the PDD application (Attachment 1). Project-related exterior lighting fixtures (*i.e.*, street lighting, building entrance/security lighting) will be described and their impacts on surrounding existing land uses will also be evaluated.

Archaeological sensitivity. Existing information will be relied upon in the DEIS to evaluate potential impacts to archaeological and historical resources including:

- information compiled by the New York State Office of Parks, Recreation and Historic Preservation – Field Services Bureau (SPHINX System)
- coordination with the Town Historian (Ms. Sharon Zankel).

In accordance with State and federal preservation laws, the applicant will work with involved State agencies to identify the level of additional consultation and/or investigations that may be necessary with the Field Services Bureau. A cultural resource investigation is not proposed at this time.

Noise. Significant noise impacts are not anticipated. Noise will be generated during construction phase activities, but impacts are considered short-term. The DEIS will include a narrative discussion of potential construction phase noise sources including construction vehicles, equipment and activities; as well as operation phase noise sources such as vehicle traffic. Even though the magnitude and duration of noise impacts is not considered significant for this type of use, potential construction and operation phase noise impacts will be evaluated in accordance with "Assessing and Mitigating Noise Impacts" (DEP-00-1) Standard mitigation including the proper muffling and upkeep of vehicles and equipment, and limiting construction activities within daylight hours will be discussed in the DEIS. An anticipated construction schedule will be included in the DEIS, including typical hours of construction:

Community character. The DEIS will include a narrative discussion of potential project-related impacts to the existing community character. The evaluation will take into account the changing character of the Town in the vicinity of Route 7, and will be based on the project's consistency with the Town's Comprehensive Plan, as well as the project's potential to impact previously identified community resources. The impact of project-caused traffic increases on community character will also be discussed. Impacts resulting from development of the project on the character of neighboring properties (including any impacts resulting from possible changes in property values) and an increase in population will also be evaluated. Mitigation will be identified as necessary and will include previously identified measures (i.e., E&SC, storm water management, traffic controls/highway improvements, architectural features, etc.).

4. Adverse Environmental Effects That Cannot Be Avoided (including magnitude and timing)

The DEIS will identify adverse environmental impacts that cannot be avoided or adequately mitigated if the proposed action is implemented. The extent of these impacts is not known at this time, but will be identified as impacts and mitigation are assessed in the DEIS process. Such impacts will be identified for each DEIS environmental baseline issue:

- 4.1 Geology
- 4.2 Water Resources
- 4.3 Air Resources
- 4.4 Terrestrial and Aquatic Ecology
- 4.5 Transportation
- 4.6 Land Use and Zoning
- 4.7 Community Services
- 4.8 Demographics
- 4.9 Cultural Resources
- 4.10 Alternatives

For unavoidable adverse environmental impacts that cannot be adequately mitigated, the DEIS will identify potential alternatives that would eliminate or further reduce such impacts. The alternatives discussion will address:

- locations (limited to parcels owned by or under option to CDP)
- site configurations (layouts)
- scale or magnitude (including smaller size, less units)
- architectural design, styling and building material selection.

5. Alternatives

- 5.1. Alternative Configurations (including phasing and layout)
- 5.2. Alternative Land Uses (commercial and single family)
- 5.3. Alternative Scales (smaller and larger)
- 5.4. No Action.

6. Irreversible & Irretrievable Commitment of Resources

The DEIS will include a narrative discussion of any irreversible and irretrievable commitments of environmental resources that would be associated with the proposed action should it be implemented including resources associated with:

- 6.1 Geology
- 6.2 Water Resources
- 6.3 Air Resources
- 6.4 Terrestrial and Aquatic Ecology
- 6.5 Transportation
- 6.6 Land Use and Zoning
- 6.7 Community Services
- 6.8 Cultural Resources

7. Growth Inducing Aspects

7.1 Population

All other considerations equal, occupancy of the proposed full build-out of the project will result in an increase in the Town's population. The DEIS will rely upon housing industry and Capital District planning data, as well as existing New York State and United States Census data to evaluate impacts related to anticipated job growth, need for housing, and associated population increases.

7.2 Support Facilities

An increase in population will result in an increased demand on support facilities including utilities; highways; fire, police and ambulance services; school districts; and community recreational amenities (Town Beach, Community Center, etc.). The DEIS will evaluate potential impacts to these

support facilities including potential beneficial economic impacts (i.e., sales tax revenue, property and school tax revenue, recreational fees).

7.3 Development Potential

Site and utility improvements have the potential to facilitate future development in the vicinity of the project, thus increasing density and demand for additional public services and commercial development. The DEIS will examine the potential growth inducing aspect of the project.

7.4 Cumulative Impacts

The project is proposed to occur in an area of the Town of Brunswick which has seen substantial growth in the past five to ten years. It is located close to a major interstate thoroughfare. Accordingly, it can reasonably be expected that, whether or not induced by the project, additional development will be proposed in the vicinity of the project, resulting in additional impacts to the existing environment. In fact, it is applicant's understanding that Wal-Mart has proposed, or is about to propose, a ±200,000 square foot super center at the northwesterly corner of Route 7 and Betts Road, immediately south of the project. Such project is proposed to access, in part, Betts Road, which will result in traffic being added from both the project and Wal-Mart. In addition, there may be other appropriate areas of environmental concern, such as water usage, sewer usage, visual impacts, various traffic-related concerns, vegetation and wildlife, area character and demand for utilities and other community services.

In order to address these issues, the applicant has proposed to include in the DEIS a section entitled "Cumulative Impacts." Such section will generally and qualitatively identify and assess, to the extent reasonable, the above-referenced impacts taking into account both projects. To the extent the Wal-Mart application proceeds and the Town Board acts as lead agency, the contemplated environmental impact statement for that project should be required to assume this project has been fully built out. Therefore, in preparing the Wal-Mart EIS, the projected impacts of the project will be incorporated into the no-build/existing condition. This is a reasonable approach for the Town Board to use to identify and examine the total impacts resulting from both projects while at the same time recognizing that they are two separate and independent projects.

8. Effects on Use and Conservation of Energy

The project will utilize electric and gas supplies provided by Niagara Mohawk (see Section 3.7). CDP will coordinate with Niagara Mohawk to identify adequate supply. The DEIS will address the following energy-related topics:

- 8.1 Proposed Energy Sources and Alternatives**
- 8.2 Anticipated Short-Term/Long-Term Levels of Energy Consumption**
- 8.3 Indirect Effects on Energy Consumption**
- 8.4 Energy Conservation Measures (including consistency with NYS Energy Code)**

9. References

The DEIS will include a list of underlying studies, reports and other information obtained and relied upon in preparing the document.

10. Appendices

Project specific studies and agency correspondence relied upon in preparing the DEIS will be appended. Information will include:

- Final Scoping Outline
- Agency Correspondence
- Wetland Delineation
- Traffic Impact Evaluation
- Pre- and Post-Stormwater Analysis
- Storm Water Quality Analysis
- Viewshed Analysis
- Technical Studies/Exhibits Relied Upon To Prepare DEIS.

RESOLUTION NO 58, 2005

TOWN OF BRUNSWICK
REGULAR MEETING

June 9, 2005

RESOLUTION TO EFFECT CHANGES IN THE FEBRUARY 2005
WATER AND SEWER ROLL

WHEREAS, certain errors were made in the Town of Brunswick Water and Sewer Rolls for the period June 1, 2004 through December 1, 2004, as indicated by the attached list of accounts, owners, billings and the reason therefore, attached hereto and made a part of this Resolution; and

WHEREAS, the corrected total water billed for the period is \$395,321.14, the corrected total sewer billed is \$16,538.76, and the Sewer District No. 6 billing remains the same at \$15,279.97, for a corrected total billing of \$427,139.87; now, therefore

BE IT RESOLVED, that the original billings for the period June 1, 2004 through December 1, 2004, on the water and sewer rent rolls for the accounts and owners contained in the attached list shall be erased and stricken and the charges contained in the corrected billing as shown be entered in the water and sewer rent rolls for said period accordingly.

The foregoing Resolution, offered by Councilman Salvi, and seconded by Supervisor Herrington, was duly put to a roll call vote as follow:

COUNCILMAN SALVI	VOTING	Aye
COUNCILMAN ABRAMS	VOTING	Aye
COUNCILMAN CLEMENTE	VOTING	Absent
COUNCILMAN POLETO	VOTING	Aye
SUPERVISOR HERRINGTON	VOTING	Aye

The foregoing Resolution was thereupon declared duly adopted.

Local Law Filing

TOWN OF BRUNSWICK

Local Law No. 1 For the Year 2005

A Local Law Providing for an Emergency Services Rapid Access System in the Town of Brunswick

Be it enacted by the Town Board of the Town of Brunswick as follows:

Section 1.: Name.

This local law shall be known and commonly referred to as the "Emergency Services Rapid Access System Law of the Town of Brunswick".

Section 2.: Legislative Findings and Statement of Purpose.

The Town Board recognizes the importance of providing the Town's Emergency Services with a means of rapid entry into locked buildings which are the subject of a fire, crime or other type of disaster. The delay in gaining entry to locked buildings can result in loss of life to occupants, delays in administering lifesaving medical procedures, substantial loss and damage to real and personal property, and increased danger for emergency services personnel and building occupants.

An Emergency Services Rapid Access System Law will require the placement in certain types of buildings of a secured, locked container containing the necessary key or keys to gain access to the building.

The Town Board finds and determines that the adoption of an Emergency Services Rapid Access System Law is vital and necessary to the health, safety and welfare of the people of the Town of Brunswick and the protection and preservation of property.

Section 3: Key Box Requirement.

The following types of buildings and structures located within the Town of Brunswick shall be equipped with a secured, locking key box as hereinafter described:

- A. All commercial and industrial buildings;
- B. All multiple dwellings containing four (4) or more residential units;
- C. All utility buildings;
- D. All government buildings;
- E. All places of public assembly including but not limited to churches, schools and libraries;
- F. All building having an automatic fire alarm system;
- G. All buildings having a fire sprinkler system.

Section 4: Key Box Type.

The key box shall be a high security key vault of UL type approved by the Building Department. The key box lock shall be keyed to the configuration specified by the Building Department. The key box shall have a weatherproof gasket and have a covered lock opening. The key box shall be highly resistant to drilling or vandalism.

Section 5: Key Box Installation Requirements.

The key box shall be installed on the front of the building near the main entry door, and shall be between five (5) and six (6) feet above grade, unless the Building Department shall approve another location or height above grade.

Section 6: Contents of Key Boxes.

The key box shall contain, at minimum, the following:

- A. Keys or magnetic entry cards for all exterior doors, and interior doors if there are locked mechanical equipment, electrical, elevator or sprinkler rooms, or locked fire alarm panels.
- B. Access codes to digital fire alarm keypads.

All keys or magnetic access cards within the key box shall be labeled for easy identification

and shall be kept current at all times.

Section 7: Time for Compliance.

All existing buildings required to have a key box under the provisions of this local law shall comply with all provisions of this local law within eighteen (18) months from the effective date hereof.

All new construction required to have a key box under the provisions of this local law, including buildings currently under construction as of the effective date hereof, for which no certificate of occupancy or compliance has been issued, shall comply immediately.

Section 8: Administration and Enforcement.

The Town of Brunswick Building Department shall administer and have the authority to enforce the provisions of this local law.

Section 9: Penalties.

The violation of any provision of this local law, or the failure to comply with any lawful notice, order, directive, permit or certificate issued by the Town of Brunswick Building Department hereunder, by any person, firm, corporation or other entity, shall be deemed a violation and be punishable by fine of \$250.00. Each week that a violation or failure to comply continues shall be deemed an additional, separate offense. For the purpose of conferring jurisdiction upon courts and judicial officers generally, violations of this local law, and the failure to comply with any lawful notice, order, directive, permit or certificate issued by the Town of Brunswick Building Department hereunder, shall be deemed misdemeanors, and for such purpose only, all provisions of law relating to misdemeanors shall apply.

Section 10: Effective Date.

This local law shall take effect immediately.

**DEIS Scope Wal-Mart Supercenter
Town of Brunswick
June 2005**

1.0 INTRODUCTION

Wal-Mart Stores, Inc. is proposing a Planned Development District ("PDD") on approximately 33.7± acre project site in the Town of Brunswick ("Town"), Rensselaer County, New York. The project to be constructed in the PDD is a 203,826 square-foot Wal-Mart Supercenter with gasoline sales facility (the "Action").

The Action is a Type I Action pursuant to 6 NYCCR 617 and Article 8 of the State Environmental Quality Review Act ("SEQRA").

The Town of Brunswick Town Board established itself as "Lead Agency" pursuant to the requirements of SEQRA. By resolution dated March 10, 2005, the Lead Agency issued a Positive Declaration requiring Wal-Mart to prepare a Draft Environmental Impact Statement ("DEIS") for the Action. The Lead Agency initiated a public scoping process and Wal-Mart prepared a draft scoping document for the DEIS. The scoping process is used to create an outline of the information and analysis to be included in the DEIS.

Wal-Mart filed a Draft Scope on or about March 10, 2005. The Lead Agency solicited comments from the public, including neighboring property owners. The public comment period ran through April 14, 2005. Approximately seventeen (17) written comments were received. Comments were received from neighboring property owners and other area residents, the New York State Department of Transportation ("NYS DOT"), and New York State Department of Environmental Conservation ("NYS DEC"). Extensive comments also were received from Brunswick Smart Growth. Seven of the seventeen comments noted above incorporate the comments submitted by the Brunswick Smart Growth group. The comments received addressed many of the general categories of potential impacts.

Wal-Mart revised and updated the Draft Scope to create this Final Scope. The Draft Scope has been updated in response to comments to the extent appropriate. The Draft Scope has also been revised to add information that was not included in the original document, correct errors, and better organize and clarify information provided.

This document is the Final Scope to be used in the scoping process. As such, this Scope includes all elements required by the SEQRA regulations including: (1) a brief description of the proposed action; (2) potentially significant adverse impacts, including an identification of those particular aspects of the environmental setting that may be impacted; (3) the extent and quality of information needed for the preparer to adequately address each impact, including identification of relevant existing information, and required new information, including the required methodologies for obtaining new information; (4) initial identification of mitigation measures; and (5) reasonable alternatives to be considered.

**DEIS Scope Wal-Mart Supercenter
Town of Brunswick
June 2005**

2.0 THE STATE ENVIRONMENTAL QUALITY REVIEW ACT PROCESS

2.1 Draft Environmental Impact Statement (DEIS)

The Lead Agency is requiring Wal-Mart to prepare and submit a DEIS for the Action. The DEIS will discuss potential significant adverse impacts associated with the Action and its reasonable alternatives; identify and consider mitigation measures to reduce or eliminate potential adverse impacts; and develop and analyze alternatives if there are potential unmitigated effects.

After its publication, the DEIS will be available for public and involved and interested agency review and comment for a minimum 30-day period. Comments may be provided to the Lead Agency in writing during the DEIS comment period, and a public hearing will also be held to receive comments on the DEIS.

For further information on this process, please contact the Lead Agency.

Lead Agency: Town of Brunswick Town Board, Rensselaer County, New York
Address: 308 Town Office Road, Troy, New York 12180-8809
Contact Person: Hon. Philip H. Herrington, Supervisor
Telephone: (518) 279-3461

2.2 Potentially Significant Adverse Impacts

The following potentially significant areas of impact have been identified for evaluation in the DEIS and are included in this scoping document:

- Land Use, Zoning and Community Character
- Soils and Topography
- Vegetation and Wildlife (including wetlands)
- Traffic
- Drainage
- Cultural Resources
- Air Quality
- Noise
- Visual Impacts
- Fiscal Impacts
- Employment
- Community Services

The DEIS will contain additional sections designed to provide the public and the Lead Agency with more complete information about the Project. The DEIS also will include an evaluation of alternatives to the Project that have been considered, what growth inducing impacts the Project will have, if any, and Project impacts on energy use. These additional sections are outlined in this document.

**DEIS Scope Wal-Mart Supercenter
Town of Brunswick
June 2005**

3.0 PROJECT OVERVIEW

3.1 Project Description

The proposed Action is the construction and operation of an approximately 203,826 square foot Wal-Mart Supercenter retail facility and separate gasoline sales facility to be developed on an approximately 33 acre site (the "Project"). The Project site is located on the northwest corner of the intersection of NYS Route 7 and Betts Road, in the Town of Brunswick, Rensselaer County. The Project includes access improvements under the jurisdiction of the New York State Department of Transportation ("NYS DOT") and Town Highway Superintendent, extension of public potable water and sewage disposal facilities, stormwater management facilities, lighting and landscaping to support the proposed uses.

3.2 Project Location

The Project is located at the intersection of NYS Route 7 and Betts Road, northwest of NYS Route 7 and southwest of Betts Road, and consists of a total of 33.698 \pm Acres made up of the following tax parcel numbers:

- 091.00-2-25.21, a parcel containing 4.196 \pm Acres
- 091.00-2-24, parcel containing 1.667 \pm Acres
- 091.00-2-26.1, a parcel containing 25.603 \pm Acres
- 091.00-2-14, a parcel containing 2.007 \pm Acres
- 091.00-2-25.22, a portion of a parcel, such portion containing 0.225 \pm Acres

A figure showing the Project site location will be attached to the DEIS.

3.3 Description and Current Use of the Project Site

The site consists of approximately 11.63 acres of vacant meadow and brushland, approximately 13.39 acres of new growth forest area and approximately 6.63 acres of wetlands. One small portion of the Project site is being utilized as a parking area for the Brunswick Little League's playing field located on an adjoining parcel. Two (2) houses with associated out buildings and a wooden barn are also located on the subject property. The Project site is bounded by Betts Road on the north; the Brunswick Little League's playing field at the southeast corner; NYS Route 7 and commercial establishments on the south / southeast; agricultural and residential developments on the north; and agricultural land to the west. The lands to the west are also known as the future / proposed Hudson Hills Apartment Complex ("Hudson Hills"). The DEIS will include the names given to subdivisions, if any, bordering the Project, if any such names are recorded in public documents.

Topographic, boundary and existing condition survey maps of the properties included in the Project site will be appended to the DEIS. These surveys will include identifying

**DEIS Scope Wal-Mart Supercenter
Town of Brunswick
June 2005**

information for each parcel included in the Project site. Section 4.6 will include an evaluation of the historical significance, if any, of the buildings on the Project site.

3.4 Existing Zoning

The western portion of the site is zoned Agricultural (A-40). The eastern portion of the site is zoned Commercial (B-15).

The DEIS will include a figure that identifies the zoning for each parcel that is being included in the Project site.

3.5 Project Layout

The DEIS will include site plans detailing the layout of all of the different elements of the proposed Wal-Mart Supercenter, including the buildings, parking, access points, utility easements, and stormwater management facilities.

3.5.1 Subdivision Configuration

The proposed Project is located on five (5) separate parcels of land that are being brought together to form a single parcel of approximately 33.7± acres. A re-subdivision is required to create a single parcel out of the five (5) existing parcels. The DEIS will include a figure that shows the existing parcels and how they are being re-subdivided into a single PDD for the Project.

The DEIS will include studies and narrative detailing the existing conditions on the Project site. A Phase I Environmental Study will be performed for the Project site. The assessment will follow the standard procedure for such investigations in conformance with ASTM Practice E 1527-00, *Standard Practice for Environmental Site Assessments*. The DEIS will list any Recognized Environmental Conditions ("RECs") associated with the existing use and previous development of the Project site. The DEIS will include analysis of the significance and impact of any RECs identified.

The DEIS will also include results and analysis of additional environmental studies to be conducted on the residential structures, including an asbestos bulk survey and lead -based paint survey.

3.5.2 Buildings, Parking and Gasoline Sales System

Two separate structures will be built as part of the Project. The Wal-Mart Supercenter will be in a building measuring approximately 203,826 square feet. This structure will have the approximate dimensions of 35 feet in height, 417 feet in width, and 594 feet in length. The Supercenter structure includes space to be used for the tire and lubrication service center ("TLE"). A seasonal outdoor garden center, the dimensions of which are not included in building dimensions, will also be located in the parking lot on the Project site. The building housing the Supercenter will be located on the West / Northwest

**DEIS Scope Wal-Mart Supercenter
Town of Brunswick
June 2005**

portion of the Project site, with the front of the building oriented toward the southeast, facing NYS Route 7.

A Wal-Mart gasoline sales facility will be operated out of a separate structure. This proposed structure will measure 300 square feet. This structure will be used for sales and management and monitoring of fueling activities and retail sale of a limited selection of convenience items. The gasoline facility will have six fuel dispensers, with a total of 12 fueling positions. A canopy designed to protect consumers from the weather will extend over the fuel dispensers. The gasoline sales facility will be located on the east end of the Project site.

The plans for the Project's gasoline facility will include information on the proposed number of pumps and tanks, proposed depth at which tanks will be located, proposed pumping system and monitoring system, and design of the proposed double-hulled tanks. The proposed fueling facility will have some elements that are common to all such Wal-Mart facilities constructed in New York State. All equipment and operations at the gas station will conform to New York State Department of Environmental Conservation ("NYS DEC") and US Environmental Protection Agency ("EPA") regulations. These compliance measures include utilization of approved and registered underground storage tank(s) with secondary containment systems, leak detection and monitoring.

A typical Wal-Mart gas station design includes multiple underground storage tank(s) (USTs) with tank sizes ranging from 8,000 to 12,000 gallons. Tanks are typically double-walled fiberglass and are equipped with a leak detection system and alarms. Typical leak detection systems incorporate a saline solution separating the double walls. Product piping also utilizes double wall construction, typically with four-inch PVC encapsulating the actual product piping. In addition, monitoring wells are installed to allow for periodic testing and for observation of groundwater occurrence in the tank area.

The Project includes the creation of 1,016 off-street parking spaces. The lot containing these parking spaces will be located in front of the Wal-Mart Supercenter building. *There are no parking spaces proposed for the gasoline sales facility.*

The DEIS will include a site plan of the Project that shows the location and dimension of the proposed structures, garden center, gasoline facility, and parking area. The DEIS will include specific design information for the gasoline delivery systems that are part of the Project.

3.5.3 Site Access

There will be two proposed access points into and out of the Project site. An access point is proposed to be constructed off of Betts Road, west of Max BMW Motorcycles. A second access point is proposed to be constructed from NYS Route 7, on the southeastern portion of the Project site. The DEIS will include an assessment of whether any Betts Road improvements will require the acquisition of private property.

**DEIS Scope Wal-Mart Supercenter
Town of Brunswick
June 2005**

Final location and design of the access points will be included in the site plans to be submitted to NYS DOT and the Town. In designing the access points, Wal-Mart will refer to the information and recommendations contained in the NYS DOT Arterial Access Management Report for NYS Route 7, dated September 2000. NYS DOT and the Town will review intersection location and design, signalization and traffic movement. Final site access locations will be determined with input from the NYS DOT and the Town.

Site plans and a traffic study will be appended to the DEIS. The traffic study is discussed in more detail in Section 4.4 of this document.

3.5.4 Utilities and Drainage

The Project site is served by public utilities, including gas, electric, sewer and public water, the adequacy of which will be evaluated in the DEIS. If the current systems are not adequate to meet the needs of the Project, the DEIS will address the improvements Wal-Mart will make to such systems.

Sanitary Sewer System

The Project will connect into the Town's sanitary sewer system. The DEIS will include information and analysis about the sewer system including the following:

- Estimated daily flow from the Project, based on similar Supercenters.
- Adequacy of current systems as evaluated based on information gathered from the Town Water and Sewer Superintendent and Town Engineer. The information to be gathered includes the capacity of existing pipes, connections, gravity lines and pumping stations, as well as available information regarding upstream and downstream customer needs.
- Identification and review of the sewer water treatment plant to which the flow from the Project will be directed.
- Connections, extensions and other improvements required to serve the Project
- Location of any necessary extensions of service, including
 - Whether the extensions of services will cross any streams, culverts or wetlands
 - The impact of the construction of such extensions
 - Mitigation of impacts.
- Impact of reasonably anticipated growth, including the proposed Hudson Hills project.

A licensed engineer will prepare the sewer report. The DEIS will include all reports and analyses relied on to make a complete evaluation of the sewer system. If necessary, Wal-Mart will retain engineering consultants to study the capacity of the sanitary sewer system.

**DEIS Scope Wal-Mart Supercenter
Town of Brunswick
June 2005**

Potable Water

The Project will connect with the public water system. The DEIS will include information regarding the Project's need to connect with the public water supply, including the following:

- Anticipated demand generated by the Project in terms of quantity and pressure required for domestic use and fire protection, based on similar Supercenters.
- Current capacity of the public water system and current pressure as determined by evaluating information gathered from the Town Water and Sewer Superintendent and Town Engineer and from tests conducted by Wal-Mart consultants. Pressure and flow volume tests will be conducted in the presence of the Town's water department. The pressure and flow volume tests will be conducted in accordance with AWWA specifications and with Town procedures for these tests. The information gathered from the tests will be used to model the existing water system in the Project area and to propose domestic and fire flows required for the Project. Test results will be appended to the DEIS.
- Extensions and modifications of water system, if any, required to serve the Project
 - Location of extensions and connections to the system, if any
 - Impact of constructing any necessary extensions
 - Mitigation of impacts.
- Impact of reasonably anticipated growth in the area, including the proposed Hudson Hills project.

A licensed engineer will prepare the water report. The water report will be appended to the DEIS.

Electric and Natural Gas

Niagara Mohawk will provide electric and natural gas service for the Project. The adequacy of existing services will be evaluated through consultation with Niagara Mohawk. Anticipated demand for these services will be based on the energy needs of similar Supercenters. The DEIS will identify any electrical and natural gas service issues that must be addressed to supply adequate services to the Project. Wal-Mart will coordinate any necessary service extensions with Niagara Mohawk. The DEIS will also discuss secondary impacts of extending service to the Project and mitigation measures necessary to minimize or eliminate impacts.

Drainage

Drainage of the site will be facilitated and controlled through the use of stormwater management facilities located on the Project site. The storm water management facilities will provide storm water quantity and quality mitigation. The storm water management system and the impact of Project site drainage on adjacent properties will be discussed in Section 4.5. The potential impacts to be studied include any impact that the Project may have on water wells located within 500 feet of the Project site and all water wells serving

**DEIS Scope Wal-Mart Supercenter
Town of Brunswick
June 2005**

homes located on Wilrose Lane. The yield of such wells will be tested both before construction is started and at the completion of construction activities. The DEIS will identify mitigation measures necessary to preserve pre-construction water yield rates.

3.6 Construction and Operational Activities

The DEIS will outline the construction activities to take place on the Project site, in the approximate order of completion. Because the Project site is known to have shallow rock, Wal-Mart acknowledges that blasting may be required during the construction phase of the Project. The DEIS will identify the circumstances under which blasting would be utilized. It is anticipated that blasting will be necessary if, and only if, it is not possible to rip the rock on the Project site. The DEIS will also contain narrative regarding mitigation measures to be taken in the event blasting is necessary. Such mitigation measures may include a pre-blast survey of nearby homes, businesses and water wells in use, as well as seismic monitoring of blasting activity. In the event blasting is necessary, Wal-Mart will coordinate with Niagara Mohawk to protect the Niagara Mohawk high-pressure gas pipe located near the Project site.

Wal-Mart estimates that the construction phase of the Project will last approximately one and one-half years from the start of construction. The DEIS will include a projected start date for construction activities.

Operational activities of the Project will commence upon completion of major construction activities. The operation of the proposed facilities will be for retail use. Hours of operation are intended to be 24 hours per day, 365 days per year. Staffing levels will vary and will be adjusted for time of day, day of week and season to reflect demand for services and products.

Operational activities for the Project will include the receipt of deliveries of general merchandise and groceries. The DEIS will include information regarding the number and nature of deliveries made to a typical Wal-Mart Supercenter. Wal-Mart Supercenters receive deliveries separately for the general merchandise portion of the store and the grocery portion of the store. Delivery frequency will fluctuate depending on demand, store activity, location and season. All deliveries will occur at a designated delivery/loading area.

Typical general merchandise deliveries are made between 2:00 pm and 10:00 pm to allow for overnight stocking activities. A typical store may schedule deliveries at 4:00 pm and 6:00 pm or 8:00 pm, using two or three tractor-trailers per day. A full trailer is left at the loading dock and an empty trailer is picked up. It takes approximately 1.5 hours to unload a trailer. Each trailer is filled with merchandise for the one particular store to which it is delivered. In addition, up to 10 to 15 single unit trucks per day (such as UPS) make general merchandise deliveries between 7:00 am and 3:30 pm, Monday through Friday. General merchandise deliveries from smaller trucks typically are not scheduled on weekends.

**DEIS Scope Wal-Mart Supercenter
Town of Brunswick
June 2005**

Typical daily grocery deliveries consist of three tractor-trailers making deliveries after 6:00 pm (typically between 10:00 pm and 2:00 am). Merchandise is palletized so that trucks are unloaded within 30 minutes. Tractor-trailers making grocery deliveries usually move on to another store. Additional grocery deliveries occur at a rate of up to 20 deliveries per day from smaller trucks. The smaller trucks (from bread to UPS) typically make deliveries prior to 8:00 pm, with no deliveries scheduled for Sundays. The DEIS will include information regarding the days on which peak delivery volume to the Project is anticipated.

A Wal-Mart Supercenter averages a total of 85 deliveries a week, or an average of 12 deliveries per day. The DEIS will use the information regarding averages to estimate delivery truck volume for the Project. The estimated truck volume will be included in the traffic study discussed in Section 4.4.

3.7 Purpose and Need

Wal-Mart has an on-going retail operation located in the Town. The Project is being proposed to facilitate the expansion of the retail services Wal-Mart already provides. The Project purpose is provide a broader range of goods and services to the local community at competitive prices and to enhance consumer choice and convenience by providing one-stop shopping at a convenient location.

Wal-Mart has identified the Project site as being consistent with its goals, guidelines and marketing plan for retail and grocery locations. Wal-Mart has experience with the development and operation of Supercenter facilities. Wal-Mart's goal is to extend its existing retail sales by adding grocery products at lower prices while giving consumers the convenience of shopping for many goods and services under one roof.

Wal-Mart cannot expand its operations on its current site because of the physical constraints present at that site. The DEIS will include figures and narrative that explain the constraints to the expansion at Wal-Mart's current location. Section 5.0 will address the feasibility of remaining at the current location.

The Project site provides adequate acreage for Wal-Mart to relocate and expand the services that it offers by constructing a Supercenter. Wal-Mart requires a parcel as large as the Project site to provide adequate parking and stormwater management facilities for the proposed Supercenter.

**DEIS Scope Wal-Mart Supercenter
Town of Brunswick
June 2005**

3.8 Required Approvals

Wal-Mart may need the following approvals to proceed with the Project:

- Town Board approval of water and sewer district extensions, and rezoning of the Project site to a PDD;
- Town Planning Board approval of the site plan, and special use permits, as required;
- Town Zoning Board of Appeals approval of any necessary area variances;
- Town of Brunswick Code Enforcement Officer issuance of required Building Permits;
- County Health Department approvals of the sewer and water main extensions
- NYS DEC issuance of a State Pollutant Discharge Elimination System permit (SPDES); and
- Various other approvals from the NYS DEC, NYS DOT, NYS DOH, County Highway Department, and Army Corps of Engineers.

The approvals needed will be more clearly identified as the Project is more fully developed. The DEIS will contain a revised list of required government approvals.

4.0 ENVIRONMENTAL SETTING, IMPACTS AND MITIGATION MEASURES

4.1 Land Use, Zoning and Community Character

4.1.1 Zoning and Planning Compliance

The parcels that are being re-subdivided to create the Project site are zoned B-15 Commercial and A-40 Agricultural. Current zoning would not allow construction of the Project as proposed. Rezoning the Project site to Planned Development District ("PPD") would permit the proposed uses.

The DEIS will rely on the Town's existing zoning code to evaluate the extent to which the application for a PDD for the Project and the uses proposed for the Project are consistent with Town zoning requirements.

The DEIS also will evaluate the extent to which the proposed use of the Project site for a Wal-Mart Supercenter with gasoline sales facility is consistent with the Town of Brunswick's Comprehensive Plan, dated 2001 (the "Plan"). The Plan calls for development of the kind proposed by Wal-Mart to occur along the NYS Route 7 corridor. The Plan recommends that the NYS Route 7 corridor be used to provide the shopping centers and stores, including large retail stores, necessary to serve the Town. Construction of the Supercenter on the Project site will enhance the NYS Route 7 corridor as the primary commercial district of the Town.

**DEIS Scope Wal-Mart Supercenter
Town of Brunswick
June 2005**

The DEIS will address the impact that rezoning will have on the Town's agricultural resources and open space. This impact will be evaluated based on the amount of Project site acreage that is currently zoned agricultural, amount of Project site acreage that is actively farmed, if any, suitability of use for agriculture of the portions of the Project site that are zoned agricultural, and the relative impact of rezoning these acres. The DEIS will rely on available information, including information on the number of acres currently part of the A-40 Agricultural zoning district and the zoning district's current boundaries.

4.1.2 Compatibility with Existing Area Land Uses

The DEIS will analyze whether the Project is consistent with existing area land uses. The character of the NYS Route 7 corridor has changed from agricultural to commercial in nature. In fact, commercial and retail activity in the Town is concentrated along the Route 7 corridor. Several commercial establishments are already in place along the adjacent stretch of NYS Route 7. Commercial establishments, including Max BMW Motorcycle, occupy the parcels that abut the Project site.

The DEIS will discuss the current zoning and uses of surrounding properties and the Route 7 corridor based on publicly available zoning information and observations regarding current use.

4.1.3 Community Character

The DEIS will evaluate whether the Project will have any significant adverse impact on the community character. For the purposes of environmental review under SEQR, community character is defined as the size, location and mix of land uses and amenities, and the existence, if any, of architectural elements or structures representative of the community.

The DEIS will contain a narrative description of the area surrounding the Project site and the Route 7 corridor. The DEIS also will analyze the existence, if any, of dominant structural features and architectural elements in the vicinity of the Project site.

It is noted that SEQR does not treat market competition and trade impacts as environmental impacts or as changes in community character. This is clear from the following passage from the NYS DEC SEQR Handbook:

"The potential effects that a proposed project may have in drawing customers and profits away from established enterprises... may not be considered under SEQR. Potential economic disadvantage caused by competition or speculative economic losses are not environmental factors."

The SEQR Handbook, NYS DEC, pages 60-61.

The Project site is located next to the Brunswick Little League playing field. In fact, a portion of the parking area utilized by Little League patrons is located on the Project site.

**DEIS Scope Wal-Mart Supercenter
Town of Brunswick
June 2005**

Wal-Mart proposes deeding or leasing (at a rate of \$1.00 per year) that portion of the Project site currently used for Little League parking to the Brunswick Little League, so that it may maintain the playing field as it currently exists. In addition, Wal-Mart is proposing to enhance the current Little League parking area to allow for smoother vehicle movement, with identifiable parking spaces. Wal-Mart is actively discussing possible concerns about the Project with Brunswick Little League representatives.

The DEIS will provide detail of the improvements to be made to the parking at the Brunswick Little League field. The DEIS also will include available information regarding the compatibility of Wal-Mart stores with neighboring athletic fields, including information on safety. Potential impacts of the Project on the Brunswick Little League field will be included in different sections of the DEIS, including Sections 4.5.2, 4.7 and 4.8.

Wal-Mart's relocation of its store from its current site to a Supercenter located at the Project site will have no impact on the Town's character. Even if the current Wal-Mart storefront is temporarily vacant, Wal-Mart will ensure that the property is properly maintained. Wal-Mart has a team of real estate professionals dedicated to finding high quality tenants for its properties. Wal-Mart has experience and proven success in filling stores that it has outgrown. The store is an important real estate asset for Wal-Mart and Wal-Mart will ensure that the store retains its maximum value as an asset.

The DEIS will provide a narrative describing the program Wal-Mart has in place for protecting its real estate assets. The DEIS will provide information on Wal-Mart's program for the re-use of storefronts Wal-Mart has outgrown and the success of this program. Information on the program will include examples of the types of tenants or purchasers of Wal-Mart properties. The traffic study discussed in Section 4.4 assumes that the existing store will continue to generate the same level of activity and will evaluate the cumulative impact of the existing store and the Project.

The DEIS will include assessments of the potential impact of the Project on community services such as law enforcement and fire/EMS services in Section 4.12.

4.2 Soils and Topography

Information from the Soil Survey of Rensselaer County, New York, published by the USDA Natural Resources Conservation Service ("NRCS"), and a Subsurface Exploration and Geotechnical Investigation for the Proposed Wal-Mart Supercenter, Store No. 2370-02 performed by Tierney Geotechnical Engineering, have been utilized to make an initial determination of the soil types on the site. The report prepared by Tierney Geotechnical Engineering will be attached to the DEIS. Review of soil survey data for Rensselaer County, New York (USDA/SCS 1988, USDA/NRCS 2004), indicated that seven (7) soil types underlie the Project area: Alden Silt Loam, 0-3% slopes; Bernardston-Nassua Complex, 5-16% slopes; Carlisle Much, 0-1% slopes; Nassau-Manlius Complex, Undulating, 1-8% slopes; Nassua-Manlius Complex, Rolling, 5-16% slopes; Nassua-Rock Outcrop Complex, Hilly, 16-50% slopes; and Scriba Silt Loam, 3-8% slopes.

**DEIS Scope Wal-Mart Supercenter
Town of Brunswick
June 2005**

The DEIS will include the NRCS mapping of these soils on the Project site. The DEIS will include narrative description of the location and characteristics of each soil type mapped.

The subsurface exploration Tierney Geotechnical Engineering performed at the Project site for this investigation consisted of a total of 83 test borings and 9 test pits, performed from October 5 to November 17, 2004. Furthermore, 4 test borings were performed on May 3 and 4, 2004.

The subsurface conditions disclosed by the test borings and test pits performed for this investigation are generally consistent throughout the Project site. A typical soil profile generally consists of 3 to 10 inches of topsoil at the ground surface, underlain by natural deposits of silt and sand (in varying proportions) containing varying amounts of gravel and/or shale fragment, and trace to little clay. The deposits are generally brown to grayish-brown in color, moist to wet and loose to very compact in density. At several locations soils may represent glacial till material. Occasionally, cobbles and boulders were encountered within the overburden deposits.

Project site soils also were evaluated as part of the wetland delineation study performed by NEA, Inc. See Section 4.3.2 for details on the study.

A soil auger or shovel was used at each sample plot to extract a core sample to a depth of 18- inches, or until rocky substrate resulted in a refusal. The soils were characterized by determining the color, texture, and structure of each soil horizon. Colors of soil matrix and mottles were identified using Munsell Soil Color Charts (Munsell Color 1988). Mineral soils were considered hydric if they exhibited a matrix chroma of 2 or less with mottles or a matrix color of 1 or less without mottles in the horizon immediately below the A horizon or 10-inches, whichever was less. Additional indicators used to determine presence of hydric soils included histic epipedon, sulfic odors, aquic moisture regimes, and concretions.

A copy of the NEA, Inc. reports and analyses will be appended to the DEIS.

The DEIS will address the specific soil conditions and the locations of the soils found on the Project site. Wal-Mart does not anticipate removal of any soils from the Project site. Disturbed areas will be reclaimed and the topsoil and upper subsoil stockpiles for reclamation and reuse on the Project site.

The DEIS will address changes to the topography of the Project site. Detailed engineering plans will be developed for and submitted with site plans for the Project.

The existing ground surface within the proposed Wal-Mart Supercenter footprint varies from approximately Elev. 524 feet to approximately Elev. 500 feet. Based upon the existing and proposed grades, Wal-Mart anticipates that substantial cut and fill operations will be required within the building footprint and parking areas to attain the proposed design finished floor elevation. To attain the proposed grades, it is estimated that up to

**DEIS Scope Wal-Mart Supercenter
Town of Brunswick
June 2005**

approximately 20 feet of "cut" will be required along the northern and western portions of the building footprint. Wal-Mart expects that proposed cut and fill operations will balance and no significant amount of material will have to be imported or exported from the Project site. A grading plan for the Project will be appended to the DEIS.

Wal-Mart will engage an engineering consultant to review groundwater resources on the Project site. A copy of such review will be attached to the DEIS. The DEIS will include narrative analysis of the review results and discuss any mitigation measures necessary to protect any significant groundwater resources.

Wal-Mart will utilize the information on soils and topography to assess the erosion potential of the site during the construction and operational phases of the Project, the constructability of the site, the impact that permeability of soils may have on storm water management, and the impact the Project site topography will have on potential erosion and storm water run-off. An Erosion and Sediment Control Plan will be appended to the DEIS.

4.3 Vegetation and Wildlife

4.3.1 Existing Vegetative Cover and Wildlife Habitats

The DEIS will address the existing vegetative cover and wildlife habitats in detail. Per a preliminary report prepared by NEA, Inc., the Project is located in the USDA Humid Temperate Domain, Warm Continental Division, Mixed Deciduous-Coniferous Forest Province ecoregion (Bailey 1994). The majority of the site is undeveloped.

Approximately 45 percent of the site was once used for agricultural purposes, 45 percent is non-agricultural wetland and upland communities, and 10 percent is being used for commercial, recreation, and residential purposes. In general, areas of higher elevation surround the center of the proposed site, where both undeveloped wetland and upland communities occur. Areas to the east, southeast, and south of the site are slightly higher in elevation than the center of the proposed site, but changes in elevation are relatively gradual when compared to the north, northwest, and western portion of the site.

A study conducted by NEA, Inc. indicates that the project site does not contain any species of plant or animal that is identified as endangered or threatened. The DEIS will contain a narrative discussing the results of the study. A copy of the study will be appended to the DEIS.

The NEA, Inc. wetland delineation study described in Section 4.3.2 includes an evaluation of Project site vegetation. Dominant plant species in each major vegetation stratum (tree, sapling/shrub, and herbaceous) were identified within a 20-meter radius of each sample plot. The wetland indicator status of each species was assigned according to the National List of Plant Species that Occur in Wetland: Region 1 (Reed 1988). Hydrophytic vegetation was determined to be present where more than 50 percent of the

**DEIS Scope Wal-Mart Supercenter
Town of Brunswick
June 2005**

dominant species in all vegetation strata were classified as facultative (FAC), facultative wetland (FACW), or obligate (OBL).

The DEIS will include analysis of information from the NYS DEC and US Fish and Wildlife Service ("US FWS") review for the presence of rare, threatened or endangered species of plants or animals on the Project site and the immediate vicinity. Any relevant documentation provided by the NYS DEC and US FWS will be attached to the DEIS.

4.3.2 Existing Wetlands and Waterways

The site is bounded by the NYS Route 7 to the south / southeast and by Betts Road to the north and east. Commercial, residential, and agricultural areas border the site on all sides with commercial development located primarily to the south. A 23 acre pond / wetland area is located approximately 150 feet to the northeast of the site.

The NYS DEC Freshwater Wetland Map identifies that there are no NYSDEC Freshwater Wetlands located in the Project area. However, NYS DEC Freshwater Wetland TN-106 occurs just outside of the Project area boundaries, across Betts Road. All NYS DEC wetlands and their adjacent 100-foot buffer zones are protected under Article 24 (Freshwater Wetlands) of the New York State Environmental Conservation Law. Although a portion of the Project area is located within the 100 foot buffer zone of TN-106, it is unknown at this time whether the proposed Project alignment would directly impact a portion of the 100 foot buffer zone of TN-106 located on the Project area side of Betts Road. Details of Project-related impacts to wetlands and the NYS DEC-protected 100 foot buffer zone of TN-106 will be evaluated once avoidance and minimization measures are implemented and the Project footprint is finalized.

The USFWS NWI Map identifies that portions of two (2) mapped, federally designated wetlands are located within the Project area: a temporarily flooded, persistent, palustrine emergent (PEM1A) wetland occurs along the southwest border, and a small portion of a semi-permanently flooded, persistent, palustrine emergent wetland that has been created or modified by beavers (PEM1Fb) occurs along the northeast border of the Project area. This PEM1Fb wetland is consistent in size and location with NYS DEC Freshwater Wetland TN-106.

Following a review of background information, wetland scientists from NEA performed systematic field surveys of the Project area from April 27 through April 29, 2004. The survey of the Project area was initiated with a walk-over inspection of the site to identify topographic, drainage, and vegetation features that would indicate the potential for USACE jurisdictional wetland classification. Sampling locations (i.e., sample plots) within the distinct plant communities were then investigated using the Routine One-Site Wetland Determination Method (Environmental Laboratory 1987). This method involves a detailed examination of the soils, vegetation, and hydrologic indicators at each sampling plot location.

**DEIS Scope Wal-Mart Supercenter
Town of Brunswick
June 2005**

The project area was surveyed to designate wetland / upland transitional zones and ensure accurate and thorough coverage of the site. At each sampling location, field data forms based on USACE Wetland Delineation Manual format were completed to document vegetation, soil, hydrology, and general site characteristics. A full wetland delineation report will be attached to the DEIS and the DEIS will include a narrative summary of the report findings.

Wetland cover types were classified according to the USFWS classification system for wetlands and deepwater habitats of the United States (Cowardin et al. 1979). A wetland delineation data form was completed for each wetland and upland sample plot, describing vegetation, hydrology, and soils. Each wetland was photographed and additional notes and sketches characterizing the wetland were recorded on data forms. The aforementioned field data sheets and photographs will be provided within the DEIS under a separate appendix.

Four (4) well-defined wetlands that total 6.55 areas and four (4) unnamed channels were identified as occurring within the Project area boundaries. A more detailed description of each of these wetlands and channels will be provided in an appendix to the DEIS.

The Wetland Delineation Report will be submitted to the US Army Corps of Engineers for concurrence with the report findings. Any response received will be attached to the DEIS or forwarded to the Town. An official jurisdictional determination of all wetlands present on the Project site will be made following a review of the Wetlands Delineation Report and/or a site visit from the USACE.

4.3.3 Impacts and Mitigation Measures

Based on comments received, the DEIS will include information on the potential increase and impact of nuisance species such as gulls, raccoons and skunks that may occur after completion of the Project. The DEIS will include narrative regarding standard measures Wal-Mart takes to minimize animal nuisances at similar sites. Measures that may be taken include utilization of stormwater basin designs that are not attractive to nuisance species and placement of fencing around the basins to prevent access to the basins.

A Wetland Mitigation Plan will be submitted as part of the engineering plans submitted in support of the development application for the Project. The Wetland Mitigation Plan will be attached to the DEIS. The DEIS will contain narrative summarizing the Wetland Mitigation Plan. The DEIS will address the potential impact on wetlands on a full project basis.

The DEIS will include an assessment of the potential impact of the Project on drinking water wells in use on adjacent residential properties.

The DEIS will describe the operations used to prevent spills and the emergency procedures that will be followed in the event of a spill at the proposed gasoline sales facility. DEIS Section 3.5.7 will include information on the location and depth of the

**DEIS Scope Wal-Mart Supercenter
Town of Brunswick
June 2005**

underground tanks used of gasoline storage and tank monitoring systems to be used. The DEIS will include information on the measures to be taken to prevent and mitigate contamination of nearby wetlands, ground water and drinking water in the unlikely event any spill should occur. A SPCC Plan will be prepared and appended to the DEIS.

4.4 Traffic

4.4.1 Impacts and Mitigation Measures

The Project will make use of the existing roadways, NYS Route 7 and Betts Road, to handle traffic that will be accessing the site. Wal-Mart anticipates that the traffic on Betts Road will increase significantly. The existing road network will have to be improved to adequately handle the increase in traffic once the Project is completed.

The DEIS will include narrative and figures regarding any changes proposed to Betts Road up to the Wal-Mart access point. All improvements needed to mitigate Wal-Mart's impact will be paid for by Wal-Mart. The DEIS will include details of proposed mitigation measures.

Wal-Mart recognizes that the proposed development of an apartment complex, Hudson Hills Apartments, would also increase the traffic along Betts Road and NYS Route 7. Wal-Mart recognizes that the combined impact of its Project and the proposed Hudson Hills project must be taken into account in the Wal-Mart DEIS.

The DEIS will include narrative discussing the results of the traffic study to be conducted for the Project site. The traffic study will be appended to the DEIS. A firm that adheres to the principles and practices of the Institute of Traffic Engineering will conduct the traffic study and the traffic study will meet the standards required by the EPA.

The Town Engineer and the Town's traffic consultant, Transportation Concepts, Inc., determined the scope of the traffic study and identified the specific intersections to be studied. The traffic study to be conducted includes more intersections than a traffic study for this Project approved by the NYS DOT. The intersections to be studied are grouped into two categories: primary intersections and secondary intersections.

The primary intersections are located along Route 7, a predominantly commercial corridor. Traffic information for the primary intersections will be collected during several different time periods. Data will be collected weekdays from 7:00 am to 9:00 am and from 4:00 pm to 6:00 pm. In addition, data will be collected from 11:30 am to 1:30 pm on Saturday, a peak period for traffic associated with retail uses. These timeframes are the times during which a Supercenter typically experiences peak traffic volumes. The primary intersections to be studied are as follows:

- NYS Route 7 / County Route 142
- NYS Route 7 / Betts Road

**DEIS Scope Wal-Mart Supercenter
Town of Brunswick
June 2005**

- NYS Route 7 / Brunswick Drive
- NYS Route 7 / Wal-Mart Driveway
- NYS Route 7 / McChesney (West End)
- NYS Route 7 / McChesney (East End)
- NYS Route 7 / Roosevelt Ave, Brunswick Plaza
- NYS Route 7 / N. Lake Ave, South Lake Avenue
- NYS Route 7 / Burdett Ave
- NYS Route 7 / 15th Street
- NYS Route 7 / 10th Street
- NYS Route 7 / Route 278.

The secondary intersections in the traffic study are intersections that can be described as residential or commuter in nature. Because they are not on Route 7 and typically carry less traffic during weekends, the secondary intersections will be studied on weekdays from 7:00 am to 9:00 am and from 4:00 pm to 6:00 pm. The secondary intersections to be included in the study are as follows:

- North Lake Ave / County Route 142
- North Lake Ave / Miller Lane
- North Lake Ave / Liberty Road
- North Lake Ave / Frear Park Road
- McChesney Ave / Wal-Mart Driveway
- Oakwood Ave / Frear Park Road
- Oakwood Ave / Farrell Road
- Oakwood Ave / Route 142
- Route 142 / Farrell Road
- Route 2 / Route 278

The traffic study conducted for the DEIS will analyze traffic volumes under the assumption that the current Wal-Mart storefront will be filled and put to a use that generates traffic consistent with current volumes. In addition, the traffic study conducted will include background increases in traffic as part of the standard analysis.

In order to address the impact of reasonably anticipated growth near the Project, the DEIS will analyze traffic impacts under different scenarios including the following:

- Traffic impacts of completion of the Project;
- Traffic impacts of the completion of the Project coupled with the completion of Phase I of Hudson Hills, as that Phase I is defined in the Hudson Hills PDD application and DEIS Scoping Document;
- Traffic impacts of the completion of the Project coupled with the completion of Phases I and II of Hudson Hills, as those phases are defined in the Hudson Hills PDD application and DEIS Scoping Document; and

**DEIS Scope Wal-Mart Supercenter
Town of Brunswick
June 2005**

- Traffic impact of the completion of the Project coupled with completion of all of the development proposed in the Hudson Hills PDD application and DEIS Scoping Document.

Wal-Mart will review the internal traffic circulation and parking space configuration for the Project with the Town as the Project design is further developed.

Wal-Mart will also consult with the public transportation authority about the possibility of extending public bus service to the Project location. The DEIS will include the outcome of this consultation.

4.4.2 Project Trip Generation

and from an existing local stand-alone Wal-Mart Supercenter site.

The DEIS will include information on the traffic generated during both the construction and ongoing operation of the Project. The DEIS will include estimates for the volume of site-generated traffic based on trip generation data published by the Institute of Transportation Engineers. The DEIS will include estimates for traffic that will enter and exit the Project site during the predicted daily AM, PM and Saturday peak hours.

4.4.3 Post-Development Operating Conditions

The DEIS will include charts and narrative on post-development traffic volumes, based on information developed as part of the full traffic study to be conducted. Total post-development traffic volumes will be analyzed using the Highway Capacity Manual Methodology. The DEIS will contain the results of this analysis. Results of this analysis will include the identification of mitigation measures, if any, required to maintain acceptable operating conditions. The DEIS will detail any such mitigation measures by location and nature of the recommended measure.

The DEIS will include consideration of mitigation measures for post-development traffic volumes on Crescent Lane,

4.4.4 Conclusions and Recommendations Regarding Traffic Impacts

The DEIS will include a narrative regarding the conclusions and recommendations that result from the analyses and evaluations discussed above.

including the potential for increased use as a cut-through road.

4.5 Drainage

4.5.1 Existing Conditions

The DEIS will address the existing drainage conditions in detail. The DEIS will take into account the existing topography, ground cover and soil conditions found on the Project site as identified through the analyses detailed in Section 4.2. The existing conditions will be evaluated for the 2-, 10-, 25-, and 100-year, 24-hour storm events using SCS TR-55 and TR-20 methodologies, consistent with State regulations. This will include addressing impacts on the 100-year flood plain, if any. The aforementioned information will be used to compare the existing and proposed storm water run-off model.

**DEIS Scope Wal-Mart Supercenter
Town of Brunswick
June 2005**

4.5.2 Proposed Storm Water Management System

The proposed stormwater management system design for the Project will be attached to the DEIS and the DEIS will contain a narrative description of stormwater collection, water quality treatment and discharge rates. It is known that the construction of the Project will increase the amount of impervious surface area. Stormwater management facilities are being included in the Project to address the anticipated increase in run-off.

The storm water management design for the Project will include structural and non-structural measures that reduce off-site discharge rates and remove stormwater pollutants before discharge from the Project site. The stormwater management system will be designed through use of procedures outlined in the NYS Stormwater Management Design Manual. The stormwater management system will be designed to comply with EPA and NYS DEC requirements and with all requirements of the associated discharge permits.

The Project site is anticipated to include two (2) stormwater retention ponds. In addition, the Project site will include a private storm sewer system to direct most of the storm water run-off from the subject site toward the proposed ponds. Plans and figures that show the location of the retention basins and the private storm sewer system will be appended to the DEIS.

The DEIS will include narrative and figures, as appropriate, that detail the measures taken to minimize the impact of the presence of the retention basins as a potential nuisance. Basin design and fencing are generally used to deter nuisance wildlife species, including mosquitoes and other insects. Fencing also is used to ensure the safety of patrons and their children. Basin design information will include how frequently there will be standing water in the water retention basins.

4.5.3 Post Development Run-Off Rates

The DEIS will include an assessment of the stormwater volume, including post-development peak discharge rates. The proposed conditions will be evaluated for the 2-, 10-, 25-, and 100-year, 24-hour storm events using SCS TR-55 and TR-20 methodologies, consistent with State regulations. This will include addressing impacts on the 100-year flood plain, if any. Peak run-off rates after development will be the same or less than existing conditions. The DEIS will contain a comparison of existing and post-development run-off rates. The methodologies used to measure pre-development discharge rates will be used for this assessment.

The DEIS will include stormwater discharge calculations for the proposed discharge points and a comparison to the corresponding discharge under existing conditions.

Based on the comments received, the stormwater management system will be designed with the goal of preventing the diversion of post development run-off to the Brunswick Little League playing field and the nature overlook area. The DEIS will highlight and

**DEIS Scope Wal-Mart Supercenter
Town of Brunswick
June 2005**

provide narrative explanation of how the stormwater management system functions to minimize run-off to these areas.

4.5.4 Storm Water Quality

The DEIS will address the Storm Water Quality conditions in detail. A Storm Water Pollution Prevention Plan (SWPPP) will be developed in accordance with NYS DEC and EPA requirements. The SWPPP will be appended to the DEIS.

The SWPPP will include mitigation of potential impacts during construction and impacts resulting from the increased impervious surfaces associated with development. The SWPPP will contain information on the composition of run-off from parking areas and gasoline service areas similar to the ones proposed for the Project. Mitigation measures will address how the impact of anticipated pollutants from the parking lots and building footprints will be minimized. Mitigation measures will include construction of detention and/or retention basins to limit peak runoff from the project to pre-development rates; and construction of wet ponds, grass lined ditches or other water quality protection measures to mitigate impacts on the quality of stormwater runoff. The SWPPP will provide for adequate storage of Water Quality Volume and adequate storage and detention time for Channel Protection Volume.

The DEIS will identify what mitigation measures will be implemented at the Project site. Mitigation measures to minimize potential impacts on wetlands would first include an emphasis on avoidance of the wetland(s), then minimization of impact(s), and, if necessary, compensatory mitigation. The DEIS will indicate which mitigation measures, if any, will be utilized at the Project site.

4.5.5 Conclusions Regarding Drainage

The DEIS will detail the conclusions regarding the drainage conditions for the Project site and the immediate surrounding area. The narrative will be based on analysis of the studies and reports listed above.

4.6 Cultural Resources

Wal-Mart will relay on information already gathered by the New York State Office of Parks, Recreation, and Historic Preservation (NYS OPRHP) to evaluate potential impact the Project will have on cultural resources. Wal-Mart will also gather information from the Town Historian, Sharon Zankle. In addition, Wal-Mart has conducted a Stage I Archaeological Survey. The DEIS will detail the conclusion regarding the Stage I Archaeological Survey performed by Timothy J. Abel, PhD. A copy of Dr. Abel's report will be attached to the DEIS.

The initial site survey and a review of site files maintained by the NYS OPRHP reveal that six archaeological sites have been identified within 2 miles of the Project area. Of these, two (2) are unsubstantiated prehistoric sites documented by Arthur Parker (Parker

**DEIS Scope Wal-Mart Supercenter
Town of Brunswick
June 2005**

1920). They are characterized as unidentified "traces of occupation" or "camps". Their general locations are upland situations along the small tributaries of the Upper Hudson River. The remaining sites are historic residential deposits dating predominately from the 19th century. Two (2) of the sites are located within Oakwood Cemetery in Troy, and are associated with residences razed to allow for cemetery expansion in the 20th century. They were documented by a survey for the Oakwood Business Park development. The other two (2) sites are located along NYS Route 7, to the immediate east of the Project area. They are characterized as 19th century farmsteads, documented during a NYS DOT corridor improvement survey.

A walkover survey of the Project area was conducted on October 4, 2004 to document site conditions and inventory historic structures that may be visually impacted by the proposed undertaking. At the time of the survey, the Project area proved to be abandoned farmland, overgrown, but otherwise generally cleared of forest. A wooded area in the center of the Project area has not been farmed in recent times, and conforms generally to a map-documented wetland. Significant earthmoving disturbances were observed at the corner of Betts Road and NYS Route 7, where a modern commercial structure has replaced one of the 19th century map-documented farmsteads.

Positive results came from eight (8) shovel test pits ("STPs") and surface contexts, in the form of historic artifacts. The distribution of this material was scattered, while its density was light, usually consisting of only one piece per STP. The exception to this generality came in proximity to ruins and a standing structure associated with the N.R. Betts Farmstead Site. Four (4) STPs adjacent to Betts Road, excavated at 25 foot intervals, revealed a dense concentration of late 19th to early 20th century domestic refuse including kitchenware, container and window glass, lighting artifacts, structural hardware, and faunal material. The deposit is approximately 50 feet long and 33 feet wide, extending to a depth of 8 inches. The deposit is probably refuse associated with the N.R. Betts Farmstead.

Wal-Mart will conduct a Stage IB investigation if such an investigation is deemed necessary. Any Stage IB investigation report, along with proposed mitigation measures, will be submitted to and approved by NYS OPRHP prior to commencement of Project construction. A range of mitigation measures are available if significant cultural resources found on the site, including recovery and documentation of artifacts, excavation and salvage.

Communications from NYS ORHRP regarding proper classification and treatment of potential cultural resources will be appended to the DEIS.

4.7 Air Quality

The DEIS will rely on existing, published New York State Ambient Air Monitoring System data to establish existing pollutant levels. The DEIS will include analysis of the potential air quality impacts of the Project during the construction and operational phases of development. The DEIS will also include the identification of sensitive receptors in

**DEIS Scope Wal-Mart Supercenter
Town of Brunswick
June 2005**

the vicinity of the Project site. The Brunswick Little League field will be included as an off-site receptor for the purposes of evaluating air quality.

Potential air quality impacts during construction will be due to air borne dust carried by the wind from exposed surfaces. Dust from construction activities will be prevented from reaching nuisance conditions by applying standard mitigation practices, including but not limited to water or other commercial dust suppressants. The DEIS will provide narrative regarding the mitigation measures to be taken.

Although there is a potential for an increase in CO and/or other emission levels during construction, it is anticipated that increases will be minimal and isolated to the Project site. All equipment used for the Project will meet state and federal requirements for exhaust and pollution control.

The DEIS will include narrative regarding the potential air quality impacts due to operation of the Project. Potential impacts from both indirect and direct source emissions will be analyzed. Direct emissions to be evaluated include emissions from combustion sources for heating and hot water, emissions from building air ventilation systems and emissions from trucks idling at loading docks. The DEIS will contain estimates of peak combustion emissions rates, as determined using EPA emissions factors. The DEIS will also evaluate the impact of idling trucks based on location of Project loading docks and compliance with New York law restricting truck idling and truck hoteling.

The DEIS analysis of indirect emissions will address the potential impact of the largest emission source for a commercial retail site - the indirect source emissions caused by vehicles accessing the Project site. This evaluation will follow the screening procedure developed by the NYS DEC and contained in Air Guide-23. This screening procedure uses the same criteria as the NYS DOT.

The DEIS also will address the potential impact of emissions created by the gasoline station to be located on the Project site. The DEIS will include information to be gathered from a consultant who specializes in air quality impacts created by this kind of operation.

The DEIS will include conclusions regarding potential air quality impacts of the Project based on analysis of the emissions studies.

4.8 Noise

The DEIS will include studies of existing and predicted noise levels. The DEIS will identify noise sources and sensitive receptors in close proximity to the Project site. Data regarding existing noise levels will be gathered by direct measurement at the borders of the Project site and at sites identified as sensitive receptors. Direct measurements will be supplemented, as appropriate, by mathematical estimates of noise levels.

**DEIS Scope Wal-Mart Supercenter
Town of Brunswick
June 2005**

Necessary construction activities will result in temporary noise impacts. The DEIS will include narrative regarding temporary noise impacts on sensitive receptors. The DEIS will also identify mitigation measures that may be used to minimize construction noise impacts, if such measures are deemed necessary.

The DEIS will identify distinct noise sources that will be introduced by the operation of the Project. The noise study will consider the noise associated with deliveries and truck staging, taking anticipated delivery hours into account. The DEIS will include narrative about noise level measurements made at an existing Wal-Mart Supercenter. Noise levels at the existing store location will be used as a basis for projecting noise levels to the property lines of parcels adjoining the Project site, including identified sensitive receptors. The DEIS will include an analysis of how projected noise levels compare to applicable guidelines and noise levels occurring under existing conditions.

The noise studies will be conducted in accordance with NYS DEC standards for noise studies. Wal-Mart has already retained Atlantic Testing to conduct noise testing for the Project. Results and analysis of their study will be provided in the DEIS.

4.9 Visual Impacts

The DEIS will include a viewshed map identifying locations within an approximately two (2) mile radius of the Project site from which the Project would be visible. The viewshed map and DEIS narrative will identify the publicly accessible areas, including residential areas, from which the Project will be visible. Wal-Mart will also provide line of sight analyses from viewpoints identified by the Lead Agency based on the proposed grading plan for the Project. The identified viewpoints are NYS Route 7, Betts Road, Wilrose Lane, the Brunswick Little League playing field, the proposed Hudson Hills project site, the Brunswick Apartments, Arminghall Drive, and the pond overlook.

The DEIS will contain a discussion of the various lighting methodologies and lighting fixtures proposed for use by the Project. A photometric plan will be provided that shows the light mapping of the site and evaluates the foot-candle impact on and off site. The DEIS also will include an assessment of Project "skyglow."

The DEIS will evaluate the significance of the visual impact of the Project based upon three factors. These factors are the degree of change that will occur, the visibility of the project to the viewing public and the degree to which the completed project is unique or unusual for the area in which it is located. The change in appearance will be evaluated based on NYS DEC standards for assessing visual impacts. The DEIS will also analyze whether the Project will have significant impacts on inventoried resources and outline mitigation measures to be taken, if any. Mitigation measures may include architectural design elements and landscaping of the Project site.

**DEIS Scope Wal-Mart Supercenter
Town of Brunswick
June 2005**

4.10 Fiscal impacts

The DEIS will include a narrative regarding the fiscal impact commercial projects similar to the Project have on the local government and school district where commercial projects are located. The narrative will include results of studies conducted using a Cost of Community Services methodology developed by the American Farmland Trust.

The DEIS will also include predicted direct fiscal impact of the proposed Project on revenues to the Town of Brunswick, the local school district, and Rensselaer County. The DEIS will include estimates of additional revenues from real estate, income and sales taxes generated by the Project. In addition, the DEIS will contain an estimate of the additional cost of government services to be provided to the Project site. DEIS analysis will be based on Proportional Valuation Methodology as recommended for use in assessing fiscal impacts of commercial land development projects. Calculations will be attached to the DEIS.

4.11 Employment

The Project will lead to the creation of both short-term construction jobs and the addition of jobs to support Wal-Mart's expanded retail operations in the proposed Supercenter. The DEIS will include information on temporary construction and permanent employment to be generated by the Project. The Project will create approximately 150 short-term jobs during its 18-month construction phase. The Supercenter's ongoing operations will add approximately 185 jobs to the 300 jobs associated with Wal-Mart's current operation. Information on permanent employment will include a percentage break down of full- and part-time employees and estimated annual payroll of the Project. The DEIS will include detailed information regarding the number of jobs to be maintained and created as well as the mix of managerial and non-managerial jobs to be created. The DEIS also will include information on the tax revenues the Project is expected to generate for the Town of Brunswick. The increased consumer choices, increased consumer convenience, the increased jobs and income and the additional sales and real estate taxes generated by the expanded Wal-Mart operation will have a positive impact on the community.

4.12 Community Services

The DEIS will include narrative that identifies the community services, such as fire, rescue and ambulance and police services, that will be utilized by the Project. Information will be gathered through discussions with the local organizations that would be providing support to the Project and by evaluating information already available regarding the impact of the existing store and of other Supercenters on community services. The DEIS will include narrative regarding any unusual problems or demands anticipated in connection with the Project. For example, the DEIS will address any increased demand, if any, that would be placed on the NYS Troopers and the Town Court system by the expansion of Wal-Mart's operations. The DEIS will include information on

**DEIS Scope Wal-Mart Supercenter
Town of Brunswick
June 2005**

potential increases in crime, if any, associated with adding grocery and gasoline sales services to its operations.

5.0 REASONABLE ALTERNATIVES TO BE CONSIDERED

The DEIS will include narrative regarding reasonable alternatives to the Project that could be considered. Figures and plans will be included as appropriate. Reasonable alternatives to the proposed action to be considered in the DEIS include:

- Alternative sites for the development. Under SEQR, a private applicant is required to discuss only sites that it controls. Here, Wal-Mart controls the existing store site and the proposed site. These alternatives will be evaluated in the context of the Project sponsor's objectives. Evaluation of the existing Wal-Mart store as an alternative will include store sizes and building configurations that might be possible at the current location and the feasibility of filling wetlands at the existing store site.
- Alternative configurations of the proposed development at the proposed location, including alternative site layouts and alternative architectural treatments
- The "no-action" alternative.

All underlying technical reports prepared by project team consultants with respect to the issues identified for inclusion in the DEIS will be included in the appendices to the DEIS. The methodologies and results of all technical studies will be summarized and explained in the main body of the DEIS.

6.0 GROWTH INDUCING IMPACTS

The Project is not expected to have any growth inducing impacts. The Project is not expected to have any significant impact on population growth or the distribution of residential land uses. The presence of retail facilities generally does not drive population growth.

7.0 EFFECTS ON THE USE AND CONSERVATION OF ENERGY

The DEIS will include narrative regarding anticipated energy usage by the Project. Estimates will be based on daily energy consumption of a similarly sized Supercenter.

**TOWN OF BRUNSWICK
PUBLIC HEARING
JULY 14, 2005, 6:30 P.M.
TOWN HALL**

Board Members Present: Supervisor Herrington, Councilman Poletto, Councilman Salvi, Councilwoman Abrams and (arriving late) Councilman Clemente.

Board Members Absent: None.

Also Present: Town Attorney, Thomas Cioffi, and Town Clerk, Susan Quest-Sherman.

The Supervisor called the meeting to order at 6:32 p.m.

The Town Clerk read the Notice of Public Hearing which was placed in The Record once daily June 24, 2005.

Supervisor Herrington opened the hearing by explaining that the Fire Companies had approached the Town about installing a Knox-Box system.

Gus Scifo, Brunswick No. 1 Assistant Fire Chief, explained the Knox-Box system. Wal-Mart currently has a Knox-Box. Mr. Scifo handed out a flyer about the system.

Councilman Clemente joined the Hearing at 6:45p.m.

VISITORS WHO WISH TO SPEAK:

Bill Doyle, 23 Carroll's Grove Rd, and a business owner handed up a petition with 50 signatures of business owners. Mr. Doyle had concerns over confidentiality and he felt the Town might open itself up to liability. This would be an additional mandated cost to small businesses. The penalty of \$250 a week fine is excessive. Mr. Doyle would welcome a voluntary program.

Supervisor Herrington has spoken to many business owners and has found that the business community really doesn't want mandatory Knox Boxes.

Everett Kneer, NY Rt. 7, voiced his respect to the Fire Fighters but as a small businessman he feels his rights are being surrendered.

Tom McGrath, quoted the January Issue of Fire Rescue Magazine which says that the Knox-Box is a fund raiser. The Town of Colonie will raise \$2,000,000. and then will charge the 4,000 businesses \$50 a year to test the boxes. He doesn't question the firefighters he has great respect for them. The Knox-Box has great use but shouldn't be mandated.

Jim Sleicher, 56 Farrell Rd. pointed out that there were differences with Colonie's Law, Brunswick's Law would require houses to have a Knox Boxes.

Mr. Kreiger stated that the Fire Companies didn't approach business owners they approached the Town. There is no proposed on going fee. The fee for the box is between \$250 and

\$300. This was proposed for anyone who has a fire alarm. The Town needs to take over the system so all fire companies would have the same key.

Mr. Sleicher asked why Code Enforcement would get a key.

Mr. Kneer asked if there has been a problem.

Steve Wilson of Brunswick No. 1 explained that when the Fire Company arrives at a location they sometimes have to wait for the owner to arrive to open the building. The fire companies don't break down doors unless there is clear evidence of a fire.

Mr. Kneer asked why homes weren't required to have the boxes.

Paul Engelke, Want Ad Digest, asked why this was being imposed on businesses when the majority of fires in the Town were at private residences.

Supervisor Herrington stated that the Board had Mr. Kreiger investigate the system at the request of the Fire Companies.

Paul Bouchard stated that this would save time for the fire fighters and could save lives.

ADJOURNMENT:

Councilman Salvi made a motion to close the Public Hearing, seconded by Councilwoman Abrams. Approved. The meeting adjourned at 7:15 p.m.

Respectfully submitted,

Susan Quest-Sherman
Town Clerk

Note: An audiotape of this meeting is available in the Town Clerk's Office.

NOTICE OF PUBLIC HEARING

PLEASE TAKE NOTICE that a public hearing will be held before the Town Board of the Town of Brunswick on the 14th day of July, 2005, at Brunswick Town Hall, located at 308 Town Office Road, Town of Brunswick, at 6:30 P.M., to consider the adoption of Local Law No. 1 of the Town of Brunswick for the Year 2005 entitled "A Local Law Providing for an Emergency Services Rapid Access System in the Town of Brunswick"

The purpose of the local law is to impose a requirement that certain types of building and structures in the Town of Brunswick be equipped with a high security key box containing keys or other means for emergency services to gain entrance to said buildings or structures in the event of a fire or other emergency.

A full copy of the text of the said proposed local law may be examined at the Office of the Town Clerk, Town of Brunswick, 308 Town Office Road, Town of Brunswick, during regular business hours.

All those interested will be heard at the said time and place.

Dated: Brunswick, New York
June 20, 2005

BY ORDER OF THE TOWN BOARD

Town Clerk
Town of Brunswick

Local Law Filing

TOWN OF BRUNSWICK

Local Law No. 1 For the Year 2005

A Local Law Providing for an Emergency Services Rapid Access System in the Town of Brunswick

Be it enacted by the Town Board of the Town of Brunswick as follows:

Section 1.: Name.

This local law shall be known and commonly referred to as the "Emergency Services Rapid Access System Law of the Town of Brunswick".

Section 2.: Legislative Findings and Statement of Purpose.

The Town Board recognizes the importance of providing the Town's Emergency Services with a means of rapid entry into locked buildings which are the subject of a fire, crime or other type of disaster. The delay in gaining entry to locked buildings can result in loss of life to occupants, delays in administering lifesaving medical procedures, substantial loss and damage to real and personal property, and increased danger for emergency services personnel and building occupants.

An Emergency Services Rapid Access System Law will require the placement in certain types of buildings of a secured, locked container containing the necessary key or keys to gain access to the building.

The Town Board finds and determines that the adoption of an Emergency Services Rapid Access System Law is vital and necessary to the health, safety and welfare of the people of the Town of Brunswick and the protection and preservation of property.

Section 3.: Key Box Requirement.

The following types of buildings and structures located within the Town of Brunswick shall be equipped with a secured, locking key box as hereinafter described:

- A. All commercial and industrial buildings;
- B. All multiple dwellings containing four (4) or more residential units;
- C. All utility buildings;
- D. All government buildings;
- E. All places of public assembly including but not limited to churches, schools and libraries;
- F. All building having an automatic fire alarm system;
- G. All buildings having a fire sprinkler system.

Section 4: Key Box Type.

The key box shall be a high security key vault of UL type approved by the Building Department. The key box lock shall be keyed to the configuration specified by the Building Department. The key box shall have a weatherproof gasket and have a covered lock opening. The key box shall be highly resistant to drilling or vandalism.

Section 5: Key Box Installation Requirements.

The key box shall be installed on the front of the building near the main entry door, and shall be between five (5) and six (6) feet above grade, unless the Building Department shall approve another location or height above grade.

Section 6: Contents of Key Boxes.

The key box shall contain, at minimum, the following:

- A. Keys or magnetic entry cards for all exterior doors, and interior doors if there are locked mechanical equipment, electrical, elevator or sprinkler rooms, or locked fire alarm panels.
- B. Access codes to digital fire alarm keypads.

All keys or magnetic access cards within the key box shall be labeled for easy identification

and shall be kept current at all times.

Section 7: Time for Compliance.

All existing buildings required to have a key box under the provisions of this local law shall comply with all provisions of this local law within eighteen (18) months from the effective date hereof.

All new construction required to have a key box under the provisions of this local law, including buildings currently under construction as of the effective date hereof, for which no certificate of occupancy or compliance has been issued, shall comply immediately.

Section 8: Administration and Enforcement.

The Town of Brunswick Building Department shall administer and have the authority to enforce the provisions of this local law.

Section 9: Penalties.

The violation of any provision of this local law, or the failure to comply with any lawful notice, order, directive, permit or certificate issued by the Town of Brunswick Building Department hereunder, by any person, firm, corporation or other entity, shall be deemed a violation and be punishable by fine of \$250.00. Each week that a violation or failure to comply continues shall be deemed an additional, separate offense. For the purpose of conferring jurisdiction upon courts and judicial officers generally, violations of this local law, and the failure to comply with any lawful notice, order, directive, permit or certificate issued by the Town of Brunswick Building Department hereunder, shall be deemed misdemeanors, and for such purpose only, all provisions of law relating to misdemeanors shall apply.

Section 10: Effective Date.

This local law shall take effect immediately.

Fire Department Emergency Access to Your Property

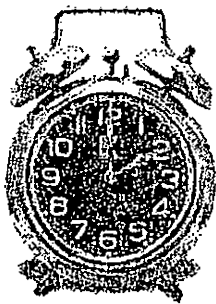

KNOX-BOX® and your local fire department are working hand-in-hand to offer the best in fire protection and the finest in fast and secure emergency access.

Ten Reasons to Install a KNOX-BOX

1. Eliminate needless, costly forced entry damage that may not be covered by your insurance deductible.
2. Assure immediate building entry by firefighters without delay or waiting for building keys.
3. Protect inventory, equipment and supplies from unnecessary water damage caused by delayed sprinkler shut-off.
4. Satisfy local fire codes and emergency access ordinances.
5. ~~Save time and aggravation by not having to drive to your building at 2:00 am for a false alarm.~~
6. Feel secure about emergency coverage when your building is left unattended. The fire department holds the only key to the KNOX-BOX.
7. Maintain building security after a fire alarm investigation by simply re-locking the undamaged door.
8. Protect your property from thousands of dollars in damage with this one-time, low-cost investment.
9. Depend on the highest lock box security available with attack resistant, UL tested reliability.
10. Over the last 25 years, KNOX-BOX has been the chosen solution in 6,000 communities nationwide – communities just like yours!

The Knox System at Work

It's 2:00 am. The fire alarm in your building is ringing and the fire department responds. Rather than reaching for an ax to break down the door, firefighters open the KNOX-BOX, remove entrance keys, and immediately enter your facility.

Eliminating forced entry means no property damage and no replacement costs for broken windows and forced doorframes or locks. It also means no flying glass to injure firefighters.

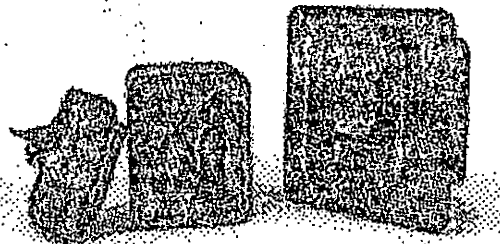

You arrive on site knowing that you or your representative did not have to get there before firefighters could enter your building. The fire department has already determined that a small fire was contained by the sprinkler system. The reduced emergency response time meant immediate shut off of the sprinkler water supply resulting in minimal smoke, fire and water damage to your property.

Even before parking your car, you see that the fire department has already re-locked the front door and replaced your key inside the KNOX-BOX.

In an era of reduced funding and manpower, your fire department has performed its duties with increased effectiveness and is now free to respond to the next emergency.

The minimal expenditure to install a KNOX-BOX has allowed you, the building owner, to satisfy local fire codes and ordinances. But most importantly, KNOX-BOX protection is providing peace of mind that your building is safe.

**For additional fire protection and order information,
contact your fire department.**

Knox also manufactures and distributes key vaults, switches, padlocks and cabinets for key and document storage

**TOWN OF BRUNSWICK
REGULAR TOWN BOARD MEETING
JULY 14, 2005, 7:00 P.M.
TOWN HALL**

Board Members Present: Supervisor Herrington, Councilman Poletto, Councilman Salvi, Councilman Clemente and Councilwoman Abrams.

Board Members Absent: None.

Also Present: Town Attorney, Thomas Cioffi, and Town Clerk, Susan Quest-Sherman.

The Supervisor called the meeting to order at 7:28 p.m.

All joined in a salute to the flag.

Supervisor Herrington opened the meeting to public comment.

VISITORS WHO WISH TO SPEAK:

None.

BUSINESS MEETING:

MINUTES OF THE PREVIOUS MEETING:

A motion was made by Councilman Salvi to approve the minutes of the previous meetings, seconded by Councilman Clemente. Approved.

REPORTS:

Town Clerk: Susan Quest-Sherman

The Town Clerk handed in a written report for the month of June. Amount to be remitted to the Supervisor for the month is \$31,118.79. Enrollment in the Summer Program is at 230 with 58 registering on the last day. This could have caused a staffing problem. Councilman Salvi mentioned that the final day of registration has to be moved up. This would help with hiring and leave time for review of the applications for completeness. During the month 829 beach passes were given out. Verizon will be refunding \$829 for a circuit which the Town no longer uses. A motion to accept the report was made by Councilwoman Abrams and seconded by Councilman Poletto. Approved. A copy of the report is on file in the Town Clerk's Office.

Highway Superintendent: Doug Eddy

The Highway Superintendent gave his report for the month of June. Motion to accept the report was made by Councilman Salvi, seconded by Councilman Clemente. Approved. A copy of the report is on file in the Town Clerk's Office.

Superintendent of Utilities & Inspections: John Kreiger

Mr. Kreiger gave his report for the month of June; amount remitted to the Supervisor was \$8,713.00. Councilman Poletto made a motion to accept the report seconded by Councilwoman Abrams. Approved. A copy of the report is on file in the Town Clerk's Office.

Superintendent of Water: Myron VanDyke

Mr. VanDyke gave his report for the month of June. Hydrant flushing will begin August 1. A motion to accept the report was made by Councilman Poletto which was

seconded by Councilman Salvi. Approved. A copy of the report is on file in the Town Clerk's Office.

Town Attorney: Thomas Cioffi

Mr. Cioffi gave his report for the month of June. Included in the night's resolutions was an agreement with the CSEA union. The contract had expired in 2004. A mediator had been called in and this was the agreement that was drawn up. A motion was made by Councilman Poletto to approve Mr. Cioffi's report, seconded by Supervisor Herrington. Approved.

Town Historian: Sharon Zankel

Mrs. Zankel gave her report for the month of June. Councilman Salvi made a motion to accept the report which was seconded by Councilman Poletto. Approved. A copy of the report is on file in the Town Clerk's Office.

Recycling Coordinator: Thomas Engster

The Recycling Coordinator presented his report for the month of June. Motion to accept Mr. Engster's report was made by Councilman Salvi which was seconded by Councilman Poletto. Approved. A copy of the report is on file in the Town Clerk's Office.

Youth Commissioner: Councilman Sam Salvi

Councilman Salvi spoke about the Day Camp which is averaging 150 Campers a day. The County has inspected the Camp and will be recommending that other Camps apply our card system. Motion to accept Councilman Salvi's report was made by Councilman Poletto, seconded by Councilwoman Abrams. Approved.

Brunswick Community Library: Julie Zelman

Mrs. Zelman gave the Library's report for the month of June. Councilman Poletto made a motion to approve the report, seconded by Councilwoman Abrams. Approved. A copy of the report is on file in the Town Clerk's Office.

Supervisor Herrington stated that the Library would like to meet with the board to discuss their financial plans.

A Workshop meeting was set up for August 11, 2005 at 6:00 p.m. to discuss the Brunswick Community Library's financial situation.

Family Community Center: William DeFilippis

Mr. DeFilippis read his report for the month of June. Motion to accept the report was made by Councilwoman Abrams seconded by Councilman Salvi. Approved. A copy of the report is on file in the Town Clerk's Office.

RESOLUTIONS:

Resolution No. 59 Resolution Approving the Terms and Provisions of a Successor Collective Bargaining Agreement between The Town of Brunswick and the Civil Service Employees Association, Inc., Town of Brunswick Unit, for the Period Commencing January 1, 2005, Through December 31, 2007, and Authorizing Supervisor and Other Appropriate Officials of the Town to Execute the Said Agreement. The foregoing Resolution, offered by Supervisor Herrington, seconded by Councilman Poletto, was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman

Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Resolution No. 60 Resolution Adopting Final Written Scope for the Preparation of an Environmental Impact Statement of the Brunswick Meadows Planned Development District Application.

This Resolution was withdrawn with the consent of the applicant. It will be entertained at next month's Board Meeting.

CORRESPONDENCE:

None.

OLD BUSINESS:

Councilman Poletto spoke about the Rt. 7 project. Storm water work will finish up this week. Paving should be done by the third week in August.

The concerts are getting bigger and better. Councilman Poletto was approached by the Bicentennial Committee to have a Cow Fest in September.

NEW BUSINESS:

Supervisor Herrington stated that the construction on the New Offices is moving along.

Warrants: Warrants No. 61701 through 61713, No. 050636 through 0050664, No. 70101 through No. 70112, No. 070501 through 070502, No. 071201 through 071202, No. 050665 through 050837 and No. 71501 through 71512 were presented. A motion to approve the warrants was made by Councilman Poletto, and seconded by Councilwoman Abrams. Approved.

FURTHER PUBLIC COMMENTS:

Sean MacLean, Brunswick Rd, asked if it would be possible to get schedule of agenda's for Town Meetings.

Councilman Poletto stated that the meetings are posted on the information board and noticed in the Newspaper and on the Web Site.

Denise Kuhl, McChesney Ave, asked the status of the Super Wal-Mart project.

Mr. Gilchrist stated that the Final Scope for the project had been adopted at the July Board Meeting. Wal-Mart must now submit an Environmental Impact Statement.

Councilman Poletto mentioned that there is no time frame on the submittal. It is up to Wal-Mart how long they take to complete the statement.

Supervisor Herrington thanked Mrs. Zankel for the agenda for the Monthly Board Meetings.

Supervisor Herrington recused himself at 8:10 p.m. as he and his brother own the property mentioned in Resolution No. 61.

Mr. Gilchrist explained the process of PDD's.

Mr. Lee Rosen of the Highland Creek Project stated that comment letters had been received, reviewed and incorporated. All items were added to the Scope.

Mr. Gilchrist stated that the comment letters were reviewed by the board and the Town's consultants and the scope has been deemed complete in a Legal stand point. Supervisor Herrington has recused himself from this application. Mr. Gilchrist further stated that the notice for comments had inadvertently stated that comments should be directed to the Supervisor.

Councilman Poletto explained that this does not approve the project it just sets the questions that the developer must address further.

Sean MacLean, asked why the Town is Lead Agent in this project.

Councilman Poletto answered that the same consultants were used on all projects because of the volume of projects and the Town Board is able to make independent decisions.

Resolution No. 61 Resolution Adopting Final Written Scope for the Preparation of an Environmental Impact Statement on the Highland Creek Planned Development District Application. The foregoing Resolution, offered by Councilman Salvi and seconded by Councilwoman Abrams was duly put to a roll call vote as follows: Councilman Poletto, Voting Aye; Councilman Clemente, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Salvi, Voting Aye; Supervisor Herrington, Recused. The foregoing Resolution was thereupon declared duly adopted.

ADJOURNMENT:

Councilman Clemente asked if public notices have gone out to neighbors about the Hudson Hills project.

Mr. Gilchrist stated that all notices had gone out that day.

Rebecca Kaiser thanked Mr. Gilchrist for a copy of the DEIS for the Hudson Hills project.

Councilman Salvi made a motion to adjourn the meeting, seconded by Councilwoman Abrams. Approved. The meeting adjourned at 8:22 p.m.

Respectfully submitted,

Susan Quest-Sherman
Town Clerk

Note: An audiotape of this meeting is available in the Town Clerk's Office.

TOWN HISTORIAN'S MONTHLY REPORT TO THE BRUNSWICK TOWN BOARD
JULY 14, 2005

The following summarizes my activities over the past month:

- It's been so warm the past few weeks, several out-of-towners who planned to visit Brunswick to do family history research decided to postpone their trips 'til cooler weather! Meanwhile, I've answered two inquiries from local people seeking historical information about their homes (Stillman and Schlosser).
- I met with Mark Spitzer, a teacher in the audio-visual department at Tamarac High School, as we hope to develop a school program whereby students will record on DVD the oral histories of some of our residents. The DVDs will be presented during our Bicentennial celebration in 2007.
- I've continued to work on plans for our Hometown Heritage Days, scheduled for May 19 & 20, 2007. The Bicentennial Committee did not meet this month, but several on the committee have been meeting with a local supplier of the engraved bricks the committee plans to sell as memorials for the reconstructed Veterans Park, and information on that should be available by late summer. I've also been in touch with a local artist who is willing to pull together an exhibit of art by Brunswick residents during the Bicentennial. Don't forget tee shirts leftover from last year's Bicentennial Walk/Run are still on sale at the Town Clerk's office.
- The Brunswick Bicentennial ornament issued this year, 2005, is now available for purchase at the Brunswick Historical Society. This year's ornament features the old District No. 5 schoolhouse in Center Brunswick.
- On August 20 the Brunswick Historical Society will host an archeological dig for young people ages 9 - 12; this rain-or-shine program is provided free-of-charge but we must limit the number of participants, so reservations are required. The program begins at 9:30 am at the historical society and then moves to my home where the dig will take place.
- I've been asked by Councilwoman Abrams to develop a plan for erecting roadside historic markers around our town. We've discussed several sites to get the project underway, and I'm currently trying to locate a vendor who might create the markers at a price less than the \$800 charged by the manufacturer recommended by the State Education Department.

RESOLUTION NO. 59, 2005

**TOWN OF BRUNSWICK
REGULAR MEETING**

July 14, 2005

**RESOLUTION APPROVING THE TERMS AND PROVISIONS OF A
SUCCESSOR COLLECTIVE BARGAINING AGREEMENT BETWEEN
THE TOWN OF BRUNSWICK AND THE CIVIL SERVICE EMPLOYEES
ASSOCIATION, INC., TOWN OF BRUNSWICK UNIT, FOR THE PERIOD
COMMENCING JANUARY 1, 2005, THROUGH DECEMBER 31, 2007,
AND AUTHORIZING SUPERVISOR AND OTHER APPROPRIATE
OFFICIALS OF THE TOWN TO EXECUTE THE SAID AGREEMENT**

WHEREAS, the Collective Bargaining Agreement between the Town and CSEA, Inc., representing the Town's unionized employees, having expired on December 31, 2004; and

WHEREAS, representatives of the Town and the CSEA, Inc., having duly met to discuss and bargain over the terms and provisions of a successor Collective Bargaining Agreement and, following a declaration of impasse by CSEA, Inc., and the appointment and intervention of a PERB mediator, having reached an understanding in that regard, the same having been reduced to writing in the form of a Memorandum of Agreement, a copy of which has been filed in the Office of the Town Clerk; and

WHEREAS, it appearing that the Town of Brunswick Unit of CSEA, Inc., has voted to approve a successor Collective Bargaining Agreement continuing the terms of the previous Agreement except as modified by the terms of the Memorandum of Understanding; now, therefore, after due consideration and deliberation,

BE IT RESOLVED, that the terms and provisions of the successor Collective Bargaining Agreement between the Town and CSEA, Inc., Town of Brunswick Unit, for the period from January 1, 2005, through December 31, 2007, as reflected in the said Memorandum of Agreement, be and hereby are approved; and be it further

RESOLVED, that the Supervisor and other appropriate officials of the Town of

Brunswick are hereby authorized to execute a successor Collective Bargaining Agreement continuing the terms of the previous Agreement except as modified by the terms of the Memorandum of Agreement; and be it further

RESOLVED, that the final version of the said Collective Bargaining Agreement shall be approved by the Town Attorney prior to its execution by any Town official.

The foregoing Resolution, offered by Supervisor Herrington and seconded by Councilman Poletto, was duly put to a roll call vote as follows:

RESOLUTION NO. 60, 2005

**TOWN OF BRUNSWICK
REGULAR MEETING**

July 14, 2005

**RESOLUTION ADOPTING FINAL WRITTEN SCOPE FOR THE
PREPARATION OF AN ENVIRONMENTAL IMPACT STATEMENT
ON THE BRUNSWICK MEADOWS
PLANNED DEVELOPMENT DISTRICT APPLICATION**

WHEREAS, an application for a Planned Development District ("PDD") has been filed with the Town of Brunswick by J.P.J. Partnership ("Applicant") seeking approval for the construction of 136 condominium units to be located in 34 buildings on 16.6 acres of land located off NYS Route 142 approximately 130' east of the Town of Brunswick and City of Troy municipal boundary line; and

WHEREAS, in connection with the Brunswick Meadows application for PDD, Applicant has filed a Full Environmental Assessment Form pursuant to the State Environmental Quality Review Act ("SEQRA") and its implementing regulations at 6 NYCRR Part 617; and

WHEREAS, the Town Board of the Town of Brunswick ("Town Board") undertook coordination of Lead Agency designation pursuant to 6 NYCRR §617.6(b)(3), and declared itself Lead Agency for this action; and

WHEREAS, following review of the PDD application and Full Environmental Assessment Form, the Town Board adopted a positive declaration pursuant to SEQRA for this action, requiring the preparation of an Environmental Impact Statement; and

WHEREAS, the Town Board determined that scoping would be conducted pursuant to 6 NYCRR §617.8 on this action; and

WHEREAS, the Applicant submitted a draft Scope to the Town Board; and

WHEREAS, the Town Board served a copy of the Draft Scope on all involved and

interested agencies, and provided public notice of the receipt of the Draft Scope and opportunity for the submission of written comment on the Draft Scope through and including June 17, 2005; and

WHEREAS, a copy of the Draft Scope was placed at the Brunswick Town Hall and Brunswick Community Library and made available for public review and inspection during the written comment period; and

WHEREAS, comments were received by the Town Board, which were reviewed and considered by the Town Board and provided to the Applicant; and

WHEREAS, the Applicant has submitted a revised Scope to address the written comments received; and

WHEREAS, the Town Board and its technical consultants have reviewed the revised Scope submitted by the Applicant and finds that it is complete, and further finds that the revised Scope has adequately addressed all written comments received, and further finds that the revised Scope identifies all potentially adverse impacts of this action which will be analyzed in the Environmental Impact Statement for this action;

NOW, THEREFORE, BE IT RESOLVED by the Town Board of the Town of Brunswick in regular session duly convened as follows:

1. The Town Board of the Town of Brunswick, as Lead Agency under SEQRA, hereby issues a final Scope for this action in the form attached hereto pursuant to 6 NYCRR Part 617.8 for the Environmental Impact Statement to be prepared for the Brunswick Meadows PDD action.

The foregoing Resolution, was withdrawn with the consent of the applicant.

**STATE ENVIRONMENTAL QUALITY REVIEW ACT (SEQRA)
DRAFT SCOPING OUTLINE**

Name of Action: Highland Creek Planned Development District

Applicant: Landmark Development Group, LLC

Description of Action:

Landmark Development Group, LLC is proposing a 206± unit residential development on 210± acres in the Town of Brunswick, NY. The project will have full build-out consisting of:

- 20± Single Family – Manor Homes
- 74± Single Family – Traditional Homes
- 112± Single Family – Carriage Homes
- Access road and utilities
- Appurtenances (*i.e.*, tennis courts, basketball court, bike paths and walking paths).

Primary access to the site is proposed from McChesney Ave. extension 500 feet to the east of its intersection with Bonesteel Lane. Secondary access will be provided by Bonesteel Lane. An application to rezone the project site from A-40 Agricultural to Planned Development District (PDD) has been submitted to the Town.

Location of Action: The site is bound by McChesney Ave. Extension to the south; and is located in the Town of Brunswick, Rensselaer County, New York (see Site Location Map).

SEQRA Status: Type I

Lead Agency: Town of Brunswick Town Board
Mr. Philip Herrington, Town Supervisor
308 Town Office Road
Troy, New York 12180

Positive Declaration: Issued May 12, 2005

Draft Environmental Impact Statement – Scoping Document

A. Introduction

Potentially Significant Adverse Environmental Impacts:

Based on the Town Board's review of application materials submitted by Landmark Development Group, LLC, the Board has determined that the proposed action may have a significant impact on the environment including impacts on traffic, drainage, wetlands, current visual appearance, and utilities.

Purpose of Scoping:

The proposed "Highland Creek PDD," hereinafter known as "the Project" is a Type I Action Pursuant to Part 617 of the implementing regulations pertaining to Article 8 (State Environmental Quality Review Act "SEQRA") of the New York State Environmental Conservation Law.

The Town of Brunswick Town Board has established itself as "Lead Agency" pursuant to the requirements of SEQRA, and has issued a Positive Declaration, meaning the Board has determined that the Project may have significant impacts on the environment, requiring that a draft Environmental Impact Statement (DEIS) be prepared for the Project.

In order to ensure that all issues are considered in the DEIS, a Public Scoping process has been initiated which includes the development of a Scoping Document. The scoping process is one that develops a written document ("scope") which outlines the topics and analyses of the potential environmental impacts of the Project.

The process is intended to:

- Facilitate public participation in the EIS process;
- Permit inclusion of relevant, substantive public issues in the final written scoping outline;
- Provide an opportunity to permitting and other interested agencies to identify information needs and analyses necessary to support their decisions;
- Focus on potentially significant adverse impacts for the preferred alternative.

Draft Environmental Impact Statement – Scoping Document

Scoping Outline Content:

This Draft Scope establishes an outline for the DEIS including identification of potential environmental impacts which will be addressed.

In accordance with 6 NYCRR § 617.8(f), the scoping outline will contain:

1. A brief description of the proposed action;
2. The potentially significant adverse impacts identified in the positive declaration and any impacts identified by interested agencies and the public;
3. The extent and quality of information needed by the Applicant to adequately address each impact, including an identification of relevant existing information, and required new information, including the required methodology(ies) for obtaining new information;
4. An initial identification of mitigation measures;
5. The reasonable alternatives considered;
6. An identification of the information/data that should be in an Appendix rather than the body of the DEIS.

B. Environmental Impact Statement Content (General)

In accordance with 6 NYCRR § 617.9(b), the extent and quality of information necessary to address procedural and substantive content requirements of the DEIS are summarized below:

1. The DEIS must assemble relevant and material facts upon which agencies decisions are to be made. It must analyze the significant adverse impacts and evaluate reasonable alternatives.
2. The DEIS must be clearly and concisely written in plain language that can be read and understood by the public. Within the framework presented in paragraph 617.9(b)(5) of

Draft Environmental Impact Statement – Scoping Document

this subdivision; The DEIS should address potential significant adverse environmental impacts that can be reasonably anticipated and/or have been identified in the scoping process. Highly technical material should be summarized and, if it must be included in its entirety, should be referenced in the statement and included in an appendix.

3. The DEIS and Final EIS (FEIS) must be preceded by a cover sheet stating:
 - o Whether it is a DEIS or FEIS;
 - o The name or descriptive title of the action;
 - o The location (county and town) and street address, if applicable, of the action;
 - o The name and address of the lead agency (Brunswick Town Board) and the name and telephone number of a person at the agency who can provide further information;
 - o The names of individuals or organizations that prepared any portion of the statement;
 - o The date of its acceptance by lead agency; and
 - o In the case of a DEIS, the date by which comments must be submitted.
4. The DEIS (and FEIS) must have a table of contents following the cover sheet and a precise summary which adequately summarizes the statement.
5. The DEIS must include the following elements:
 - o A concise description of the proposed action, its purpose, public need and benefits, including social and economic considerations;
 - o A concise description of the environmental setting of the areas to be affected, sufficient to understand the impacts of the proposed action and alternatives;
 - o A statement and evaluation of the potential significant adverse environmental impacts at a level of detail that reflects the severity of the impacts and the reasonable likelihood of their occurrence, including whenever applicable and significant:
 - reasonably related short-term and long-term impacts, cumulative impacts and other associated environmental impacts;
 - those adverse environmental impacts that cannot be avoided or adequately mitigated if the proposed action is implemented;

Draft Environmental Impact Statement – Scoping Document

- any irreversible and irretrievable commitments of environmental resources that would be associated with the proposed action should it be implemented;
 - any growth-inducing aspects of the proposed action;
 - impacts of the proposed action on the use and conservation of energy; and
 - Impacts of the proposed action on solid waste management and its consistency with the state or locally adopted solid waste management plan.
- A description of the mitigation measures;
 - A description and evaluation of the range of reasonable alternatives to the action that are feasible, considering the objectives and capabilities of the project sponsor. The description and evaluation of each alternative should be at a level of detail sufficient to permit a comparative assessment of the alternatives discussed. The range of alternatives must include the no action alternative. The no action alternative discussion should evaluate the adverse or beneficial site changes that are likely to occur in a reasonably foreseeable future, in the absence of the proposed action. The range of alternatives might consider alternative:
 - Sites (site alternatives may be limited to parcels owned by, or under option to, a private project sponsor);
 - Technology (i.e., mitigation alternatives);
 - Scale and magnitude;
 - Design;
 - Timing;
 - Use; and
 - Types of action (i.e., any alternative for which no discretionary approvals are needed).
6. The DEIS (and FEIS) may incorporate by reference all or portions of other documents, including EISs that contain information relevant to the statement. The referenced documents must be made available for inspection by the public within the time period for public comment in the same places where the Lead Agency makes available copies of the EIS. When an EIS incorporates by reference, the referenced document must be briefly described, its applicable findings summarized, and the date of its preparation provided.

Draft Environmental Impact Statement – Scoping Document

7. The FEIS must consist of: the DEIS, including any revisions or supplements to it; copies or a summary of the substantive comments received and their source (whether or not the comments were received in the context of a hearing); and the lead agency's responses to substantive comments. The DEIS may be directly incorporated into the FEIS or may be incorporated by reference. Revisions and supplements to the DEIS must be specifically indicated and identified as such in the FEIS.

Draft Environmental Impact Statement – Scoping Document

Environmental Impact Statement Content (Detailed)

Section 1: Summary

The DEIS will include a precise summary which adequately and accurately summarizes the content of the DEIS.

The summary will include narratives on the following:

- 1.1 Description of Action
- 1.2 Significant Impacts
- 1.3 Mitigation Measures
- 1.4 Alternatives Considered
- 1.5 Matters to be Decided

The summary section of the DEIS will provide the reader with a general understanding of the Highland Creek PDD project; potential impacts, mitigation and alternatives considered to minimize impact; and permits and approvals necessary to construct and operate this project.

Section 2: Description of Proposed Action

2.1 Project Purpose and Need

Highland Creek is a proposed Planned Development District by Landmark Development of Albany, featuring a variety of Single-Family Homes designed around an integrated Open Space System on 210± acres of land located on the northeast side McChesney Avenue Extension, south of its intersection with McChesney Avenue.

Homes planned for Highland Creek include 74 Traditional Single Family Homes, 20 Manor Homes and 112 Carriage Homes, and are designed to serve the following homebuyers:

- The Traditional Single Family Home, ranging in size from 1,800 to 3,200 square feet with attached 2-car garages, are designed to appeal to the first-time and move-up homebuyer.
- The Manor homes are a collection of premium value, one- and two- story single-family homes, ranging from 2,000 to 3,500 square feet, designed to appeal to the luxury/high-end homebuyer.
- The Carriage Homes are single family, detached homes specifically designed for the “empty-nester” owner (that is, the owner who desires a single-family detached home, requiring less exterior grounds maintenance). This “empty-nester” market, where lawn mowing, snow removal and other services are provided, is currently vastly underserved in the Town.

Highland Creek’s Open Space System will be owned by a Homeowners Association to be created for the Community, and will include a substantial portion of the site which will remain undeveloped, providing natural buffers around and within the Community. The Open Space System will include walking trails and passive recreation/park areas and other areas which may be developed for recreational use by residents of the Community.

A Master Landscape Plan will be implemented for the Community, including a distinctively landscaped main entrance and drive into the Community, which will serve as an identifying element of the Community. Deed restrictions will also be placed on the lands owned by Highland Creek Homeowners Association for the long term maintenance and protection of these lands, as

Draft Environmental Impact Statement – Scoping Document

well as upon individual homes to provide architect control and review procedures. Draft of deed restriction will be included.

The Project is compatible with uses of properties adjoining and in the general vicinity of the Project, which include apartments and other residential uses.

2.2 Project Location

The 210± acres project site is located in the Town of Brunswick, New York and is bound by McChesney Ave. Extension to the south; the Lands now or formerly of Smith, Howard, Guzzo, Layman, O'Malley, O'Connor, and Purcell to the North; the Lands now or formerly of Flynn, Tomaro, Guzzo, and Sun Dog Realty, LLC to the east; the Lands now or formerly of Niagara Mohawk, Balascio, Smith, Duncan, Baker, and Morse to the west.

2.3 Project Design and Layout

The DEIS will include concept plans that illustrates the configuration of the project being evaluated in the SEQRA process. The concept plans represent the maximum build-out of the project. Facilities and amenities proposed for each phase will also be identified.

Potential impacts resulting from the proposed build-out will be evaluated in the DEIS by “overlying” the project on baseline (existing) environmental and socio-economic conditions and identifying resources that may be impacted, the magnitude and timing of the impact. Mitigation to reduce or eliminate impacts will also be identified for each resource. In addition, incorporating an identified alternative (see section 4) may further mitigate some impacts.

The DEIS section describing the “Preliminary Design and Layout” will be divided into the following topics:

- Site Area (location of roads, lots, and building construction envelopes)
- Explanation of home types (typical floor plans, elevations, and market research)
- Open and Green Space with proposed amenities
- Vehicular Access
- Utilities and Storm Water Management
- Erosion and Sediment Control

- Signage, Landscaping and Lighting

2.4 Construction Activities

The DEIS will address potential impacts on the environment from construction. Consequently, this section of the DEIS will identify the anticipated types of construction activities (i.e., grading, excavation, build/infrastructure, need for blasting, etc.), phasing of construction, and construction duration. Construction is anticipated to begin in 2006. The anticipated duration will be identified in the DEIS.

2.5 Approvals needed

In addition to the Town of Brunswick, information and assessments in the DEIS will also be utilized by other permitting and approving agencies in their decision making process. This Section of the DEIS identifies those other jurisdictional agencies and the permits/approvals that will be required to implement the project. Anticipated approvals are summarized in Table 1.

Draft Environmental Impact Statement – Scoping Document

Table 1: Potential Permits, Approvals, and Consistency Reviews

Federal

1. Section 404 of the Clean Water Act for the placement of dredging or fill material in the waters of the United States (including federal wetlands) granted from United States Army Corp of Engineers

State

2. State Pollutant Discharge Elimination System (GP-02-01) for Storm water discharges from construction phase activities that exceed 1 acre granted by New York State Department of Environmental Conservation
3. 401 Water Quality Certification for activities that impact New York State waters granted by New York State Department of Environmental Conservation
4. Federal and State Preservation Laws (36 CFR Part 800)(9 NYCRR Part 428) for activities affecting historic, architectural, archaeological, or cultural resources granted from New York State Office of Parks, Recreation, and Historic Preservation

Local

5. State Environmental Quality Review for environmental review granted by the Town of Brunswick
6. Highway Permit for work within County and Town Roads granted by Rensselaer County Highway Department, and Town of Brunswick Highway Department
7. Water Improvements for Extension of and tie-in to public water supply granted by Town of Brunswick, New York State Department of Health, and Rensselaer County Department of Health
8. Sewer Improvements for Extension of and tie-in to public sanitary sewer granted by Town of Brunswick, New York State Department of Health, and Rensselaer County Department of Health
9. Zone Change for zone change from A-40 Agricultural to PDD granted by Town Board
10. GML § 239 Review for review of zone change application granted by County Planning Board

Section 3: Environmental Impacts

3.1 Geology

The DEIS will identify and evaluate potential impacts to existing geologic conditions including impacts to subsurface (bedrock), surface (soils), and topography (slopes).

Information from the Soil Survey of Rensselaer County, New York published by the United States Department of Agriculture (USDA) Natural Resources Conservation Services (formerly Soil Conservation Service) will be relied upon to describe surface (soil) and subsurface (bedrock) conditions. Preliminary information on soil types located on the project site was presented in the Environmental Assessment Form (EAF) (see attachment A).

A topographic survey has been prepared and will be relied upon to describe existing grades. The site is comprised of undulating topography including areas of slopes that exceed 15%.

The information will be utilized to assess the following site-specific conditions:

- erosion potential (stability) of the soils during construction (earthwork) activities and long-term occupancy of the site
- use of on-site materials in construction (foundations, berms, landscaping, etc.)
- site and road grading, intersections approach grading, safe sight distance
- constructability issues (including need for blasting)
- extent of cut and fills; soils to be imported and exported
- permeability of soils and impact on storm water management
- presence of steep slopes and impact on erosion potential and storm water runoff
- impact on flood plain.

The DEIS will identify mitigation to address potential impacts. Mitigation will include:

- o Preparation of a Storm Water Pollution Prevention Plan including an Erosion and Sediment Control (ES&C) Plan prepared in accordance with Town and NYSDEC standards to mitigate construction phase impacts.

Draft Environmental Impact Statement – Scoping Document

- o Long-term storm water management controls such as detention basins, stone check dams to control the rate and quality of runoff prior to leaving the site. Additional information is provided below in Section 4
- o Use of landscaping to minimize erosion potential

3.2 Water Resources

The DEIS will identify and evaluate potential impacts to existing water resources including impacts to Ground Water (including depth, quality/quantity and direction based readily available published sources, uses), Surface Water (on-site and adjacent water bodies), and Stormwater Runoff (existing pre-construction conditions – quality and quantity).

Potential impacts to be assessed in the DEIS include impacts to storm water quality (pesticides/herbicides, road salt, pavement, seal coating) and quantity during construction and operation phases and water quality and quantity impacts on down-gradient uses. A storm water management plan will be developed to assess pre- and post-construction storm water drainage and discharge points. Storm water quantities and rates of flow will be identified. Guidelines presented in the USDA's Natural Resource Conservation Service Technical Release No. 55 (TR-55) will be utilized to develop these assessments. Findings will be presented in an Appendix to the DEIS.

The DEIS will identify mitigation to address potential impacts. Mitigation will include installation of storm water management controls to manage storm water such that flows discharged off-site (under specific storm events) do not exceed pre-development rates. Existing discharge points will be utilized to the extent practicable. Implementation of E&SC features (see above) to mitigate potential impacts to storm water quality.

3.3 Air Quality

Based on the type of development (residential subdivision), significant project-related impacts to air quality are not anticipated.

The DEIS will assess the potential for erosion (and dust generation) during construction phase activities. In addition, the DEIS will include a traffic impact study to assess potential changes in highway levels-of-service (and potential delays and vehicle idling) related to increased vehicle trips generated by the project.

Draft Environmental Impact Statement – Scoping Document

The DEIS will identify mitigation measures to reduce or eliminate dust and vehicle emission impacts including dust control (i.e., vehicle washing, track-out control, watering), vehicle emission controls, phased highway improvements necessary to provide safe and adequate access and egress from the site.

3.4 Terrestrial and Aquatic Ecology

The DEIS will assess the potential for project-related activities to significantly impact terrestrial and aquatic ecology including created by habitat loss and wildlife displacement from site clearing and facility construction activities, and indirect impacts from sedimentation in storm water run-off to off-site aquatic resources (i.e., streams, and federal wetlands). Topics to be evaluated in the DEIS consist of Vegetative Cover, Habitat types and rankings, wildlife, wetlands (type, size, and functions), endangered and threatened species, critical habitats, and critical environmental areas.

The DEIS will identify mitigation measures to reduce or eliminate significant adverse impacts to aquatic and terrestrial habitats. These measures will include limiting construction disturbance areas to the minimum area required, implementation of an E&SC Plan to eliminate off-site impacts, implementation of a Storm Water Pollution Prevention Plan (SWPPP) and storm water management controls to manage storm water flows on and off the site, identification of a wetland mitigation plan in response to unavoidable encroachments on federal wetlands, use of architectural elements, styles and materials, as well as the site's undulating topography to reduce potential visual impacts.

3.5 Transportation

The project will result in the generation of traffic accessing the site from the proposed site entrance. Impacts on the existing road network from this additional traffic will be assessed in a traffic impact study prepared for the project. The study, appended to the DEIS, will evaluate impacts to the existing road network in the vicinity of the site, traffic patterns and volumes, pedestrian and bike traffic, and neighboring property owners from vehicular exhaust.

Evaluation of the following roads and intersections is proposed for AM and PM peak period weekday commuter traffic:

- McChesney Ave. Extension and Bonesteel Lane

Draft Environmental Impact Statement – Scoping Document

- McChesney Ave. Extension and McChesney Ave.
- McChesney Ave. and Hoosick Rd (NYS Route 7) – southern and northern
- McChesney Ave. Extension and Moonlawn Road (County Route 133)
- Moonlawn Road and NY State Route 2

Based on the results of the traffic impact elevation, mitigation may consist of the implementation of highway improvements (i.e., turning lanes, sidewalks, signals, etc.) as appropriate. Necessary improvements will be identified in the DEIS.

For the on-site road system a road grading, intersection approach grading and safe sight distance will be designed/evaluated. Sight distance will also be evaluated for the proposed intersection with McChesney Avenue Extension.

In addition, the Contractor will be responsible for maintaining safe and adequate traffic flow during construction. Components of a "Maintenance and Protection of Traffic Plan" will be identified in the DEIS. Plan components will be based on the New York State Manual of Uniform Traffic Control Devices (MUTCD).

3.6 Land Use and Zoning

This section of the DEIS will evaluate the impact of modifying the zoning from "A-40 Agriculture" to "Planned Development District" taking into account the Town's Comprehensive Plan (2001), the Project's location, existing adjacent uses, and PDD as a development alternative.

The DEIS section on Land Use and Zoning will be broken down into the following subsections: Existing Land Use in Project Area, Recognized Environmental Conditions, Existing Zoning, and Existing Land Use Plans.

Mitigation will be identified to minimize or eliminate project-generated impacts. Mitigation to be assessed in the DEIS may include: use of the undulating topography, landscaping, greenspace/buffers, and proposed community amenities to minimize adverse impacts to existing surrounding land uses; use architectural elements, styles and materials to mute potential visual impacts; identification, design and implementation of storm water management facilities such that off-site flows do not adversely impact existing surrounding downstream uses.

3.7 Community Services

The DEIS will address potential project-related impacts to community services including utilities; fire, police and ambulance service; solid waste management; school districts; and recreational facilities.

Utilities: The project will utilize existing utilities located at or proximal to the project site.

Existing services include:

- Water (potable and fire protection)
- Sanitary sewer
- Electrical/Natural Gas – Existing services owned and maintained by Niagara Mohawk – A National Grid Company (Niagara Mohawk) will be extended onto the site to provide service to residents.
- Telephone/Cable – Existing telephone and cable services will be extended onto the site from existing locations along McChesney Ave. Extension. Significant impacts to existing capacities or to environment from secondary construction-related impacts are not anticipated.

Existing utility locations (including piping, pump stations, right-of-ways) will be verified in the DEIS. Project-related utility needs will be identified and compared to existing capacities and limiting factors (i.e., pumping, treatment, pipe size, pressure, etc.). Infrastructure improvements (including extensions) will be identified and their secondary impacts evaluated. Long-term ownership and maintenance of on-site infrastructure (i.e., roads, utilities, storm water management facilities) will be coordinated with the Town, Town Engineer and other jurisdictional authorities, with findings incorporated into the DEIS.

Police, fire and ambulance services. Community protective services will be relied upon by project residents. Brunswick Fire Company No.1 is a volunteer company that is responsible for first response fire protection and suppression, rescue and emergency medical services in the Town of Brunswick. The Mountain View Volunteer Fire Company also serves the region. Ambulance service is provided by Mohawk Ambulance. Police services are provided by the

Draft Environmental Impact Statement – Scoping Document

Rensselaer County Sheriff's Department and New York State Police. Local fire and police services are supplemented and supported by County's Mutual Aid program.

Potential project-related impacts to these services will be discussed in the DEIS and will rely upon discussions with local fire and police officials. Discussions with local officials will include the adequacy of Bonesteel Lane for use as an emergency access route.

Waste management. Construction and operation phase activities will generate solid waste. Waste generation is not anticipated to result in significant adverse environmental impacts. Waste materials will be managed in accordance with applicable handling, transport and disposal regulations. Existing solid waste facilities will be utilized. Impacts on the Town's recycling center will also be assessed.

The DEIS will identify mitigation measures to reduce or eliminate potential project-related impacts to community services. Utility extensions and service connections will be coordinated with applicable jurisdictions and appropriate mitigation employed during construction activities (i.e., E&SC, traffic control measures, etc.). Potential impacts to the capacities of existing community services will be offset by an increase in revenues (property and school taxes, recreational fees).

Public schools/school districts. The DEIS will assess the impacts of the project on existing school districts, including existing facilities.

Recreational Facilities. The Town provides recreational facilities to its residents. These include the Town Park and Beach located along the Troy Reservoir, as well as the Community Center and athletic fields. The project's impact on these facilities and services will be evaluated in the DEIS.

Municipal Revenues. The DEIS will include an analysis of the overall and net effect of the project on Town and County revenues. Increased revenues will be compared to increased costs, if any, for services and utilities such as schools, water, sewer, police and fire protection.

3.8 Demography

The DEIS will include a narrative discussion on existing population trends and housing trends for the Capital District from published information from NYS and the United States Census. The DEIS will include and evaluate the potential project-related impacts created by the increase in housing and population including socio-economic impacts, impact on transportation, impact on community services, and growth-inducing aspects.

3.9 Cultural Resources

The project site is not located on or adjacent to any site listed on the State or National Registers of Historic Places or Register of National Natural Landmarks (see Attachment). The site is not located adjacent to sensitive receptors (churches/synagogues, senior housing, etc.), but is located proximal to other residential uses (single and multi-family). In addition, the site is located near resources that are important to the community. The project's potential to impact these cultural resources will be evaluated in the DEIS under the following categories:

- Visual impacts (aesthetics/viewshed/lighting)
- Historic and archeological (including State and National Register of Historic Places)
- Noise
- Community Character

Visual Impacts. The proposed heights of project-related facilities will be evaluated for consistency with Town Code building height requirements. In addition, a viewshed analysis will be conducted and vantage points established from which the project is visible. Findings including recommendations will be incorporated into and appended to the DEIS. It is anticipated that the existing undulating topography will minimize potential impacts from adjacent land uses and McChesney Ave. Extension. These features as potential mitigation will be evaluated in the DEIS. The DEIS will also include elevation profiles of proposed facilities to illustrate architectural elements, styles and materials. Project-related exterior lighting fixtures (i.e., street lighting, building entrance/security lighting) will be described and their impacts on surrounding existing land uses will also be evaluated.

Draft Environmental Impact Statement – Scoping Document

Archeological Sensitivity. Existing information will be relied upon in the DEIS to evaluate potential impacts to archeological and historical resources including:

- Information compiled by the New York State Office of Parks, Recreation and Historic Preservation – Field Services Bureau (SPHINX System)
- Coordination with the Town Historian (Ms. Sharon Zankel)

In accordance with State and federal preservation laws, the applicant will work with involved State agencies to identify the level of additional consultation and/or investigations that may be necessary with the Field Services Bureau.

Noise. Significant noise impacts are not anticipated. Noise will be generated during construction phase activities, but impacts are considered short-term. The DEIS will include a narrative discussion of potential construction phase noise sources such as vehicle traffic. Even though the magnitude and duration of noise impacts is not considered significant for this type of use, potential construction and operation phase noise impacts will be evaluated in accordance with “Assessing and Mitigating Noise Impacts”(DEP-00-1). Standard mitigation including the proper muffling and upkeep of vehicles and equipment, and limiting construction activities within daylight hours will be including typical hours of construction.

Community Character. The DEIS will include a narrative discussion of potential project-related impacts to the existing community character. The evaluation will take into account the changing character of the Town in the vicinity of McChesney Ave. Extension, and will be based on the project’s consistency with the Town’s Comprehensive Plan, as well as the project’s potential to impact previously identified community resources. The impact of project-caused traffic increases on community character will also be discussed. Impacts resulting from development of the project on the character of neighboring properties (including any impacts resulting from possible changes in property values) and an increase in population will also be evaluated. Mitigation will be identified as necessary and will include previously identified measures (i.e., E&SC, storm water management, traffic controls/highway improvements, architectural features, etc.).

Section 4: Adverse Environmental Effects that can not be Avoided

The DEIS will identify adverse environmental impacts that cannot be avoided or adequately mitigated if the proposed action is implemented. The extent of these impacts is not known at this time, but will be identified as impacts and mitigation are assessed in the DEIS process. Such impacts will be identified for each DEIS environmental baseline issue:

- 4.1 Geology
- 4.2 Water Resources
- 4.3 Air Resources
- 4.4 Terrestrial and Aquatic Ecology
- 4.5 Transportation
- 4.6 Land Use and Zoning
- 4.7 Community Services
- 4.8 Demographics
- 4.9 Cultural Resources
- 4.10 Alternatives

For unavoidable adverse environmental impacts that cannot be adequately mitigated, the DEIS will identify potential alternatives that would eliminate or further reduce such impacts. The alternatives discussion will address:

- Locations (limited to parcels owned by or under option to Landmark Development Group, LLC)
- Site configurations (layouts)
- Scale or magnitude (including smaller size, less units)
- Architectural design, styling and building material selection

Draft Environmental Impact Statement – Scoping Document

Section 5: Alternatives

The DEIS will include alternatives to the overall project design in the following aspects:

5.1 Alternative Land Uses

5.2 No Action

Section 6: Irretrievable and Irreversible Commitment of Resources

The DEIS will include a narrative discussion of any irreversible and irretrievable commitments of environmental resources that would be associated with the proposed action should it be implemented including resources associated with the following:

- 6.1 Geology
- 6.2 Water Resources
- 6.3 Air Resources
- 6.4 Terrestrial and Aquatic Resources
- 6.5 Transportation
- 6.6 Land Use and Zoning
- 6.7 Community Services
- 6.8 Cultural Resources

Section 7: Growth Inducing Aspects of the Proposed Action

7.1 Population

All other considerations equal, occupancy of the full build-out of the project will result in an increase in the Town's population. The DEIS will rely upon housing industry and Capital District planning data, as well as existing New York State and United States Census data to evaluate impacts related to anticipated job growth, need for housing, and associated population increases.

7.2 Support Facilities

An increase in population will result in an increased demand on support facilities including utilities; highways; fire, police, and ambulance services; school districts; and community recreational amenities (Town Beach, Community Center, etc.). The DEIS will evaluate potential impacts to these support facilities including beneficial economic impacts (i.e., sales tax revenue, property and school tax revenue, and recreational fees).

7.3 Development Potential

Site and utility improvements have the potential to facilitate future development in the vicinity of the project, thus increasing density and demand for additional public services and commercial development. The DEIS will examine the potential growth inducing aspect of the project.

Section 8: Effects on the Use and Conservation of Energy Resources

The project will utilize electric and gas supplies provided by Niagara Mohawk. Landmark Development Group, LLC will coordinate with Niagara Mohawk to identify adequate supply. The DEIS will address the following energy-related topics:

- 8.1 Proposed energy resources and alternatives
- 8.2 Anticipated short-term/long-term level of consumption.
- 8.3 Indirect effects on energy consumption
- 8.4 Energy conservation measures

Draft Environmental Impact Statement – Scoping Document

Section 9: References

The DEIS will include a list of underlying studies, reports and other information obtained and relied upon in preparing the document.

Section 10: Appendices

This section of the DEIS will include project specific studies and correspondence relied upon in preparing the DEIS, information will include:

- Final Scoping Outline
- Relevant Correspondence/ Documents
- Wetland Delineation
- Engineering Report – sanitary sewer, water supply
- Traffic Study
- Archeological Study
- Stormwater Management Plan (Quantity and Quality)
- Project Plans
- Viewshed Analysis

**TOWN OF BRUNSWICK
PUBLIC HEARING
AUGUST 3, 2005, 6:30 P.M.
BRUNSWICK FAMILY COMMUNITY CENTER**

Board Members Present: Supervisor Herrington, Councilman Poletto, Councilwoman Abrams and Councilman Salvi.

Board Members Absent: Councilman Clemente.

Also Present: Town Clerk, Susan Quest-Sherman.

The Supervisor called the meeting to order at 6:30 p.m.

All joined in a salute to the flag.

The Town Clerk read the Notice of Public Hearing which was placed in The Record once daily June 27, 2005.

Supervisor Herrington made an opening statement explaining that the DEIS was distributed to City, County, State, Federal and local parties and all comments will be considered by the Board. The Town Board has hired a stenographer and a full transcript of the hearing will be made available. Consultants and an attorney have been hired by the board at the expense of the developer. No decision on the application has been made.

A copy of the Supervisor's Statement is annexed to these minutes.

Mr. Gilchrist explained the PDD application process, and that tonight's hearing was to hear resident comments on the DEIS and the underlying application. In June the Board deemed the DEIS complete and adequate for public review. This does not mean it is approvable. The Town Board has not made a determination positive or negative on this application.

Supervisor Herrington introduced Mr. Marvin Chudnoff.

Marvin Chudnoff, managing partner of Capital District Properties, gave an overview of the proposed project. This project contains 1,100 low rise luxury rental apartments. Rents will be from \$1,000 to \$1,600 per month. It is expected to be home to Empty Nesters. The project will take 10 years to complete.

Mr. Bill Hoblock, explained items examined in the DEIS including geology, water resources, air quality, terrestrial and aquatic ecology, traffic, land use and zoning, community services, utilities, emergency services, waste management, the impact on school systems, recreational services, and municipal revenue.

Mr. Gilchrist explained the format of the hearing. The hearing is not a question and answer period or debate of the project. Comments will be addressed as part of the process in another document.

VISITORS WHO WISH TO SPEAK:

Tony Kestner, Woodhill Ln, expressed concern with the density of the project and the length of construction. Mr. Kestner asked when the traffic studies were done and if the Town Beach was open at the time.

Henry Scarton, Kestner Lane asked to see a copy of the DEIS. He had only found out about the project that day. Mr. Scartner was concerned about the effect on property values.

Supervisor Herrington offered to let Mr. Scarton read his copy of the DEIS. The Supervisor stated that 50 copies of the DEIS were prepared and distributed. There is one at the Town Offices and in the Library.

Ron Abbott, North Lake Ave asked if this was the largest project in Brunswick.

Joseph Durkin, Maple Ave, stated that the draft environmental impact statement was deficient in regards to open space and the change of agricultural zoning to urban development. This development and the other proposed developments are in opposition to the Comprehensive Plan.

Vito Grasso, Pinewoods Ave, commented about the magnitude and density of the project. This would be a 20% increase in the population of the Town. He was concerned with the traffic studies. Mr. Grasso questioned the revenue projections and the cost to the taxpayers with respect to Police and Fire protection.

Susan Haynes, Westlane Rd, voiced her concern about the increase wear and tear on the roads, and the increased traffic on North Lake Ave. Sidewalks would need to be installed on North Lake Ave to insure Public Safety. Fire protection concerns her also.

Bernard Fleishman, Colehamer Ave, stated that cumulative effects have to be addressed. The Town should convene a public forum to examine to consider the overall impact of the combined projects and seek a new Comprehensive Plan. A traffic advisory board was recommended in the last Comprehensive Plan but was not implemented.

Norman Fivel, Wilrose Ln, stated that cumulative traffic estimates were inadequate. In the DEIS stated that 557 new trips would be generated by the project in the morning and 667 new trips in the evening. Wal-Mart estimated that there would 592 trips in the morning and 608 new trips in the evening peak. Combining the projects would increase 1149 new trips in a.m. peak and 1275 in p.m. peak. Mr. Fivel stated that this would be more than 100% increase in traffic. Mitigation was in the DEIS as a traffic light and two turning lanes for Betts Rd. Mr. Fivel feels that this would not be sufficient mitigation. Mr. Fivel wanted to know what boundary vegetation was to remain. He built his home because of the beauty of the area and its rural quality. One thousand temporary residents is not consistent with the Comprehensive Plan.

Donna Forster, McChesney Ave, voiced concern about traffic, and school taxes. Two hundred more students would make it necessary for the school to expand. The current expansion will not be paid for until 2022 which costs of the school budget. The school budget has already increased 25% over the last three years. This project and the other proposed projects would cause significant rises in school taxes.

Dillon Keenan, Moonlawn asked how long the citizens had to comment.

Mr. Gilchrist stated that comments will be received for 10 days following the close of the Public Hearing. The hearing may remain open at the direction of the Town Board.

Mr. Keenan discussed potable water which needed to be examined by an engineer. The overall capacity, existing demand, and additional fire demand. Waste water was also not adequately addressed in the DEIS. The pump station would have an increase of 220 percent with just phase one. It goes up too 785 percent with full build out. Revenue was addressed but costs were not outlined.

Supervisor Herrington compliment the gathering for doing their homework and coming up good questions and concerns.

Nate Sims, questioned population growth in the County.

Susan Symanowitz, North Lake Ave, felt that the project would negatively affect most residents. Traffic on North Lake Ave is bad now and no one is enforcing the 15mph by the Town Beach. Increased traffic endangers walkers and bikers. There will be increased crime, drainage will be a problem as well as noise and dirt. The Town should consider a moratorium on new building.

Heinrich Medicus, The Knoll, was concerned that the project and other projects would change the character of the Town.

Sean Mac Lean, Brunswick Rd, commented about the cumulative effects of all the proposed projects on the Town. He would like to have a meeting to look at the bigger picture. Rt. 2 is experiencing increased traffic. The jobs connected with this project would not be going to residents.

Peter Meskoskey, Town Office Rd, commented about the size of the DEIS. He would like more residents to look at the DEIS. He felt the property value section was inadequate as to the high end homes in the area. Fire protection, Police protection and ambulance services were not adequately addressed. Waste management should be looked at more closely, he has visited the other properties Capital District Properties operates. The school burden was not adequately addressed. Mr. Meskoskey mentioned that it takes the taxes from three homes to pay for each student. Homeowners in Brunswick will have to make up the shortfall in school taxes. Mr. Meskoskey stated that the DEIS only expected one car per unit in there traffic

studies he felt this was not realistic. Mr. Meskoskey handed to the Board an excerpt from the DEIS listing other projects Capital District Properties is involved in which he read aloud. Mr. Meskoskey has visited some of the other projects and has observed the condition of the other properties and didn't think they were the nicest apartments. He asked the Town Board to visit the properties also. The description of the apartments is misleading. Mr. Meskoskey wanted to know the ejection rate at the other projects.

Supervisor Herrington would like the residents to go and look at the Hudson Preserve project. This is the kind of project Mr. Chudnoff is proposing here.

Henry Scarton, Kestner Ln, Director of RPI Laboratory for Noise and Vibration Control Research, has worked as a noise consultant. Mr. Scarton felt that the noise data in the DEIS was not accurate because of the Temperature Inversion in the area. One thousand air conditioning units will bring the noise level up significantly. Lighting trespass will also be a problem. Traffic will be a problem on North Lake Ave. Transients will cause property values to go down.

Herb Hedwell, Town Office Rd, stated that he has invested a lot of money in Brunswick and would like the Board to consider the residents that are vested in the Town. He is for development but if this goes through he will want the next one.

Connie Steinbach, Lindsay Dr, was concerned that the project was apartments, she would prefer one family homes. Single family homes are more in keeping with the character of the Town. Mrs. Steinbach wanted to know if Mr. Kestner and the traffic consultant issue reports and are they available for public review.

Mr. Kestner stated that reports are made by Mark Gregory, with comments from the State Highway Dept., County Highway Dept, NY DOT, and NY DEC.

Rickie Gordon, Moonlawn Rd, was concerned why mass development was considered when minimum lot sizes are so large in Brunswick. She doesn't think exceptions should be made for apartments.

Bill McLoughlin, Lindsay Dr, had two concerns one being traffic with bike riders and runners on North Lake Ave, cars through Frear Park are speeding. His other problem is enforcement of deed restrictions.

Mr. Kestner explained that deed restrictions are not the Town's responsibility to enforce. The Town can only enforce zoning issues.

Supervisor Herrington stated that the Town Board has a lot of control over PDD's by controlling density and placement and now every development has to have a homeowner's association.

Mr. Vito Grosso, Pinewoods Ave, asked about Mr. Kestner's roll in this process. Mr. Grasso would like to see an organization like Smart Growth more involved with the process, to get a more objective assessment of the project.

Mr. Kestner explained his credentials and his experience in reviewing Planned Development Districts. He knows the water and sewer districts. A transportation engineer has also been brought in to review the project.

Supervisor Herrington explained that Mr. Kestner's firm has been working with the Town for many years and no longer representing developers.

Unknown resident asked what the timeline was for submissions from DEC and DOT.

Mr. Kestner explained that DOT would have a comment letter before August 13. DEC has draft comments in, Wetland comments will be in before August 13. This was planned in case the hearing was closed at this meeting.

Mr. Mike Ryan, Wilrose Ln, asked about the traffic survey and if it was based on existing data or new studies.

Mark Gregory, Traffic Engineer, stated that the Town doesn't do counts but reviews the analysis of what the developer submits.

Mr. Ryan wanted to know if the effect of all the other proposed projects were taken into account.

Mr. Kestner explained that DOT will also be reviewing all the projects and commenting and the county has data on North Lake Ave.

Mr. Ryan wanted to know how old the counts were.

Mr. Mark Gregory, Traffic Engineer, stated that some of the data was collected last year and the developer's data are checked for accuracy. The DEIS has included the Wal-Mart project to include cumulative effects.

Donna Forster, stated that with four years of continuous construction on RT. 7 changing traffic patterns, how can predictions be made on the adequacy of RT. 7 to handle additional traffic.

Tom Blandly, Brunswick Rd, stated that the mindset of the developers is different than the mindset of the residents. Town Boards have historically held that development was good. The character of the Town must be kept in mind.

Mr. Lee O'Dell, new to Brunswick, asked when the responses from the developers would come.

Mr. Gilchrist, stated that for the record he is also a resident of the Town and Mr. Kestner has been very thorough. The applicant will need to respond to all the comments, after the responses are deemed complete there will be another Public Hearing. Notices will be in the Newspaper, posted at the Town Hall and posted on the Website. The Public can comment now and for 10 days after the Public Hearing is closed. If the Board doesn't close the hearing tonight the written comment period is open without date.

Councilman Poletto stated that the original DEIS was submitted in March and there have been constant comments. This DEIS has been in the Board's hands for 6 weeks.

Karen Haiser, Tamarac Rd, asked the residents if they had seen the DEIS. The urbanization of Brunswick has happened in increments. She asked who the residents of the project would be and asked how the Town wanted to guide development.

Bill Stein, Willet, Albany, had moved from LA and is a cyclist and enjoys the scenery of the area. He hopes the Board will listen to the concerns of the residents.

Russell Ziemba, 1813 Highland Ave, thinks the scale of the project is inappropriate for the Town as the infrastructure isn't here. This would be more appropriate in the City of Troy. With the energy crisis, growth should be in urban areas. If this project is approved it should create a village. This project is not good for the Community, the County, or the Environment.

Eric London, Colehammer Ave, had concerns with traffic, and asked when counts were done on North Lake Ave.

Mr. Mark Gregory stated that DOT has published 2003 Traffic Volume Report.

Councilman Poletto stated that there were counters out in the Spring in selected areas.

Mr. London stated that the DEIS includes a traffic study done in February on a Sunday, Monday and Tuesday which should be considered in regards to the weather at the time. A 20% increase in population will only cause more congestion on RT 7. Mr. London is also concerned about Taxes and the Town's infrastructure. Would the \$1.5 million in revenue be sufficient to improve infrastructure. He also wanted to know where the residents would come from.

Mr. Ron Milos, Blue Heron Ln, an empty nester moved to the area for its character and the character would change with the development.

Mr. Jamie Meehan, Carrolls Grove Rd, wants to keep the rural character of the Town. He feels that this project is outrageous. Mr. Meehan has been a president of the Historical Society, and the Soccer Club and is currently on the School Board. If all the projects are approved there will be 30% population increase. Speaking as a citizen, the school's debt service is 40 years from current construction and this project will cause the school to have to expand again. Traffic, sewage, light pollution, fire protection, and police protection were the other concerns he had. He would like to see the comment period kept open.

Supervisor Herrington, because of the amount of comments didn't believe that the hearing would be closed at this meeting.

Mrs. Barbara Russo, Colehammer Ave, was glad to see so many residents at the meeting and would like to see the comment period remain opened. Wetlands should be more fully addressed. The widening of Betts Rd would affect the wetlands and the migratory birds that use the area. The buffer area is not addressed in the DEIS. If this project is approved more development will be sought by others.

Mike Conway, Blue Heron Ln, thinks the developer makes light of the residents concerns of light pollution, noise pollution and the effects on wildlife. Wildlife will be displaced.

Steve Wilson, Fire Chief Brunswick No. 1, said that there was a meeting with developer in which the fire companies voiced their concerns but no promises were made in regard to taxes. There should be a second meeting with the fire companies. Mr. Wilson would like the Board to have all the developers meet with the Fire Companies so they may voice their concerns before construction.

Mrs. Julia MacDonald, North Lake Ave, had comments about cars on North Lake which have been speeding, she wouldn't want to see anymore traffic on that road. Ambient light and noise are a problem. She is concerned with Fire protection as the Departments are all volunteer. She would like to know who would be moving in and if they would become involved with the community. Empty nesters are older and need more services, they don't drive as well and call EMS more. She apologized to the older residents but felt they would agree with her. Mrs. MacDonald questioned what would happen if the buildings are not filled. When would the next phase be built. Ms. MacDonald would like to know the relation of population to revenue. Wildlife is a concern of hers, Pigeons are now in the Town and Deer are now disturbing landscaping because of habitat pressure.

Terry Haiser, Muriel Dr, is an empty nester but would have no interest in moving into an apartment with a view of a parking lot and other patios.

Mr. Phil Donnelly, Farm to Market Rd, asked about the minutes and whether they will be on the Web.

Susan Quest-Sherman, Town Clerk stated that the minutes will be posted on the Website.

Mr. Gilchrist stated that a stenographer was present and the transcript will be made available on the web site also.

Supervisor Herrington stated that the Board serves because of the love of the Town. There are obvious issues with the density of the project. The Board has been listening to the residents. In the past a connector road was proposed but voted down by the Board and property across from Tamarac School was approved for storage units and a go cart track. The Town purchased that land from the developer and now is home to the Soccer Fields. A proposed apartment complex at Rt 278 and Rt 2 was redesigned and now will be one family homes. The tough part is that Farmers are getting older and are selling their land. The Supervisor has walked the site. Taxes are a concern of his also the Town has only raised taxes once in fourteen years. Supervisor Herrington would like the residents to look at the other projects that the developer has in the area to see their quality.

Mrs. Stacy Hedwell, Town Office Rd, wanted to go on record to tell the Farmers that once the farm land is gone it is gone.

Mr. Herb Hedwell, Town Office Rd, spoke of alternatives such as an Equestrian Center or tourism for land use. He asked the developers what drew them to Brunswick.

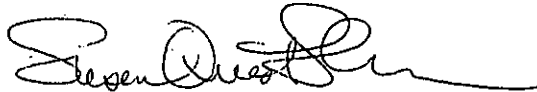

Mr. Chudnoff stated that the same reasons that residents came to Brunswick was what drew him to the area. Mr. Chudnoff stated he will have a vested interest the long term success of the project. They will retain ownership. There is growth in this area, it is a beautiful area.

Councilman Poletto made a motion to keep the Public Hearing open, seconded by Councilman Salvi. Approved.

ADJOURNMENT:

Councilman Poletto made a motion to adjourn the Hearing, seconded by Councilwoman Abrams. Approved. The meeting adjourned at 9:22.

Respectfully submitted,

Susan Quest-Sherman
Town Clerk

Note: Supervisor Herrington's opening statement is annexed to these minutes. A full transcript and an audiotape of this meeting are also available in the Town Clerk's Office.

Statement for 8/3/05 Public Hearing

This public hearing is for the Hudson Hills Planned Development District Application. The Brunswick Town Board is serving as Lead Agency under the State Environmental Quality Review Act as well as reviewing the PDD application. This public hearing is being held to receive comment on both the PDD application itself, and also the Draft Environmental Impact Statement submitted by the Applicant. Your comments on the overall application as well as the DEIS will be accepted and considered by this Board. While the Town Board is reviewing the PDD application and is serving as Lead Agency, several other public agencies are involved, including the City of Troy, Rensselaer County, New York State agencies, and the federal Army Corps of Engineers. The Town distributed full copies of the DEIS to all individual members of the Town Board, Brunswick Planning Board, Brunswick Zoning Board of Appeals, Brunswick Town Department Heads (including the Building Department, Water Department, Highway Department, Town Attorney, Town Historian and Assessor), the City of Troy, the Rensselaer County Health Department, the Rensselaer County Sewer District, the Rensselaer County Highway Department, the Rensselaer County Planning Department, the New York State Department of Environmental Conservation, the New York State Department of Health, the New York State Department of Transportation, the New York State Office of Parks, Recreation and Historic Preservation, and the U.S. Army Corps of Engineers. The Fire Districts and School Districts also received the DEIS. The Town Board will be receiving and considering comments from all of these agencies as well.

The Applicant will make a presentation concerning the application, and then the Board will open the public hearing for the receipt of comments. There is a microphone, and we ask that all speakers use the microphone so that your comments can be heard clearly. We ask that anyone making comments to provide their name and address for the record. The Town Board has retained a stenographer who will make a transcript of the hearing, and that transcript will become part of the record. The Town Board has retained an independent engineering consultant and attorney to assist the Town Board in the review of the application. The Town Board has not made any final decision, positive or negative, on this application, and will not do so until it receives and fully considers all of your comments, as well as comments from all the other public agencies. Be assured that this Board will listen to your comments.

Andrew Gilchrist will now update everyone as to the procedural status of this application.

**TOWN OF BRUNSWICK
WORKSHOP MEETING
AUGUST 11, 2005, 6:00 P.M.
TOWN HALL**

Board Members Present: Supervisor Herrington, Councilman Poletto, Councilman Salvi, Councilwoman Abrams and Councilman Clemente (arriving late).

Board Members Absent: None

Also Present: Town Attorney, Thomas Cioffi, and Town Clerk, Susan Quest-Sherman.

The Supervisor called the Workshop Meeting to order at 6:10 p.m.

The Supervisor stated that the purpose of the meeting was to discuss the Library's building and financial operation plans. The Supervisor turned the meeting over to Mrs. Pat Carlson.

Mrs. Carlson stated that petition collection was on-going. She handed an informational packet to the Board Members showing resident support.

Mr. David Hawley, Treasure of the Brunswick Community Library, explained the budget forecast, which anticipated an 8,000 square foot building, and was based on Voorheesville's Public Library Budget. This is a reduction from a previous forecast which was based on a 10,000 square foot building.

Councilman Poletto, asked about revenue projections. Some residents will be taxed three times for the Library, first, by the Town of Brunswick, then by the Brittonkill School District and then the increase with the 414 proposition.

Councilman Salvi asked why the 414 wasn't for the full amount of \$324,000.00 as opposed to the \$250,000.00 which is on the petition. This would let people know the actual cost which is \$369,000.00.

Mr. Hawley stated that the 414 could be increased from \$250,000.00 to \$324,000.00.

Councilman Poletto mentioned that then the petition process would have to begin again.

Councilwoman Abrams asked what the total cost to the individual Tax payer showing a break down.

Councilman Salvi felt that people would think \$250,000.00 would be the full amount not realizing that the Library is getting money from two other places.

Councilwoman Abrams stated that the Library should break down the amount to tell residents exactly how much it would cost them.

Supervisor Herrington thought that the total the Library was seeking was the \$250,000.00 not in addition to what they were already getting. He stated that every year the Town struggles to come up with an additional 3% to give to the Library.

Councilman Salvi would like to see the break down on the Town Website.

Mrs. Carlson stated that it will be on the Library Website along with other information.

Councilman Poleto stated that now it looks like the Library is going into someone's pocket three times. Councilman Poleto asked if this was explained to the people that signed the petition.

Mrs. Carlson stated that it is hard to get construction money anywhere else. Once the Library is going, it is easier to get additional funds.

The money approved might not even reach the Library until the following year.

Mr. Cioffi stated that this is correct that if the budget is passed before the election the Library wouldn't receive the money until the following year. The Town's budget must be adopted before November 20th.

Councilwoman Abrams asked about occupancy and utilities in the budget expenditures.

Mr. Hawley stated that this was in the budget as the Library didn't think the Town would continue to pay the utilities once they were in a new building. It was estimated that the cost to construct a new Library would be \$1.7 million.

Councilman Poleto questioned the accuracy of the Bond payments.

Mrs. Carlson stated that the Dormitory Authority would not talk to the Library until after the funding was found.

The Library is still looking at renting space.

Councilman Poleto stated that a loan amount of \$1.5 Million at 3% interest over 30 years would have a debt payment of \$76,529.

Councilwoman Abrams asked about the plan to take it to the Public and what would be placed on the ballot.

Supervisor Herrington, spoke of the need for a Library but added that the Town has only had a Tax increase once in 14 years. The Town doesn't have money in the budget for paving. Commercial Enterprises add tax revenue without putting a drain on the Schools.

Mrs. Carlson stated that the Library sought to move into the former China Buffet but were told that the site had an expensive kitchen so the realtor was looking to put a restaurant into the space.

Councilman Poleto questioned the accounting practices in particular the depreciation expenses they are not cash expenses.

It was stated that the Library is in danger of losing their charter because they do not meet the standards for shelving and seating.

Councilman Poleto asked if there were any open spaces in the Tamarac Mall.

Councilman Poleto asked if the Library looked at the old Vet Office.

Mrs. Carlson answered that parking at the Vet Office would be a problem and it probably couldn't hold the weight load.

Councilwoman Abrams asked how the Town could help, and on the other side the Board needed to be able to explain the numbers to the residents.

Mrs. Carlson stated that after the petitions are submitted she was hoping that the Board would agree at the September Board meeting to put the item on the November Ballot.

Councilman Poleto asked where the increase the money would come from would it be out of the Town's general fund or a separate line item.

Councilman Poleto asked why this wasn't a special district.

Mrs. Carlson explained that to become a special district it could take two or more years and would have to go before the Legislature.

Councilman Poleto stated that if this goes through and has to go through the general fund it will look like the Town Budget was raised 30 to 33%.

Mrs. Carlson stated that their intention was to have a separate line item.

There was discussion as to how this would be reflected on the Tax bills.

Mr. Cioffi will look into the matter.

Councilwoman Abrams asked what the other options were.

Councilman Salvi asked what would happen if the Library found that they needed an increase.

It was stated that if an increase was sought it would have to go back to another vote.

ADJOURNMENT:

Councilwoman Abrams made a motion to adjourn the workshop, seconded by Councilman Poleto. Approved. The meeting adjourned at 7:05 p.m.

Respectfully submitted,

Susan Quest-Sherman
Town Clerk

Note: An audiotape of this meeting is available in the Town Clerk's Office.

**TOWN OF BRUNSWICK
REGULAR TOWN BOARD MEETING
AUGUST 11, 2005, 7:00 P.M.
TOWN HALL**

Board Members Present: Supervisor Herrington, Councilman Poletto, Councilman Salvi, Councilman Clemente and Councilwoman Abrams.

Board Members Absent: None.

Also Present: Town Attorney, Thomas Cioffi, and Town Clerk, Susan Quest-Sherman.

The Supervisor called the meeting to order at 7:13 p.m.

All joined in a salute to the flag.

Supervisor Herrington opened the meeting to public comment.

VISITORS WHO WISH TO SPEAK:

Mr. Van Fronhofer, Wayne St, bought property between Cortland and Oneida St. and was assured he would have no problem gaining access.

Mrs. Christie Fronhofer explained that the Town had assured them that they could gain access, they had the property surveyed and had a title search preformed. They were to start construction but were not able to get a building permit. The land is located on paper roads.

There was discussion exactly where the land was located. There are two paper roads connected with the land.

The Fronhofers do not want to buy the land or have the Town construct the road or maintain it, they just want to use it for access.

Mr. Cioffi quoted Town Law 280 A, which states that the Building Inspector cannot issue a Building Permit unless the property has at least 15 feet of road frontage on an existing road. They can go before the zoning board and ask for a variance to get the frontage by way of easement but then the Town would have to give them an easement. Right now the road is not open to public access. It could become a liability issue.

The land was purchased from Michael Czornyj of the Planning Board he assured him access. Other lots were sold by Mr. Czornyj.

Mr. Cioffi asked what the title company said during their search.

The Fronhofers stated that the title company guaranteed access. The deeds were written to state that those streets and ways were access owned collectively all the lot owners.

Mr. Cioffi will have the title company contact him.

Mr. Fronhofer quoted his deed.

The map was filed in 1912 but the roads were never dedicated to the Town. The County recognizes the roads as no one is taxed on the property.

Mr. Kevin Earl, Oneida Ave, stated he didn't want to deny the Fronhofer the right to build but why can't they use Cortland St. for access. There is also a water drainage problem on Oneida.

Mr. Cioffi stated that if the Town doesn't own the land it can't grant access.

Mr. Patrick Bisceglia, Oneida Ave also owns some of the other lots in the subdivision.

Many conversations took place at once.

Mrs. Erin Glasheen, a resident of the area would like to be notified of the Town's decision. She has been parking in the access way.

Mary Earl was concerned about Pine tree in the paper roadway this offers her house protection.

Mrs. Glasheen's house is right on the property line.

The Supervisor asked that Resolution No. 62 be read.

Resolution No. 62 Resolution Honoring William A. ("Billy") Lyons, IV upon his Attaining the Rank of Eagle Scout. The foregoing Resolution offered by Supervisor Herrington, seconded by Councilwoman Abrams was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Supervisor Herrington presented Billy with a plaque.

BUSINESS MEETING:

MINUTES OF THE PREVIOUS MEETING:

A motion was made by Councilman Salvi to approve the minutes of the previous meetings, seconded by Councilman Poletto. Approved.

REPORTS:

Town Clerk: Susan Quest-Sherman

The Town Clerk handed in a written report for the month of July. Amount to be remitted to the Supervisor for the month is \$8,710.67. Hunting Licenses will go on sale on Monday August 15. A motion to accept the report was made by Councilman Poletto seconded by Councilwoman Abrams. Approved. A copy of the report is on file in the Town Clerk's Office.

Highway Superintendent: Doug Eddy

The Highway Superintendent gave his report for the month of July. Motion to accept the report was made by Councilman Salvi, seconded by Councilwoman Abrams. Approved. A copy of the report is on file in the Town Clerk's Office.

Superintendent of Utilities & Inspections: John Kreiger

Mr. Kreiger gave his report for the month of July; amount remitted to the Supervisor was \$9,534.00. Councilman Clemente made a motion to accept the report seconded by Councilman Salvi. Approved. A copy of the report is on file in the Town Clerk's Office.

Superintendent of Water: Myron VanDyke

Mr. VanDyke gave his report for the month of July. A motion to accept the report was made by Councilman Poletto which was seconded by Councilman Clemente. Approved. A copy of the report is on file in the Town Clerk's Office.

Town Attorney: Thomas Cioffi

Mr. Cioffi gave his report for the month of July. Comments from the Town Board have been reviewed and solicitations for quotes for zoning map and ordinance. Mr. Cioffi will have it in the newspaper and hopefully a firm can be chosen at the November Board Meeting. Councilman Salvi would like the Town to re-exam the Peddler's Permit Process. A motion was made by Councilman Poletto to approve Mr. Cioffi's report, seconded by Councilman Salvi. Approved.

Town Historian: Sharon Zankel

Mrs. Zankel gave her report for the month of July. An Eagle Scout candidate will be working in the Cemetery. Bicentennial Ornaments are now on sale. Councilman Poletto made a motion to accept the report which was seconded by Councilman Salvi. Approved. A copy of the report is on file in the Town Clerk's Office.

Recycling Coordinator: Thomas Engster

The Recycling Coordinator presented his report for the month of July. Motion to accept Mr. Engster's report was made by Supervisor Herrington which was seconded by Councilman Clemente. Approved. A copy of the report is on file in the Town Clerk's Office.

Youth Commissioner: Councilman Sam Salvi

Councilman Salvi thanked everyone for their help with the Summer Program. The health department was called about a sick Camper. The Beach water was tested and found not to be the cause. The Camp had 120 children in the Swim lessons. Motion to accept Councilman Salvi's report was made by Councilwoman Abrams, seconded by Councilman Clemente. Approved.

Brunswick Community Library: Julie Zelman

Mrs. Zelman gave the Library's report for the month of July. The Library is having a Chicken Barbeque on September 9th. Councilwoman Abrams made a motion to approve the report, seconded by Supervisor Herrington. Approved. A copy of the report is on file in the Town Clerk's Office.

Family Community Center: William DeFilippis

Mr. DeFilippis read his report for the month of July. Motion to accept the report was made by Councilman Salvi seconded by Councilwoman Abrams. Approved. A copy of the report is on file in the Town Clerk's Office.

RESOLUTIONS:

Resolution No. 63 Resolution Approving and Authorizing Supervisor to Execute Agreement with the State of New York, and Related Documents, in Connection With Project SH 227, Brunswick Turnpike, PIN 1001.28.221. The foregoing Resolution, offered by Councilman Poletto, seconded by Councilwoman Abrams, was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

CORRESPONDENCE:

A thank you note was received by Mr. DeFilippis from Barbara Lawrence, of the Garden Club, thanking him for his help at the Community Center.

OLD BUSINESS:

Councilman Poletto spoke about the Rt. 7 project, paving is finished, the next 2 ½ months will be work on side walks and retaining walls. The storm water problem has been solved. There will be loops put in the main line to help traffic flow. The McChesney Ave light will be controlled by computers. There are two more concerts planned.

Mr. Gilchrist spoke of the Brunswick Meadows PDD Application. The applicant has consented to extend the time for the Town Board to adopt a final Scoping document under SEQRA. This will put the item back on the agenda for the September meeting.

Supervisor Herrington mentioned that the Escrow Account for the project has a deficit balance. He requested that they be asked for an additional \$10,000.00.

NEW BUSINESS:

Councilman Poletto stated that it is now Budget Season. Requests should go the Mr. Clickner.

Councilman Salvi mentioned that the Bath House at the Beach needs to be replaced.

Warrants: Warrants No. 071901 through 071902, No. 072001, No. 072101 through 072104, No. 072901 through No. 702912, No. 080801 through 08802, No. 050838 through 050976 and No. 81201 through 81212 were presented. A motion to approve the warrants was made by Councilman Poletto, seconded by Councilman Clemente. Approved.

FURTHER PUBLIC COMMENTS:

None.

ADJOURNMENT:

Councilman Poletto made a motion to adjourn the meeting, seconded by Councilman Salvi. Approved. The meeting adjourned at 8:35 p.m.

Respectfully submitted,

Susan Quest-Sherman
Town Clerk

Note: An audiotape of this meeting is available in the Town Clerk's Office.

RESOLUTION NO. 62, 2005

**TOWN OF BRUNSWICK
REGULAR MEETING**

August 11, 2005

**RESOLUTION HONORING WILLIAM A. ("BILLY") LYONS, IV,
UPON HIS ATTAINING THE RANK OF EAGLE SCOUT**

WHEREAS, it is from time to time the happy duty of this Legislative Body to recognize and commend the truly outstanding achievements and accomplishments on the part of the Youth of this, our Town; and

WHEREAS, in that regard, this Legislative Body having been duly advised that **WILLIAM A. ("BILLY") LYONS, IV**, a resident of our Town and a member of our own Troop 537 of the Boy Scouts of America, has fulfilled all of the necessary requirements to become an Eagle Scout, and that an Eagle Scout Court of Honor will be held on August 28, 2005, to celebrate his achievement; and

WHEREAS, among the numerous accomplishments resulting in his advancement to the rank of Eagle Scout **WILLIAM A. ("BILLY") LYONS, IV**, earned 28 Merit Badges, served as a Patrol Leader and Junior Assistant Scoutmaster, was elected to the Order of the Arrow, and completed a major Eagle community service project in which he successfully led a group of adults and other Scouts in the planning, financing and construction of a handicapped accessible ramp for the Waterford Masonic Temple; and

WHEREAS, Boy Scouting, and the Boy Scouts of America, epitomize all that is wholesome and good in our society, and those qualities such as loyalty, trustworthiness, obedience, reverence, bravery, kindness and thrift, which serve as the cornerstone of our American Heritage; and

WHEREAS, the attainment of the coveted rank of Eagle Scout by **WILLIAM A. ("BILLY") LYONS, IV**, serves as an inspiration and example to the Youth of our Town of what may be accomplished and achieved through dedication, devotion and hard work; now, therefore

BE IT RESOLVED, that this Legislative Body pause in its deliberations to recognize, commend and congratulate **WILLIAM A. ("BILLY") LYONS, IV**, on the occasion of his achievement of the rank of Eagle Scout and the celebration thereof in his honor at the Eagle Scout Court of Honor to be held on August 28, 2005; and be it further

RESOLVED, that the Town Clerk be and hereby is directed to transmit a copy of this Resolution, suitably engrossed, to **WILLIAM A. ("BILLY") LYONS, IV**.

The foregoing Resolution, offered by **Supervisor Herrington** and seconded by **Councilwoman Abrams**, was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING <u>Aye</u>
COUNCILWOMAN ABRAMS	VOTING <u>Aye</u>
COUNCILMAN CLEMENTE	VOTING <u>Aye</u>
COUNCILMAN POLETO	VOTING <u>Aye</u>
SUPERVISOR HERRINGTON	VOTING <u>Aye</u>

The foregoing Resolution was thereupon declared duly adopted.

Dated: August 11, 2005

RESOLUTION NO. 63, 2005

**TOWN OF BRUNSWICK
REGULAR MEETING**

August 11, 2005

**RESOLUTION APPROVING AND AUTHORIZING SUPERVISOR
TO EXECUTE AGREEMENT WITH THE STATE OF NEW YORK,
AND RELATED DOCUMENTS, IN CONNECTION WITH
PROJECT SH 227, BRUNSWICK TURNPIKE, PIN 1001.28.221**

WHEREAS, the New York State Department of Transportation is in the process of acquiring title by eminent domain to certain property in the Town of Brunswick and County of Rensselaer which will be utilized to make improvements to NYS Route 2; and

WHEREAS, among the parcels that need to be acquired are a rectangular area consisting of 2,071+/- sq. ft. to be permanently utilized for road grade, creek bed and side bank for the highway (Map 32 Parcel 32) and a second rectangular area consisting of 879+/- sq. ft. to be utilized on a temporary basis under easement during the period of road construction (Map 33 Parcel 33), both of said parcels being portions of Rensselaer County Tax Map Parcel No. 103, owned by the Town of Brunswick, and located on the southerly side of NYS Route 2 near its intersection with Creek Road; and

WHEREAS, the State of New York has offered to compensate the Town for this taking in the total amount of \$1,000.00, consisting of direct damages of \$920.00 for acquiring Map 32 Parcel 32, and \$80.00 as the rental value for the temporary onstruction easement on Map 33 Parcel 33; and

WHEREAS, the New York State Department of Transportation having prepared and forwarded to the Town the necessary documents for completion of the acquisition, including an Agreement for Adjustment and Release of Owner, Affidavit, and Land Claims Payment Voucher, all for execution by the Town; and

WHEREAS, it appearing to the satisfaction of this Town Board that the acquisitions are reasonable and necessary for State highway purposes, are in the best interests of the Town, and that reasonable consideration is being offered, not to mention the fact that the work being done will

facilitate the relocation and expansion of the existing Veterans' Memorial currently located on the northerly side of the highway; now, therefore

BE IT RESOLVED, that the said Agreement for Adjustment and Release of Owner be and hereby is approved, and the Supervisor be and hereby is authorized and empowered to execute the same, and the associated documents mentioned above, on behalf of the Town of Brunswick.

The foregoing Resolution, offered by **Councilman Poletto** and seconded by **Councilwoman Abrams**, was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING <u>Aye</u>
COUNCILWOMAN ABRAMS	VOTING <u>Aye</u>
COUNCILMAN CLEMENTE	VOTING <u>Aye</u>
COUNCILMAN POLETO	VOTING <u>Aye</u>
SUPERVISOR HERRINGTON	VOTING <u>Aye</u>

The foregoing Resolution was thereupon declared duly adopted.

**TOWN OF BRUNSWICK
BID OPENING
2006 HEAVY DUTY SINGLE AXLE TRUCK
AUGUST 31, 2005 10:00 a.m.
TOWN HALL**

Present: Calvin Clickner, Purchasing Director, Douglas Eddy, Highway Superintendent, Daniel Dougherty, Deputy Highway Superintendent, and Susan Quest-Sherman, Town Clerk.

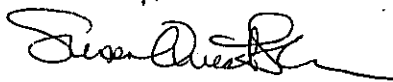

A Public Notice was placed in the Troy Record five times daily on August 22nd -26th for a new 2006 Heavy Duty Single Axle Truck with combination dump/sander body plow frame, wing and all necessary hydraulics and attachments.

Only one bid was received.

The Bid Amount was from Delurey Sales & Service, Inc. for \$126,385.00.

The bid opening meeting was adjourned at 10:01 a.m.

Respectfully submitted,

Susan Quest-Sherman
Town Clerk

**TOWN OF BRUNSWICK
REGULAR TOWN BOARD MEETING
SEPTEMBER 8, 2005, 7:00 P.M.
TOWN HALL**

Board Members Present: Supervisor Herrington, Councilman Poletto, Councilman Salvi, Councilman Clemente and Councilwoman Abrams.

Board Members Absent: None.

Also Present: Town Attorney, Thomas Cioffi, and Town Clerk, Susan Quest-Sherman.

The Supervisor called the meeting to order at 7:03 p.m.

All joined in a salute to the flag.

Supervisor Herrington opened the meeting to public comment.

VISITORS WHO WISH TO SPEAK:

Peter Meskoskey, Town Office Rd, asked if the Town could patch Town Office Rd. The County is scheduled to repair the road but the road is getting worse.

Jim Sullivan, Pinewoods Ave., has been looking at extending the Ag exemption for special districts. He has determined that the transfer of tax burden would be \$18,600.00. Eagle Mills and Speigletown Fire Districts would have to pass a resolution on their own. Water District transfer amount would be \$1,000.00. Columbia County has done this. This would help the farmers keep farming.

Bernie Barber, NY 7, spoke about a Planning Board Meeting and an ongoing problem with the Logging Business on Rt. 7. Mr. Barber wanted put into the record that he and his family have had to put up with the health hazard, stress, vibration, dust, pounding and lack of sleep because of the operation for the past three years. The variance on the property was for sale of items not produced on the property. Mr. Barber stated that Mr. Mayer told the board that if anyone complained about the operation he would not renew the lease. Mr. Barber has a signed petition by 40 residents complaining about the operation.

Paul Ratigan, Berkshire Dr., spoke about drainage problem and icing of the road in winter. Berkshire Drive is not yet a Town Road he would like to know when the road is due to be improved and turned over to the Town. Building Permits are being issued and do not have the required 15 foot frontage on a Town Road.

Mr. Eddy and Mr. Kestner will look at the issue.

Becki Kaiser, Moonlawn Rd., asked about the Hudson Hills project and whether responses have been received from DOT and DEC and also wanted to know if the transcript of the Public Hearing was available. Mr. Gilchrist answered that NYS DOT, Rensselaer County Highway, and DEC (storm water) have responded. The Wetland issue has yet to be

addressed by DEC. The transcript is available.

Ms. Kaiser asked if the Board had considered her previous request about asking developers to submit all documents in electronic format.

Mr. Gilchrist stated that it is hard to get an entire document into electronic format.

Mr. Cioffi stated that some people don't have the ability to submit electronically.

Councilman Poletto stated that this is an issue that will be looked by the consultants in the RFP.

Mr. Kestner stated that the drawings are large files which need a plotter to access.

Mr. Barber, NY 7, mentioned the log trucks pulling in and out at night onto RT 7. The trucks are backing up on Rt. 7.

BUSINESS MEETING:

MINUTES OF THE PREVIOUS MEETING:

A motion was made by Councilman Salvi to approve the minutes of the previous meetings, seconded by Councilwoman Abrams. Approved.

REPORTS:

Town Clerk: Susan Quest-Sherman

The Town Clerk handed in a written report for the month of August. Amount to be remitted to the Supervisor for the month is \$6,717.18. A motion to accept the report was made by Councilman Poletto seconded by Councilman Clemente. Approved. A copy of the report is on file in the Town Clerk's Office.

Highway Superintendent: Doug Eddy

The Highway Superintendent gave his report for the month of August. Motion to accept the report was made by Councilman Clemente, seconded by Councilman Salvi. Approved. A copy of the report is on file in the Town Clerk's Office.

Superintendent of Utilities & Inspections: John Kreiger

Mr. Kreiger gave his report for the month of August; amount remitted to the Supervisor was \$4,057.50. Supervisor Herrington made a motion to accept the report seconded by Councilman Poletto. Approved. A copy of the report is on file in the Town Clerk's Office.

Superintendent of Water: Myron VanDyke

Mr. VanDyke gave his report for the month of August. A motion to accept the report was made by Councilwoman Abrams which was seconded by Councilman Clemente. Approved. A copy of the report is on file in the Town Clerk's Office.

Town Attorney: Thomas Cioffi

Mr. Cioffi gave his report for the month of August. Mr. Cioffi summarized the Budget process. Estimates from Department heads need to be submitted to the Supervisor by

September 20, which the Supervisor must file the tentative budget with the Town Clerk by September 30. The Town Clerk has until October 5th to present the budget to the Town Board. After adoption of a Preliminary Budget a public hearing needs to be scheduled by November 10th. The final budget needs to be in place by November 20th.

A Special Meeting was set up for Monday October 3rd at 5:00 p.m. for the Town Clerk to present the Tentative Budget to the Town Board.

A motion was made by Councilwoman Abrams to approve Mr. Cioffi's report, seconded by Councilman Poletto. Approved.

Town Historian: Sharon Zankel

Mrs. Zankel gave her report for the month of August. Councilman Poletto made a motion to accept the report which was seconded by Councilman Salvi. Approved. A copy of the report is on file in the Town Clerk's Office.

Recycling Coordinator: Thomas Engster

The Recycling Coordinator presented his report for the month of August. Motion to accept Mr. Engster's report was made by Councilman Salvi which was seconded by Councilman Clemente. Approved. A copy of the report is on file in the Town Clerk's Office.

Youth Commissioner: Councilman Sam Salvi

Councilman Salvi did not give a report for the month of August.

Brunswick Community Library: Julie Zelman

Mrs. Zelman gave the Library's report for the month of August. The Library has collected the required number of signatures to have their request posed to the voters in the November General Election. Mrs. Pat Carlson thanked the signature collectors. Councilwoman Abrams stated that Michael Berg will be looking at the present Town Hall to see if it would be suitable for the Library to take over the space. Councilwoman Abrams made a motion to approve the report, seconded by Supervisor Herrington. Approved. A copy of the report is on file in the Town Clerk's Office.

Family Community Center: William DeFilippis

Mr. DeFilippis read his report for the month of August. Councilman Salvi asked if something could be placed on the Community Center Board about the 5K race. Motion to accept the report was made by Councilman Poletto seconded by Councilman Salvi. Approved. A copy of the report is on file in the Town Clerk's Office.

RESOLUTIONS:

Resolution No. 64 Resolution Approving and Authorizing Supervisor to Execute Agreement with the USA Track & Field, Adirondack Association (USATF-AA) for the 2005 Brunswick Bicentennial Family Fun Walk. The foregoing Resolution, offered by Councilman Salvi, seconded by Councilman Poletto, was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Resolution No. 65 Resolution Approving and Adopting Amended Fixed Asset Policy. The foregoing Resolution, offered by Councilman Salvi, seconded by Supervisor Herrington, was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman

Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Resolution No. 66 Resolution Accepting Bid – Heavy Duty Snow Plow Truck. The foregoing Resolution, offered by Councilman Poletto, seconded by Councilman Salvi, was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Resolution No. 67 Resolution to Accept the Water Rent and Sewer Maintenance Roll as Prepared by Rensselaer County for the Period of December 1, 2004, through May 31, 2005. The foregoing Resolution, offered by Councilman Clemente, seconded by Councilman Salvi, was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Mr. Glichrist explained that the applicant for Brunswick Meadows Planned Development District have taken their draft scope and have annexed all written comments to the Scope.

Resolution No. 68 Resolution Adopting Final Written Scope for the Preparation of an Environmental Impact Statement on the Brunswick Meadows Planned Development District Application. The foregoing Resolution, offered by Supervisor Herrington, seconded by Councilman Poletto, was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Mr. Gilchrist explained that the applicant for Bailey Point Subdivision has been reviewed by the Planning Board and gone through a Public Hearing. The project borders the City of Troy they seek to improve what has been a private road, add a cul-de-sac and then turn it over to the Town. They will also provide water and sewer to 6 new lots and access to the existing residences. Adding the six lots to the five currently in the Town keeps within the 12 lot limitation. If you add the residences on the street but in the City of Troy the lot limitation is exceeded. The road would have ditches with rip rap as opposed to 3 foot wide paved shoulder.

Mr. Kestner addressed the issue and the three foot ditch with rip rap will help with drainage. The Planning Board has recommended that the variance be granted.

Mr. Cioffi asked if money had to be escrowed for the road construction or if the road would be completed before it is turned over.

Mr. Eddy stated that this would make it easier for the highway department.

Resolution No. 69 Resolution Approving Variance Under Article VIII of Town Subdivision Regulations Concerning Bailey Point Subdivision. The foregoing Resolution, offered by Councilman Poletto, seconded by Supervisor Herrington, was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

CORRESPONDENCE:

Three letters were received.

Cara Patti received a thank you note from Normie Murray, thanking the Staff and Children of the Day Camp for their Food donations.

Supervisor Herrington received a thank you from the Brunswick Grange for use of the Pavilion for their annual picnic.

Nancy Manning wrote a letter to the Supervisor commending the Highway Department for the paving the side streets off of North Lake Ave.

OLD BUSINESS:

None.

NEW BUSINESS:

Councilman Poletto spoke of Lights which will be put up at the Ball Fields. The lights were used on Highway Construction.

Warrants: Warrants No. 081601 through 081602, No. 082301 through 082302, No. 82601 through 82613, No. 082901 through No. 082925, No. 090701 through 090702, No. 050977 through 051074 and No. 90901 through 90912 were presented. A motion to approve the warrants was made by Councilman Poletto, seconded by Councilwoman Abrams. Approved.

FURTHER PUBLIC COMMENTS:

Frank Brenenstuhl, Dusenberry Ln., asked about the process for developments. Mr. Brenenstuhl was advised that the hearings he was concerned about on Dusenberry Lane, were held by the Planning Board.

Mr. Kestner gave an update on the project which is being scaled down. There will be Public Hearings held by the Planning Board. The number of Lots the applicant is seeking is yet to be determined. Dusenberry Lane is a highway by use.

Mr. Brenenstuhl asked how people were going to get to Albany. Is there a plan? He questioned how many more houses could be serviced by water before another tank would need to be constructed. He also wanted to know how many students the school could absorb.

Supervisor Herrington stated that project applicants are required to provide traffic studies.

Councilman Poletto talked about water and how now the water lines were being looped. This will keep the water flowing.

Mr. Paul Ratigan stated that the School does have figures and they are used to plan the School Budget.

ADJOURNMENT:

Councilman Poletto made a motion to adjourn the meeting, seconded by Councilman Salvi. Approved. The meeting adjourned at 8:30 p.m.

Respectfully submitted,

Susan Quest-Sherman
Town Clerk

Note: An audiotape of this meeting is available in the Town Clerk's Office.

TOWN HISTORIAN'S MONTHLY REPORT TO THE BRUNSWICK TOWN BOARD
SEPTEMBER 8, 2005

The following summarizes my activities over the past month:

- I assisted several individuals seeking local history information.
- I've continued to work with an Eagle Scout candidate, Troop 537, on a project involving Forest Park Cemetery.
- On August 20, an archeologist from Hartgen Archeological Associates and I supervised a youth archeological dig on behalf of the Brunswick Historical Society. This half-day program was conducted at the Garfield School and the Zankel's backyard where the eleven participating youngsters unearthed an old table knife, a metal tube, various iron pieces from agricultural implements, late 19th-century nails, and a variety of other artifacts.
- Most of my work has been dedicated to our upcoming Bicentennial and the planned Hometown Heritage Days scheduled for May, 2005. I was successful in recruiting several volunteers to serve on a coordinating committee for this event, and expect to be meeting with them in the fall. We can still use more volunteers!
- The Town Bicentennial Committee has been directing its efforts to getting our second Bicentennial 5K run on track for Saturday, October 1, at the Brunswick Town Park. Those interesting in participating in the run may link to the registration site via the Town's web site or go to www.active.com. There is a \$15 fee to participate in the run, and the first 125 folks to sign up will receive a free tee shirt. Joe Jabour, who is organizing the run, reports local businesses have again been very supportive of the event.
- The Brunswick Bicentennial ornament issued this year, 2005, is now available for purchase at the Brunswick Historical Society. This year's ornament features the old District No. 5 schoolhouse in Center Brunswick. The historical society is offering a discount on the price of the ornaments when two or more are purchased.
- The Brunswick Historical Society will host its Family Fall Fun Fest on Sunday, Sept. 18, at the Community Center from 1:00 - 6:00 pm. This is the Society's major fundraiser, and it is presently seeking crafts and antiques vendors to rent spaces at a fee of \$20.

Press Release September 8, 2005

At the September meeting of The Town of Brunswick board the Town Board received from the trustees of the Brunswick Community Library more than 526 signatures of Brunswick voters (this number is 10% of those who voted for the Governor in the last gubernatorial election). These signatures have been validated by the Town Clerk and will be taken to the Rensselaer Board of Elections in order to place a proposition on the November ballot. The proposition will request the voters to approve the Town of Brunswick to collect revenues to be used by the library for an increased operating budget. The Library trustees continue to look for an existing building to adapt, or land to build a library in Brunswick.

RESOLUTION NO. 64, 2005

**TOWN OF BRUNSWICK
REGULAR MEETING**

September 8, 2005

**RESOLUTION APPROVING AND AUTHORIZING SUPERVISOR
TO EXECUTE AGREEMENT WITH THE USA TRACK & FIELD,
ADIRONDACK ASSOCIATION (USATF-AA) FOR THE 2005
BRUNSWICK BICENTENNIAL FAMILY FUN WALK**

WHEREAS, in commemoration of the upcoming Town Bicentennial, the Brunswick Bicentennial Committee is again sponsoring the "Brunswick Bicentennial Family Fun Run/Walk" to be held on October 1, 2005; and

WHEREAS, as it did last year for this event, the Town requires the services of the USA Track & Field, Adirondack Association (USATF-AA) to manage the event and to provide the appropriate event sanction and additional liability insurance; and

WHEREAS, the said USATF-AA having prepared an Agreement, in that regard, dated August 11, 2005, setting forth the rights and obligations of the respective parties, each to the other, relative to this matter, a copy of which has been filed in the Office of the Town Clerk; now, therefore

BE IT RESOLVED, that the said Agreement be and hereby is approved and the Supervisor authorized and empowered to execute the same on behalf of the Town.

The foregoing Resolution, offered by **Councilman Salvi** and seconded by **Councilman Poletto**, was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING <u>Aye</u>
COUNCILWOMAN ABRAMS	VOTING <u>Aye</u>
COUNCILMAN CLEMENTE	VOTING <u>Aye</u>
COUNCILMAN POLETO	VOTING <u>Aye</u>
SUPERVISOR HERRINGTON	VOTING <u>Aye</u>

The foregoing Resolution was thereupon declared duly adopted.

Dated: September 8, 2005

RESOLUTION NO. 65, 2005

**TOWN OF BRUNSWICK
REGULAR MEETING**

September 8, 2005

**RESOLUTION APPROVING AND ADOPTING
AMENDED FIXED ASSET POLICY**

WHEREAS, the Town having heretofore adopted a Fixed Asset Policy; and

WHEREAS, the Town Comptroller having recommended that the said Fixed Asset Policy be modified and amended in various respects, all as set forth in the proposed amended Fixed Asset Policy, dated September 1, 2005, a copy of which is annexed hereto and made a part hereof; and

WHEREAS, it is the sense of this Town Board that the proposed changes are necessary and appropriate; now, therefore

BE IT RESOLVED, that the said Fixed Asset Policy of the Town of Brunswick, dated September 1, 2005, be and hereby is approved and adopted in all respects.

The foregoing Resolution, offered by **Councilman Salvi** and seconded by **Supervisor Herrington**, was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING <u>Aye</u>
COUNCILWOMAN ABRAMS	VOTING <u>Aye</u>
COUNCILMAN CLEMENTE	VOTING <u>Aye</u>
COUNCILMAN POLETO	VOTING <u>Aye</u>
SUPERVISOR HERRINGTON	VOTING <u>Aye</u>

The foregoing Resolution was thereupon declared duly adopted.

Dated: September 8, 2005

TOWN OF BRUNSWICK
Fixed Asset Policy September 1, 2005

PURPOSE

It is the policy of the Town of Brunswick to recognize the need to implement the required accounting and financial reporting standards promulgated by the Governmental Accounting Standards Board (GASB). GASB Statement 34 was issued to provide new and additional information to the diverse users of the town's financial statements. In addition to the information contained in previous financial reporting, GASB 34 will now provide information in a highly aggregated manner looking at the long-term financial condition of the town. This new information will require local governments to account for capital assets in a manner different than previously recorded. The intent is to provide an additional set of entity-wide financial statements more similar to the private sector.

The primary objectives of GASB 34 include:

- New entity-wide financial statements reflect the overall financial position of the town.
- Long-term focus for local government activities
- Narrative overview and analysis
- Expanded budgetary reporting

It is important to note that the methods, calculations and procedures for determining the budgetary process of the local government will not be affected by the implications of the new standards. The information contained in the previous financial statements will largely be in the same format.

AUTHORITY

Governmental Accounting Standards Board 34

DELEGATION OF AUTHORITY

The Board delegates to the Supervisor the responsibility to coordinate the compilation and preparation of all information necessary to implement this policy in accordance with the Town of Brunswick's administrative procedures.

REQUIREMENTS

Capitalized Asset-a capitalized asset shall be any asset acquired by donation or purchase that has a useful life of longer than one year or extends the life of another capitalized asset or increases its value and meets a specific dollar threshold. At management's discretion capital assets purchased with long-term debt may be capitalized regardless of the specific dollar threshold for the type of class of asset acquired.

Value of Assets-all capitalized assets shall be recorded at historical cost at acquisition date or estimated cost if acquired prior to the date of the initial inventory. Any donated capital asset shall be recorded at the date of donation using the fair market value of the item at that date.

Depreciation-depreciation shall be based on the straight-line method of depreciation over the estimated useful life of each depreciable asset or group of assets. Periodically, management shall evaluate the estimated useful life of each depreciable asset to determine if revision of such estimate is required.

Dollar Threshold-a dollar threshold for each asset shall be set at an appropriate level. Management should periodically review these levels and make any modifications necessary.

CAPITALIZATION PROCEDURES

<u>Class of Asset</u>	<u>Useful Life</u>	<u>Dollar Threshold for Each Asset</u>	<u>Dollar Threshold by Group</u>
Office Equipment	10 years	\$5,000	\$10,000
Construction Equipment	10 years	5,000	10,000
Grounds Equipment	15 years	5,000	10,000
Improvements (i.e. buildings, grounds)	20 years	5,000	10,000
Buildings	50 years	5,000	10,000
Land	N/A	5,000	10,000

Attached is a schedule of lives for certain asset classes.

Town of Brunswick
ASBO Asset Useful Lives Table

RESOLUTION NO. 66, 2005

**TOWN OF BRUNSWICK
REGULAR MEETING**

September 8, 2005

RESOLUTION ACCEPTING BID - HEAVY DUTY SNOW PLOW TRUCK

WHEREAS, the Town Highway Department is in need of a new heavy duty snow plow truck; and ; and

WHEREAS, the Town having therefore prepared the necessary specifications and advertised for bids for the sale to the Town of one (1) 2006 Heavy Duty Snow Plow; and

WHEREAS, one bid meeting the specifications having been received, from DELUREY SALES & SERVICE, INC, to provide a 2006 International Model 7500 4 x 2 heavy duty single axle truck w/combination dump/sander body, plow, wing and all necessary hydraulics, for the net delivered price of \$126,385.00; now, therefore

BE IT RESOLVED, that the bid be and hereby is accepted and the Supervisor authorized and empowered to execute all documents necessary to give effect to this Resolution.

The foregoing Resolution, offered by **Councilman Poleto** and seconded by **Councilman Salvi**, was duly put to a roll call vote as follows:

The foregoing Resolution was thereupon declared duly adopted.

Dated: September 8, 2005

**TOWN OF BRUNSWICK
REGULAR MEETING**

September 8, 2005

**RESOLUTION ADOPTING FINAL WRITTEN SCOPE FOR THE
PREPARATION OF AN ENVIRONMENTAL IMPACT STATEMENT
ON THE BRUNSWICK MEADOWS
PLANNED DEVELOPMENT DISTRICT APPLICATION**

WHEREAS, an application for a Planned Development District ("PDD") has been filed with the Town of Brunswick by J.P.J. Partnership ("Applicant") seeking approval for the construction of 136 condominium units to be located in 34 buildings on 16.6 acres of land located off NYS Route 142 approximately 130' east of the Town of Brunswick and City of Troy municipal boundary line; and

WHEREAS, in connection with the Brunswick Meadows application for PDD, Applicant has filed a Full Environmental Assessment Form pursuant to the State Environmental Quality Review Act ("SEQRA") and its implementing regulations at 6 NYCRR Part 617; and

WHEREAS, the Town Board of the Town of Brunswick ("Town Board") undertook coordination of Lead Agency designation pursuant to 6 NYCRR §617.6(b)(3), and declared itself Lead Agency for this action; and

WHEREAS, following review of the PDD application and Full Environmental Assessment Form, the Town Board adopted a positive declaration pursuant to SEQRA for this action, requiring the preparation of an Environmental Impact Statement; and

WHEREAS, the Town Board determined that scoping would be conducted pursuant to 6 NYCRR §617.8 on this action; and

WHEREAS, the Applicant submitted a draft Scope to the Town Board; and

WHEREAS, the Town Board served a copy of the Draft Scope on all involved and interested agencies, and provided public notice of the receipt of the Draft Scope and opportunity for the submission of written comment on the Draft Scope through and including June 17, 2005; and

WHEREAS, a copy of the Draft Scope was placed at the Brunswick Town Hall and

Brunswick Community Library and made available for public review and inspection during the written comment period; and

WHEREAS, comments were received by the Town Board, which were reviewed and considered by the Town Board and provided to the Applicant; and

WHEREAS, the Applicant has submitted a letter to the Town Board providing that its Draft Scope fully addressed the written comments received; and

WHEREAS, the Town's traffic consultant, Transportation Concepts, reviewed the Draft Scope, and issued a letter concerning the scope of traffic study required for this action; and

WHEREAS, the Applicant reviewed and agreed to said letter concerning the required scope of traffic study for this action; and

WHEREAS, the Applicant consents to the incorporation of all public comments into the Final Scope for this action, as modified by the Town's traffic consultant with respect to the required scope of traffic study; and

WHEREAS, the Town Board and its technical consultants have reviewed the Draft Scope submitted by the Applicant, all written comments received, and its traffic consultant's letter, and finds that all these documents collectively identify all potentially adverse impacts of this action which must be analyzed by the Applicant in the Environmental Impact Statement for this action; and

WHEREAS, the Applicant has consented to extension of the timeframe under the SEQRA regulations for the adoption of a Final Scope by the Lead Agency;

NOW, THEREFORE, BE IT RESOLVED by the Town Board of the Town of Brunswick in regular session duly convened as follows:

1. The Town Board of the Town of Brunswick, as Lead Agency under SEQRA, hereby adopts as its Final Scope for the Brunswick Meadows PDD action the Draft Scope submitted by the Applicant, together with and as modified by all written comments received thereon, as modified by the Town's traffic consultant concerning the scope of traffic study. Such Final Scope is attached hereto, and is adopted pursuant to 6 NYCRR Part 617.8.

The foregoing Resolution, offered by **Supervisor Herrington** and seconded by **Councilman Poleto** was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING Aye
COUNCILWOMAN ABRAMS	VOTING Aye
COUNCILMAN CLEMENTE	VOTING Aye
COUNCILMAN POLETO	VOTING Aye
SUPERVISOR HERRINGTON	VOTING Aye

The foregoing Resolution was thereupon declared duly adopted.

September 8, 2005

RESOLUTION NO. 69, 2005

**TOWN OF BRUNSWICK
REGULAR MEETING**

September 8, 2005

**RESOLUTION APPROVING VARIANCE UNDER ARTICLE VIII
OF TOWN SUBDIVISION REGULATIONS CONCERNING
BAILEY POINT SUBDIVISION**

WHEREAS, Paul Bouchard made application to the Town of Brunswick Planning Board ("Planning Board") for approval of the Bailey Point Subdivision, a proposed 6-lot subdivision on property located off Humiston Avenue; and

WHEREAS, the Planning Board accepted such application and reviewed the same pursuant to Article VI of the Town Subdivision regulations; and

WHEREAS, Humiston Avenue originates in the City of Troy, continuing into the Town of Brunswick, currently ends in a dead end in the Town of Brunswick; and

WHEREAS, the Applicant included on its subdivision plat a new cul-de-sac road off Humiston Avenue to be constructed and dedicated to the Town of Brunswick as a public highway; and

WHEREAS, Brunswick Code §135-29(A)(13) requires all new streets within a subdivision to be in compliance with the Town Public Improvements Ordinance; and

WHEREAS, said proposed cul-de-sac road in the Bailey Point Subdivision was designed in compliance with the Town Highway specifications contained in the Public Improvements Ordinance, except as to three foot wide paved gutters on each side of the roadway; and

WHEREAS, the Applicant designed unpaved drainage ditches on each side of the proposed cul-de-sac road as part of the Bailey Point Subdivision; and

WHEREAS, said design was reviewed by Mark Kestner, P.E., consulting engineer to the Planning Board; and

WHEREAS, based upon such review, including site inspections, the Planning Board's consulting engineer concluded that unpaved drainage ditches was an acceptable

design for this project in light of the topography associated with this site; and

WHEREAS, Brunswick Code §135-29(A)(5)(c) limits the number of residential lots serviced by a cul-de-sac road to a total of 12 lots; and

WHEREAS, the Planning Board found that the total number of residential lots within the Town of Brunswick on Humiston Avenue and the proposed cul-de-sac road, including both existing lots and proposed new lots within the Bailey Point Subdivision, total 11 lots; however, the Planning Board took notice that Humiston Avenue originates in the City of Troy, and that the total number of residential lots on the entire length of Humiston Avenue and the proposed cul-de-sac road exceed 12 lots; and

WHEREAS, a public hearing was held by the Planning Board on the Bailey Point Subdivision on June 16, 2005, at which time public comments were received and considered by the Planning Board; and

WHEREAS, the Planning Board found that the Bailey Point Subdivision complied with all regulatory requirements within Articles VI and VIII of the Subdivision regulations contained in the Brunswick Code, except for the Town Highway specifications concerning paved gutters and the limitation on total residential lots serviced by a cul-de-sac road; and

WHEREAS, pursuant to Brunswick Code §135-27(B), the Planning Board does not have the authority to waive development, design and improvement standards contained in Article VIII of the Subdivision regulations, and that authority for such waivers lies exclusively within the Town of Brunswick Town Board; and

WHEREAS, the Planning Board approved the Bailey Point Subdivision subject to several conditions, one of which was "approval of waivers by the Town Board concerning road specifications (waiver of requirement for three foot paved gutters) and number of residential lots off a cul-de-sac road, with the favorable recommendation of the Planning Board for each waiver"; and

WHEREAS, as a result of its review, the opinion of the Planning Board's consulting engineer, and input from the public, the Planning Board found that the waiver of the Public Improvements Ordinance requiring three foot paved gutters on each side of a public road is in the public interest in that unpaved drainage ditches are found to be a superior design for this site given existing topography; and

WHEREAS, as a result of its review and input from the public, the Planning Board found that there currently exists in excess of 12 residential lots on the entire length of Humiston Avenue in the City of Troy and Town of Brunswick, and that the addition of six residential lots to a new cul-de-sac road to be constructed off Humiston Avenue, which increases the total lots within the Town of Brunswick on Humiston Avenue and the cul-de-sac road to 11 lots, does not result in a detrimental impact to the character of the area, and further that construction of the cul-de-sac road improves transportation and highway standards from the existing dead end road condition on Humiston Avenue within the Town of Brunswick; and

WHEREAS, Paul Bouchard made application to the Planning Board for referral to the Town Board for waivers from §§139-29(A)(5)(c) and 135-29(A)(13) as described herein;

NOW, THEREFORE, BE IT RESOLVED by the Town Board of the Town of Brunswick in regular session duly convened as follows:

1. Upon favorable recommendation of the Brunswick Planning Board following Public Hearing duly noticed, and upon recommendation of the Brunswick Planning Board's consulting engineer, the Town Board hereby finds that strict compliance with §§135-29(A)(5)(c) and 135-29(A)(13) of the Brunswick Subdivision regulations with respect to the Bailey Point Subdivision is not requisite in the interest of the public health, safety and welfare, and that variance from such specifications as set forth on the final Bailey Point Subdivision plat approved by the Planning Board will advance substantial justice and fully comply with the intent and purpose of the zoning map, comprehensive plan, and Town Subdivision regulations.

2. Based thereon, the Town Board, pursuant to Brunswick Code §135-27(B), hereby approves waivers from Subdivision regulations at §135-29(A)(5)(c) and §135-29(A)(13) with respect to the Bailey Point Subdivision and as set forth on the final plat approved by the Brunswick Planning Board.

The foregoing Resolution, offered by **Councilman Poletto** and seconded by **Supervisor Herrington**, was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING Aye
COUNCILWOMAN ABRAMS	VOTING Aye
COUNCILMAN CLEMENTE	VOTING Aye
COUNCILMAN POLETO	VOTING Aye
SUPERVISOR HERRINGTON	VOTING Aye

The foregoing Resolution was thereupon declared duly adopted.

**TOWN OF BRUNSWICK
SPECIAL TOWN BOARD MEETING
OCTOBER 3, 2005, 5:00 P.M.
TOWN HALL**

Board Members Present: Supervisor Herrington, Councilman Poletto, Councilman Salvi, Councilwoman Abrams and Councilman Clemente.

Board Members Absent: None.

Also Present: Town Attorney, Thomas Cioffi, and Town Clerk, Susan Quest-Sherman.

The Supervisor called the meeting to order at 5:15 p.m. explaining that the purpose of the meeting was for the Town Clerk to present the 2006 Tentative Budget to the Board members.

The Budget was presented to the Board Members for their review.

RESOLUTIONS:

Resolution No. 70 Resolution Requesting the State of New York Department of Transportation To Preform a Highway or Bridge Betterment Project Pursuant to Highway Law §10(27) and Appropriating Funds Therefor. The foregoing Resolution, offered by Councilman Poletto, seconded by Councilman Salvi, was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Councilman Poletto spoke about a possible change in Health Insurance Carriers to help contain costs.

ADJOURNMENT:

Councilwoman Salvi made a motion to adjourn the meeting, seconded by Councilman Poletto. Approved. The meeting adjourned at 5:25 p.m.

Respectfully submitted,

Susan Quest-Sherman
Town Clerk

Note: An audiotape of this meeting is available in the Town Clerk's Office.

RESOLUTION NO. 70, 2005

**TOWN OF BRUNSWICK
SPECIAL MEETING**

OCTOBER 3, 2005

**RESOLUTION REQUESTING THE STATE OF NEW YORK
DEPARTMENT OF TRANSPORTATION TO PREFORM A HIGHWAY
OR BRIDGE BETTERMENT PROJECT PURSUANT TO HIGHWAY LAW
§10(27) AND APPROPRIATING FUNDS THEREFOR.**

WHEREAS, pursuant to Highway Law §10(27) the Commissioner of Transportation may (the "Commissioner"), upon the request of a municipality, perform for and at the expense of such municipality, any work of construction or reconstruction, including the removal and relocation of facilities, provided the Commissioner deems it practicable to perform such work for such municipality in connection the performance of any work of construction, reconstruction or improvement under Highway Law; and

WHEREAS, the Town of Brunswick is a municipality within the meaning of such section of the Highway Law ("Municipality"); and

WHEREAS, pursuant to Highway Law §10(27) the Municipality, in connection with the Route 2 over the Poestenkill Bridge Replacement, (the "Company")], wishes the New York State Department of Transportation ("NYSDOT") to perform certain work described in SCHEDULE A (that describes the "Betterment") annexed to this resolution; and

WHEREAS, there is a substantial public interest in and benefit to the performance of the Betterment, which will be part of the State or municipal highway system and will be available for use by the general public; and

WHEREAS, NYSDOT has estimated the cost of the Betterment; and

WHEREAS, in connection with the Betterment Agreement and no later than NYSDOT's award of contracts inclusive of the work contemplated by such agreement, the Municipality shall deposit in escrow with the State Comptroller subject to the draft or requisition of the Commissioner, the amount of the such cost estimate, to be expended by the State Comptroller on the costs of the Betterment so requested and approved or the return of the excess amount thereof, if any, to the Municipality; and

WHEREAS, upon completion and payment of the costs of the Betterment the Commissioner shall determine the costs thereof to be borne by the Municipality, and any excess of the deposit shall be paid to the Municipality on the warrant of the State Comptroller on vouchers approved by the Commissioner; and, in the event such costs exceed the amount of the deposit the Municipality shall within 90 days of the receipt of notice from the Commissioner pay the amount of such deficiency to the State Comptroller; and

NOW, THEREFORE, the Town Board, duly convened does hereby

RESOLVED, that the Town Board hereby approved the above-subject Betterment; and be it

FURTHER RESOLVED, the sum of Ninety one thousand seven hundred ninety two dollars and no cents (\$91,792.00) is hereby appropriated from The General Fund for deposit with the State Comptroller pursuant to a Betterment Agreement with NYSDOT and expenditure on the draft or requisition of NYSDOT for betterment project costs in accordance with Highway Law §10(27) and such Betterment Agreement; and be it

FURTHER RESOLVED, that the Town Supervisor of the Town of Brunswick be and is hereby authorized to execute all necessary agreements or other instruments on behalf of the Town of the Town of Brunswick in connection with the advancement or funding of the Betterment; and be it

FURTHER RESOLVED, that a certified copy of this resolution be filed with the State Comptroller and New York State Commissioner of Transportation by attaching it to the Betterment Agreement with NYSDOT, NYSDOT shall transmit to this body a statement showing the actual costs and expense of the Betterment and shall notify the fiscal officer of the amount due from or to be returned to the Municipality, as the case may be, and that any sum due to NYSDOT shall be paid by the Municipality within ninety (90) days after the date of transmittal of such statement, and the funds therefore shall be raised according to law and the terms of the Betterment Agreement, as applicable

The foregoing Resolution, offered by Councilman Poleto and seconded by Councilman Salvi was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING <u>Aye</u>
COUNCILWOMAN ABRAMS	VOTING <u>Aye</u>
COUNCILMAN CLEMENTE	VOTING <u>Aye</u>
COUNCILMAN POLETO	VOTING <u>Aye</u>
SUPERVISOR HERRINGTON	VOTING <u>Aye</u>

The foregoing Resolution was thereupon declared duly adopted.

Dated: October 3, 2005

¹ As actual amounts may vary, NYSDOT may interchange amounts between the phases comprising the Betterment.

**TOWN OF BRUNSWICK
REGULAR TOWN BOARD MEETING
OCTOBER 13, 2005, 7:00 P.M.
TOWN HALL**

Board Members Present: Supervisor Herrington, Councilman Poleto, Councilman Salvi, Councilman Clemente and Councilwoman Abrams.

Board Members Absent: None.

Also Present: Town Attorney, Thomas Cioffi, and Town Clerk, Susan Quest-Sherman.

The Supervisor called the meeting to order at 7:05 p.m.

All joined in a salute to the flag.

Supervisor Herrington opened the meeting to public comment.

VISITORS WHO WISH TO SPEAK:

Susan Haynes, Westlane Rd., asked if Councilman Poleto and Supervisor Herrington had been against a Super Wal-Mart when the first Wal-Mart project came to Town.

Supervisor Herrington stated the applications were still in process and Planned Development Districts are in the Zoning Laws and in the Comprehensive Plan. As a Town Official he can not comment during the process without inviting Law Suits.

Mrs. Haynes has herd rumors that Officials have been going around Town saying that Wal-Mart is a done deal.

Councilman Poleto and Councilman Salvi stated that, this was not true.

Councilman Salvi stated that anyone who comes in with an application and pays the fee has to be allowed to go through the process. The board can't take a stand before all the information is presented.

Mrs. Haynes was concerned about Lead Agency Status with regards to the Highland Creek Project and the impartiality of the Board.

Mr. Cioffi stated that it is the responsibility of Board Members to use their best judgment to represent the best interest of the people, kinship or friendship should have no bearing on the decisions.

Amy Williams, Garfield Rd., spoke of her displeasure about what is happening next door to her home. The Engelke farm has started to have haunted hay rides on Friday and Saturday nights. The application was withdrawn for a Tubing Park. On October 9th there was an article in the Times Union which stated that Mr. Engleke was planning a snow tubing operation. Mrs. Williams also read a letter from Mr. Tichy of Garfield Rd., also stating his

displeasure with the Engleke farm and its inappropriate commercialization of a residential area.

Mr. Cioffi, asked if Mrs. Williams and anyone who is concerned give their address to Mr. Kregier so that they may give statements. The Board might need the residents to sign affidavits or give testimony.

Mr. Mike Hogan, Garfield Rd., came for the same subject and questioned whether the operation was a Farm or a Business.

Supervisor Herrington stated that the farm is zoned agricultural.

Mr. Bernie Barber, Rt. 7, asked why the logging business on Rt. 7 by-passed all the zoning laws.

Supervisor Herrington stated that a use variance was issued by the Zoning Board.

Mr. Cioffi stated that the original use variance was issued several years ago, the Zoning Board recognized that and then went in front of the Planning Board for a Site Approval.

Mr. Barber doesn't think that the operation is legal and the Town should have asked the Town of Pittstown as they have an operation up there.

Supervisor Herrington stated that the business is not operating in the summer, they are operating at this time of year within certain hours.

Mr. Barber objected about tractor trailers going into and out of Rt. 7 he feels there will be an accident at the location.

Supervisor Herrington explained that traffic and noise studies were done. Sight distances could be improved with removing the trees in front of Mr. Barber's property.

Mr. Barber said he would not object to the trees being removed.

Mr. Barber stated that if no action is taken he will put a logger on his property.

Mr. Sean MacLean, Brunswick Rd., asked a question about the PDD's. He would look at all of the projects except the Wal-Mart one because he feels that they are an evil entity and bad for America. He wanted to know why the Board could not comment on the PDD's.

Councilman Salvi stated that the Board can't comment until the projects clear all the hurdles. A Board member has to remain objective.

Mr. MacLean wants the Board to say how they feel as there is no law against it. He feels the people have a right to know how the Board feels about the projects.

Councilman Salvi asked Mr. Cioffi to address the issue.

Mr. Cioffi stated that there is an application process with fees. Mr. Cioffi has advised the Board that it would not be appropriate for the Board to voice an opinion in the middle of the process.

Mr. MacLean stated that he thinks that outside agencies should take the lead in the SEQRA process.

Mr. Cioffi stated that because the Board is the one making the final decision they should not abrogate their duty under SEQRA. He further stated that Mr. Gilchrist is the attorney representing the Town for the PDD process.

Supervisor Herrington told Mrs. Haynes and Mr. MacLean that they should look back through the records to see the history of Councilman Salvi and Councilman Poletto and how they have voted on other items. They will make a decision but the studies have to be looked at first.

The Board has told one developer that 1,100 apartments were excessive.

Mr. MacLean feels that he has been thwarted getting information at the Town and the Town does not have an open door policy.

Councilwoman Abrams told Mr. MacLean that it is all public information.

Councilman Salvi asked if Mr. MacLean had FOIL'd information and it was not given to him.

Mr. MacLean stated that no one had denied him access.

Councilman Salvi stated that he had never seen the staff in the Office not answer someone's questions.

Councilwoman Abrams told Mr. MacLean that he has the same information available to him as any other resident. All the information is there in binders and folders.

Councilman Poletto has been on the other side and did the research to find what he was looking for.

Mr. MacLean wants to know what is going on in the Town.

Supervisor Herrington mentioned that there are usually not many people from the public in attendance at the Town Board Meetings. When the cell Tower issue on Moonlawn came up many residents showed up. The Town fought Omni Point and won. Residents didn't show up for the next Board Meeting. Councilwoman Abrams offered to reinstitute the Newsletter to keep residents informed, and the Web-Site was started.

Councilwoman Abrams stated that when she came on the Board she felt she was to represent the residents. She has her own opinions but feels it is her duty to be objective. She stated that for every person that tells her they don't want Wal-Mart there is another person that says that they do want it. She feels that when she gets behind the desk it is her duty to listen to both sides of the story. All the information must be considered - there is a lot of reading material and a lot of work. She takes the job very seriously.

Mr. Frank Brenenstuhl, Dusenberry Ln., stated that the Staff at the office is excellent. He would like to know about Mr. Barber's topic. He asked if Special Use Permits go on forever. Mr. Brenenstuhl was informed that the permits run with the land. He asked if they were in violation and if that would revoke their special use permit.

Mr. Brenenstuhl was informed that violations would be brought into Town Court.

Mr. Barber again voiced his concern about traffic.

Mr. Paul Engelke, Garfield Rd., offered to take any concerned residents for a tour of his operation. He has vegetables and 5,000 pumpkins growing on 10 acres. Anyone who has come to the farm to buy a pumpkin has gotten a free hay ride and learned about agriculture. The haunted hay ride did have about 135 people in attendance who arrived 3 people to a car. Mr. Engelke further stated that being a pumpkin farm he has 1 ½ months to make his money. He is looking for cooperation and understanding from the Town Board and his neighbors this will help preserve agriculture in the Town. Mr. Engelke explained that people taking tube rides were given coupons for pumpkins. There were 52 tubers over a 4 month period. The rides are for marketing.

Marty Ratigan, Berkshire Dr., spoke about drainage on Berkshire Dr and asked when he and his son could meet with Town Officials. Mr. Kestner and Mr. Eddy will make arrangements to visit the site.

BUSINESS MEETING:

MINUTES OF THE PREVIOUS MEETING:

A motion was made by Councilman Salvi to approve the minutes of the previous meetings, seconded by Councilman Poletto. Approved.

REPORTS:

Town Clerk: Susan Quest-Sherman

The Town Clerk handed in a written report for the month of September. Amount to be remitted to the Supervisor for the month is \$5,731.72. Refunds checks were finally received from Verizon for \$875.82 and Choice One for \$1,301.72. A motion to accept the report was

made by Councilman Clemente seconded by Councilwoman Abrams. Approved. A copy of the report is on file in the Town Clerk's Office.

Highway Superintendent: Doug Eddy

The Highway Superintendent gave his report for the month of September. Motion to accept the report was made by Councilwoman Abrams, seconded by Councilman Poletto. Approved. A copy of the report is on file in the Town Clerk's Office.

Superintendent of Utilities & Inspections: John Kreiger

Mr. Kreiger gave his report for the month of September; amount remitted to the Supervisor was \$7,932.19. Councilman Salvi made a motion to accept the report seconded by Councilman Poletto. Approved. A copy of the report is on file in the Town Clerk's Office.

Superintendent of Water: Myron VanDyke

Mr. VanDyke gave his report for the month of September. A motion to accept the report was made by Councilman Poletto which was seconded by Councilman Salvi. Approved. A copy of the report is on file in the Town Clerk's Office.

Town Attorney: Thomas Cioffi

Mr. Cioffi gave his report for the month of September. Mr. Cioffi summarized the Budget process. If the Board passes the Preliminary Budget tonight a Public Hearing needs to be set up. The deadline for the Hearing is November 10th and the deadline for passing the budget is November 20th. A motion was made by Councilman Poletto to approve Mr. Cioffi's report, seconded by Councilwoman Abrams. Approved.

Town Historian: Sharon Zankel

Mrs. Zankel gave her report for the month of September. Mrs. Zankel thanked Councilman Poletto and Councilman Salvi for their help with the Historical Society's fund raiser. Councilman Salvi made a motion to accept the report which was seconded by Councilman Clemente. Approved. A copy of the report is on file in the Town Clerk's Office.

Recycling Coordinator: Thomas Engster

The Recycling Coordinator presented his report for the month of September. Motion to accept Mr. Engster's report was made by Supervisor Herrington which was seconded by Councilwoman Abrams. Approved. A copy of the report is on file in the Town Clerk's Office.

Youth Commissioner: Councilman Sam Salvi

Councilman Salvi mentioned that fall ball is winding down, the football team is doing very well and Mr. Engster finished 3rd in the 5K race. Councilman Salvi would like to continue the race even after the bicentennial. Supervisor Herrington mentioned how well the Bull Dogs were doing. Councilman Poletto made a motion to accept the report, seconded by Councilman Clemente. Approved.

Brunswick Community Library: Dorothy Murray

Mrs. Murray gave the Library's report for the month of September. Councilwoman Abrams made a motion to approve the report, seconded by Councilman Salvi. Approved. A copy of the report is on file in the Town Clerk's Office.

Family Community Center: William DeFilippis

Mr. DeFilippis read his report for the month of September. Motion to accept the report was made by Councilwoman Abrams seconded by Councilman Salvi. Approved. A copy of the report is on file in the Town Clerk's Office.

RESOLUTIONS:

Resolution No. 71 Resolution Approving 2006 Tentative Budget as 2006 Preliminary Budget of the Town of Brunswick.

Councilman Poletto explained the change in the Budget which was an adjustment for Mt. View Fire District. The Budget will not have a tax increase. The total budget is 6.25 million. Containing health care costs will necessitate a change in carriers. The highway employees will be phased in to help pay for health coverage.

The foregoing Resolution, offered by Councilman Poletto, seconded by Councilman Salvi, was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

A Public Hearing on the Budget was set up for November 10th at 6 p.m.

Resolution No. 72 Resolution Appointing Members to Board of Assessment Review of the Town of Brunswick. The foregoing Resolution, offered by Councilman Salvi, seconded by Councilman Poletto, was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Resolution No. 73 Resolution Accepting Proposal for Employee Medical Insurance Coverage for Period From December 1, 2005 Through November 30, 2006. The foregoing Resolution, offered by Councilman Poletto, seconded by Councilman Salvi, was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

CORRESPONDENCE:

None.

OLD BUSINESS:

Councilman Poletto stated that the paving on Rt. has been completed.

NEW BUSINESS:

Councilman Clemente asked about liability insurance and when that would come due.

Warrants: Warrants No. 92301 through 92312, No. 051075 through 051086, No. 100501, No. 10701 through No. 10712, and No. 051087 through 051237 were presented. A motion to approve the warrants was made by Councilman Poletto, seconded by Councilwoman Abrams. Approved.

FURTHER PUBLIC COMMENTS:

Mike Hogan voiced his concern about traffic on Garfield Rd., with the farm operation.

Sean Duffey, Garfield Rd., wants to know what Mr. Engelke can do with his property as it is zoned. He doesn't want to be confrontational. He will not sign a warrant.

Mr. Cioffi stated that there are gray areas in the law which may have to be decided by a Court. No one has been asked to sign a warrant. Contact information was requested in case proof was needed. Mr. stated that there is a difference in how Mr. Engelke interprets the law and how the Town interprets the law and that this issue may end up in Court. Mr. Engelke had sought a use variance from the Zoning Board which was withdrawn before a decision could be made.

Mr. Engelke, wanted to explain what he intends to do. He has had groups over from the community. Mr. Engelke stated that the property was zoned recreational.

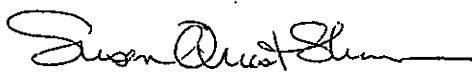

Mr. Cioffi corrected Mr. Engelke that the property is zoned agriculture public recreational facility without gain is allowed.

Mr. Engelke stated that it is without gain. He is marketing. He is selling pumpkins. He intends to have winter tubing, summer tubing, sleigh riding and hay rides. If his farm goes out of business he will have to sell to a developer.

ADJOURNMENT:

Councilman Salvi made a motion to adjourn the meeting, seconded by Councilwoman Abrams. Approved. The meeting adjourned at 8:50 p.m.

Respectfully submitted,

Susan Quest-Sherman
Town Clerk

Note: An audiotape of this meeting is available in the Town Clerk's Office.

TOWN HISTORIAN'S MONTHLY REPORT TO THE BRUNSWICK TOWN BOARD
OCTOBER 13, 2005

The following summarizes my activities over the past month:

- On behalf of the Brunswick Historical Society, I want to thank all in the community who turned out on September 18 to support the Society's Fall Festival at the Brunswick Family Community Center. This was the Society's major annual fundraiser, and, while profits were not as great as we'd hoped for, we realized an income of roughly \$2,000. This was the first time we've held this event at the Community Center, and the Society received favorable feedback from those who attended. Many thanks to the Town for permitting the use of the facility.
- Over the past few weeks, I've responded to several requests for assistance in researching family genealogies and for information about several historic properties currently for sale in our town.
- I attended the APHNYS' (Association of Public Historians of New York State) fall training conference in Jefferson County for three days in September (9/24 -9/27), and I have, in the capacity of regional coordinator for this organization, been working on developing a regional conference to be held in Cohoes on October 29.
- Most of my work continues to be dedicated to our upcoming Bicentennial and the planned Hometown Heritage Days scheduled for May, 2007. I've been in touch with Capital News 9 about getting publicity for our Bicentennial in the year ahead. I've established contact with a program producer about getting Brunswick involved in a new segment called "This Week in History" proposed by the station. I've also continued to work with the Brittonkill teacher who wishes to develop a DVD on the history of Brunswick Schools for the Bicentennial and have been meeting with the president of the Brunswick Historical Society about developing a tour of historic sites.
- The Brunswick Historical Society's 2005 edition of the Brunswick Bicentennial holiday ornament is still available for purchase! The Society also asked me to announce its headquarters are now open Wednesday evenings 6 - 8 p.m. as well as on Wednesday afternoons noon - 2 p.m. and Saturdays, 10 a.m. - 3 p.m. Two upcoming programs to be offered by the Society include a presentation by local author/artist Randall Bentley on Monday evening, Oct. 24, at 7 p.m. at the Garfield School and a breakfast program on Troy's Tiffany windows on Saturday, November 12, at the Eagle Mills Christian Church. Watch THE ADVERTISER for more information.

William F. DeFilippis
Facility Director

RESOLUTION NO. 71, 2005

**TOWN OF BRUNSWICK
REGULAR MEETING**

October 13, 2005

**RESOLUTION APPROVING 2006 TENTATIVE BUDGET AS
2006 PRELIMINARY BUDGET OF THE TOWN OF BRUNSWICK**

WHEREAS, the Supervisor of the Town of Brunswick having duly filed the 2006 Tentative Budget of the Town of Brunswick in the Office of the Town Clerk within the time and in the manner required by law; and

WHEREAS, the Town Clerk having duly presented the said Tentative Budget to the Town Board at a Special Meeting thereof held on October 3, 2005; and

WHEREAS, the Town Board having duly considered, discussed and reviewed the 2006 Tentative Budget; now, therefore, after due deliberation

BE IT RESOLVED, that the 2006 Tentative Budget of the Town of Brunswick be and hereby is modified and amended to the extent set forth in the annexed Schedule, which is incorporated into and made a part of this Resolution; and be it further

RESOLVED, the said Tentative Budget, as herein modified and amended, be and hereby is in all respects approved and shall become the Preliminary Budget of the Town of Brunswick for the fiscal year commencing January 1, 2006; and be it further

RESOLVED, that the said Preliminary Budget shall be filed in the Office of the Town Clerk and said Town Clerk be and hereby is authorized and directed to reproduce twenty-five (25) copies of the same for public distribution.

The foregoing Resolution, offered by **Councilman Poleto** and seconded by **Councilman Salvi** was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING <u>Aye</u>
COUNCILWOMAN ABRAMS	VOTING <u>Aye</u>
COUNCILMAN CLEMENTE	VOTING <u>Aye</u>
COUNCILMAN POLETO	VOTING <u>Aye</u>
SUPERVISOR HERRINGTON	VOTING <u>Aye</u>

The foregoing Resolution was thereupon declared duly adopted.

Dated: October 13, 2005

RESOLUTION NO. 72, 2005

**TOWN OF BRUNSWICK
REGULAR MEETING**

October 13, 2005

**RESOLUTION APPOINTING MEMBERS TO BOARD OF
ASSESSMENT REVIEW OF THE TOWN OF BRUNSWICK**

WHEREAS, there are currently two (2) vacancies on the Board of Assessment Review; now, therefore, after due deliberation and consideration

BE IT RESOLVED, that the Town Board does hereby make the following appointments, effective immediately:

NAME	OFFICE	TERM
Matthew P. Foley	Member, Board of Assessment Review	Expires 9/30/2007
Colleen M. Quinn-Roberts	Member, Board of Assessment Review	Expires 9/30/2010

The foregoing Resolution, offered by **Councilman Salvi** and seconded by **Councilman Poletto** was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING <u>Aye</u>
COUNCILWOMAN ABRAMS	VOTING <u>Aye</u>
COUNCILMAN CLEMENTE	VOTING <u>Aye</u>
COUNCILMAN POLETO	VOTING <u>Aye</u>

The foregoing Resolution was thereupon declared duly adopted.

Dated: October 13, 2005

RESOLUTION NO. 73, 2005

**TOWN OF BRUNSWICK
REGULAR MEETING**

October 13, 2005

**RESOLUTION ACCEPTING PROPOSAL FOR EMPLOYEE
MEDICAL INSURANCE COVERAGE FOR PERIOD FROM
DECEMBER 1, 2005 THROUGH NOVEMBER 30, 2006**

WHEREAS, the Town's contract with CDPHP to provide medical insurance coverage for eligible employees of the Town will expire on November 30, 2005; and

WHEREAS, the Town, with the assistance of Rose & Kiernan, Inc., its insurance consultant, having solicited for proposals to provide medical insurance coverage for eligible Town employees for the period from December 1, 2005, through November 30, 2006; and

WHEREAS, several proposals having been received, and the proposal from MVP Health Care for its HMO - Coplan 15 having been identified as best meeting the needs of the Town; now, therefore, after due deliberation

BE IT RESOLVED, that the proposal submitted by MVP Health Care to provide its HMO - Coplan 15 to the eligible employees of the Town for the period from December 1, 2005, through November 30, 2006, be and hereby is accepted; and be it further

RESOLVED, the Supervisor be and hereby is authorized and empowered to execute such contracts and other documents as may be necessary to give effect to this Resolution.

The foregoing Resolution, offered by **Councilman Poleto** and seconded by **Councilman Salvi** was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING <u>Aye</u>
COUNCILWOMAN ABRAMS	VOTING <u>Aye</u>
COUNCILMAN CLEMENTE	VOTING <u>Aye</u>
COUNCILMAN POLETO	VOTING <u>Aye</u>
SUPERVISOR HERRINGTON	VOTING <u>Aye</u>

The foregoing Resolution was thereupon declared duly adopted.

**TOWN OF BRUNSWICK
SPECIAL TOWN BOARD MEETING
OCTOBER 24, 2005, 5:30 P.M.
TOWN HALL**

Board Members Present: Supervisor Herrington, Councilman Poletto, Councilman Salvi, and Councilwoman Abrams.

Board Members Absent: Councilman Clemente.

Also Present: Town Attorney, Thomas Cioffi, and Town Clerk, Susan Quest-Sherman.

The Supervisor called the meeting to order at 5:40 p.m. explaining that the purpose of the meeting is to consider issues pertaining to the construction of the New Town Offices.

Councilman Salvi made a motion to go into executive session seconded by Councilwoman Abrams. Approved.

At 7:15 p.m. Councilman Salvi made a motion to return to regular session seconded by Councilwoman Abrams. Approved.

The record should reflect that there was discussion in the executive session but no action was taken.

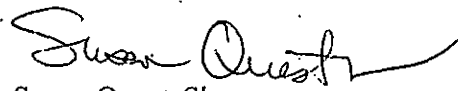

Voice Resolution

Councilman Poletto made a motion to pay Troy Management's invoice dated August 8 for \$15,582.91 seconded by Councilwoman Abrams. Approved.

ADJOURNMENT:

Councilman Salvi made a motion to adjourn the meeting, seconded by Councilman Poletto. Approved. The meeting adjourned at 7:17 p.m.

Respectfully submitted,

Susan Quest-Sherman
Town Clerk

Note: An audiotape of this meeting is available in the Town Clerk's Office.

**TOWN OF BRUNSWICK
PUBLIC HEARING
NOVEMBER 10, 2005, 6:00 P.M.
TOWN HALL**

Board Members Present: Supervisor Herrington, Councilman Poletto, Councilman Salvi, and Councilman Clemente.

Board Members Absent: Councilwoman Abrams.

Also Present: Town Attorney, Thomas Cioffi, and Town Clerk, Susan Quest-Sherman.

The Supervisor called the hearing to order at 6:10 p.m.

Councilman Poletto explained the contents of the Town Budget. There is no tax increase the budget is \$6.3 Million that is all the funds combined. Town employees will get a 3% increase. Health Insurance has changed from CDPHP to MVP and has gone up 10% the cost to the Town is \$328,000.00. The Town has set aside \$75,000.00 to hire an engineering consultant to work on the Town Zoning.

VISITORS WHO WISH TO SPEAK

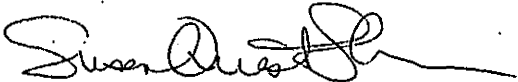

Mr. Peter Meskoskey, Town Office Rd, asked if money could be allocated for Public Safety. Traffic and speed have become a safety issue.

The Town will look into the issue and find out how the Town of Clifton Park handles the problem. Letters will be sent to the New York State Police and the Rensselaer County Sheriff's Department.

ADJOURNMENT:

Councilman Poletto made a motion to adjourn the meeting, seconded by Councilman Salvi. Approved. The meeting adjourned at 6:25 p.m.

Respectfully submitted,

Susan Quest-Sherman
Town Clerk

Note: An audiotape of this meeting is available in the Town Clerk's Office.

Receiver of Taxes	23,335

BY ORDER OF THE TOWN BOARD.

Dated: Brunswick, New York
October 25, 2005

Town Clerk, Town of Brunswick

**TOWN OF BRUNSWICK
REGULAR TOWN BOARD MEETING
NOVEMBER 10, 2005, 7:00 P.M.
TOWN HALL**

Board Members Present: Supervisor Herrington, Councilman Salvi, Councilman Clemente and Councilwoman Abrams.

Board Members Absent: Councilman Poletto.

Also Present: Town Attorney, Thomas Cioffi, and Town Clerk, Susan Quest-Sherman.

The Supervisor called the meeting to order at 7:05 p.m.

All joined in a salute to the flag.

Supervisor Herrington opened the meeting to public comment.

VISITORS WHO WISH TO SPEAK:

Mr. Bernie Barber, Rt. 7, spoke about the Logging Concern on Route 7. Mr. Barber read a statement about the changes he has seen in his lifetime. He was born on a farm in Pittstown without electricity or indoor plumbing. He served in WWII and built his home in Brunswick in 1954. The green fields around his property now looks like a landfill.

BUSINESS MEETING:

MINUTES OF THE PREVIOUS MEETING:

A motion was made by Councilman Salvi to approve the minutes of the previous meetings, seconded by Councilwoman Abrams. Approved.

REPORTS:

Town Clerk: Susan Quest-Sherman

The Town Clerk handed in a written report for the month of October. Amount to be remitted to the Supervisor for the month is \$7,729.80. There will be a MDA fund raiser lock-up in December. A motion to accept the report was made by Councilman Clemente seconded by Councilman Salvi. Approved. A copy of the report is on file in the Town Clerk's Office.

Highway Superintendent: Doug Eddy

The Highway Superintendent gave his report for the month of October. The highway department has assisted Pittstown and Grafton with storm problems. Motion to accept the report was made by Councilman Salvi, seconded by Councilwoman Abrams. Approved. A copy of the report is on file in the Town Clerk's Office.

Superintendent of Utilities & Inspections: John Kreiger

Mr. Kreiger gave his report for the month of October; amount remitted to the Supervisor was \$27,036.00. Councilman Clemente made a motion to accept the report seconded by Councilman Salvi. Approved. A copy of the report is on file in the Town Clerk's Office.

Superintendent of Water: Myron VanDyke

Mr. VanDyke gave his report for the month of October. A motion to accept the report was made by Supervisor Herrington which was seconded by Councilman Salvi. Approved. A copy of the report is on file in the Town Clerk's Office.

Town Attorney: Thomas Cioffi

Mr. Cioffi gave his report for the month of October. The Public Hearing for the Budget has been held. The Budget may be approved tonight and it has to be approved by November 20th. There is a shift Resolution which has been drawn up for Street & Competition. A motion was made by Councilwoman Abrams to approve Mr. Cioffi's report, seconded by Councilman Salvi. Approved.

Town Historian: Sharon Zankel

Mrs. Zankel gave her report for the month of October. Councilwoman Abrams made a motion to accept the report which was seconded by Councilman Salvi. Approved. A copy of the report is on file in the Town Clerk's Office.

Recycling Coordinator: Thomas Engster

The Recycling Coordinator presented his report for the month of October. Motion to accept Mr. Engster's report was made by Councilman Clemente which was seconded by Councilwoman Abrams. Approved. A copy of the report is on file in the Town Clerk's Office.

Brunswick Community Library: Julie Zelman

Mrs. Zelman gave the Library's report for the month of October. Councilwoman Abrams made a motion to approve the report, seconded by Supervisor Herrington. Approved. A copy of the report is on file in the Town Clerk's Office.

Family Community Center: William DeFilippis

Mr. DeFilippis read his report for the month of October. Motion to accept the report was made by Councilman Salvi seconded by Councilwoman Abrams. Approved. A copy of the report is on file in the Town Clerk's Office.

RESOLUTIONS:

Resolution No. 74 Resolution Finally Adopting Preliminary Budget as 2006 Annual Budget of the Town of Brunswick.

Supervisor Herrington gave a brief overview of the Budget and stated that there would not be a tax increase this year.

The foregoing Resolution, offered by Supervisor Herrington, seconded by Councilman Salvi, was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Absent; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Resolution No. 75 Resolution Accepting Draft Environmental Impact Statement on the Carriage Hill Estates PDD Application.

Mr. Gilchrist gave an overview of the PDD process. Completeness of the Impact Statement does not mean that the project is approvable or the Board or the consultants agree with the conclusions. It is now adequate for public inspection and comment. A Public Hearing can

now be set up. Notices will be placed at Town Hall posted to the web site and property owners within 500 feet will receive a notice in the mail.

The foregoing Resolution, offered by Supervisor Herrington, seconded by Councilman Salvi, was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Absent; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

A Public Hearing was scheduled for December 12th at the New Town Hall, 336 Town Office Road at 6:30 p.m.

Resolution No. 76 Resolution Approving and Authorizing Supervisor to Execute Agreement with Rensselaer County. The foregoing Resolution, offered by Councilman Salvi, seconded by Councilman Clemente, was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Absent; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Resolution No. 77 Resolution for Shift of Operations Into an Economic Development Zone. The foregoing Resolution, offered by Councilman Salvi, seconded by Councilman Clemente, was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Absent; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

CORRESPONDENCE:

None.

OLD BUSINESS:

None.

NEW BUSINESS:

Supervisor Herrington stated that two Public Hearings need to be set up for the Budgets of Mt. View Fire Department and Center Brunswick Fire Department.

A Public Hearing on the Mt. View Fire Department's Budget was set up for December 8th, 5:30 p.m. at the Mt. View Fire House.

A Public Hearing on the Center Brunswick Fire Department's Budget was set up for December 8th at 6:30 p.m. at the Center Brunswick Fire House.

Warrants: Warrants No. 0512338 through 0512355, No. 102100 through 102113, No. 102501, No. 110400 through No. 110412, and No. 0512356 through 0512524 were presented. A motion to approve the warrants was made by Councilman Salvi, seconded by

Councilwoman Abrams. Approved.

FURTHER PUBLIC COMMENTS:

Mr. Bernie Barber spoke about the logging operation allowed to operate without a Site Plan or Health Approved Water and Septic. He maintains that the Zoning Board has not done their job.

Mr. Gilchrist addressed the issue and stated that there is a site plan with conditions of operation if the conditions are not being adhered to it is a compliance issue which may be addressed by the Building department.

Mr. Engelke asked if a site plan was required if there is no construction.

Mr. Cioffi stated that a site plan was required when there is a change in use of a business.

Mr. Joe Durkin asked about the PDD process and who gave approvals for the district.

Mr. Cioffi stated that the districts are approved by the Town Board because it is a legislative act. It amends the Zoning Ordinance.

Mrs. Susan Haynes thanked Councilman Salvi and Poleto for a good campaign.

Supervisor Herrington complimented Mrs. Haynes on her campaign.

Supervisor Herrington excused himself and turned the meeting over to Councilman Clemente.

Resolution No. 78 Resolution Accepting Draft Environmental Impact Statement on the Highland Creek PDD Application.

Mr. Gilchrist explained the Application for McChesney Ave. Ext. which is located on Herrington properties which is why Supervisor Herrington has recused himself from consideration of the application. The DEIS has been deemed complete. It is now adequate for Public Review and Comment. If this is approved tonight a Public Hearing must be set no sooner than 15 days nor later than 60.

The foregoing Resolution offered by Councilman Clemente, seconded by Councilman Salvi was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poleto, Voting Absent; Supervisor Herrington Recused. The foregoing Resolution was thereupon declared duly adopted.

A Public Hearing on the DEIS was set for Monday November 28th 6:30 p.m. at the Brunswick Community Center on Keyes Lane.

Mr. Joseph Durkin questioned the timing of the Public Hearings so close to the holidays.

Mr. Gilchrist stated that these applications have been in the process for a long period of time.

Mr. Kestner stated that the developers have put more resources put into getting these documents completed at this time of year.

Rebecca Kaiser felt that the public doesn't have enough time to get through these documents in time for the November 28th hearing.

Councilman Clemente recognized Mrs. Kaiser's concern but that date will be adhered to as the consultants have deemed these documents complete.

Councilwoman Abrams stated that the Public will still have time to comment even after the Public Hearing.

Mr. Gilchrist spoke that written comments are always accepted up to and following the Public Hearing. The minimum deadline for written comments is 10 days following the close of the Public Hearing.

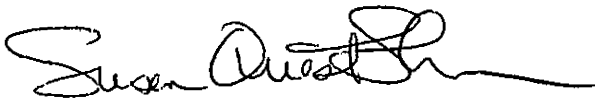

Mr. Frank Brenenstul asked if these Public Hearings were the only Public Hearings on the projects.

Mr. Gilchrist stated that on the Highland Creek PDD the Public Hearing will be the only one held by the Town Board. If they are approved they will have to go through Planning Board Approval. The Carriage Hill project has already gone before the Planning Board so that Public Hearings for that project will be a joint hearing with the Town & Planning Board. These projects are a two step process - they need both Town Board and Planning Board approval.

ADJOURNMENT:

Councilman Salvi made a motion to adjourn the meeting, seconded by Councilwoman Abrams. Approved. The meeting adjourned at 8:50 p.m.

Respectfully submitted,

Susan Quest-Sherman
Town Clerk

Note: An audiotape of this meeting is available in the Town Clerk's Office.

**TOWN HISTORIAN'S MONTHLY REPORT TO THE BRUNSWICK TOWN BOARD
NOVEMBER 11, 2005**

The following summarizes my activities over the past month:

On October 19, I attended a meeting of the Region 3 State Archives Advisory Council. We discussed the possibility of the State Archives holding a training conference for local government employees in the local area on the subject of electronic records sometime next year.

Last month I pulled together an APHNYS regional meeting/training conference for the historians of the six-county area; the meeting was held at the Spindle City Historic Society in Cohoes on October 29. I have served as the Region V Coordinator since 2002, and have resigned this post.

I've continued to meet with a teacher and students at Brittonkill for the purpose of developing a video program on the history of our local schools.

Over the last two weeks I have dedicated 18 hours of research to assist historic and cultural research teams exploring historic land use in connection with two proposed developments.

I have continued to work on Brunswick's Bicentennial plans. The Town Bicentennial Committee met last night but profits realized through the October 1 5K run have not yet been determined. A dinner dance is being planned for next spring, probably in May.

This year I received just one telephone inquiry from a newspaper reporter regarding the Forest Park Cemetery at Halloween. I discouraged the reporter from including material about Forest Park in a newspaper story about Halloween hauntings. I spoke to Sheriff Jack Mahar recently and he reported a patrol car was stationed at the cemetery the entire evening on Halloween. The Sheriff has offered to assign workers in the community service program to clear brush and debris next spring and summer at the cemetery if the Town wishes.

On November 17, at 7:00 PM, the Rensselaer County Historical Society will present a documentary on the marketing of Tupperware at the Hart-Cluett Mansion in Troy. The Annual Holiday Greens Show opens there on Dec. 1 at noon and runs through December 4.

RESOLUTION 74, 2005

**TOWN OF BRUNSWICK
REGULAR MEETING**

November 10, 2005

**RESOLUTION FINALLY ADOPTING PRELIMINARY BUDGET AS
2006 ANNUAL BUDGET OF THE TOWN OF BRUNSWICK**

WHEREAS, the Town Board having met and considered the 2006 Preliminary Budget for the Town of Brunswick for the fiscal year commencing January 1, 2006 and having duly conducted a public hearing thereon as required by Town Law, Section 108; and

WHEREAS, the Town Board having determined that the said Preliminary Budget should be modified, revised and amended to the extent and in the manner set forth on the annexed schedule. Whis is made a part of this Resolution now, therefore

BE IT RESOLVED, that the 2006 Preliminary Budget of the Town of Brunswick, as heretofore approved by the Town Board, and duly filed in the Office of the Town Clerk, and as herein modified, revised and amended, be and hereby is adopted as the Annual Budget of the Town of Brunswick for the fiscal year commencing January 1, 2006 and the same shall be entered in the minutes of the Town Board.

The foregoing Resolution, offered by Supervisor Herrington and seconded by Councilman Salvi, was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING <u>Aye</u>
COUNCILWOMAN ABRAMS	VOTING <u>Aye</u>
COUNCILMAN CLEMENTE	VOTING <u>Aye</u>
COUNCILMAN POLETO	VOTING <u>Absent</u>
SUPERVISOR HERRINGTON	VOTING <u>Aye</u>

The foregoing Resolution was thereupon declared duly adopted.

RESOLUTION NO. 75, 2005

**TOWN OF BRUNSWICK
REGULAR MEETING**

November 10, 2005

**RESOLUTION ACCEPTING DRAFT ENVIRONMENTAL IMPACT
STATEMENT ON THE CARRIAGE HILL ESTATES PDD APPLICATION**

WHEREAS, an application for a Planned Development District ("PDD") has been filed with the Town of Brunswick by United Development Corporation ("Applicant") for Carriage Hill Estates, a proposed mixed residential use on 217 acres, located on State Route 2 and County Route 140 (Pinewoods Avenue), consisting of 106 subdivided residential lots and 204 independent living senior apartments within 17 buildings ranging from 2-3 stories; and

WHEREAS, in connection with the Carriage Hill Estates application for PDD, Applicant filed a Full Environmental Assessment Form pursuant to the State Environmental Quality Review Act ("SEQRA") and its implementing regulations at 6 NYCRR Part 617; and

WHEREAS, the Town Board of the Town of Brunswick ("Town Board") undertook coordination of Lead Agency designation pursuant to 6 NYCRR §617.6(b)(3) and declared itself Lead Agency for the Carriage Hill Estates action; and

WHEREAS, following review of the PDD Application and Full Environmental Assessment Form, the Town Board adopted a positive declaration pursuant to SEQRA for this action, requiring the preparation of an Environmental Impact Statement; and

WHEREAS, the Town Board determined that Scoping would be conducted pursuant to 6 NYCRR §617.8 on this action; and

WHEREAS, a final Scope was issued by the Town Board on December 9, 2004; and

WHEREAS, Applicant submitted a preliminary Draft Environmental Impact Statement ("DEIS") to the Town Board in or about April, 2005; and

WHEREAS, the Town Board undertook a review of the preliminary DEIS, and determined the same to be incomplete; and

WHEREAS, Applicant thereafter submitted a revised preliminary DEIS for review

by the Town Board on or about October 3, 2005; and

WHEREAS, the Town Board has reviewed the revised preliminary DEIS submitted by the Applicant, and has determined that the revised preliminary DEIS adequately addresses the issues identified in the final written Scope for purpose of continuing the review of this application through the transmission of the DEIS to all involved and interested agencies as well as opening the public hearing on the DEIS and PDD application to allow members of the public to participate in the application review; and

WHEREAS, Applicant has filed with the Town of Brunswick Planning Board ("Planning Board") complete applications for site plan and subdivision approval on this action;

NOW, THEREFORE, BE IT RESOLVED by the Town Board of the Town of Brunswick in regular session duly convened as follows:

1. The Town Board of the Town of Brunswick, as Lead Agency under SEQRA on the Carriage Hill Estates PDD application, hereby determines that the DEIS submitted by Applicant is complete and adequate for public review.

2. The Town Board hereby directs that a complete copy of the DEIS be distributed to all involved and interested agencies in compliance with the SEQRA regulations.

3. The Town Board hereby directs that a complete copy of the DEIS be filed with the Town Clerk of the Town of Brunswick and with the Brunswick Community Library.

4. The Town Board hereby adopts the SEQRA Notice of Completion of DEIS and Notice of SEQRA hearing in the form attached hereto, and directs that all filing, publication and distribution requirements pursuant to 6 NYCRR §617.12 be completed.

5. Given the submission of complete site plan and subdivision applications by Applicant with the Planning Board, the Town Board hereby directs that the public hearing to be held on this action will be a joint public hearing with the Town Board and the Planning Board, and that such joint public hearing will be an official meeting for each such Board.

The foregoing Resolution, offered by **Supervisor Herrington** and seconded by **Councilman Salvi** was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING <u>Aye</u>
COUNCILWOMAN ABRAMS	VOTING <u>Aye</u>
COUNCILMAN CLEMENTE	VOTING <u>Aye</u>

RESOLUTION NO. 76, 2005

**TOWN OF BRUNSWICK
REGULAR MEETING**

November 10, 2005

**RESOLUTION APPROVING AND AUTHORIZING SUPERVISOR
TO EXECUTE AGREEMENT WITH RENSSELAER COUNTY**

WHEREAS, the Town of Brunswick and the County of Rensselaer having heretofore contracted on an annual basis whereby the Town would plow and sand various County highways located in the Town in consideration of the payment to the Town by the County of the Town's actual costs for labor, material and equipment necessary to perform the work; and

WHEREAS, the County having submitted to the Town a proposed Snow & Ice Agreement for the 2005 - 2006 Winter season, a copy of which has been filed in the Office of the Town Clerk; now, therefore

BE IT RESOLVED, that the Snow & Ice Agreement for the 2005 - 2006 Winter season be and hereby is approved; and be it further

RESOLVED, the Supervisor be and hereby is authorized and empowered to execute the said Agreement on behalf of the Town.

The foregoing Resolution, offered by Councilman Salvi and seconded by Councilman Clemente was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING <u>Aye</u>

The foregoing Resolution was thereupon declared duly adopted.

Dated: November 10, 2005

RESOLUTION NO. 77, 2005

**TOWN OF BRUNSWICK
REGULAR METING**

November 10, 2005

**RESOLUTION FOR SHIFT OF OPERATIONS
INTO AN ECONOMIC DEVELOPMENT ZONE**

WHEREAS, STREET & COMPETITION, currently located at 1173 Hoosick Road, Town of Brunswick, having requested the consent of this Town Board for a shift of operations to the former IKON building, located on NYS 7, Town of Brunswick, which said location is within an Economic Development Zone; now, therefore

BE IT RESOLVED, that solely for the purposes of maintaining its eligibility for Empire Zone benefits, the Town of Brunswick does hereby approve the shift of its operations of STREET & COMPETITION described above; and be it further

RESOLVED, that such consent on the part of the Town shall not be deemed or construed as a waiver, modification or limitation on the obligations of STREET & COMPETITION to comply in all respects with the Town's Zoning, Site Plan and other laws insofar as they may apply to the said shift in operations.

The foregoing resolution, offered by Councilman Salvi, and seconded by Councilman Clemente, was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING <u>Aye</u>
COUNCILWOMAN ABRAMS	VOTING <u>Aye</u>

**TOWN OF BRUNSWICK
SPECIAL TOWN BOARD MEETING
NOVEMBER 28, 2005, 5:30 P.M.
TOWN HALL**

Board Members Present: Supervisor Herrington, Councilman Poletto, Councilman Salvi, and Councilwoman Abrams.

Board Members Absent: Councilman Clemente.

Also Present: Town Attorney, Thomas Cioffi, and Town Clerk, Susan Quest-Sherman.

The Supervisor called the meeting to order at 5:30 p.m. explaining that the purpose of the meeting is to consider a grievance.

Councilman Salvi made a motion to go into executive session seconded by Councilwoman Abrams. Approved.

At 5:37 p.m. Councilman Salvi made a motion to return to regular session seconded by Councilwoman Abrams. Approved.

The record should reflect that there was discussion in the executive session but no action was taken.

RESOLUTIONS

Resolution No. 79 Resolution Issuing Decision at Step 2 of The Grievance Procedure. The foregoing Resolution, offered by Councilman Poletto and seconded by Councilman Salvi, was duly put to a roll call vote as follows: Councilman Salvi, Voting Aye; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

ADJOURNMENT:

Councilman Salvi made a motion to adjourn the meeting, seconded by Councilman Clemente. Approved. The meeting adjourned at 5:40 p.m.

Respectfully submitted,

Susan Quest-Sherman
Town Clerk

Note: An audiotape of this meeting is available in the Town Clerk's Office.

RESOLUTION NO. 79, 2003

**TOWN OF BRUNSWICK
SPECIAL MEETING**

November 28, 2005

**RESOLUTION ISSUING DECISION AT STEP
2 OF THE GRIEVANCE PROCEDURE**

WHEREAS, Terry Scriven, an employee of the Town Highway Department, having filed a Grievance dated November 1, 2005, in accordance with the Grievance Procedure set forth in the Collective Bargaining Agreement, alleging that the Town violated the Collective Bargaining Agreement on October 20, 2005, with regard to medical insurance coverage; and

WHEREAS, the Department Head to whom the Grievance was directed having denied the Grievance in writing at Step 1 of the Grievance Procedure, a copy of which said denial is attached; and

WHEREAS, the Grievant having appealed the denial of the Grievance to this Town Board in accordance with Step 2 of the Grievance Procedure; and

WHEREAS, the Town Board having duly heard from the Grievant; now, therefore, after due deliberation

BE IT RESOLVED, that, for the reasons set forth in the Step 1 decision, the Grievance be and hereby is in all respects DENIED.

The foregoing Resolution, offered by **Councilman Poleto** and seconded by **Councilman Salvi**, was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING Aye
COUNCILWOMAN ABRAMS	VOTING Aye
COUNCILMAN CLEMENTE	VOTING Aye
COUNCILMAN POLETO	VOTING Aye
SUPERVISOR HERRINGTON	VOTING Aye

The foregoing Resolution was thereupon declared duly adopted.

Dated: November 28, 2005

STEP 1 DECISION

The Grievance is denied. Article XXIII, Section 2., of the collective bargaining agreement, in pertinent part, provides as follows:

Section 2. The Town agrees to maintain the existing health insurance benefits provided under CDPHP. Any changes must be negotiated with C.S.E.A.

This provision does not state, and does not require, that the Town permanently maintain CDPHP as its health insurance provider. Rather, it simply requires that the Town maintain the existing level of benefits currently provided under the CDPHP policy, unless it negotiates a change in benefits with CSEA. The Town did not have to negotiate the change to MVP because the existing level of benefits is being maintained. The Town had no choice but to seek a different medical insurance provider because CDPHP unilaterally decided not to make the Town's existing coverage plan available to memberships the size of ours any longer. Moreover, the Town has a legal obligation to periodically seek quotations from available insurance providers in order to ensure that it is getting the insurance at the rates most beneficial to the taxpayers. It is in everyone's benefit to obtain the health insurance at the most economical rate, while maintaining existing benefit levels, because the entire membership, as well as the non-union Town employees, are now required to contribute to the cost of their coverages at some level. Additionally, there is past practice for the Town changing the insurance carrier without negotiation, so long as existing benefits are maintained. The Town formerly obtained its medical insurance coverage from Blue Cross-Blue Shield. The Town unilaterally switched the coverage to CDPHP, but maintained existing benefit levels, and/or made members whole with Town funds directly for any diminution of benefits. That action was never challenged by CSEA, nor was any grievance filed.

**TOWN OF BRUNSWICK
PUBLIC HEARING
NOVEMBER 28, 2005, 6:30 P.M.
BRUNSWICK FAMILY COMMUNITY CENTER**

Board Members Present: Councilman Poletto, Councilwoman Abrams, Councilman Clemente and Councilman Salvi.

Board Members Absent: Supervisor Herrington.

Also Present: Town Attorney, Thomas Cioffi and Town Clerk, Susan Quest-Sherman.

Councilman Poletto called the meeting to order at 6:30 p.m.

All joined in a salute to the flag.

The Town Clerk read the Notice of Public Hearing.

Councilman Poletto explained that there was only one working microphone so residents will need to come up to the microphone to make their comments. Councilman Poletto asked Mr. Andrew Gilchrist to explain the process.

Mr. Gilchrist has been retained by the Town Board to advise them on this and other applications pending in the Town. Mr. Gilchrist explained that this was the opening of a Public Hearing on the Highland Creek Planned Development District. The purpose of the meeting is to accept Public Comment on the PDD itself as well as the DEIS. The DEIS was submitted to the Board and the Board has deemed it complete and adequate for Public Inspection and Review. The application was filed pursuant to Article 10 of the Town Zoning Code. A full environmental assessment form was filed. A number of agencies need to pass on the application. The Town Board assumed Lead Agency status on the application. There was a positive declaration on the environmental assessment, Draft Scope was prepared a Final Scoping Document was prepared and DEIS was deemed complete. This does not mean that the Board agrees with the conclusions in the DEIS. The hearing now is to hear resident comments on the DEIS and the underlying application. This does not mean that the application is approvable. The Town Board has not yet made a determination positive or negative on this application. There has been concern that there was not adequate time for the Public to review the document so the Public Hearing will remain open. Comments from the Public will be taken now and written comments will be accepted now and until at least 10 days after the close of the Public Hearing. The applicant will then need to address all the comments in another document, the Final Environmental Impact Statement. A date for the reconvening of the Public Hearing will be set and notices will be sent out. It will be posted at the Town Hall, posted to the web site, placed in the Legal Notices in The Record and mailed to property owners within 500 feet of the project site.

Public Hearing
November 28, 2005

Mr. Gilchrist stated that the Town Clerk read the Notice of Public Hearing. The DEIS is on file in the Town Clerk's Office, at the Brunswick Community Library and a copy was

supplied to Brunswick Smart Growth. Councilman Clemente has loaned his copy to a resident which has now been returned. All involved agencies, members of the Town Board,

members of the Zoning Board and Planning Board, the Superintendent of Buildings, the Highway Superintendent, the Town Assessor, the Superintendent of Utilities, the Town Historian, Rensselaer County Health Department, Rensselaer County Highway Department, Rensselaer County Sewer Department, Rensselaer County Department of Economic Development and Planning, the State Department of Environmental Conservation, New York State Office of Parks and Recreation Historic Preservation, the New York State Department of Transportation, the Army Corps of Engineers, all fire Departments, Brittonkill School District all received a complete copy of the DEIS. Although not required all property owners within 500 feet of the project site received written notice of the Public Hearing.

The Town Board has not made any decision on this or any of the other pending applications. Mr. Gilchrist has advised the Board not to make any judgments on the application until a full record of the proceeding has been made. A court stenographer has been retained to give a complete transcript of the meeting will be made available to the public.

The applicant will give a brief overview of the project. The public will make comments. This is not a question and answer hearing nor a debate. All comments will be addressed in the Final Impact Statement.

Councilman Poletto explained that the Public Hearing would be extended until December 29th.

The Public hearing will be reconvened December 29th at 6:30.

Mr. Lee Rosen of Landmark Development gave a brief overview of the proposed project. Mr. Rosen explained that the project is located on 210 acres on McChesney Ave. Ext. The project is a variety of homes, 130 carriage homes designed for empty nesters, 39 traditional homes, and 21 manor homes. The homes are clustered on 75 acres the remaining 135 acres will be open space owned by the homeowners association. The open space will contain areas for passive recreation, and active recreation.

Mr. Rosen highlighted some of the items which were addressed in the DEIS. Transportation was looked at in a traffic study which found that the increase in vehicle delay was no more than 4 seconds. The impact on the schools was projected to be 100 students. Excess revenues over costs were projected to be \$262,000. Fire protection was looked at. The Town of Brunswick Master Plan does encourage clustering homes in places where services are available.

Public Hearing
November 28, 2005

Mr. Bob Marini Jr., CEO of Robert Marini Inc., is a third generation builder and his company has built over 2,000 homes. Mr. Marini explained that he seeks to be creator of living environments. The carriage homes are aimed at the aging baby boomers who are seeking to scale down. There will be side walks and street trees in the development. There will be deed restrictions and a homeowners association for enforcement. He is seeking to have an innovative land plan. The Manor Homes are on larger home sites, averaging 2/3 acre, and are between 2,000 to 3,500 square feet. The 39 proposed traditional homes will range from 1,800 to 3,100 square feet on 90 by 130 foot minimum lot size. The Carriage homes are designed for the empty nesters and range in size from 1,400 to 2,200 square feet on an average of .2 acres.

Mr. Marini showed artist renderings of the proposed streetscapes and landscapes. There will be sidewalks and greenswards. Gathering areas are planned.

Councilman Poletto opened the meeting to visitors who wish to speak. The Public was asked to give their names and addresses and use the microphone.

VISITORS WHO WISH TO SPEAK:

Mr. Joseph Durkin, Eagle Mills, thanked the board for the extended time period allowed for comments and thanked Councilman Clemente for allowing him to borrow his copy of the DEIS. Mr. Durkin quoted the Town's Comprehensive Plan explaining that the Board has a responsibility to promote general welfare and preserve the character of the Town. Highland Creek and the four other PDD's before the Board will have a significant cumulative effect. In the DEIS Highland Creek does not address the change in the character of the community. The character of Brunswick is rural. The DEIS does not address the growth inducing impacts of the project. The extension of the water sewer district will promote more growth; the lot size of 1/4 acre will introduce dense development into the heart of Brunswick. The DEIS fails to discuss the cumulative impact of all the PDD's. The Town should wait until after the zoning issue is looked at before acting on any of the PDD's. Considering the land constraints of the area the maximum density under current zoning would be 100 homes.

Mr. Bernie Fleishman, Colehammer Ave., resident of the Town for 46 years wants the Board to have an overall plan. He is concerned with transportation. The 2001 Comprehensive plan recommended the formation of a Traffic Advisory Committee. The Committee was never set up. The CDTC has a linkage program to consult with for planning. Mr. Fleishman was a member of the Rensselaer County Transportation Authority for 19 years. Community development should be done in conjunction with transportation planning. He urged the Board to hold up on all the projects until overall transportation plans are made.

Mrs. Susan Haynes, Westlane Rd., felt that the DEIS only showed the benefits to the new residents and did not address what the Town would gain from the developments.

Mr. Heinrich Medicus, liked the project but it was not good for the Town of Brunswick which should keep its rural character.

Mr. Michael Hart, Ford Rd., felt the Town should embrace the PDD process which would give the Town the opportunity to have input on street lighting and sidewalks.

Mr. Jamie Meehan, Carrolls Grove Rd., and a member of the Brittonkill School Board, addressed the effect on the School District. The DEIS states that the project would generate \$1,162,000 in revenue. The School is at 1400 students and when it reaches about 1600 we will probably need to build another school. The \$1,162,000 would not be enough to pay the debt service let alone pay for the other services needed. As a resident he spoke of the impact on public schools, police, fire, ambulance services, recreational facilities, solid waste, utilities, and municipal revenues which were not addressed adequately. The transportation study was not adequate. In the study they examined the Rt. 2 & Moonlawn Rd. intersection for 15 minutes. He asked whether the Board wanted to leave its legacy as keeping Brunswick Rural or turning it into Clifton Park.

Ms. Donna Forster, McChesney Ave, Member of Brunswick Smart Growth, voiced concern about school projections for the combined projects. Traffic projections are inadequate as they call for only one vehicle per unit. Fire protection should be looked at more closely. We don't want to grow our community beyond our equipment and our volunteer's capability.

Mr. Charles Haynes, Westlane Rd., was concerned that the Town was acting as though it were an island. Waste water and sewer will impact the City of Troy. Troy has had problems with their aging water and sewer systems. Growth and development need to be coordinated with neighboring communities.

Mr. David Little, Mickel Hill Rd., asked why the Board didn't hold the Hearing at the School Auditorium so more of the public could have access to the meeting. Many members of the public were outside listening through the windows. Mr. Little asked if there would be deed restrictions on the properties. Mr. Little was on the school board and asked why there were not demographics done about these projects. Projections are that 1.2 children per housing unit will attend school 18% of those children will have special needs. The State of New York has a square footage requirement per student. The projects would keep Town Taxes down but will increase school taxes. This could lead to a 13% school tax increase each and every year adding in inflation and the cost could be 20%.

Mr. Paul Gower, NY 7, asked about commercial impact. He was concerned about eminent domain.

Mr. Norman Fivel, Wilrose Ln., spoke about fire protection access for this project. Water main looping was determined to be impractical. Mr. Fivel questioned whether the carriage homes would actually be sold to empty nesters and if not the studies are flawed with regard to traffic and schools. Mr. Fivel is also concerned with the cumulative impact of all the projects.

Ms. Jenny Faluszczyk was concerned with emergency services and weather they could keep up with all the development. Ms. Faluszczyk asked if the Town has looked at regionalization of services.

Mrs. Rebecca Kaiser, Moonlawn Rd., and a member of Brunswick Smart Growth, has concerns about quality of life. Mrs. Kaiser questioned the benefit of the projects to the Town. It is estimated that for every \$1 brought in with property taxes costs to the community \$1.23 in services she obtained this figure from an indebt study done by the American Farm Land Trust. Brunswick Smart Growth has been petitioning the residents and they have obtained 1500 signatures. The cumulative effects must be looked. Mrs. Kaiser read the petition. *A copy of the petition will be obtained and annexed to these minutes.*

Mr. Russel Ziemba, City of Troy, stated that growth should be in urban areas where there are alternatives for transportation. Hoosick Street can not handle additional traffic. He encouraged the Board to hold another Public Hearing as 50 people were unable to enter the building. Mr. Ziemba would like to see the property remain agricultural with use of additional easements for farmers. Other agricultural uses could be a higher end store with products that are built on the site. Farming in Brunswick will become more important. Gasoline prices will make products more expensive to transport.

Mr. Ray Schmidt, Liberty Rd., was pleased that the comment period was being extended. He was concerned that the student projections were too low. He feels school would need to build a new building. He questions the reliability of the carriage homes being sold to empty nesters. These homes would appeal to single parent families. Police protection may be a problem. This project would increase the Town Population by 10%. He is concerned about the maintenance of the pumping station.

Mr. Peter Meskoskey, Town Office Rd., was concerned with traffic safety. The Town is in need of more police presence. Mr. Meskoskey stated that the traffic projections did not take into account service vehicles and visitors to the homes. He applauded the Board for only one tax increase in 13 years with low to moderate growth.

Mr. Scott Hunter, Town Office Rd., has lived in the Town for 27 years and has watched the changes to the Town. Mr. Hunter spoke about the Brunswick Conservation Advisory Board and former Town Councilman Burt Miller who asked him to join the Brunswick Open Space Trust. Mr. Miller advocated open space. Mr. Hunter asked the board to maintain open spaces in Brunswick.

Mr. Sean Mac Lean, Brunswick Rd, began by talking about Mr. Sanford Bonesteel who sold the property to the Herringtons with their assurance that they would continue farming the land. Mr. Mac Lean questioned why the board was now open for discussion after the election and not before. Mr. Mac Lean and Mrs. Susan Haynes ran against Councilman Poleto and Councilman Salvi and admonished the Councilmen for not appearing at a debate with the league of women voters.

Councilman Poletto asked Mr. Mac Lean if he had comments on the project.

Mr. Mac Lean objected to the project as the location is at the headwaters of the Poestenkill, it is most likely an area of Indian artifacts, and silt deposits will run. The project will take forever. It will change the rural character off the Town. These projects need to be openly discussed.

Mr. Bernie Fleishman, Colehamer Ave., wanted it known that this was not against Supervisor Herrington but questioned the Board's objectivity considering the closeness of the Board. He felt that there is an ethical conflict of interest.

Mr. Ken Herrington, Herrington Ln., spoke about the quality of builder's work. Mr. Herrington is a fourth generation farmer, he is not a developer. He plans to remain a farmer. Farms keep the open space open. Mr. Herrington spoke about the plight of the farmers. He would like to retire at some time and turn the farm over to the next generation. Farmers are selling crops for less than they cost to produce. Mr. Herrington owes well over a million dollars. He is not selling the land because he is a land developer he is selling the land to pay off some bills and put some money aside for his retirement. They plan to retain their other lands to continue farming. He feels that this is a fine project.

Mr. Mike Germano, Fox Hollow Rd., was concerned with the water table and the 100 year flood zones. The mitigation proposed was inadequate with raising the roads and the use of sump pumps. Mr. Germano asked about the boundaries of the archeological digs.

Ms Donna Forster, wanted to respond to Ken Herrington. She wanted it known that she has sympathy for farmers. Her objection is to the density of this project. One hundred and ninety homes ten feet apart from each other is not her vision for Brunswick.

Dr. Henry Scarton, Kestner Ln, Director of RPI Laboratory for Noise and Vibration Control Research, has worked as a noise consultant. Mr. Scarton addressed the noise from the air handling units for the carriage homes. Noise is not adequately addressed in the DEIS. Noise from this project will be at suburban levels. The noise impacts other than construction noise and traffic noise need to be considered.

Mr. Brendan Gallivan, Deepkill Rd., and President of Gallivan Corporation, commented on the high quality of Mr. Marini's work. He has worked with Mr. Marini on projects in Latham, Cohoes and Clifton Park as a landscaper. Curb appeal is very important to Mr. Marini. Recently Mr. Gallivan has had Mr. Marini build his home, his brother's home, and a friend's home on Deepkill Rd. He encouraged residents to see his home and see the quality of it.

Mr. Mike Keenan, Grafton, and a tax payer to the Brittonkill School District asked about the DEIS and why it isn't on the Town Web site. The Developer could submit the DEIS is electronic form.

Public Hearing
November 28, 2005

Mr. Shawn Gallivan, Deepkill Rd., spoke in favor of the project. Mr. Gallivan has worked with Mr. Marini as a vendor and as a homeowner. Mr. Gallivan has lived in the Town his entire life and feels that other people should have the opportunity to move to Brunswick also.

Mr. Tim Bollinger, McChesney Ave., his family farmed that land from 1906 to 1960. He lives across from the proposed entrance to the project. Now he has a job and drives to Central Ave. and doesn't want to live on a Central Ave. in Brunswick.

Mr. Evert Kneer, Moonlawn Rd., a town resident for sixty years has respect for the Town Board, the Planning Board, and the Zoning Board. He doesn't want to offend anyone but he sees a dilemma stopping growth would be at the expense of someone else. Smart Growth has not come to him as they don't like the nature of his business. He thinks that Smart Growth should get donations and buy the land to keep it open. Until then you can't expect someone to knock on your door and tell you what to do with your property. It will be taking away your retirement. Mr. Kneer can see the farmer's side of the issue. He sees this issue as the beginning of Communism and Socialism. If he offended anyone he apologized.

Mr. Joseph Jabour, Kenworth Ave., and a member of the Town's Zoning Board, stated that he is an empty nester and the project is something he would be interested in. It would allow him to stay in the Town. The proposal needs to be examined and questions answered. Perhaps this project and the others will be downsized.

Mr. Ken Hewitt, Hewitt Ln., and a farmer in Town, agrees with Mr. Kneer and stated that people want to hunt his land and run four wheelers on his land but then object when farmers want to do something for their retirement.

Mr. Andy Johnson, a worker at Herrington Farms, mentioned that the Herringtons bought the property and have made it possible for the Bonesteels to live on the land until they die.

Mrs. Eileen Bulson, the daughter of the Bonesteels asked Mr. Ken Herrington about a \$50,000 credit for the Bonesteels to live on the land. She is not sure of the dollar amount. They have the right to live there but they have sacrificed too.

Councilman Poletto stated that other comments can be submitted in writing and the Public Hearing will reconvene on December 29th. The location of the meeting will be set and notices will be sent out again.

Mr. Gilchrist stated that notice of the meeting will be confirmed after a location is selected. A Public Notice will be posted at Town Hall, placed in legal notices in The Record, and post to the Town's Web Site. Written comments can be submitted to the Town Office.

ADJOURNMENT:

Councilman Salvi made a motion to adjourn the Hearing, seconded by Councilwoman Abrams. Approved. The meeting adjourned at 9:22.

Public Hearing
November 28, 2005

Respectfully submitted,

Susan Quest-Sherman
Town Clerk

Note: A full transcript and an audio CD of this meeting is available in the Town Clerk's Office.

AFFIDAVIT OF PUBLICATION

STATE OF NEW YORK,

Rensselaer County,

ss:

City of Troy.

PUBLIC NOTICE
TICE IS HEREBY GIVEN
that a public hearing will
be held by the Town
Board of the Town of
Brunswick on Monday,
November 28, 2005, at
6:30 p.m. at the Brun-
swick Community Center,
Keyes Lane, Troy, New
York, pursuant to Section
10 of the Zoning Code of
the Town of Brunswick
and also pursuant to the
State Environmental
Quality Review Act
("SEORA") and its imple-
menting regulations at 6
NYCRR Part 617, to al-
low public comment on
the application submitted
by Landmark Develop-
ment Group, LLC for the
proposed Highland
Creek Planned Develop-
ment District ("PDD"),
which is a proposed 190
lot residential subdivi-
sion, consisting of 39 tra-
ditional single family
homes, 21 manor homes
and 130 carriage homes
and located on 210.13
acres of land situated on
the Northeast side of
McChesney Avenue Ex-
tension, south of its in-
tersection with McChesney
Avenue. The property is
currently zoned agricul-
tural (A-40). The applica-
tion has been submitted
pursuant to Section 10 of
the Zoning Code of the
Town of Brunswick for a
Planned Development
District ("PDD"). A Draft
Environmental Impact
Statement ("DEIS") has
been prepared by Land-
mark Development
Group, LLC for this action
pursuant to SEORA. The
Town Board of the Town
of Brunswick, as SEORA
Lead Agency, has ac-
cepted the DEIS as ade-
quate for public review,
and a notice of comple-
tion has been filed. The
public hearing will allow
comments on the PDD
Application and the
DEIS. Copies of the Ap-
plication materials and
DEIS are available for
public inspection during
regular business hours at
the following location:
Town of Brunswick Town
Office, 308 Town Office
Road, Troy, New York
12180. In addition, a copy
of the DEIS is also availa-
ble for public inspection
during regular business
hours at the Brunswick
Community Library, 605
Brunswick Road, Eagle
Mills, New York 12180.
All interested persons will
be heard at the public
hearing. DATED: No-
vember 15, 2005. THE
TOWN OF BRUNSWICK
TOWN BOARD By: Pat-
rick Poletto, Town Board
Member.

**TOWN OF BRUNSWICK
REGULAR TOWN BOARD MEETING
DECEMBER 8, 2005, 7:00 P.M.
TOWN HALL**

Board Members Present: Supervisor Herrington, Councilman Poletto, Councilman Clemente and Councilwoman Abrams.

Board Members Absent: Councilman Salvi

Also Present: Town Attorney, Thomas Cioffi, and Town Clerk, Susan Quest-Sherman.

The Supervisor called the meeting to order at 7:05 p.m.

All joined in a salute to the flag.

Supervisor Herrington opened the meeting and welcomed the public to the new building.

VISITORS WHO WISH TO SPEAK:

Peter Meskoskey, Town Office Rd., asked if there were any updates on Public Safety.

Councilman Poletto has spoken to Clifton Park and is waiting for the figures.

Mr. Meskoskey has been speaking with State Police Officers asking them to do more traffic speed patrols. Monday's near tragedy should be a wake up call for all. A young man passed a stopped bus on the right and brushed a child waiting to board the bus. Mr. Meskoskey would like to see more done for traffic safety.

BUSINESS MEETING:

MINUTES OF THE PREVIOUS MEETING:

A motion was made by Councilman Clemente to approve the minutes of the previous meetings, seconded by Councilwoman Abrams. Approved.

REPORTS:

Town Clerk: Susan Quest-Sherman

The Town Clerk handed in a written report for the month of November. Amount to be remitted to the Supervisor for the month is \$5,466.89. The American Flag flying over the new office building was flown over the nation's capital. It was acquired through Congressman Sweeney's Office. Councilman Poletto picked up the State Flag at OGS. Members of the Town Board and Office staff are going to jail for MDA. A motion to accept the report was made by Councilman Poletto, seconded by Councilwoman Abrams. Approved. A copy of the report is on file in the Town Clerk's Office.

Highway Superintendent: Doug Eddy

The Highway Superintendent gave his report for the month of November. Motion to accept the report was made by Councilwoman Abrams, seconded by Councilman Clemente. Approved. A copy of the report is on file in the Town Clerk's Office.

Superintendent of Utilities & Inspections: John Kreiger

Mr. Kreiger gave his report for the month of November; amount remitted to the Supervisor was \$8,558.19. Councilman Poletto made a motion to accept the report seconded

by Councilwoman Abrams. Approved. A copy of the report is on file in the Town Clerk's Office.

Superintendent of Water: Myron VanDyke

Mr. VanDyke was absent but submitted a written report. A motion to accept the report was made by Supervisor Herrington which was seconded by Councilman Clemente. Approved. A copy of the report is on file in the Town Clerk's Office.

Town Attorney: Thomas Cioffi

Mr. Cioffi gave his report for the month of November. Mr. Cioffi has received a telephone call from the Public Service Commission about the Cable TV franchise agreement. A motion was made by Supervisor Herrington to approve Mr. Cioffi's report, seconded by Councilwoman Abrams. Approved.

Town Historian: Sharon Zankel

Mrs. Zankel gave her report for the month of November. Mrs. Zankel thanked the Supervisor and the Board for providing her with office space. Councilwoman Abrams made a motion to accept the report which was seconded by Councilman Poletto. Approved. A copy of the report is on file in the Town Clerk's Office.

Recycling Coordinator: Thomas Engster

The Recycling Coordinator presented his report for the month of November. Motion to accept Mr. Engster's report was made by Councilman Poletto which was seconded by Councilwoman Abrams. Approved. A copy of the report is on file in the Town Clerk's Office.

Brunswick Community Library: Julie Zelman

Mrs. Zelman gave the Library's report for the month of November. Councilwoman Abrams made a motion to approve the report, seconded by Councilman Poletto. Approved. A copy of the report is on file in the Town Clerk's Office.

Family Community Center: William DeFilippis

Mr. DeFilippis read his report for the month of November. Motion to accept the report was made by Councilwoman Abrams seconded by Councilman Clemente. Approved. A copy of the report is on file in the Town Clerk's Office.

RESOLUTIONS:

Resolution No. 83 Resolution Supporting and Concurring in Rensselaer County's Application for re-designation of Certain Areas Within the Town of Brunswick as an Empire Zone.

Mr. Robert Pasinella Jr., explained that legislation has changed Empire Zones and this is designed to re-instate the Zone for the Oakwood Ave., area.

The foregoing Resolution, offered by Councilman Poletto, seconded by Councilwoman Abrams, was duly put to a roll call vote as follows: Councilman Salvi, Voting Absent; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Resolution No. 80 Resolution Honoring Michael Robbins, Upon His Attaining the Rank of Eagle Scout. The foregoing Resolution, offered by Supervisor Herrington, seconded by Councilman Poletto, was duly put to a roll call vote as follows: Councilman Salvi, Voting

Absent; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Resolution No. 81 Resolution Approving Agreement with the Mountain View Volunteer Fire Company, Inc. The foregoing Resolution, offered by Councilman Clemente, seconded by Councilman Poletto, was duly put to a roll call vote as follows: Councilman Salvi, Voting Absent; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

Resolution No. 82 Resolution Approving Agreement with the Volunteer Fire Company of Center Brunswick, Inc. The foregoing Resolution, offered by Councilwoman Abrams and seconded by Supervisor Herrington was duly put to a roll call vote as follows: Councilman Salvi, Voting Absent; Councilwoman Abrams, Voting Aye; Councilman Clemente, Voting Aye; Councilman Poletto, Voting Aye; Supervisor Herrington, Voting Aye. The foregoing Resolution was thereupon declared duly adopted.

CORRESPONDENCE:

A letter was received from Ann Marie Caola thanking Mr. DeFilippis for his help and complimenting the Community Center.

An Email was received from Kathy Hartley thanking the Highway Department for their outstanding job during the leaf pickup.

A thank you note was received from Marie Douglas of the Sycaway Senior Club thanking the Town for their financial support.

A note thanking the Highway Department and offering holiday wishes was received from the Mardigians.

OLD BUSINESS:

Supervisor Herrington asked Mr. Gilchrist to address the pending PDD application of Hudson Hills Development.

Mr. Gilchrist stated that the applicant has asked to continue their public hearing.

Mr. Hoblock explained that the project has been dramatically modified. The modified plan has a total number of residences of 668 which is a 60% reduction. The plan to enter from North Lake has been dropped. There will be 85% green space. They are requesting the public hearing be reconvened in January.

Supervisor Herrington would like for the hearing to be held at the District Auditorium.

Proposed dates for the hearing were January 17th and January 23. The Town Clerk was directed to check dates with the School.

NEW BUSINESS:

None

WARRANTS: Warrants No. 111801 through 111813, No. 120201 through 120211, No. 051225 through 051233, and No. 0512534 through 0512663 were presented. A motion to approve the warrants was made by Councilman Poletto, seconded by Councilwoman Abrams.

Approved.

FURTHER PUBLIC COMMENTS:

Mrs. Donna Forester, asked if the Library has received the modified Plans on the Hudson Hills PDD.

Mr. Gilchrist will have the modified narrative placed in the Town Office and at the Library.

Mr. Louis Hutter asked why the new building did not have an occupancy sign. Mr. Hutter mentioned that the occupancy was exceeded at the Community Center Public Hearing.

Supervisor Herrington explained that the building is new and signage is still on order.

Mr. Hutter was concerned about the drainage on White Church Rd.

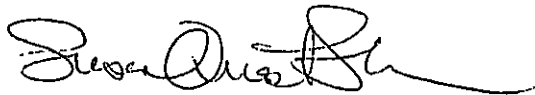

Supervisor Herrington congratulated Mr. Kreiger for becoming the Chief of Center Brunswick Fire Company.

Councilwoman Abrams wanted to give recognition to Councilman Salvi for all the work he has done to move the offices into the new building

ADJOURNMENT:

Councilman Poletto made a motion to adjourn the meeting, seconded by Councilwoman Abrams. Approved. The meeting adjourned at 7:50 p.m.

Respectfully submitted,

Susan Quest-Sherman
Town Clerk

Note: An audiotape of this meeting is available in the Town Clerk's Office.

TOWN HISTORIAN'S MONTHLY REPORT TO THE BRUNSWICK TOWN BOARD
DECEMBER 8, 2005

I congratulate the Town Board on this new Town Office Building. When I first moved to Brunswick 35 years ago, the first town meeting I attended was held in our old building in the area that essentially served as the waiting area for the Town Clerk as the auditorium where we've held town meetings heretofore had not been built. When I moved to Brunswick, the town office building was referred to as the "town barn," and that was a carryover from the days when the first town-owned buildings were barn-like structures used for road equipment storage. For the first time in the history of Brunswick the Town Historian has an office space in the municipal center. When I assumed the office of Historian, I found my predecessor kept her reference materials in several cardboard files in her home. I've been fortunate to have storage space at the Garfield School but have had no place of my own to meet with my "customers" and so thank Supervisor Herrington for the space he's provided. I have been packing up my files, and, with the help of the Highway Department crew, hope to be moved in next month.

Over the past month, I've continued to work with a group of Brittonkill students who have taken on the project of producing a documentary on Brunswick school history. The students are learning about our old rural district schools and will soon begin to draft the script for the program using old images, various documents, and live-recorded video. I expect to work with the students on most aspects of the project, and our target date for completion is May, 2006.

On November 28 the NYS DOT crews started cutting trees along Route 2 in Eagle Mills to permit the relocation of utility lines and poles next spring in connection with the reconstruction of the Eagle Mills bridge. I was out taking photographs as the crew worked. I received comments and questions from several residents who were not aware of the impending bridge work, and want to remind all residents the plans for the bridge reconstruction may be accessed through a link on the Town's web site.

Last month I reviewed the DEIS for the Highland Creek housing development.

I've continued to work with the Bicentennial Committee.

The Brunswick Historical Society still has a supply of 2005 Bicentennial ornaments. The Society will be open to the public on Saturday, December 10, from 10 AM to 3 PM and the ornaments may be purchased then. Also, those seeking holiday gift ideas may wish to consider a book titled *Mistress of Manifest Destiny* by Linda Hudson, published by the Texas State Historical Association. This is the biography of Jane McManus Storm Cazneau who was born in Brunswick in 1807, the daughter of William McManus who had a farm on what is now known as the Bonesteel-Herrington property. William McManus was a U.S. congressman, and Jane had the advantage of advanced education as well as an acquaintance with politics. She associated with people such as Alexander Hamilton and Horace Greeley, and became a journalist, using the pen name Cora Montgomery, but this woman from Brunswick greatest contribution was her coining the phrase "manifest destiny" to stir our nation's westward expansion. The book is available through most book retailers.

Sharon Zankel, Historian

RESOLUTION NO. 80, 2005

**TOWN OF BRUNSWICK
REGULAR MEETING**

December 8, 2005

**RESOLUTION HONORING MICHAEL ROBBINS,
UPON HIS ATTAINING THE RANK OF EAGLE SCOUT**

WHEREAS, it is from time to time the happy duty of this Legislative Body to recognize and commend the truly outstanding achievements and accomplishments on the part of the Youth of this, our Town; and

WHEREAS, in that regard, this Legislative Body having been duly advised that **MICHAEL ROBBINS**, a member of our own Troop 537 of the Boy Scouts of America, has fulfilled all of the necessary requirements to become an Eagle Scout, and achieved that coveted rank on October 5, 2005; and

WHEREAS, among the numerous accomplishments resulting in his advancement to the rank of Eagle Scout, **MICHAEL ROBBINS** earned 21 Merit Badges, served as an Assistant Patrol Leader, Patrol Leader, Senior Patrol Leader, Chaplain Aide and Junior Assistant Scoutmaster, was elected to the Order of the Arrow in 2002, and completed a major Eagle community service project in which he successfully led a group of adults and other Scouts in the planning, financing and construction of two playground for the after school and summer camp programs at the Sunnyside Center, in Troy, New York; and

WHEREAS, Boy Scouting, and the Boy Scouts of America, epitomize all that is wholesome and good in our society, and those qualities such as loyalty, trustworthiness, obedience, reverence, bravery, kindness and thrift, which serve as the cornerstone of our American Heritage; and

WHEREAS, the attainment of the coveted rank of Eagle Scout by **MICHAEL ROBBINS**, serves as an inspiration and example to the Youth of our Town of what may be accomplished and achieved through dedication, devotion and hard work; now, therefore

BE IT RESOLVED, that this Legislative Body pause in its deliberations to recognize,

commend and congratulate **MICHAEL ROBBINS**, on the occasion of his achievement of the rank of Eagle Scout on October 5, 2005; and be it further

RESOLVED, that the Town Clerk be and hereby is directed to transmit a copy of this Resolution, suitably engrossed, to **MICHAEL ROBBINS**.

The foregoing Resolution, offered by **Supervisor Herrington** and seconded by **Councilman Poleto**, was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING Absent
COUNCILWOMAN ABRAMS	VOTING Aye
COUNCILMAN CLEMENTE	VOTING Aye
COUNCILMAN POLETO	VOTING Aye
SUPERVISOR HERRINGTON	VOTING Aye

The foregoing Resolution was thereupon declared duly adopted.

Dated: December 8, 2005

RESOLUTION NO. 81, 2005

**TOWN OF BRUNSWICK
REGULAR MEETING**

December 8, 2005

**RESOLUTION APPROVING AGREEMENT WITH THE
MOUNTAIN VIEW VOLUNTEER FIRE COMPANY, INC**

WHEREAS, there has been heretofore duly established in the said Town of Brunswick, a fire protection district known as the **Mountain View Fire Protection District**, embracing territory more particularly described in the Resolution establishing the said fire protection district; and

WHEREAS, the Town of Brunswick having heretofore contracted with the **Mountain View Volunteer Fire Company, Inc.**, to provide fire protection services within said fire protection district, which said current contract expires on December 31, 2005; and

WHEREAS, a public hearing having been duly called in accordance with the provisions of Section 184 of the Town Law, and held at the Mountain View Volunteer Fire Company Fire House on December 8, 2005, at 5:30 P.M., to consider, and hear from all those interested regarding, the matter of a proposed three (3) year Agreement, and the terms and provisions thereof, with the said **Mountain View Volunteer Fire Company, Inc.**, for the continuation of such services during the fiscal years 2006, 2007 and 2008, for the sum of **ONE HUNDRED TWENTY-FOUR THOUSAND SEVEN HUNDRED FIFTY-THREE AND 00/100 (\$124,753.00) DOLLARS** for the calendar year 2006, the sum of **ONE HUNDRED THIRTY THOUSAND NINE HUNDRED NINETY AND 00/100 (\$130,990.00) DOLLARS** for the calendar year 2007, and the sum of **ONE HUNDRED THIRTY-SEVEN THOUSAND FIVE HUNDRED FORTY AND 00/100 (\$137,540.00) DOLLARS** for the calendar year 2008, all as more fully appears from the proposed Agreement between the Town and the said **Mountain View Volunteer Fire Company, Inc.**, a copy of which has been filed in the Office of the Town Clerk; now, therefore, after due deliberation,

BE IT RESOLVED, that the Town Board of the **Town of Brunswick** does hereby approve the above-described proposed three (3) year Agreement for the fiscal years 2006, 2007, and 2008, between the **Town of Brunswick** and the **Mountain View Volunteer Fire Company, Inc.**, a copy of which has been filed in the Office of the Town Clerk, and the Members of the Town Board shall severally execute the same.

The foregoing Resolution, offered by **Councilman Clemente** and seconded by **Councilman Poleto** was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING Absent
COUNCILWOMAN ABRAMS	VOTING Aye
COUNCILMAN CLEMENTE	VOTING Aye
COUNCILMAN POLETO	VOTING Aye
SUPERVISOR HERRINGTON	VOTING Aye

The foregoing Resolution was thereupon declared duly adopted.

Dated: December 8, 2005

RESOLUTION NO. 82, 2005

**TOWN OF BRUNSWICK
REGULAR MEETING**

December 8, 2005

**RESOLUTION APPROVING AGREEMENT WITH THE
VOLUNTEER FIRE COMPANY OF CENTER BRUNSWICK, INC**

WHEREAS, there has been heretofore duly established in the said Town of Brunswick, a fire protection district known as the **Center Brunswick Fire Protection District**, embracing territory more particularly described in the Resolution establishing the said fire protection district; and

WHEREAS, the Town of Brunswick having heretofore contracted with the **Volunteer Fire Company of Center Brunswick, Inc.**, to provide fire protection services within said fire protection district, which said current contract expires on December 31, 2005; and

WHEREAS, a public hearing having been duly called in accordance with the provisions of Section 184 of the Town Law, and held at the Volunteer Fire Company of Center Brunswick Fire House on December 8, 2005, at 6:30 P.M., to consider, and hear from all those interested regarding, the matter of a proposed three (3) year Agreement, and the terms and provisions thereof, with the said **Volunteer Fire Company of Center Brunswick, Inc.**, for the continuation of such services during the fiscal years 2006, 2007, and 2008, for the sum of **THREE HUNDRED EIGHT THOUSAND SIX HUNDRED THIRTY-TWO AND 00/100 (\$308,632.00) DOLLARS** for the calendar year 2006, the sum of **THREE HUNDRED SEVENTEEN THOUSAND EIGHT HUNDRED NINETY-ONE AND 00/100 (\$317,891.00) DOLLARS** for the calendar year 2007, and the sum of **THREE HUNDRED TWENTY-SEVEN THOUSAND FOUR HUNDRED TWENTY-SEVEN AND 65/100 (\$327,427.65) DOLLARS** for the calendar year 2008, all as more fully appears from the proposed Agreement between the Town and the said **Volunteer Fire Company of Center Brunswick, Inc.**, a copy of which has been filed in the Office of the Town

Clerk; now, therefore, after due deliberation,

BE IT RESOLVED, that the Town Board of the **Town of Brunswick** does hereby approve the above-described proposed three (3) year Agreement for the fiscal years 2006 2007 and 2008 between the **Town of Brunswick** and the **Volunteer Fire Company of Center Brunswick, Inc.**, a copy of which has been filed in the Office of the Town Clerk, and the Members of the Town Board shall severally execute the same.

The foregoing Resolution, offered by **Councilwoman Abrams** and seconded by **Supervisor Herrington** was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING Absent
COUNCILWOMAN ABRAMS	VOTING Aye
COUNCILMAN CLEMENTE	VOTING Aye
COUNCILMAN POLETO	VOTING Aye
SUPERVISOR HERRINGTON	VOTING Aye

The foregoing Resolution was thereupon declared duly adopted.

Dated: December 8, 2005

RESOLUTION NO. 83, 2005

**TOWN OF BRUNSWICK
REGULAR MEETING**

December 8, 2005

**RESOLUTION SUPPORTING AND CONCURRING IN RENSSELAER
COUNTY'S APPLICATION FOR REDESIGNATION OF CERTAIN AREAS
WITHIN THE TOWN OF BRUNSWICK AS AN EMPIRE ZONE**

Whereas, pursuant to Section 961 of the General Municipal Law, the county authorized, pursuant to Local Law No. 4 of the year 2002 [and this municipality concurred, pursuant to Resolution No. 52 of the year 2002], application by the County of Rensselaer for designation of certain areas as an Empire Zone within the meaning of said statute, such designation was approved by the New York State Commissioner of Economic Development and was formally designated by the Empire Zones Designation Board on November 25, 2005; and

Whereas, the New York State Legislature and the Governor have enacted into law changes to the Empire Zones program, whereby each existing Empire Zone must configure its existing zone acreage into three (or six) "distinct and separate contiguous" areas; the boundaries of said areas to be included in said Empire Zone within this municipality, more specifically described as

Being an irregular shaped parcel identified on the 2005 tax maps for the Town of Brunswick further known will be added to the Empire Zone, containing the following Tax Map Parcel(s): 80.-2-15.1, 90.-1-1, 90-1-13.1, 90.-1-14, 90.-1-15, and consisting of 175.58 contiguous acres more specifically being located at a point beginning at latitude 42 46 14.66/ longitude 73 39 34.94 thence proceeding in a south easterly direction to a point located at latitude 42 46 7.39 longitude 73 39 13.77 thence proceeding in a southern direction to a westerly direction to a point located at latitude 42 45 42.38/longitude 73 39 16.08, thence proceeding in a southern direction to a point latitude 42 45 38.69/longitude 73 39 19.29, thence proceeding in a western direction to a point at latitude 42 45 39.63/longitude 73 39 24.41 thence proceeding in a southern direction to a point at latitude 42 45 35.38/longitude 73 39 24.84 thence Proceeding in a eastern direction to a point at latitude 42 45 34.95/longitude 73 39 29.38 thence proceeding south to a latitude at 42 45 33.82/longitude 73 39 28.59 thence proceeding west to a point at latitude 42 45 33.37/longitude 73 39 49.00, thence proceeding in a northeastern direction to the initial point of origination; and

Whereas, pursuant to Sections 957(d) and 961 of the General Municipal Law, the County of Rensselaer has proposed the redesignation of the existing Rensselaer County Empire Zone into six, "distinct and separate contiguous areas", which will include the Town of Brunswick; and

Whereas, such redesignation would greatly benefit the Town of Brunswick in that new businesses would be encouraged to locate in the zone area, existing businesses would be encouraged to expand in the zone area and new and expanded businesses would generate new jobs for Brunswick residents; and

Whereas, the Town of Brunswick intends to authorize the submission of an application for the redesignation of areas within the Town of Brunswick as an Empire Zone; and

Whereas, the County of Rensselaer wishes to redesignate certain areas within the Town of Brunswick as part of the proposed Empire Zone; and

Whereas, the Town of Brunswick is desirous of working with the County of Rensselaer through the Empire Zone Program to provide enhanced job opportunities for its residents; and

NOW, THEREFORE, BE IT RESOLVED, by the Town Board of the Town of Brunswick, New York, that it fully supports and concurs in the submission of an application by the County of Rensselaer for the redesignation of certain areas as an Empire Zone.

The foregoing Resolution, offered by **Councilman Poletto** and seconded by **Councilwoman Abrams** was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING Absent
COUNCILWOMAN ABRAMS	VOTING Aye
COUNCILMAN CLEMENTE	VOTING Aye
COUNCILMAN POLETO	VOTING Aye
SUPERVISOR HERRINGTON	VOTING Aye

The foregoing Resolution was thereupon declared duly adopted.

Dated: December 8, 2005

**TOWN OF BRUNSWICK
PUBLIC HEARING
DECEMBER 8, 2005, 5:30 P.M.
MT. VIEW FIRE HOUSE**

Board Members Present: Supervisor Herrington, Councilman Poletto, Councilman Clemente, and Councilwoman Abrams.

Board Members Absent: Councilman Salvi.

Also Present: Town Clerk, Susan Quest-Sherman.

The Supervisor called the hearing to order at 5:30 p.m.

No one from the public was in attendance.

The Supervisor directed the Town Clerk to read the Notice of Public Hearing.

At 5:40 p.m. Councilman Poletto made a motion to continue the Public Hearing at the Town Office. The motion was seconded by Councilwoman Abrams. Approved.

Supervisor Herrington reconvened the Public Hearing at 5:55 p.m. at the Town Office.

The Town Clerk read the Notice of Public Hearing.

A representative of the Fire Company explained the increases in the budget. There is a 5% increase each year. Training, Fuel, Insurance and Bond Retirement costs will be going up.

VISITORS WHO WISH TO SPEAK

None.

Councilwoman Abrams asked if with the problem of increasing costs and lower numbers of volunteers, have any of the Fire Companies thought of consolidating services.

Chief Brent Mason stated that there have not been any discussions.

Councilwoman would like consolidation considered as there are grants available for consolidation.

Chief Mason explained that training is done with other departments.

Supervisor Herrington voiced his appreciation to the volunteers.

Councilman Clemente asked how many members there were in the department.

Chief Mason explained that presently there are 40 members of which 33 – 35 are active. Seven Junior Firefighters have started. Compliance with NFPA and OSHA has caused increases in costs. The Department is also working to become MIMS compliant.

Councilman Clemente asked about the number of members.

Mt. View currently has 40 members with 33 – 35 that are active. NFPA and OSHA standards are rising.

Councilman Poletto asked if the Company was working on becoming MIMS compliant.

ADJOURNMENT:

Councilman Poletto made a motion to adjourn the meeting, seconded by Councilwoman Abrams. Approved. The meeting adjourned at 6:05 p.m.

Respectfully submitted,

Susan Quest-Sherman
Town Clerk

Note: An audiotape of this meeting is available in the Town Clerk's Office.

NOTICE IS HEREBY GIVEN that a public hearing will be held by the Town Board of the Town of Brunswick, Rensselaer County, New York, at the Mountain View Fire Hall, located on Shafter Avenue in said Town on December 8, 2005, at 5:30 o'clock, P. M., for the purpose of considering the contracting with the Mountain View Volunteer Fire Company, Inc., for fire protection to be furnished by said Mountain View Volunteer Fire Company, Inc., to the Fire Protection District established in said Town of Brunswick, and known as the Mountain View Fire Protection District, as follows: For the fiscal year commencing January 1, 2006, at a cost not to exceed the sum of \$124,753.00; for the fiscal year commencing January 1, 2007, at a cost not to exceed the sum of \$130,990.00; and for the fiscal year commencing January 1, 2008, at a cost not to exceed the sum of \$137,540.00.

All persons interested in the matter shall be heard at such time and place.

Dated: November 21, 2005

BY ORDER OF THE TOWN BOARD, TOWN OF BRUNSWICK.

Town Clerk, Town of Brunswick

AFFIDAVIT OF PUBLICATION

STATE OF NEW YORK,
Rensselaer County,
City of Troy.

ss:

NOTICE IS HEREBY GIVEN that a public hearing will be held by the Town Board of the Town of Brunswick, Rensselaer County, New York, at the Mountain View Fire Hall, located on Shafter Avenue in said Town on December 8, 2005, at 5:30 o'clock, P.M., for the purpose of considering the contracting with the Mountain View Volunteer Fire Company, Inc., for fire protection to be furnished by said Mountain View Volunteer Fire Company, Inc., to the Fire Protection District established in said Town of Brunswick, and known as the Mountain View Fire Protection District, as follows: For the fiscal year commencing January 1, 2006, at a cost not to exceed the sum of \$124,753.00; for the fiscal year commencing January 1, 2007, at a cost not to exceed the sum of \$130,990.00; and for the fiscal year commencing January 1, 2008, at a cost not to exceed the sum of \$137,540.00. All persons interested in the matter shall be heard at such time and place. Dated: November 21, 2005 By Order of the Town Board, Town of Brunswick Susan Quest-Sherman, Town Clerk, Town of Brunswick
531686 11/24.

R. Willett of the City of Troy, in the county of Rensselaer and State of New York, being duly sworn, deposes and says that she is the Principal Clerk of the Troy Publishing Company, a Corporation duly organized under the laws of the State of New York; that said Corporation is the publisher of The RECORD, a daily newspaper printed and published in the City of Troy and County of Rensselaer, and that the notice of which the annexed is a printed copy, has been regularly published in The RECORD.

**TOWN OF BRUNSWICK
PUBLIC HEARING
DECEMBER 8, 2005, 6:30 P.M.
CENTER BRUNSWICK FIRE HOUSE**

Board Members Present: Supervisor Herrington, Councilman Poletto, Councilman Clemente, and Councilwoman Abrams.

Board Members Absent: Councilman Salvi.

Also Present: Town Clerk, Susan Quest-Sherman.

The Supervisor called the hearing to order at 6:30 p.m.

The Town Clerk to read the Notice of Public Hearing.

Emil Kreiger explained the increases sought in the budget. There were increases in heat, electric and fuel costs.

VISITORS WHO WISH TO SPEAK

None.

Councilwoman Abrams asked if the Company had thought of consolidating with other Fire Companies, as there may be grant monies available to municipalities that consolidate services.

Mr. Kreiger explained that training is done with other departments. They try not to duplicate services and equipment.

Supervisor Herrington asked if there were any new members.

It was stated that there were three new members in 2005. There are presently 68 members. It takes 170 hours of training to become a fire fighter.

Supervisor Herrington spoke of his appreciation of the Volunteers.

ADJOURNMENT:

Councilman Poletto made a motion to close the hearing, seconded by Councilwoman Abrams. Approved. The meeting adjourned at 6:45 p.m.

Respectfully submitted,

Susan Quest-Sherman
Town Clerk

Note: An audiotape of this meeting is available in the Town Clerk's Office.

Respectfully submitted,

Susan Quest-Sherman
Town Clerk

Note: An audio CD of this meeting is available in the Town Clerk's Office.

RESOLUTION NO. 84, 2005

**TOWN OF BRUNSWICK
, SPECIAL METING**

December 29, 2005

RESOLUTION INCREASING WATER RATES

WHEREAS, the Town of Brunswick currently provides water to those households and businesses which are part of its municipal water system by way of a forty (40) year contract with the City of Troy which expires in the year 2007; and

WHEREAS, under the terms of the said contract, the Town is billed by the City of Troy for water provided to the Town's municipal water distribution system at the same rate per gallon paid by individual private consumers of water within the City; and

WHEREAS, the Town must, accordingly, charge its consumers of municipal water an additional amount per gallon in order to pay for the cost of operating and maintaining the Town's water distribution system by the Town Water Department; and

WHEREAS, this Town Board had been committed to keeping water rates stable, such commitment, of course, being contingent upon the rate charged by the City of Troy to the Town remaining stable as well; and

WHEREAS, effective January 1, 2006, the City of Troy, raised the water rate charged to its own consumers within the City, which said increase, pursuant to the terms of the above-mentioned contract, extends as well to the water supplied to the Town of Brunswick; and

WHEREAS, accordingly, the Town Board has no choice but to raise the water rate it charges to Town residents who receive municipal water by a similar percentage, taking into account, as well, the Town's continuing need to maintain, repair and update its aging water distribution system; now, therefore

BE IT RESOLVED, that, effective immediately, the Town of Brunswick does hereby increase the water rate for all customers served by the Town of Brunswick municipal water distribution system to \$4.30 per 1,000 gallons, such increase to be applied to all water usage reflected on customer's August, 2006, water usage bill.

The foregoing resolution, offered by **Councilman Poletto**, and seconded by **Councilman Salvi**, was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING Aye
COUNCILWOMAN ABRAMS	VOTING Absent
COUNCILMAN CLEMENTE	VOTING Aye
COUNCILMAN POLETO	VOTING Aye
SUPERVISOR HERRINGTON	VOTING Aye

The foregoing Resolution was thereupon declared duly adopted.

Dated: December 29, 2005

RESOLUTION NO. 85 , 2005

**TOWN OF BRUNSWICK
SPECIAL MEETING**

December 29, 2005

RESOLUTION AMENDING ADOPTED 2005 TOWN BUDGET

WHEREAS, it appearing that the Town has overspent the amounts appropriated in certain budget codes in the 2005 Adopted Town Budget, and that other codes will have appropriated funds remaining and unspent as of the end of fiscal 2005; and

WHEREAS, amendment of the Adopted 2005 Town Budget is necessary so as to transfer available, unspent appropriations to budget codes which have been overspent, within the same fund; now, therefore

BE IT RESOLVED, that the 2005 Adopted Town Budget be and hereby is amended by making the budgetary transfers set forth on the annexed Schedule, which is made a part of this Resolution.

The foregoing Resolution offered by, **Councilman Poletto** and seconded by **Supervisor Herrington**, was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING Aye
COUNCILWOMAN ABRAMS	VOTING Absent
COUNCILMAN CLEMENTE	VOTING Aye
COUNCILMAN POLETO	VOTING Aye
SUPERVISOR HERRINGTON	VOTING Aye

The foregoing Resolution was thereupon declared duly adopted.

Dated: December 29, 2005

RESOLUTION NO. 86, 2005

**TOWN OF BRUNSWICK
SPECIAL MEETING**

December 29, 2005

RESOLUTION ACCEPTING PROPOSAL - MAPINFO EXPONARE

WHEREAS, the Town is desirous of purchasing MapInfo Corporation's Exponare software applications to make all of its location-based information readily available across all Town Departments; and

WHEREAS, the Town having therefore solicited and received a proposal from MapInfo Corporation to supply the said software under NYS Contract for the sum of \$15,000.00, which includes the MapInfo Exponare Server License for 2 CPU Server (five (5) Named Users of the Enquiry Module), one (1) year annual maintenance, MapInfo Exponare Start-Up Services (five (5) days), and additional MapInfo Consulting Services to assist in development and data conversion, all as more fully appears in the proposal dated December 15, 2005, a copy of which has been filed in the Office of the Town Clerk; now, therefore

BE IT RESOLVED, that the above-mentioned proposal be and hereby is accepted, and the Supervisor authorized to execute such contracts or other documents as may be necessary to give effect to this Resolution.

The foregoing Resolution offered by, **Councilman Poletto** and seconded by **Councilman Salvi**, was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING Aye
COUNCILWOMAN ABRAMS	VOTING Absent
COUNCILMAN CLEMENTE	VOTING Aye
COUNCILMAN POLETO	VOTING Aye
SUPERVISOR HERRINGTON	VOTING Aye

The foregoing Resolution was thereupon declared duly adopted.

Dated: December 29, 2005

RESOLUTION NO. 87, 2005

**TOWN OF BRUNSWICK
SPECIAL MEETING**

December 29, 2005

**RESOLUTION AUTHORIZING COMMENCEMENT OF ACTION
FOR INJUNCTION - ZONING VIOLATION - 463 GARFIELD ROAD**

WHEREAS, the current owner of an approximately 135 acre parcel of land located at 463 Garfield Road (County Tax Map Parcel No. 114.-1-2), which is zoned R-15 in part and A-40 in part, has commenced operations on the said parcel which, in the opinion of this Town Board, are not allowed under the Town's Zoning Ordinance; and

WHEREAS, more specifically, the owner of said parcel has begun to advertise and use the same for recreational activities open to the public for a price, and for profit, including, but not limited to, corn mazes, haunted hay rides, snow tubing, summer tubing, canoeing, and kayaking; and

WHEREAS, recognizing the incompatibility of the above-mentioned uses with the Zoning Ordinance, the owner of the said parcel applied to the Zoning Board of Appeals for a use variance authorizing the said non-permitted uses in or about January, 2005, which said variance application was withdrawn after several sessions of a public hearing thereon at which several owners of nearby residential properties objected to the variance and the Zoning Board of Appeals expressed skepticism as to whether the statutory criteria for a use variance could be met; and

WHEREAS, the Town has received numerous complaints from owners of nearby residential properties in recent months regarding, among other things, excessive noise, traffic, and lighting attributable to these commercial uses; and

WHEREAS, no permit authorizing any of these commercial activities on residentially and/or agriculturally zoned property has been issued by the Town, nor has any site plan approval been applied for or granted by the Planning Board for any of these activities; and

WHEREAS, in the opinion of this Town Board, the said actions of the owner of this property violate provisions of the Zoning Ordinance, the Site Plan Law, and the Sign Law; now,

therefore

BE IT RESOLVED, that the Town Board does hereby authorize and direct the commencement of an action for an injunction to prevent, restrain, correct and abate any and all violations of the Zoning Ordinance, the Site Plan Law, the Sign Law, and any other applicable state or local law or ordinance on the said premises; and be it further

RESOLVED, that the Supervisor, Town Attorney, Superintendent of Utilities & Inspections, and all other town officials and employees, are authorized and directed to undertake such actions within their respective jurisdictions as may be necessary to give effect to this Resolution, including the engagement of such consultants as may be necessary to assist the said Town officials in the commencement and prosecution of the said action.

The foregoing Resolution offered by, **Councilman Salvi** and seconded by **Councilman Poleto**, was duly put to a roll call vote as follows:

COUNCILMAN SALVI	VOTING Aye
COUNCILWOMAN ABRAMS	VOTING Absent
COUNCILMAN CLEMENTE	VOTING No
COUNCILMAN POLETO	VOTING Aye
SUPERVISOR HERRINGTON	VOTING Aye

The foregoing Resolution was thereupon declared duly adopted.

**TOWN OF BRUNSWICK
PUBLIC HEARING
DECEMBER 29, 2005 6:30 P.M.
BRITTONKILL CENTRAL SCHOOL**

Board Members Present: Councilman Poleto, Councilwoman Abrams, Councilman Clemente and Councilman Salvi.

Board Members Absent: Supervisor Herrington, Recused.

Also Present: Town Attorney, Thomas Cioffi and Town Clerk, Susan Quest-Sherman.

Councilman Poleto called the meeting to order at 6:50 p.m.

All joined in a salute to the flag.

The Town Clerk read the Notice of Public Hearing.

Councilman Poleto stated that this was a continuation of the Public Hearing held on November 28, 2005.

Mr. Andrew Gilchrist gave a brief overview of the process. Comments are being taken on the DEIS and the application itself. Previous comments have been noted and all comments will later be responded to in the Final Environmental Impact Statement. The Town Board has been advised not to make any determinations until all comments and questions have been addressed. Once the Public Hearing is closed there will be a period, set by the Board, for written comments to be submitted. A stenographic transcript will be made of the proceedings.

Councilman Poleto directed people who are making comments need to give their names and addresses.

Mr. Lee Rosen of Landmark Development gave a brief overview of the project. The project consists of a variety of homes; 130 carriage homes, 39 traditional homes and 21 manor homes. The project is on 210 acres located on McChesney Ave. Ext. The carriage homes are single family detached homes ranging in size from 1,400 to 2,200 square feet designed for the empty nester. The traditional homes are 1,800 to 3,200 square feet designed for the first time and move-up buyer. The manor homes range in size from 2,000 to 3,500 square feet and are geared to the luxury buyer. On the site 135 acres will remain open. There will be a master landscaping plan.

Mr. Bob Marini of Marini Homes spoke of the homes construction. The Manor homes are on an average of 2/3 acre lot with a minimum 100 feet wide. The traditional homes are on 90 by 130 feet lots. The Carriage Homes are designed for empty nesters built on 55 by 130 foot lots. The homes will mix textures and architecture to create a pleasing streetscape.

VISITORS WHO WISH TO SPEAK:

Mr. Tom Wagner, Weyrick Rd., asked about the impact on the school district. He was concerned with traffic during construction. He was also concerned about traffic on Rt. 7 and Rt. 2. Mr. Wagner asked if the water and sewer districts would be self contained so as not to impact Town taxes. He suggested the posting of a performance bond for a five year period. He asked if the DEIS could be placed on the Web site.

Mr. Louis Hutter, White Church Rd., was concerned with the number of projects before the Board. If all the projects are approved there will be a 20% growth in two years. He would like to see all the DEIS's combined into one. The Zoning Code dates from the 1950's and should be looked at and development should be put on hold until then. The DEIS doesn't address light pollution from the street lights. Light will reflect with snow cover. The impact on Town Services needs to be looked into. The older population needs more services. Mr. Hutter thinks that a lot of the site is unusable for houses.

Mr. Don Alund, Old Siek Rd., a third generation builder, by and large likes the proposed project. The project is in three school districts. The impact on the school districts will be minimal and Brittonkill has a deficit. He built his home on former farm land. Brunswick is a welcoming community. Traffic on Rt. 7 will continue whether or not this project is built. Mr. Marini is a responsible quality builder.

Mr. Bernie Fleishman, Colehamer Ave., stated that Brunswick Smart growth does not mean no growth. He has no great objections to this project except for traffic. A new updated Master Plan is needed and all the proposals shelved until then.

Mrs. Betsey Betzinger, Valleyview Dr., thinks this plan looks good. Her concern is that approving one will mean the next one will be approved also. Town taxes probably won't go up but County and School will. The increases in taxes will impact everyone. She would also be in favor of a performance bond. Brunswick needs a plan.

Mr. James Breaton, Northstar Dr., voiced his opposition to this and the other projects. He supports the neighbors to these sites who don't wish to live next to apartments and a Super-Wal-Mart. There will be increased traffic and no major though fares. He doesn't want to see another stop light on Rt. 7. Multi family homes will increase school taxes. He would like to see the proposal modified or withdrawn.

Mrs. June Tyrrell, Moonlawn Rd., spoke of the need of Seniors to have affordable housing in Brunswick. She thinks this project would be cost prohibitive for most seniors.

Mr. Tom Mendro, McChesney Ave., feels the site is too wet for the development. Surface water can't be put into the sewers so will go into the Creek and then to the Poestenkill.

Mr. Goyer, Grafton, asked how the Board can address the subjective feelings of the residents.

Mr. Jim Carr, Pinewoods Ave., objected to 15 feet between the houses. He also stated that Brunswick Smart Growth is not no growth.

Mr. Dylan Keenan, Moonlawn Rd., asked in what other rural communities have such dense projects been built. With the increase in the infrastructure there will be sprawl. He feels the Town needs to conduct public hearings to improve the Comprehensive Plan.

Mrs. Donna Forester, McChesney Ave. Ext., stated that there were two concerns in the DEIS that have not been addressed, a second road way and water hydrants. The width of the roadways concerns her because of emergency services. She doesn't think that current residents will be able to afford the homes.

Mrs. Julia MacDonald, North Lake Ave., stated that McChesney Ave is curved and wants to know how the Town can make the road safe. She objects to the 15 feet between the houses. She asked if the houses were built to order or built on speculation. She wanted to know about other housing starts in the Town. She was concerned about transportation and walking access. Mrs. MacDonald asked how you get a referendum on the ballot.

Mr. Raymond Schmidt, Liberty Rd., is concerned with the cumulative effect of all the projects. What is decided now will have a profound effect on the future.

Mr. Peter Meskoskey, Town Office Rd., was concerned with the power lines and their long term effect. Mr. Meskoskey asked about the time frame for the new zoning.

Councilman Poletto stated that after an engineering firm is selected it could take ten months to a year.

Mr. Meskoskey requested that a cumulative DEIS be done and that all public hearings remain open and planners be brought in.

Mrs. Valerie Scanlon, Maple Ave., shares the concerns of traffic, public safety, pressure on the schools, wildlife, wetlands, and is also concerned with noise and light pollution. She wants to see the rural character of Brunswick preserved. Alternative uses of farmland should be examined.

Mrs. Rebecca Kaiser, Moonlawn Rd., wanted to speak of growth, process and vision. She stated that with the addition of 200 new students Brittonkill will need a new building. The town should establish a rate of growth within the current carrying capacity. She feels no vote can take place until all projects complete their final DEIS's to assess the cumulative effects. She would like to see the members of Smart Growth join with the Town Board to come up with alternatives to development. Mrs. Kaiser invited the Town Board to the next meeting of Smart Growth.

Mr. Frank Brenensthul, Dusenberry Ln., was concerned with the other developments in front of the Planning Board. He would like to know how many of the smaller projects have been approved.

Mr. Jamie Meehan, Carrolls Grove Rd., started by taking a poll of the audience. He questioned the site distance at the intersection of McChesney and Rt. 7. He was concerned with people selling their current homes to people with school age children. He stated that it doesn't pay to have residential buildings in the Town. He wants everyone to work together to come up with an overall plan for the Town.

Mr. Pete Gibson, High Pointe, had to buy into High Pointe as there were no alternatives in Brunswick. He feels all of the projects should go through to increase the tax base. He thinks that many people are in favor of this project but don't speak up or attend the meetings.

Mr. Mike Flynn, McChesney Ave. Ext., believes that taxes will go up and he will not be able to afford to live in the Town.

Mr. Ray Trzcinski, Pittstown, feels the school district can accommodate additional students. He would like Mr. Rosen and Mr. Marini to come to Pittstown and develop there. He stated that agriculture is dead in the State, and farm land can provide homes to people. He has noticed that the Brunswick Smart Growth signs are on former farmland. He feels this project will help preserve the Town. Farmers comfort themselves with the fact that they have their land - it is there main asset.

Mr. Mike Conway, Blue Heron Ln., asked how many houses could be built on the land within the current zoning. Mr. Conway added up the amount of units aimed at empty nesters and asked if there really was that much need. He questioned who would pay for the upgrades to the infrastructure.

Mr. Nate Sims, Troy, wants everyone to get together and consider everything as a group.

Mr. Eric London, Colehamer Ave., wants the Board to bring in experts to help with planning and keep the public hearings open until then.

Mr. Sean McIntyre, Muriel Dr., objects to environmentalists coming in and building a home and then not wanting anyone else to build. He is against developments like this and thinks the empty nesters should hire a neighbor to shovel the driveway. He objects to the increase in traffic in residential neighborhoods. He does not want to see an increase in school taxes. He is concerned with water pressure and availability. He believes that the area is a wetland. He questions where the run off will go and if it will contaminate the Poestenkill.

Mr. Howard, Town Office Rd., thinks that development should be between fields. He thinks the Town Development plan should be updated.

Councilman Poletto asked if anyone else wished to speak and then asked Mr. Gilchrist to explain the process.

Mr. Gilchrist explained that in order for the applicant to address the questions and comments the Public Hearing must close then a final environmental impact statement can be made.

Mrs. Barbara Russo, Colehamer Ave., asked about the time allowed for written comments.

Mr. Gilchrist stated that there is a minimum of 10 calendar days for written comments but a later date may be set by the board.

Mrs. Russo asked the board to extend the period allowed for written comments so the transcript of the hearing could be reviewed.

Mr. Gilchrist spoke to the stenographer and was told that the transcript could be available in 3 to 5 days.

Councilman Poletto stated that the Town would try to get the transcript and minutes onto the Web Site. Written comments about this project should be addressed to him at the town office.

Councilman Clemente made a motion to close the Public Hearing and keep the written comment period open for 15 business days. Seconded by Councilman Salvi. Approved.

ADJOURNMENT:

Councilman Salvi made a motion to adjourn seconded by Councilman Poletto. Approved. The meeting adjourned at 9:13.

Respectfully submitted,

Susan Quest-Sherman
Town Clerk

Note: A full transcript and an audio CD of this meeting is available in the Town Clerk's Office.

Commission Expires April 01, 20 *06*

PUBLIC NOTICE: NOTICE IS HEREBY GIVEN that a public hearing will be held by the Town Board of the Town of Brunswick on Thursday, December 29, 2005, at 6:30 p.m. at the Brunswick Central School District Auditorium, 3992 NY 2, Troy, New York 12180, pursuant to Section 10 of the Zoning Code of the Town of Brunswick and also pursuant to the State Environmental Quality Review Act (SEQRA) and its implementing regulations at 6 NYCRR Part 617 to allow public comment on the application submitted by Landmark Development Group, LLC for the proposed Highland Creek Planned Development District (PDD) which is a proposed 190 lot residential subdivision consisting of 39 traditional single family homes, 21 minor homes and 130 carriage homes and located on 210.13 acres of land situated on the Northeast side of McChesney Avenue Extension south of its intersection with McChesney Avenue. The property is currently zoned agricultural (A-40). The application has been submitted pursuant to Section 10 of the Zoning Code of the Town of Brunswick for a Planned Development District (PDD). A Draft Environmental Impact Statement (DEIS) has been prepared by Landmark Development Group, LLC for this action pursuant to SEQRA. The Town Board of the Town of Brunswick has SEQRA Lead Agency has accepted the DEIS as adequate for public review and a notice of completion has been filed. The public hearing will allow comments on the PDD Application and the DEIS. Copies of the Application materials and DEIS are available for public inspection during regular business hours at the following location: Town of Brunswick Town Office, 336 Town Office Road, Troy, New York 12180. In addition a copy of the DEIS is also available for public inspection during regular business hours at the Brunswick Community Library, 605 Brunswick Road, Eagle Mills, New York 12180. All interested persons will be heard at the public hearing. DATED: December 1, 2005. Brunswick, New York. THE TOWN OF BRUNSWICK TOWN BOARD By: Patrick Poleto, Town Board Member. 536 177 128.
